

# Compton/Woodley Airport Quarterly Newsletter

July 2025

## From the Airport Manager

*Latanya Collier (lcollier@pw.lacounty.gov)*

Hello! Summer is here, and I would like to say thank you for your continued patience and partnership as we work to keep Compton/Woodley Airport a safe, compatible, compliant, and friendly airport.

We continue to conduct hangar inspections. To make arrangements for the annual inspection of your hangar or if you have any questions about what is required of you for the annual hangar inspections, please contact us.

As always, we value the contributions each of you bring to this unique aviation community. Whether you've been here for years or just joined us recently, you're a vital part of making Compton/Woodley special.

Please don't hesitate to call me or Assistant Airport Manager, Lucero Vera at (310) 631-8140 if you have any questions or require additional information about airport events and activities, projects, or anything else related to the airport.

## Airport Ops & Admin

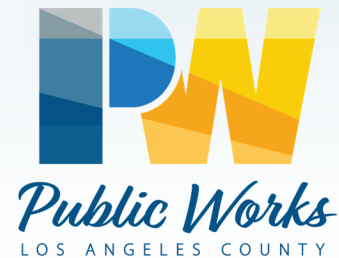

Quick Reminders.....

**Keep It Clean:** Please help us maintain a tidy ramp and hangar area by disposing of oil, parts, and trash responsibly.

**Noise Awareness:** Be mindful of our neighbors—follow the voluntary noise abatement procedures and patterns to minimize impacts on the surrounding communities.

**Aircraft Parking:** Please park all aircraft on your assigned tiedown or inside your hangar. Keep the hangar rows clear.

**Vehicle Parking:** Please remember that overnight vehicle parking is not permitted on the airport outside of your assigned tiedown space. All vehicles must be properly registered and insured on the airport.

### Airport Events & Activities

#### Annual Air Fair

Self-Service 100LL  
(310) 292-7442

### Airport Tenant Portal

Scan the QR Code below to make **hangar/tiedown rent payments** and **file hangar maintenance requests**.

## Airport Improvement Projects

### Taxiway, Taxilane, and Apron Area Pavement Project

Design is expected to begin later this year for the reconstruction of the north taxiway (B) and taxiway connector pavements and to rehabilitate approximately 18 acres of paved south aircraft parking ramp/apron areas and taxilanes. Construction for the project is anticipated to begin in 2027.

## Repair Updates

### Automated Weather Observing System (AWOS)

The airport's Automated Weather Observing System (AWOS) is currently out of service. Repairs are underway and expected to be completed soon.

### Precision Approach Path Indicator (PAPI)

The Precision Approach Path Indicator (PAPI) was repaired and flight-tested by the FAA in May. It is now back in service.

### Main Vehicle Access Gate

The main vehicle access gate adjacent to the airport terminal building has been repaired and is now fully operational.

## Other

It is with great sadness that we announce the passing of one of our own in the Aviation Division. Salvatore Bernard Cirino (Sal) passed away on June 29, 2025. Sal served at all five County airports as an Airport Maintenance Worker. Prior to joining Public Works, he spent seven years with American Airports Corporation as an Airport Maintenance Technician. Sal's willingness to always help and his sly sense of wit and humor made him genuinely fun to be around. He will be deeply missed.
