To the right of the search bar is a dropdown menu set to 'All' and an 'Export to Excel' button. Below these is a table with the following columns: Permit Number, Project, Address, Permit Type, Status, and Attention Reason. The table contains five rows of permit data. The third row's 'Permit Number' is highlighted with a green box, and a green callout points to it with the text 'Click on the link of the permit to open the case'.
