REQUEST FOR PROPOSALS

SECTION 1

INTRODUCTION

A. Proposers' Conference

Each Proposer or an authorized representative must attend a Proposers' Conference to be held at the place, date, and time announced in the Notice of Request for Proposals. **ALL INTERESTED PROPOSERS OR THEIR AUTHORIZED REPRESENTATIVE MUST ATTEND THIS CONFERENCE.** Proposals received from Proposers not signed in as attending this conference will be rejected as nonresponsive. Proposers are encouraged to be prepared to ask questions concerning the Request for Proposals (RFP), contract requirements, specifications, terms, and conditions. For example, questions may address concerns, if any, that the application of minimum mandatory requirements, evaluation criteria, and/or business requirements would unfairly disadvantage Proposers or, due to unclear instructions, may result in the County not receiving the best possible responses from Proposers. Upon conclusion of the Proposers' conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum and/or informational update, to all who attended the conference.

B. Minimum Mandatory Requirements

Interested and qualified Proposers, who can demonstrate their ability to successfully provide the required services outlined in Exhibit A, Scope of Work, of this RFP are invited to submit a proposal, provided they meet the following requirement(s) at the time of proposal submission:

1. Proposer or its managing employee must have five years of experience providing landscaping services.
2. Proposer's on-site supervising employee must have at least two years of experience supervising landscaping services.
3. Proposer must hold a valid and active California-issued landscaping license, Contractor Classification C-27. In addition, Proposer must hold a valid and active State of California Department of Pesticide Regulation Pest Control business license, and Proposer's employee assigned to this project must hold a valid and active State of California Qualified Applicator license.

4. The use of subcontractors is prohibited for these services, except for the Water Truck Services.

C. Contract Analyst

Proposers are instructed not to contact any County personnel other than the Contract Analyst listed below regarding this solicitation. All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed, e-mailed, or sent via facsimile to:

County of Los Angeles Department of Public Works
Administrative Services Division – 9th Floor
Attention Mr. Edwin Manoukian
P.O. Box 1460
Alhambra, California 91802-1460

E-mail: emanoukian@dpw.lacounty.gov
Telephone: (626) 458-4057
Facsimile: (626) 458-4194

If it is discovered that a Proposer contacted and received material information from any County personnel, other than the Contract Analyst named in the Notice of Request for Proposals and above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

D. Child Support Compliance Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment, and continue to maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Contract and/or initiation of debarment proceedings against the noncompliant Contractor (County Code Chapter 2.202).

E. County Rights and Responsibilities

The County has the right to amend this RFP by written addendum prior to the proposal submission deadline. The County is responsible only for that which is expressly stated in this solicitation document and any authorized written addenda. Addendums shall be made available to each person or organization that attended the Proposers' Conference. Should an addendum(s) require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound

by any representations otherwise made by any individual acting or purporting to act on its behalf.

F. Defaulted Property Tax and Reduction Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). The successful Contractors should carefully read the Defaulted Tax Program Ordinance, Exhibit E. Proposers should carefully read the pertinent Defaulted Tax Program provisions in Part II, Exhibit B, Service Contract General Requirements, Section 12, Compliance with County's Defaulted Property Tax Reduction Program. The Defaulted Tax Program applies to both Contractors and their Subcontractors, if any.
2. Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program (Form PW-17). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the noncompliant contractor (Los Angeles County Code, Chapter 2.202). Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered nonresponsive and excluded from further consideration.

G. GAIN and GROW Programs

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall certify compliance on Form PW-10, GAIN and GROW Employment Commitment.

H. SPARTA Program

A County program, known as SPARTA (Service Providers, Artisan and Tradesman Activities) may be able to assist potential Contractors in obtaining

Landscape Maintenance Services
South Area
(2014-PA030)

affordable liability insurance. The SPARTA Program is administered by the County's insurance broker, Merriwether & Williams. For additional information, Proposers may call Merriwether & Williams toll-free at (800) 420-0555 or can access their website directly at www.2sparta.com.

I. Indemnification and Insurance

The successful Contractor will be required to comply with the indemnification provisions contained in Exhibit B, Section 5, Indemnification and Insurance Requirements. The Contractor will be required to procure, maintain, and provide the County proof of insurance coverage for all programs of insurance along with associated amounts specified throughout the entire term of the proposed Contract without interruption or break in coverage.

J. Injury and Illness Prevention Program

The successful Contractor will be required to comply with the State of California's Cal/OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program that addresses hazards pertaining to the particular workplace covered by the program.

K. Interpretation of Request for Proposals

The definitions and other rules of interpretation set forth in Part II, Sample Agreement, Exhibit B, Section 1, Interpretation of Contract, also apply to interpretation of this RFP.

L. Jury Service Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Exhibit B, Service Contract General Requirements, Section 7, Compliance with County's Jury Service Program. The Jury Service Program applies to both Contractors and their subcontractors, if any. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires Contractors and their subcontractors, if any, to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program,

"employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the Proposer has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity which has a Contract with the County or a SubContract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or subContracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this proposed Contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

M. Living Wage Program

1. Proposers are advised that the Board has enacted the Living Wage Program (Form LW-1) for Contracts awarded under the authority of Los Angeles County Code, Chapter 2.121.250 through

2.121.420 ("Proposition A") as well as cafeteria service Contracts. In doing so, the Board made a finding that the Living Wage Program was not only to provide living wage and health benefits to employees working on these County Contracts, but it is also intended to relieve the County of the burden for providing social and health services to persons who receive less than a living wage. Any Contract resulting from this solicitation will be awarded under the Proposition A authority. The Living Wage Program (Los Angeles County Code, Chapter 2.201) requires Contractors and subcontractors, if any, to pay their full-time employees providing these requested services no less than the County's living wage. The County has established the living wage as \$11.84 per hour without health benefits and \$9.64 per hour with qualifying health benefits. Contractors/ subcontractors to qualify for the lower hourly wage rate of \$9.64, the Contractor/Subcontractor shall pay at least an additional \$2.20 per hour toward the provision of a bona fide health care, vision, and/or dental benefit plan for each employee and any dependents. Contractors/Subcontractors will not be allowed to pay less than \$2.20 per hour toward an employee health benefit and pay the difference to the employee. Each Proposer shall complete the Contractor Living Wage Declaration (Form LW-3) and submit it with the Proposal, or, if appropriate, may submit the Living Wage Ordinance - Application for Exemption (Form LW-2), **at least seven days prior to the proposal submission deadline**. The requirements and terms of the Living Wage Program are nonnegotiable. Proposals that fail to comply with the requirements of the Living Wage Program will be considered nonresponsive and excluded from further consideration.

2. Proposer is further notified that throughout the term of the Contract resulting from this solicitation, the Contractor and its subcontractor(s), if any, will be required to submit periodic monitoring reports for each employee providing services under the Contract, certifying under penalty of perjury, the hours worked, wages paid, and amounts paid towards each employee's health benefits.
3. At any time during the term of the Contract resulting from this solicitation, the County may conduct an audit of the successful Proposer's records as well as field visits with the Proposer's employees to ascertain compliance with the Living Wage Program.
4. Also, the successful Proposer will be required to place specified living wage posters at their place of business and locations where the Proposer's employees are working. The successful Proposer will also be required to distribute County-provided notices to each of its employees providing services to the County at least once per year.

5. Violations of the provisions of the Living Wage Program will subject the successful Proposer to withholding of monies owed it under the Contract, liquidated damages, termination, and/or debarment from future County Contracts in accordance with Section 2.202.040 of Los Angeles County Code.
6. The Proposer will have to demonstrate a history of business stability, integrity in employee relations and financial ability to pay the Living Wage.
7. Any Proposer who submits false information may be barred from participating in this solicitation and future County solicitations/Contracts in accordance with Section 2.202.040 of Los Angeles County Code.

N. Local Small Business Enterprise Preference Program

1. To the extent permitted by State and Federal law and when the price category is scored, the County will give Local Small Business Enterprise (SBE) preference during the solicitation process to businesses that meet the definition of a Local SBE, consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) a business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by the Office of Small Business as meeting the requirements set forth in Nos. 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
2. To apply for certification as a Local SBE, businesses may register at the Los Angeles County Office of Small Business' website at:

<http://www.laosb.org>
3. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach their Local SBE Certification Letter to a completed Form PW-9, Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.
4. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources website at <http://www.dgs.ca.gov/pd/program/osds.aspx>.

O. Notification to County of Pending Acquisitions/Mergers by Proposing/Bidding Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Form PW-1, Verification of Proposal. The proposed Contract will only be awarded to the entity that submitted the proposal. Any acquisitions and merger will be handled pursuant to Exhibit B, Section 2.B, Assignment and Delegation, and evaluated in accordance with the Board's policy regarding Contractors engaged in mergers and acquisitions. Failure of the Proposer to provide this information may eliminate its proposal/bid from any further consideration.

P. Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after the receipt of an undisputed and approved invoice.

Q. Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices, and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective Contractors must determine if they receive or raise charitable contributions, which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the County.

In Form PW-12, prospective Contractors certify either that:

1. They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County Contract; or
2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County Contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion be disqualified for Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both (County Code Chapter 2.202).

R. Proposal Requirements and Contract Specifications

1. Persons who wish to Contract with the County may respond to this RFP by submitting a proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.
2. Requirements for proposals are explained in Part I of this RFP.
3. The proposed Contract's specifications and requirements are fully described in Part II, Sample Agreement; Exhibit A, Scope of Work; and Exhibit B, Service Contract General Requirements. Proposers are also requested to review Attachment 1, Policy on Doing Business with Small Business; Attachment 2, Listing of Contractors Debarred in Los Angeles County; and Attachment 3, County of Los Angeles Lobbyist Ordinance.
4. Dates and times of the Proposers' Conference and for the submission of Proposals are set forth in the Notice of Request for Proposals.

S. Security and Background Investigations

Each of the Contractor's and subcontractor's staff performing services under this Contract who is in a designated sensitive position, as determined by the County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State and local-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

T. Transitional Job Opportunities Preference Program

To the extent permitted by State and Federal law in evaluating proposals and when the price category is scored, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three years, an entity: that is a nonprofit organization recognized as tax exempt pursuant to section 501 (c)(3) of the Internal Revenue Services Code; set forth, under

penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to Public Works with their proposal response to Contracting solicitation for which they are competing; has been in services to program participants; and provided a profile of their program a description of their program components designed to assist program participants, number of past program participants, and any other information requested by Public Works. Transitional Job Opportunities vendors must request the preference in their solicitation responses (Form PW-13) and may not receive the preference until their certification has been affirmed by Public Works. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

U. Vendor Registration

Proposers must register online with the County's web-based vendor registration system to facilitate the Contract award process. Registration can be accomplished online via the Internet by accessing the County's home page at http://lacounty.info/doing_business/main_db.htm and click on "Vendor Registration Information – Self-Registration." Being registered will assist the Proposer in receiving notifications of the release of County solicitations that may be of interest to the Proposer.

V. Disabled Veteran Business Enterprise (DVBE) Preference Program

1. The County will give Disabled Veteran Business Enterprise (DVBE) Preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with Chapter 2.211 of the Los Angeles County Code. A DVBE is defined as: 1) a business which is certified by the State of California as a DVBE; or 2) a business which is certified by the by the Department of Veterans Affairs as a Service Disabled Veteran-Owned Small Business (SDVOSB).
2. Certified DVBEs must request the DVBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed.
3. In no case shall the DVBE Preference Program price or scoring preference be combined with any other county preference program to exceed 8 percent in response to any county solicitation.
4. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified DVBE.

5. To request the DVBE Preference, Proposer must complete and submit the Request for Disabled Veteran Business Enterprise Consideration form in Form PW-18 with supporting documentation with their proposal.

Information about the State's DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources Website at <http://www.pd.dgs.ca.gov>.

Information on the Department of Veteran Affairs SDVOSB certification regulations is found in the Code of Federal Regulations, 38CFR 74 and is also available on the Department of Veterans Affairs Website at <http://www.vetbiz.gov>.

W. Time Off for Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten days before every Statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

X. Prevailing Wage

SECTION 3

GENERAL CONDITIONS OF REQUEST FOR PROPOSALS

A. Acceptance or Rejection of Proposals

The right is reserved to reject any or all proposals that, in the judgment of the Board or Director, are not in the best interests of the County/Public Works/Special Districts. The County further reserves the right to cancel this request for proposals at any time at its sole discretion. In the event of any such rejection of proposals or cancellation of this solicitation, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than the president and secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the secretary or assistant secretary, authorizing such signature; otherwise, the Proposal may be rejected as unauthorized and nonresponsive.

No proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document requests multiple quotations, no Proposal will be considered unless the Proposer submits a price on all items within each category; however, the solicitation document may not require the Proposer to submit a price on all of the categories.

B. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer will render their Proposal irregular and may cause its rejection as nonresponsive.

C. County Responsibility

The County will not be responsible for representation made by any of its officers or employees prior to the execution of the proposed Contract unless such understanding or representation is included in the proposed Contract.

D. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Contract. It is the County's policy to conduct business only with responsible Contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any Contracts, including, but not limited to, County Contracts. Particular

attention will be given to violations of labor laws related to employee compensation and benefits and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

3. The County may declare a Proposer to be nonresponsible for purposes of the proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest-rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County Contracts.

E. Disqualification of Proposers

More than one proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has an interest in more than one proposal for the work contemplated may cause the rejection of all proposals in which such Proposer has interest on the basis of nonresponsibility and/or nonresponsiveness. If there is reason for believing that collusion exists among the Proposers, such collusion by the participants may be cause for the rejection of their proposals or future proposals on the basis of nonresponsibility and/or nonresponsiveness and may subject such Proposers to debarment.

F. Gratuities

1. It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the proposed Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the proposed Contract.
2. A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being rejected on the basis of nonresponsibility and/or nonresponsiveness.
3. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

G. Knowledge of Work to be Done

By submitting a Proposal, Proposer shall be held to have carefully read this RFP, all attachments, and exhibits; satisfied themselves before the delivery of their Proposal as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a Contract, no claim will be made against the County based on this RFP including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Proposer has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Proposal solely upon the Proposer's own knowledge. The Proposer has carefully examined these specifications and requirements, both in general and in detail, any drawings attached, and any additional communications sent and makes their Proposal in accordance therewith. If Proposer's Proposal is accepted, the Proposer will enter into a written Contract with the County for the performance of the proposed work and will accept payment based on the prices shown in Form PW-2, Schedule of Prices, as full compensation for work performed. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices, and this RFP are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

H. Notice to Proposers Regarding the Public Records Act

1. All responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, at such time as (a) with respect to the recommended Proposer's proposal and corresponding Public Works evaluation documents, Public Works completes contract negotiations and obtains a letter from an authorized officer of the recommended Proposer that the negotiated contract is a firm offer of the recommended Proposer, which shall not be revoked by the recommended Proposer pending the Department's completion of the process under Board Policy No. 5.055 and approval by the Board of Supervisors (Board) and (b) with respect to each Proposer requesting a County Independent Review, the County Independent Review convenes as a result of such Proposers' request, and (c) with respect to all other Proposers, Public Works recommends the recommended Proposer(s) to the Board and such recommendation appears on the Board agenda, proposals submitted in response to this solicitation and corresponding Public Works evaluation documents become a matter of public record, with the exception of those parts of each proposal which are justifiably defined as business or trade secrets, and, if by the proposer, plainly marked as "Trade Secret," "Confidential," or "Proprietary."
2. The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The proposers must specifically label only those provisions of their respective proposal which are "Trade Secret," "Confidential," or "Proprietary" in nature. Only those provisions labeled as "Trade Secret," "Confidential," or "Proprietary" in nature at the time of proposal submission will be accepted. The proposers will not be granted opportunity to make any change or label any portion of their respective proposal as "Trade Secret," "Confidential," or "Proprietary" after the submission deadline of the proposals.
3. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

I. Notice to Proposers Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code, Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or Contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of the ordinance is not contained in this RFP. Each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyist. The Proposer's signature on the Proposal submission is its certification that it is in full compliance with Los Angeles County Code, Chapter 2.160. See Attachment 3 regarding County Lobbyist.

J. Opening of Proposals

Proposals will not be publicly opened.

K. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Proposer's existing Contracts with the County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest-rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence, which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.

3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. If a Proposer has been debarred for a period longer than five years, that Proposer may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
7. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

8. These terms shall also apply to proposed subcontractors of Proposer on County Contracts.
9. Attachment 2 is the link to a Listing of Contractors Debarred in Los Angeles County.

L. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Proposer's intentions. If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Proposer's intentions.

M. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on Form PW-4, Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

N. Qualifications of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out the intended Contract, based both on financial strength and experience as a Contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these specifications and requirements. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry including, but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

O. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors (Form PW-8). The use of subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of

California for the type of work, which they are to perform. Alternate subcontractors shall not be listed for the same work.

P. Safely Surrendered Baby Law

The Proposer shall notify and provide to its employees, and shall require each subcontractor, if any, to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Part II, Exhibit D of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

Q. Term of Proposals

All proposals shall be firm offers and may not be withdrawn for a period of 270 days following the deadline for submission of proposals.

R. Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal will be sufficient cause for the rejection of the proposal. The evaluation and determination in this area will be at the Director's sole judgment and the Director's judgment will be final.

S. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the Contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

T. Consultant Independent

Proposers that assisted the County in developing or preparing a solicitation document, pursuant to a consultant contract, are precluded from subsequently being involved in the bidding process on that solicitation document.

SECTION 4

EVALUATION OF PROPOSALS; AWARD AND EXECUTION OF CONTRACT

A. Award of Contract

Subject to the right of the Board to make the ultimate decisions concerning the award of Contracts, the County intends to award a Contract to the highest-rated Proposer or Proposers based on the evaluation criteria in Part I, Section 4.E, Evaluation Criteria, whose Proposal(s) provide(s) the most beneficial program and price, with all other factors considered. The County retains the right to select a proposal other than the proposal receiving the highest number of points, if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible, and in the best interest of the County. The recommended awardee shall sign and return the agreement within 14 calendar days of its mailing to the recommended awardee for signature by Public Works. The recommended awardee shall submit copies of its proof of insurance coverage, within 14 days after Board approval of the proposed Contract or at least 14 days prior to the proposed Contract's start date, whichever occurs last. Work under the proposed Contract cannot begin before proof of valid insurance coverage is submitted to Public Works.

B. Final Contract Award by Board

Notwithstanding a recommendation by Public Works, the Board retains the right to exercise its judgment concerning the selection of a proposal, the terms of any resultant contract/agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract, or to award a contract to a Proposer other than the highest-rated Proposer.

C. Evaluation of Proposals

1. All responses to this RFP become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a contract to one or more of those submitting Proposals. The proposed contract may be submitted to the Board for consideration and possible approval.
2. The County may require whatever evidence it deems necessary to determine the Proposer's overall and specific abilities to meet the requirements of proposed Contract over the entire Contract term. This determination will be based on, but not limited to, an evaluation of the Proposer's experience, personnel, financial stability, and resources, work plan, cost to perform requested services, and staffing plan.

3. The County reserves the sole right to judge the Proposer's written and oral representations and to review, evaluate, and select the successful proposal(s).
4. The County may make on-site inspections of Proposer's current jobs and/or facilities.
5. The County, in its sole discretion, may elect to waive any error or informalities in the form of a proposal or any other disparity, if, as a whole, the proposal substantially complies with the RFP's requirements.
6. The County may utilize the services of appropriate experts to assist in the evaluation process.

D. Pass/Fail Review

Proposals will be reviewed on a Pass/Fail basis concerning the items listed below. Proposals not meeting all of these requirements may be rejected as nonresponsive:

1. Proposer will comply with the insurance requirements, outlined in Exhibit B, Section 5, Indemnification and Insurance Requirements, as evidenced by submitting a completed and signed Form PW-16.
2. Proposer has met the GAIN and GROW Programs requirements (Form PW-10).
3. Proposer has completed and submitted the Charitable Contributions Certification (Form PW-12).
4. Proposer has submitted the Jury Service Program Application for Exception and Certification Form (Form PW-3) stating that they accept and will comply with the program requirements or establish their entitlement to an exception to the program.
5. Proposer has completed and signed all appropriate forms, and Proposer has completed and signed Form PW-2, Schedule of Prices, and Form LW-8, Proposer's Staffing Plan and Cost Methodology.
6. Proposer's submitted Form LW-8, Proposer's Staffing Plan and Cost Methodology, assigns at least **six fulltime equivalent crew members to this Contract.**
7. Proposer has demonstrated that it complies with all minimum requirements as outlined in Part I, Section 1.B, Minimum Mandatory Requirements, and has submitted a completed and signed Form PW-19.
8. Proposer has submitted a valid and active California-issued landscaping license, Contractor Classification C-27, and valid and active State of

California Department of Pesticide Regulation Pest Control Business license, and a valid and active State of California Qualified Applicator license for proposer's employee assigned to this project.

Proposers who do not possess licenses/certifications/permits at the proposal deadline date will be disqualified as nonresponsive.

9. Proposer submitted information regarding Experience and Work Plan as outlined in Part I, Section 2.A, and Proposer's LW-8, shows that the proposer shall assign a minimum of five full-time employees (not including supervisors) to this Contract to maintain the project, if awarded the Contract.
10. Proposer is signed in as attending the Proposers' Conference.
11. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal. Any proposal without a Public Works time stamp verifying that the deadline for submission has been met will be rejected.
12. If Proposer is not exempt, Proposer has indicated on Form LW-3, Contractor Living Wage Declaration, it will meet the Living Wage Program employee payment requirements and has included their contribution for the identified medical plan. Proposals that include hourly and health benefit payments that do not comply with Living Wage Program requirements, shall be rejected as nonresponsive unless the Proposer has been granted exemption status pursuant to a fully documented request for exemption in compliance with the Living Wage Program, Form LW-2, Living Wage Ordinance - Application for Exemption (Part I, Section 2.A.15).
13. Proposer's staffing plan identifies full-time employees of the Proposer who will perform the required work unless the Proposer has demonstrated the necessity of part-time staff to the County's satisfaction in accordance with Part I, Section 2.A.6, Work Plan. Proposers may submit part-time staffing plans for approval before the due date for receipt of Proposals in accordance with Part I, Section 2.A.6.

E. Evaluation Criteria

All proposals will receive a composite score (rating) and be ranked in numerical sequence from high to low based on the following criteria:

1. Proposed Price (55 points)

The proposed price should accurately reflect the Proposer's cost of providing the required products and services and any profit expected during the Contract term. Prior to scoring, the proposed prices must be adjusted in accordance with the Transitional Job Opportunities Preference, the Local

Small Business Preference, or the Disabled Veteran Business Enterprise Preference, as applicable.

- Transitional Job Opportunities Preference. To the extent permitted by State and Federal law, should one or more of the Proposers qualify for the Transitional Job Opportunities Preference (Form PW-13), the price component points will be adjusted prior to scoring as follows: 8 percent of the lowest price proposed will be calculated, and that amount will be deducted from the prices submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference. The Transitional Job Opportunities Preference will not reduce or change the Proposer's payment, which will be based on the Proposer's bid amount.
- Local Small Business Enterprise (SBE) Preference. To the extent permitted by State and Federal law, should one or more of the Proposers qualify for the Local SBE Preference (Form PW-9), the price component points will be adjusted prior to scoring as follows: 8 percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference. The Local SBE Preference will not reduce or change the Proposer's payment, which is based on the Proposer's bid amount.
- Disabled Veteran Business Enterprise (DVBE) Preference Program. To the extent permitted by State and Federal law, should one or more of the Proposers qualify for the Disabled Veteran Business Enterprise (DVBE) Preference (Form PW-18), the price component points will be adjusted prior to scoring as follows: 8 percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all DVBE Proposers who requested and were granted the DVBE Preference. The DVBE Preference will not reduce or change the Proposer's payment, which is based on the Proposer's bid amount.

Subject to such adjustment(s), the lowest Total Proposed Annual Price quoted in the Schedule of Prices (Form PW-2) will receive the full weight of this evaluated item. Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposer's Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion. The Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a Contract.

2. Performance History/References (10 points)

a. Potential Points

Public Works will attempt to obtain the required number of Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided in the following order: County of Los Angeles departments, other counties, cities, governmental entities, nonprofit entities, private companies, etc. Proposer may receive up to a maximum of 2.5 points for each responding reference up to a total of four responding references. On Form PW-6, Proposer's Reference List, Proposers must identify all contracts with the County of Los Angeles during the previous three years and must identify County's contacts for each contract. Public Works reserves the right to utilize any reference of Proposer, County or other, listed or not listed. Proposer shall receive zero points for each of the minimum required references not received.

b. Potential Deductions

In addition to the references provided, the review will include the County's Contract Database and Contractor Alert Reporting Database (CARD), if applicable, reflecting past performance history on County or other contracts. If references fail to substantiate Proposer's description of services provided; references fail to support that Proposer has a continuing pattern of providing capable, productive, and skilled personnel and services; or a significant unacceptable weakness in references may result in a low or zero score. Additionally, a Proposer's unacceptable performance on another County Contract(s), as documented by either the County's Contract Database or Contractor Alert Reporting Database (CARD) by an unfavorable reference, may result in point deductions up to 100 percent of the total points awarded in this evaluation category. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

References may be contacted by telephone, facsimile, mail, express delivery, or e-mail. It is the Proposer's responsibility to ensure that accurate and timely contact information is included in the proposal. Public Works will ordinarily not make repeated attempts to contact references and will ordinarily not contact the Proposer to correct bad phone numbers, etc. It is the Proposer's responsibility to ensure that its references respond promptly to Public Works' requests for information.

3. Experience (5 points)

Proposer or its managing employee must have five years of experience providing landscaping services. Proposer's on-site supervising employee

must have at least two years of experience supervising landscaping services. Failure to demonstrate the minimum lengths of experience performing the service may result in rejection of the Proposal as nonresponsive.

The evaluators may award higher scores for the higher quality and quantity of experience of the Proposer, its key personnel, on-site supervising employee, and subcontractors, if any, in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 2.A.5), and any other relevant information including, but not limited to, pending litigation and judgments and a review of terminated contract(s) reported on Form PW-14, Proposer's List of Terminated Contracts.

The evaluators may consider the safety record of the Proposer and any subcontractors to ensure that they have provided services in a safe manner. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

4. Financial Resources (5 Points)

The Proposal may be submitted to Public Works financial staff for comments and/or evaluation. The Proposer's financial statements or annual reports will be evaluated on the extent to which the statements demonstrate that the Proposer has financial and business stability ensuring it can continue to pay the living wage as defined in this Part I, Section 1.L, Living Wage Program, and can perform the work throughout the term of the Contract. Financial statements or annual reports that are incomplete or unaudited (compiled, reviewed, or self-prepared) may be given a low or zero score.

A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive. Public Works reserves the right to review the Proposer's past ability to appropriately pay a Living Wage under active and expired contracts awarded by the County and/or other local agencies, additional business history, and/or other information to demonstrate financial resources and viability, verified by an independent third party. Although no additional points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive, even though the Proposal may have scored a zero in this category.

5. Work Plan (15 points)

Note: The Contractor shall assign a minimum of six fulltime equivalent crew members to this Contract. These crew members must be Contractor's personnel such as landscape laborer, gardener, sprayer and irrigation technician.

Evaluation and scoring of the Proposer's Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to meet or exceed the performance requirements set forth in Exhibit A, Scope of Work; to demonstrate creativity and innovation that exceed the minimum requirements of the Scope of Work; to render timely and responsive service to Public Works; to respond to contingencies and emergencies; and to provide a professional level of quality in the service and work product. The highest scores will be awarded to the most comprehensive and detailed work plans that are highly likely to lead the Contractor to exceed minimum work requirements.

The evaluators will award higher scores to work plans that commit to specific staffing levels and staff qualifications that exceed the requirements of the work.

The evaluators may give reduced scores to work plans that omit any of the following:

- **Proposer's maintenance schedules for each facility.**
- **Procedures, techniques, equipment, and methods that will be employed by the proposer in meeting the required service.**
- **Proposer's personnel management, training, and employee replacement.**
- **Methods of communication between Public Works and Proposer, its on-site supervisor and its field staff, including Proposer's emergency contact information.**
- **Proposer's ability to respond and provide back-up staff and equipment in emergencies.**

Comprehensiveness of the Work Plan will be evaluated based on detailed, specific discussion of all issues relevant to the work. These may include personnel management, training, recruitment and replacement, supervision, supplies, identification badges, safety, communications, quality control, and other issues.

The evaluation committee may make these determinations from all relevant information presented in the Proposal, which may include the work plan,

staffing plan, quality assurance plan, schedules, and other documents. If an interview or presentation is scheduled, it may also be considered.

The evaluation committee may also make this determination from all relevant information presented in the Proposer's written Quality Assurance Program (Program), which may include, but is not limited to, policies and procedures, inspection fundamentals as well as a description of quality control documentation, review, and reporting. Failure of the Proposer to designate a qualified inspector that will be provided by Proposer to monitor compliance of the Program and deal with customer complaints and inquiries will result in a reduced score in this category. If a subcontractor is to perform Quality Assurance, the Program must detail how that subcontractor will interface with the Proposer and comply with the Program.

In addition, Form LW-8, Staffing Plan and Cost Methodology, may be considered in evaluating the Work Plan.

Significant unacceptable weakness in any of the Work Plan subject areas or omission of a Work Plan from the Proposal at the time of submission may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

6. Equipment (5 Points)

The evaluators may award up to maximum of 5 points based on their evaluation of the Proposer's equipment to meet or exceed all of the requirements set forth in Exhibit A, Scope of Work.

A review of the Proposer's equipment to be dedicated and/or designated as backup to perform the work, as listed on the Statement of Equipment Form (Form PW-20), will be made. List vehicles separate from other equipment. Public Works reserves the right to conduct on-site inspections of equipment listed on this form.

The Proposer's equipment may be evaluated based on the following criteria, but is not limited to, the type and quantity of equipment within the organization's fleet, type and quantity of equipment dedicated to the service, date of manufacture/purchase, up-to-date maintenance and service records.

Significant unacceptable weakness in the Proposer's equipment may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

7. Demonstrated Controls over Labor/Payroll Record Keeping (5 points)

Proposer will be evaluated on the firm's labor/payroll record keeping system and regulatory compliance information as requested in

Form LW-9, Wage and Hour Record Keeping for Living Wage Contracts.

The County may conduct site visits to audit Proposer's labor/payroll record keeping system and processes.

Significant unacceptable weakness in the Proposer's Labor/Payroll Record Keeping or lack of it in the Proposal may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive. Public Works reserves the right to review Proposer's past Labor/Payroll Record Keeping procedures under Living Wage type Contracts awarded by the County and/or other local agencies for compliance with State and generally acceptable labor and payroll record keeping laws and practices. Although no additional points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive even though the Proposal may have scored a zero in this category.

8. Optional Interview/Clarification

The County may, at its option, invite one or more Proposers to make a written or verbal clarification, presentation, and/or participate in an interview before a final selection is made. Evaluation criteria for any additional information provided is the same as that for written Proposals. A separate score will not be given for a presentation or interview, but the Proposer's performance may be considered as part of the overall evaluation. The evaluators may, in their sole discretion, limit the offer to give a presentation or interview, if any, to the two or more Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria.

9. Deduction for Labor Law/Payroll Violations

In evaluating proposals, the County will review the Proposer's history of labor law/payroll violations (including, but not limited to, violations or pending claims pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standard Act, employment of minors, or unlawful employment discrimination). To facilitate this process, Proposer must submit with its Proposal a completed Living Wage Acknowledgment and Statement of Compliance Form (Form LW-4 and LW-5) and disclose on that form: (1) any determination by a public entity within three years of the Proposal's submission date that the Proposer committed a labor law/payroll violation, and (2) any pending claim that involves an incident of labor law/payroll violation occurring within three years of the Proposal's submission date.

Applying established criteria as set forth in Form LW-6, Guidelines for Assessment of Proposer Labor Law/Payroll Violations, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violations with substantially increased deductions for Proposer's failure to disclose reportable violations. "Pending Claim" (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board before a Contract is awarded.

10. Additional Criteria

These criteria are not exclusive. The County reserves the right to apply additional evaluation criteria.

F. Negotiation

The County reserves the right to negotiate the terms, conditions, and price of the Proposal(s), in the sole discretion of the County, to achieve the most beneficial program and price for the County. The County, in its sole discretion, may limit the negotiation, if any, to one or more responsive and responsible Proposers in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria. The negotiation with the Proposers will not result in a change in the rating of the Proposers. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin Contract negotiations with the next highest-rated Proposer who submitted a proposal, as determined by the County.

In the event that the highest-rated Proposer receives a low score or zero score in Financial Stability criteria in this Part I, Section 4.E, Evaluation Criteria, Public Works reserves the right to request a County approved performance guaranty such as a letter of credit or performance bond in an amount up to 100 percent of the annual Contract amount. If the Proposer is unwilling to provide the requested performance guaranty acceptable to the County or is unable to provide the performance guaranty within the requested timeframe from the County, the County may, at its sole discretion disqualify the proposal as nonresponsive and begin Contract negotiations with another Proposer who submitted a proposal that meets all of the requirements, terms, and conditions in response to this RFP.

SECTION 5

PROTEST POLICY

A. Protest Policy Review Process

1. Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in paragraph C, Solicitation Requirements Review, below. Any Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in Sections below. Additionally, any Proposer may obtain copies of proposals and Public Works evaluation documents as provided in Part I, Section 3, paragraph H. Under any such review, it is the responsibility of the Proposer challenging the decision of Public Works to demonstrate that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a solicitation or a proposed Contract award as the case may be.
2. Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

B. Grounds for Review

Unless State or Federal statutes or regulations otherwise provide, the grounds for review of a solicitation for Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- Review of the Solicitation Requirements
- Review of a Disqualified Bid/Proposal
- Review of the Proposed Contractor Selection

C. Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting a written request for review to Public Works conducting the solicitation as described in this paragraph. A Request for a Solicitation Requirements Review may be denied, in Public Works' sole discretion, if the request does not satisfy all of the following criteria:

1. The request for a Solicitation Requirements Review is made within ten business days of the issuance of the solicitation document.

2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a proposal.
3. The request for a Solicitation Requirements Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review.
4. The request for a Solicitation Requirements Review asserts either that:
 - a. Application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - b. Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.
5. The Solicitation Requirements Review will be completed and Public Works' determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the bid/proposal due date.

D. Place to Submit Requests for Review

All Requests for Review shall be submitted to the Contract Analyst.

E. Disqualification Review

1. A bid/proposal may be disqualified from consideration because Public Works determined it was nonresponsive at any time during the review/evaluation process. If Public Works determines that a bid/proposal is disqualified due to nonresponsiveness, Public Works shall notify the Proposer in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Proposer may submit a written request for a Disqualification Review within the time frame specified in the written determination.
3. A request for a Disqualification Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting a Disqualification Review is a Proposer.
 - b. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination).
 - c. The request for a Disqualification Review asserts that the determination of disqualification due to bid/proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

4. The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

F. Debriefing Process

For solicitations where proposals are evaluated and scored in accordance to Section 4, Evaluation of Proposals, the following provisions shall apply:

1. Upon completion of the evaluation, Public Works will notify the remaining Proposers in writing that Public Works is entering negotiations with another Proposer. Upon receipt of the letter, any nonselected Proposer may submit a written request for a Debriefing within the time frame specified in the letter. A request for a Debriefing may, in Public Works' sole discretion, be denied if the request is not received within the specified time frame.
2. The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because Contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although Public Works may inform the requesting Proposer of its relative ranking.
3. During or following the Debriefing, Public Works will instruct the requesting Proposer of the manner and time frame in which the requesting Proposer must notify Public Works of its intent to request a Proposed Contractor Selection Review, below, if the requesting Proposer is not satisfied with the results of the Debriefing.

G. Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in paragraph F, above, may submit a written request for a Proposed Contractor Selection Review in the manner and time frame as specified by Public Works. For low-bid solicitations, where applicable, upon selection of the lowest-cost, responsive, and responsible bidder, Public Works will notify the remaining bidders in writing that Public Works is entering negotiations with another bidder. Public Works will instruct the remaining bidders of the manner and time frame in which each remaining bidder must notify Public Works of its intent to request a Proposed Contractor Selection Review, should such remaining bidder desire to have such a review performed.

A request for a Proposed Contractor Selection Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer.

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by Public Works).
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - a. Public Works materially failed to follow procedures specified in its solicitation document. This includes:
 - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
 - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b. Public Works made identifiable mathematical or other errors in evaluating bids/proposals, resulting in the Proposer receiving an incorrect score, and not being selected as the recommended Contractor.
 - c. For applicable solicitations where responses are evaluated and scored, a member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by State or Federal law.
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for Public Works' alleged failure, the Proposer would have been the lowest-cost, responsive, and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, Public Works representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and time frame for requesting a review by a County Independent Review, paragraph H, below.

H. County Independent Review Process

1. Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County

Independent Review in the manner and time frame specified by Public Works in Public Works' written decision regarding the Proposed Contractor Selection Review.

2. A request for a County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting review by a County Independent Review is a Proposer.
 - b. The request for a review by a County Independent Review is submitted timely (i.e., by the date and time specified by Public Works).
 - c. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from Public Works' written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in paragraph G above.
3. Upon completion of the County Independent Review's, Internal Services Department will forward its report to Public Works, which will provide a copy to the Proposer.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name:		
Company Address:		
City:	State:	Zip Code:
Telephone Number:		
(Type of Goods or Services):		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost, and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost, and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.
- "Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.
- "Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.
- ☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

- ☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

LOS ANGELES COUNTY CODE

Title 2 ADMINISTRATION

Chapter 2.201 Living Wage Program

2.201.010 Findings.

The Board of Supervisors finds that the County of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such service's; thereby, placing an additional burden on the County of Los Angeles. (Ord. 2007-0011 § 1, 2007; Ord. 99-0048 § 1 (part), 1999.)

2.201.20 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the County of Los Angeles, any County officer or body, any County department head, and any County employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the County of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a County of Los Angeles owned or leased facility.
- C. "Employer" means:
 - 1. An individual or entity who has a contract with the county:
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the County of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12-month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
 - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the County.
- D. "Full-time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the Chief Executive Officer, but in no event less than 35 hours worked per week.

- E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et. seq. of this code, entitled Contracting with Private Business. (Ord. 2007-0011 §2, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.30 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable.

2.201.040 Payment of living wage.

- A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the County Department of Health Services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The Board of Supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section above for future contracts. Any adjustments to the living wage rate specified in subsection A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other provisions.

- A. Full-Time Employees. An employer shall assign and use full-time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the County the necessity to use non-full time employees based on staffing efficiency or the County requirements of an individual job.

An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ordinance No. 99-0048 ' 1 (part), 1999.)

COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

An individual, business entity or organization that employs or contracts with another individual or firm to represent or make contacts with a County agency on their behalf to influence County action may be considered a County Lobbyist Employer who must also register. If in doubt, it is best to register.

Furthermore, each person or entity who is not otherwise required to register as a County Lobbyist, Lobbying Firm or Lobbyist Employer, but who directly or indirectly expends \$5,000 or more during a calendar quarter to influence official action need not register BUT must report the expenditure to the Executive Office of the Board of Supervisors on a form available from the Executive Office.

REGISTERING IS IMPORTANT

Failure to comply with the ordinance may subject offending Lobbyists, Lobbying Firms, and Lobbyist Employers to serious penalties including fines up to \$2,000 and denial of contracts, licenses, permits, grants or franchises. Moreover, some violators may be refused permission to address the Board of Supervisors or any County commission.

Five Filterra units approximately 4 feet by 6 1/2 feet. Three are located at the intersection of Garfield Avenue and Abbot Kinney and two are located at the intersection of Coeur D Alene and Abbot Kinney in Marina Del Rey. For monthly maintenance guidelines, refer to the Filterra Maintenance attachment, located in Exhibits J.1 and J.2.

8. Watering and Irrigation System Management

Contractor shall be responsible for the operation of the automatic irrigation controllers and management of the complete irrigation system to provide the proper amount of water to the various species of plants.

The irrigation system is automatically controlled through electrical or solar powered irrigation controllers and remote control valves. Calsense ETI controllers are used along the Los Angeles River and Rio Hondo Channel to control a number of bubbler and drip systems. The system includes mainline flow meters, automatic rain shutoffs at each controller, and all ground and water-conserving drip systems. Bubblers are used at each tree and at the vine pockets (except Rio Hondo Channel, where drip systems are also used). All grass/wildflower areas have no permanent watering system and require the use of water truck on as-needed basis.

a. Irrigation

- i. Contractor shall operate the irrigation system so as not to cause excessive wetness, "waterlogged" areas. Native and drought-tolerant plant materials have been used throughout the project and require a minimal amount of water. Overwatering may cause the plants to die. Contractor shall incorporate infrequent deep-watering techniques to encourage deep-rooting, drought-tolerant plant characteristics to promote a self-sustaining, irrigation-free landscape.
- ii. When determining the watering schedule (controller settings for water quantities and frequencies), Contractor shall consider the season, weather (rainfall and temperature), and variation in size and varieties of plants along with the desired infrequent deep-watering technique. Seasonal controller rescheduling of circuits (systems) shall occur at least twice during the year, usually during spring and fall.

- iii. If necessary, Contractor shall use a moisture sensing device to determine water penetration into the soil.
- iv. Contractor shall turn off the irrigation system at the controller during or following rainy weather when the soil has enough high moisture content that watering is not required.
- v. If an automatic irrigation system, or a portion of a system, malfunctions, Contractor shall be responsible for the manual manipulation of that system for a period of 30 days. Contractor shall report all systems which require manual operation to the Contract Manager at the end of each week and also on the monthly maintenance report. Contractor's schedule for operating the irrigation system manually must be approved by the Contract Manager. A system shall be manually operated a minimum of once a week to qualify as part of the 30-day required period of manual operation. One manual operation of a system cannot count towards more than one week of the 30-day manual operation requirement. If the system requires manual manipulation for a longer period than the 30-day period, the Contractor is required to provide, then the Contract Manager may opt to pay the Contractor supplemental to continue the manual manipulation, or may decide to terminate the supplemental irrigation.
- vi. If the Contract Manager approves manual operation of the irrigation system past the 30-day period, Contractor will be reimbursed at the hourly rate for personnel to manually operate the system. The County will not pay for preparation time or travel time to and from the jobsite, only the actual time spent manually operating the irrigation system. Contractor's schedule for operating the irrigation system manually shall be approved by the Contract Manager as part of the approval for the Contractor to manually operate the irrigation system. The hourly rate to manually operate the irrigation system, past the required 30-day period, is not to be included in the total proposed price. This hourly rate is to be included in the Schedule of Prices, Form PW-2, Item 7.a, manual operation of irrigation system past the required 30-day period.

b. Irrigation System - Inspection and Maintenance

- i. Contractor shall be responsible for the inspection and maintenance of the entire irrigation system and for specific repairs/replacements. The County will be responsible for the repair or replacement of the following broken/worn-out components of the irrigation system: automatic controllers, backflow devices, gate valves, flow sensors, pressure regulators, wye strainers, filters, quick couplers, etc. The County will also be responsible for the inspection/certification of the mainline backflow devices located at each water service meter.
- ii. The County may at its discretion have the Contractor make additional repairs and/or replacements to the irrigation system. Contractor will be reimbursed for these repairs at the hourly rate for irrigation repairs or at a price agreed on Form PW-2, Item 7.b. The County will not pay for preparation time or travel time to and from the jobsite for these repairs. Contractor may impose a 4-hour minimum to be charged for emergency repairs. Emergency call out is defined work requested outside of normal working hours. If the Contractor requests more than 4-hour minimum charge or for works during normal working hours, a proposal should be submitted including estimated hours and materials needed. The proposal has to be approved by Contract Manager prior to the start of repair work.

The hourly bid proposed price for irrigation repairs is not to be included in the total price. It is to be included in the Schedule of Prices, Form PW-2, Item 7.b, irrigation system repairs, 4-hour minimum for emergency call out. For work described in this paragraph, Contractor will be reimbursed for parts provided by the Contractor to make repairs at a price agreeable to the Contractor and the Contract Manager.

- iii. To ensure the operability and the correct adjustment of the irrigation system, Contractor shall cycle controller(s) through each station manually and automatically to check the function of all facets of the irrigation system, report any damage or incorrect operation to the Contract Manager, and include that information on the monthly maintenance report. This inspection is to be performed once a month or more frequently if problems/conditions indicate a need. Beyond regular testing, irrigation systems shall be tested/inspected

as necessary when damage is suspected, observed, or reported to the Contractor by Public Works. The costs for these additional inspections are to be included in the lump sum price in the Schedule of Prices, Form PW-2, Items 4 and 5, all other work, such as tree and shrubbery trimming and care, weed control, litter control, watering and irrigation management, etc.

- c. Contractor shall perform the following tasks as part of regular irrigation management service:
 - i. Respond to requests received from Public Works, pertaining to waterline breaks, etc., requiring an emergency response to shut off water or turn off the irrigation system (other than normal working hours). Contractor will be reimbursed for costs under the Schedule of Prices, Form PW-2, Item 7.c, flat rate for emergency call back to shut off water/turn off irrigation system.
 - ii. Repair or replace damaged bubbler heads and risers, as necessary.
 - iii. Clean or replace clogged bubbler heads and risers, as necessary.
 - iv. Clean or replace clogged or damaged drip line emitters.
 - v. Repair/replace immediately all broken drip lines or emitters which are causing a loss of water and creating ponding or erosion.
 - vi. Maintain the filters for the drip system to help prevent the emitters from clogging. All filters at remote control valves shall be inspected and cleaned every two months. The location of any filter found to be worn out during this inspection shall be reported to the Contract Manager within one week of the discovery and also included on the required monthly maintenance report. The drip system filters are located within vaults located at the bottom of the back slope.
 - vii. Inspect and clean mainline filters, wye strainers, basket filters, and the filters at the backflow devices twice a year.

The location of any filter found to be worn out during this inspection shall be reported to the Contract Manager within one week of the discovery and also included on the required monthly maintenance report.

- viii. The bubbler heads in the vine pockets next to the parapet walls shall be inspected on a monthly basis to verify each vine is being watered.
- ix. Recover and refasten removed valve box covers. Contractor shall report any missing valve box covers to the Contract Manager by the end of the day and also include that information on the required monthly maintenance report.

If Public Works approves manual operation of the irrigation system past the 30-day period, the Contractor will be reimbursed at the hourly rate for personnel to manually operate the system. The

County will not pay for preparation or travel time to and from the jobsite. The County will only pay the actual time spent manually operating the irrigation system. The Contractor's schedule for operating the irrigation system manually shall be preapproved by the Contract Manager. The hourly cost to manually operate the irrigation system, past the required 30-day period, is not to be included in the total proposed price. This cost is to be included in Form PW-2, Schedule of Prices, Item 7.a, manual operation of irrigation system past the required 30-day period.

Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time, provided the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.
4. For any change which does not materially affect the Scope of Work or any other term or condition included under this Contract, a change order shall be prepared by Public Works and signed by the Contractor. If the change order is prepared by the Contractor, it shall be approved by Public Works and signed by the Contractor and the County.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the

Board or if delegated by the Board, the Director and Contractor. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation

shall be provided within 30 calendar days of the Board's approval of such actions.

E. Complaints

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

1. Within 12 business days after this Contract's effective date, Contractor shall provide County with Contractor's policy for receiving, investigating, and responding to any complaints by any individual.
2. County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
3. If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within five business days for County approval.
4. If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit proposed changes to County for approval before implementation.
5. Contractor shall preliminarily investigate all complaints and notify the Contract Manager of the status of the investigation within five business days of receiving the complaint.
6. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
7. Copies of all written responses shall be sent to the Contract Manager within three business days of mailing to the complainant.

Subcontractors of any such laws, rules, regulations, ordinances, or directives.

G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e)(1) through 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with its EEO Certification (Form PW-7).

H. Confidentiality

1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
2. Contractor shall inform all of its officers, employees, agents, and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.

I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be

expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employee on Reemployment List

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202).

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. Contractor Performance Evaluation/Corrective Action Measures

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If

improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.
2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via

communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Force Majeure

1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

W. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and

regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.
8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

X. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

Y. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor.

This provision shall survive the expiration/suspension/termination of this Contract.

Z. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

AA. Notice of Disputes

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

BB. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

CC. Notices

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid with the United States Post Office and any such notice and the envelope containing the same shall be addressed to Contractor at its place of business, or such other place as may be hereinafter designated in writing by Contractor. The notices and envelopes containing the same to County shall be addressed to:

Chief, Administrative Services Division
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a

copartner, if Contractor is a partnership; or by the president, vice president, secretary, or general manager, if Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

DD. Publicity

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

1. Contractor shall develop all publicity material in a professional manner.
2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.
3. Contractor may, without prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with County, provided that the requirements of this paragraph shall apply.

EE. Public Records Act

1. Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "trade secret," "confidential," or "proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify

County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

FF. Record Retention and Inspection/Audit Settlement

All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may suspend or terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any

amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.

4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

Such background investigation must be obtained through fingerprints submitted to the California Department of Justice to include State and local-level review, which may include, but shall not be limited to, criminal conviction information. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

3. Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding County's approval of Contractor's proposed subcontract.
4. County's consent to subcontract shall not waive County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. Contractor is responsible to notify its Subcontractors of this County right.
5. County's Contract Manager is authorized to act for and on behalf of County with respect to approval of any subcontract and Subcontractor employees.

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

KK. Waiver

No waiver by County of any breach of any provision of this Contract shall constitute a waiver of any other breach of said provision or of any other provision of this Contract. Failure of County to enforce at anytime, or from time to time, any provision of this Contract shall not be construed as a waiver thereof.

LL. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.
2. For breach of this warranty, County shall have the right, in its sole discretion, to suspend or terminate this Contract for default, deduct from amounts owing to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) with respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) with respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working.

Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may

constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment: If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. Debarment: In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the

breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunities vendor.

If Contractor has obtained County certification as a Transitional Job Opportunities vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

2. In addition to the amount described in subdivision (1), be assessed a penalty in the amount of not more than 10 percent of the amount of this Contract.
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify Public Works of this information prior to responding to a solicitation or accepting a contract award.

If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between this Contract amount and what County's costs would have been if this Contract had been properly awarded.
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of this Contract.
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).
- E. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and Internal Services Department of this information.

A. Defaulted Property Tax Reduction Program

This Contract is subject to the provisions of County's ordinance entitled Defaulted Property Tax Reduction Program ("Defaulted Tax Program") as codified in Sections 2.206 of the Los Angeles County Code (Exhibit E).

B. Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program

C. Termination for Breach of Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in paragraph B, above, shall constitute default under this Contract. SECTION 14

PREVAILING WAGES

A. Prevailing Wages

The Director of the California Department of Industrial Relations has established the general prevailing rate of per diem wages for each craft, classification, type of worker, or mechanic needed to execute public works and improvements. The current general prevailing wage rate determinations are available at www.dir.ca.gov/dlsr/pwd/index.htm. The Contractor is required to pay its agents and employees the applicable, current prevailing wage rate and is responsible for selecting the classification of workers required to perform this service.

The Contractor agrees to comply with the provisions of Section 1775 of the California Labor Code relating to the payment of prevailing wages, including the assessment of penalties determined by the California Labor Commissioner. Pursuant to Section 1773.2 of the California Labor Code, copies of the prevailing rate of per diem wages are on file at the County Department of Public Works, Construction Division, and will be made available for inspection by request to the Contract Manager. Future effective wage rates will be on file with the Department of Industrial Relations. The new wage rates shall become effective on the day following the expiration date of the current determinations and apply to the Contract in the same manner as if they had been included or referenced in the Contract.

Failure to submit such payroll records will result in the County and/or District withholding from any monies due the Contractor the amount of \$250 for each week in which certified payrolls have not been submitted.

E. Subcontractor

Subcontractors, if any, must comply with all prevailing wage requirements as provided in this Section.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2013)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2013 are less than \$51,567 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must

notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2014.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2013 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2013 and owes no tax but is eligible for a credit of \$800, he or she must file a 2013 tax return to get the \$800 refund.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

*Los recién nacidos pueden ser entregados en forma segura al personal
de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles*

Sin pena. Sin culpa. Sin nombres.

En el Condado de Los Ángeles: 1-877-BABY SAFE • 1-877-272-9773

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptar por el Departamento de Servicios para Niños y Familias.

FILTERRA MAINTENANCE

Simple maintenance of the five Filterra units (attached Location Map) in Marina Del Rey is required to continue effective pollutant removal from Stormwater runoff before discharge into downstream catch basin. This procedure will also extend the longevity of the living biofilter system. The unit will recycle and accumulate pollutants within the biomass, but is also subjected to other materials entering the throat. This includes, but is not limited to, trash, silt, and leaves etc. which will be contained within the void below the top grate and above the mulch layer. Regular replacement of the mulch will help to stop accumulation of such sediment and problems such as too much silt which may inhibit the Filterra's flow rate.

Some units may be subjected to greater sediment or trash loads, requiring more frequent maintenance visits. This is the reason for detailed notes of maintenance actions per unit, helping predict future custom maintenance visits for each individual unit.

MAINTENANCE VISIT SUMMARY

Each maintenance visit consists of the following tasks;

- A. Filterra unit inspection
- B. Foreign debris, silt, mulch, and trash removal
- C. Filter media evaluation and recharge as necessary
- D. Plant health evaluation and pruning or replacement as necessary
- E. Replacement of mulch
- F. Disposal of all maintenance refuse items
- G. Maintenance records updated and stored

MAINTENANCE TOOL LIST

Tools include a camera, gloves, bucket, shovel, broom, pruners, hoe/rake, and tape measure. Most visits require only replacement mulch. Three bags of shredded hardwood mulch are suggested per unit.

MAINTENANCE VISIT DETAIL

- A. Filterra unit inspection

Record individual unit before maintenance with photograph.

Record on Maintenance Report (see attached Filterra Maintenance Report) the following:

Standing Water	Y/N
Damage to Box Structure	Y/N
Damage to Grate	Y/N
Is Bypass Clear	Y/N
Notes	

Notes: If yes answered to any of these observations, record with close-up photograph.

B. Foreign debris, silt, mulch and trash removal

Remove metal grates for access into Filterra box.

Remove the mesh that protects the mulch layer, taking care to avoid damage to the mesh and the plant. Dig out silt, if any, mulch, and remove trash and foreign items. Take care when removing and replacing the Energy Dissipating Stones (EDS) located at the units inlet. EDS are intended to be reused and not disposed of.

Record on Maintenance Report the following:

Silt / Clay	Y/N
Cups / Bags	Y/N
Leaves	Y/N
# Buckets Removed	#
Notes	

C. Filter media evaluation and recharge as necessary

After removal of mulch and debris, measure distance from the top of the Filterra engineered media soil to the bottom of the top slab. If this distance is greater than 12 inches, add Filterra media, or department-approved equal media, to recharge to a 9 inch distance.

Record on Maintenance Report the following:

Distance to Bottom of Top Slab	(inches)
Buckets of Media Added	#

D. Plant health evaluation and pruning or replacement as necessary

Examine the plant's health and replace as needed.

Record on Maintenance Report the following:

Height above Grate	(feet)
Width at Widest Point	(feet)
Health	Alive/Dead
Damage to Plant	Y/N
Plant Replaced	Y/N
Notes	

E. Replacement of Mulch

Add shredded hardwood mulch across the entire unit to a depth of 3 inches. Replace the protective mesh carefully over the plant. Ensure correct position of EDS located at the Filterra inlet. Replace Filterra grates correctly.

F. Disposal of all maintenance refuse items

Clean area around unit and remove all refuse to be disposed of appropriately.

G. Maintenance records updated and stored

Include a copy of the Filterra Maintenance Report listing all findings including, but not limited to, quantity of waste disposed of, media and mulch replacement, and pictures to the Department's Representative within 48 hours of each unit's inspection.
