The following answer is in response to the request for information and clarification and a question submitted by a Proposer for the On-Call Haul Truck Services Program (BRC0000255). The question presented in this Addendum represent the question asked by a Proposer in the form and context submitted. Question and Answer to On-Call Haul Truck Services Program

- Question:** Form PW-9 for subcontractors: Why do subcontractors need to complete this form? This information (ie: SBE, DBE, DVBE, etc.) is provided for each subcontractor on form PW-8 along with the corresponding certification. I believe PW-9 is redundant- can it be required for proposers only?

Response: No. Form PW-9 cannot be required for Proposers only. If Subcontractors are to be employed, Proposers must complete and submit Form PW-9 for each Subcontractor. Form PW-9 not only provides information related to the various County's Preference Program, it also provides statistical data regarding the overall composition of each participating Contractor/Subcontractor, such as Business Structure, Race/Ethnic composition, etc. Please refer to Part I, Section 2.A.11, Subcontractor Form List, for additional information.

If you have questions concerning the above information, please contact Mr. Jairo Flores at (626) 458-4069, Monday through Thursday, 7 a.m. to 5 p.m.
