RECORDERS FILED MAP NO. 549

Filed May 22 1880

Note: The above Map shows that portion of the Craig Tract purchased by A. B. Grogan; the Section lines are drawn upon the map as nearly as possible from such data as I have.
The quantities in each Subdivison are estimated for assessment purposes; they may not be strictly correct but the sum total represents 3161 acres which is equal to the total amount of landowned by said Grogan after deducting the County Roads therefrom.
