Airport Ops & Admin

This year marks the 100th anniversary of Compton/Woodley Airport! The airport was established on May 11, 1924 and we're thrilled to celebrate this historic milestone. Stay tuned for details on upcoming festivities.

As we enter into May, we want to take a moment to remind all airport tenants of some important regulations regarding hangar usage and airport operations:

1. ****Living in Hangars:**** Please be reminded that living in hangars is strictly prohibited. Hangars are designated for aircraft storage and maintenance purposes only.
2. ****Overnight Parking:**** Overnight parking is not permitted on the airport premises. We kindly ask all tenants to make appropriate arrangements for off-site parking if needed.
3. ****Business Conduct:**** Conducting business from your standard month-to-month hangar lease agreement is not allowed. If you require additional space or amenities for business activities, please contact airport administration to explore available options.
