

Avenue J-12 & 50th Street West Site Improvements Well 4-91 Project

Los Angeles County Public Works will begin work to construct a new groundwater well at 43808 N. 50th Street West in the City of Lancaster. The project will improve sustainability, water system reliability, and the health and safety of the local community.

Construction of this project is expected to begin on the week of November 3, 2025, and finish by early 2027. Construction hours will be from 7:00 a.m. to 3:30 p.m., Monday through Friday, except during continuous well drilling operations. Residents may experience construction noise, localized vibrations, and minimal traffic impacts in the proximity to the project site. The water service will not be disrupted.
