

County of Los Angeles Department of Public Works
Building and Safety Division
Postentitlement Phase Permit Questionnaire

1. Is this application being submitted for review as a Postentitlement Phase Permit per Government Code Section 65913.3?

YES NO

2. Does this project meet the definition of a Housing Development Project?

YES NO

3. Specify which permit review application is being submitted?

Building Grading/Drainage Mechanical

Electrical Plumbing

4. Specify address of project and Department of Regional Planning (DRP) approval number?

Project Address: _____ DRP Approval No. _____

Note: If answers to questions 1 and 2 above are marked "Yes", Department of Regional Planning (DRP) approval shall be provided. Failure to provide DRP approval will disqualify the application for review as a Postentitlement Phase Permit. Any "No" answer to the above questions disqualifies review as a Postentitlement Phase Permit.

Definitions contained in Government Code Section 65913.3

Postentitlement Phase Permit includes all nondiscretionary permits and reviews filed after the entitlement process has been completed that are required or issued by the local agency to begin construction of a "Housing Development Project".

Housing Development Project means a use consisting of any of the following:

- Residential units only.
- Mixed-use developments consisting of residential and nonresidential uses with at least two-thirds of the square footage designated for residential use.
- Transitional housing or supportive housing as defined in Government Code Section 65582.
