1. Proposer or its managing employee must have a minimum of 3 years of experience as a truck operator or a haul truck broker.

D. Child Support Compliance Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment, and continue to maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Contract and/or initiation of debarment proceedings against the noncompliant Contractor (County Code, Chapter 2.202).

E. County Rights and Responsibilities

The County has the right to amend this RFP by written addendum prior to the Proposal submission deadline. The County is responsible only for that which is expressly stated in this solicitation document and any authorized written addenda. Addendums shall be accessed at <http://pw.lacounty.gov/brcd/servicecontracts/>. Should an addendum(s) require additional information not previously requested, failure to address the requirements of such addendum may result in the Proposal not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

F. Defaulted Property Tax and Reduction Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Defaulted Property Tax Reduction Program (Defaulted Tax Program) (County Code, Chapter 2.206). The successful Proposer should carefully read the Defaulted Tax Program Ordinance, Exhibit E. Proposers should carefully read the pertinent Defaulted Tax Program provisions in Part II, Exhibit B, Service Contract General

Requirements, Section 12, Compliance with County's Defaulted Property Tax Reduction Program. The Defaulted Tax Program applies to both Contractors and their Subcontractors, if any.

2. Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program (Form PW-16). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the noncompliant Contractor (County Code, Chapter 2.202). Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered nonresponsive and excluded from further consideration.

G. GAIN and GROW Programs

As a threshold requirement for consideration for Contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Proposers shall attest to a willingness to provide employed GAIN/GROW participants access to the Proposers' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Proposers who are unable to meet this requirement shall not be considered for Contract award. Proposers shall certify compliance on Form PW-10, GAIN and GROW Employment Commitment.

H. Indemnification and Insurance

The successful Proposer will be required to comply with the indemnification provisions contained in Exhibit B, Section 5, Indemnification and Insurance Requirements. The Contractor will be required to procure, maintain, and provide the County proof of insurance coverage for all programs of insurance along with associated amounts specified throughout the entire term of the proposed Contract without interruption or break in coverage.

I. Injury and Illness Prevention Program

The successful Proposer will be required to comply with the State of California's Cal/OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program that addresses hazards pertaining to the particular workplace covered by the program.

J. Interpretation of Request for Proposals

The definitions and other rules of interpretation set forth in Part II, Sample Agreement and Exhibit B, Section 1, Interpretation of Contract, also apply to interpretation of this RFP.

K. Jury Service Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in the Part II, Exhibit B, Service Contract General Requirements, Section 7, Compliance with County's Jury Service Program. The Jury Service Program applies to both Contractors and their Subcontractors, if any. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires Contractors and their Subcontractors, if any, to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than 5 days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the Proposer has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity which has a Contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or Subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this proposed Contract is less than

\$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

L. County's Preference Programs

The County of Los Angeles has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). The Board of Supervisors encourages business participation in the County's contracting process by continually streamlining and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities. The Preference Programs (LSBE, DVBE, and SE) requires that a business must complete certification prior to requesting a preference in a solicitation. In no case shall the Preference Programs (LSBE, DVBE, and SE) price or scoring preference be combined with any other county preference programs to exceed 15 percent or \$150,000 in response to any County solicitation. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified LSBE, DVBE, or SE when not qualified.

1. Local Small Business Enterprise Preference Program
 - a. To the extent permitted by State and Federal law and when the price category is scored, the County will give Local SBE preference during the solicitation process to businesses that meet the definition of an LSBE, consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. An LSBE is defined as a business: 1) certified by the State of California as a small business and has had its principal place of business located in Los Angeles County for at least 1 year; or 2) certified as a small business enterprise with other certifying agencies pursuant to the Department of Consumer and Business Affairs' (DCBA) inclusion policy that: a) has its principal place of business located in Los Angeles County, and b) has revenues and employee sizes that meet the State's Department of

Haul Trucks
(BRC0000255)

General Services requirements. The business must be certified by the DCBA as meeting the requirements set forth above prior to requesting the LSBE Preference in a solicitation.

- b. To apply for certification as an LSBE, businesses should contact the DCBA at <http://dcba.lacounty.gov>.
- c. Certified LSBEs may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration and CBE Firm/Organization Information Form and submit a letter of certification from the DCBA with their Proposal.
- d. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources website at <http://www.pd.dgs.ca.gov/smbus/default>.

2. Social Enterprise Preference Program

- a. The County will give preference during the solicitation process to businesses that meet the definition of an SE, consistent with Chapter 2.205 of the Los Angeles County Code. An SE is defined as:
 - i. A business that qualifies as an SE and has been in operation for at least 1 year providing transitional or permanent employment to a Transitional Workforce or providing social, environmental and/or human justice services; and
 - ii. A business certified by the DCBA as an SE.
- b. Certified SE may only request the preference if the certification has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration and CBE Firm/Organization Information Form and submit a letter of certification from the DCBA with their Proposal.
- c. Further information on SE also available on the DCBA's website at: <http://dcba.lacounty.gov>

3. Disabled Veteran Business Enterprise Preference Program

- a. The County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with

Chapter 2.211 of the Los Angeles County Code. A DVBE vendor is defined as:

- i. A business which is certified by the State of California as a DVBE; or
 - ii. A business which is verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) by the Veterans Administration.
 - iii. A business certified as DVBE with other certifying agencies pursuant to the DCBA inclusion policy that meets the criteria set forth by the agencies in 1 and 2 above.
- b. The DCBA shall certify that a DVBE is currently certified by the State of California, by the U.S. Department of Veteran Affairs, or is determined by the DCBA inclusion policy that meets the criteria set forth by the agencies above.
 - c. Certified DVBE may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration and CBE Firm/Organization Information Form and submit a letter of certification from the DCBA with their Proposal.
 - d. Information about the State's DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources Website at <http://www.dgs.ca.gov/pd/Home.aspx>.
 - e. Information on the Department of Veteran Affairs SDVOSB certification regulations is found in the Code of Federal Regulations, 38CFR 74 and is also available on the Department of Veterans Affairs website at: <http://www.vetbiz.gov>.

M. Notification to County of Pending Acquisitions/Mergers by Proposing/Bidding Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Form PW-1, Verification of Proposal. The proposed Contract will only be awarded to the entity that submitted the Proposal. Any acquisitions and merger will be handled pursuant to Exhibit B, Section 2.B, Assignment and Delegation, and evaluated in accordance with the Board's policy regarding Contractors engaged in mergers and acquisitions. Failure of the Proposer to provide this information may eliminate its Proposal/bid from any further consideration.

N. Prompt Payment Program

It is the intent of the County that Certified Local SBE receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after the receipt of an undisputed and approved invoice.

O. Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fundraising practices, and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective Contractors must determine if they receive or raise charitable contributions, which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the County.

In Form PW-12, prospective Contractors certify either that:

1. They have determined now that they do not receive or raise charitable contributions regulated under the California Charitable Purposes Act (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County Contract; or
2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County Contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion, be disqualified for Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both (County Code, Chapter 2.202).

P. Proposal Requirements and Contract Specifications

1. Persons who wish to Contract with the County may respond to this RFP by submitting a Proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.

2. Requirements for Proposals are explained in Part I of this RFP.
3. The proposed Contract's specifications and requirements are fully described in Part II, Sample Agreement; any Exhibits; and Attachments. Proposers are also requested to review Attachment 1, Policy on Doing Business with Small Business; Attachment 2, Listing of Contractors Debarred in Los Angeles County; and Attachment 3, County of Los Angeles Lobbyist Ordinance.
4. Dates and times of the Proposers' Conference and for the submission of Proposals are set forth in the Notice of Request for Proposals.

Q. Security and Background Investigations

Background and security investigations of Contractor's staff may be required at the discretion of the County as a condition of beginning and continuing work under any resulting Contract. The cost of background checks is the responsibility of the Contractor.

R. Vendor Registration

Proposers must register online with the County's web-based vendor registration system to facilitate the Contract award process. Registration can be accomplished online via the Internet by accessing the County's home page at <https://camisvr.co.la.ca.us/webven/default.asp> and click on "New Registration". Being registered will assist the Proposer in receiving notifications of the release of County solicitations that may be of interest to the Proposer.

S. Time Off for Voting

The Contractor shall notify its employees, and shall require each Subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code, Section 14000). Not less than 10 days before every Statewide election, every Contractor and Subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

T. Local Small Business Enterprise/Social Enterprise/Disabled Veteran Business Enterprise Utilization

When requested by the County, the Contractor shall provide a copy of their invoice, which includes expenditure information for subcontractors utilized for Contract work which provides information requested by the County, including but not limited to: subcontractor name, business address, telephone number, email address, each subcontractor's Local Small Business Enterprise (SBE) status, Social Enterprise (SE) status, and/or Disabled Veterans Business Enterprise (DVBE) status, as applicable, and the actual monetary amount of the Contract work the subcontractor has performed.

This information shall be transmitted to the County via methods specified by the County, which may include electronic submission by one of the following methods: utilizing electronic live (or dynamic) data, utilizing a County-designated third party software system, utilizing a County approved website, or utilizing other means approved by the County. The County may request subcontractor confirmation of receipt of payment.

The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure to the Contractor to comply with this Section. The parties agree that under the current circumstances a reasonable estimate of such damages is specified in Exhibit F, Performance Requirements Summary, and that the Contractor shall be liable to the County for said amount.

If in the judgment of the Director of Public Works, or his designee, the Contractor is deemed to be in noncompliance with these terms and obligations, the Director or his designee, at his option, in addition to, or in lieu of, other remedies provided in the Contract, may deduct and withhold liquidated damages from County's payment to the Contractor.

U. Proposer's Acknowledgement of County's Commitment to Zero Tolerance Human Trafficking

On October 4, 2016, the County of Los Angeles Board of Supervisors approved a motion taking significant steps to protect victims of human trafficking by establishing a zero tolerance human trafficking policy. The policy prohibits contractors engaged in human trafficking from receiving Contract awards or performing services under a County Contract.

Contractors are required to complete Form PW-17, Zero Tolerance Human Trafficking Policy Certification, certifying that they are in full compliance with the County's Zero Tolerance Human Trafficking provision as defined in Exhibit B, Section 2.OO, Compliance with County's Zero Tolerance Human Trafficking Policy. Further, contractors are required to comply with the requirements under said provision for the term of any Contract awarded pursuant to this solicitation.

V. Method of Payment and Required Information

The County may, at its sole discretion, determine the most appropriate, efficient, secure, and timely form of payment for any amounts due for goods and/or services provided under a Contract with the County. Proposers/Contractors further agree that the default form of payment shall be Electronic Funds Transfer (EFT) or direct deposit, unless an alternative method of payment is deemed appropriate by the Auditor-Controller (A-C).

Upon Contract award and at the request of the A-C and/or Public Works, the Contractor shall provide the A-C with electronic banking and related information

for the Contractor and/or any other payee that the Contractor designates to receive payment pursuant to this Contract. Such electronic banking and related information includes, but is not limited to: bank account number and routing number, legal business name, valid taxpayer identification number, a working e-mail address capable of receiving remittance advices and other payment related correspondence, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, record keeping, and tax reporting requirements.

Any provision of law, grant, or funding agreement requiring a specific form or method of payment other than EFT or direct deposit shall supersede this requirement with respect to those payments. Upon Contract award or at any time during the duration of the Contract, a contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. The A-C, in consultation with Public Works, shall decide whether to approve exemption requests.

W. Proposer's Acknowledgement of County's Commitment to Fair Chance Employment Hiring Practices

On May 29, 2018, the Los Angeles County Board of Supervisors approved a Fair Chance Employment Policy in an effort to remove job barriers for individuals with criminal records. The policy requires businesses that contract with the County to comply with fair chance employment hiring practices set forth in California Government Code Section 12952, Employment Discrimination: Conviction History Section 12952.

Contractors are required to complete Form PW-18, Compliance with Fair Chance Employment Hiring Practices Certification, certifying that they are in full compliance with Section 12952, as indicated in Section 2.RR, Compliance with Fair Chance Employment Practices, of Exhibit B. Further, contractors are required to comply with the requirements under Section 12952 for the term of any contract awarded pursuant to this solicitation.

X. Community Business Enterprise Participation

The County has adopted a CBE Program, which includes business enterprises owned by disabled veterans, disadvantaged business enterprises, and minority and women-owned business enterprises. The County has established an aspirational goal that 25 percent of all County contract dollars shall go to certified CBEs. All Proposers shall document good faith efforts it has taken to assure that CBEs are utilized when possible to provide supplies, equipment, technical services, and other services under this contract. The County will evaluate the Proposer's good faith efforts to meet the CBE participation goal by reviewing the Proposer's documentation. Suggested criteria include, but are not limited to, the following:

1. Proposer attended any preproposal meetings scheduled by the County to inform all Proposers of the CBE program requirements for the project.
2. Proposer identified and selected specific items of the project for which a subcontract could be awarded to be performed by CBEs to provide an opportunity for participation by those enterprises.
3. Proposer advertised, not less than ten calendar days before the date the proposals are due, in one or more daily or weekly newspapers, trade association publications, minority or trade oriented publications, trade journals, or other media specified by the County for CBEs that are interested in participating in the project. This paragraph applies only if the County gave public notice of the project not less than 15 calendar days prior to the date the proposals are due.
4. Proposer provided written notice of his or her interest in proposing on the project to certified CBEs not less than ten calendar days prior to the submittal of proposals.
5. Proposer followed up initial solicitations of interest by contacting the CBEs to determine with certainty whether the CBEs were interested in performing specific items of the project.
6. Proposer provided interested CBEs with information about the project and requirements for selected subconsultants.
7. Proposer requested assistance from minority and women community organizations; minority and women Contractor groups; local, state, or federal minority and women business assistance offices; or other organizations that provide assistance in the recruitment and placement of minority or women business enterprises, if any are available. Proposer used the services and assistance of the Small Business Administration and Minority Business Development Agency of the Department of Commerce, the County of Los Angeles Department of Consumer and Business Affairs (dcba.lacounty.gov or (323) 881-3964), and other outreach agencies.

To obtain a list of firms that are certified by the County in the CBE Program, send an e-mail request to the County of Los Angeles Department of Consumer and Business Affairs: CBESBE@dcba.lacounty.gov. For additional information, contact the County of Los Angeles Department of Consumer and Business Affairs (Small Business Services). The website is: dcba.lacounty.gov.

8. Proposer negotiated in good faith with the CBEs, and did not unjustifiably reject as unsatisfactory proposals prepared by any CBE.

9. Where applicable, the Proposer advised and made efforts to assist interested CBEs in obtaining bonds, lines of credit, or insurance required by these contract documents.
10. Proposer's efforts to obtain CBE participation could reasonably be expected by the County to produce a level of participation sufficient to meet the goals and requirements of the County.
11. Proposer commits to continue its good faith efforts to include in considering CBE participation throughout the term of the contract. County shall be notified of any future additions in CBE participation.
12. Proposer is a certified CBE.
13. The Proposer's CBE participation shall be reflected in the CBE Form.
14. Public Works will answer questions from Proposers regarding CBE participation.

The County strongly encourages participation by CBEs; however, the final selection will be made without regard to race, color, creed, or gender. The final selection will be based on the Proposer's ability to provide the best service and value to the County.

Y. Prevailing Wage

The Contractor and Subcontractors, if any, shall not be qualified to bid on, be listed in a bid Proposal, subject to the requirements of Section 4104 of the Public Contract Code or engage in the performance of any Contract for public work, as defined in the Labor Code, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered Contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the Contractor is registered to perform public work pursuant to Section 1725.5 at the time the Contract is awarded.

The County shall not accept any Proposal nor award any Contract to perform work without proof of the Proposer and Subcontractor's current DIR registration. A copy of the confirmed registration from the DIR must be attached to the Proposal. Proposals submitted by an unregistered Contractor shall be a basis for considering the Proposal nonresponsive with limited exceptions from this requirement for bid purposes only under applicable Labor Law.

An inadvertent error in listing an unregistered Subcontractor pursuant to Labor Code Section 1725.5 in a bid Proposal shall be grounds for considering the bid nonresponsive, unless:

1. The Subcontractor is registered prior to the bid opening.
2. Within 24 hours after the bid opening, the Subcontractor is registered and has paid the penalty registration fee specified in subparagraph (E) of paragraph (2) of subdivision (a) of Section 1725.5.

The Director of the California DIR has established the general prevailing rate of per diem wages for each craft, classification, type of worker, or mechanic needed to execute Public Works and improvements. The current general prevailing wage rate determinations are available at www.dir.ca.gov/dlsr/pwd/index.htm. The Contractor is required to pay its agents and employees the applicable, current prevailing wage rate and is responsible for selecting the classification of workers required to perform this service.

SECTION 3

GENERAL CONDITIONS OF REQUEST FOR PROPOSALS

A. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals that, in the judgment of the Board or Director, are not in the best interests of the County/Public Works/Special Districts. The County further reserves the right to cancel this request for Proposals at any time at its sole discretion. In the event of any such rejection of Proposals or cancellation of this solicitation, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than the president and secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the secretary or assistant secretary, authorizing such signature; otherwise, the Proposal may be rejected as unauthorized and nonresponsive.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document requests multiple quotations, no Proposal will be considered unless the Proposer submits a price on all items within each category; however, the solicitation document may not require the Proposer to submit a price on all of the categories.

B. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer will render their Proposal irregular and may cause its rejection as nonresponsive.

C. County Responsibility

The County will not be responsible for representation made by any of its officers or employees prior to the execution of the proposed Contract unless such understanding or representation is included in the proposed Contract.

D. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Contract. It is the County's policy to conduct business only with responsible Contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any Contracts including, but not limited to, County Contracts. Particular attention will be given to violations of labor laws related to employee

compensation and benefits and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of Subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

3. The County may declare a Proposer to be nonresponsible for purposes of the proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest-rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to any proposed Subcontractors of Proposer on County Contracts.

E. Disqualification of Proposers

More than one Proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has an interest in more than one Proposal for the work contemplated may cause the rejection of all Proposals in which such Proposer has interest on the basis of nonresponsibility and/or nonresponsiveness. If there is reason for believing that collusion exists among the Proposers, such collusion by the participants may be cause for the rejection of their Proposals or future Proposals on the basis of nonresponsibility and/or nonresponsiveness and may subject such Proposers to debarment.

F. Gratuities

1. It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the proposed Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the proposed Contract.
2. A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being rejected on the basis of nonresponsibility and/or nonresponsiveness.
3. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

G. Knowledge of Work to be Done

By submitting a Proposal, Proposer shall be held to have carefully read this RFP, all attachments, and exhibits; satisfied themselves before the delivery of their Proposal as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a Contract, no claim will be made against the County based on this RFP including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Proposer has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Proposal solely upon the Proposer's own knowledge. The Proposer has carefully examined these specifications and requirements, both in general and in detail, any drawings attached, and any additional communications sent and makes their Proposal in accordance therewith. If Proposer's Proposal is accepted, the Proposer will enter into a written Contract with the County for the performance of the proposed work and will accept payment based on the prices shown in Form PW-2, Schedule of Prices, as full compensation for work performed. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices, and this RFP are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

H. Notice to Proposers Regarding the Public Records Act

1. Responses to this solicitation shall become the exclusive property of the County. Absent extraordinary circumstances, the recommended Proposer's Proposal will become a matter of public record when (1) Contract negotiations are complete; (2) Department receives a letter from the recommended Proposer's authorized officer that the negotiated Contract is the firm offer of the recommended Proposer; and (3) Department releases a copy of the recommended Proposer's Proposal in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055. Notwithstanding the above, absent extraordinary circumstances, all Proposals will become a matter of public record when the Department's Proposer recommendation appears on the Board agenda. Exceptions to disclosure are those parts or portions of all Proposals that are justifiably defined as business or trade secrets, and plainly marked by the Proposer as "Trade Secret," "Confidential," or "Proprietary."
2. The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the Proposal as confidential shall not be deemed sufficient notice of exception. The Proposers must specifically label only those provisions of their respective Proposal which are "Trade Secret," "Confidential," or "Proprietary" in nature. Only those provisions labeled as "Trade Secret," "Confidential," or "Proprietary" in nature at the time of Proposal submission will be accepted. The Proposers will not be granted opportunity to make any change or label any portion of their respective Proposal as "Trade Secret," "Confidential," or "Proprietary" after the submission deadline of the Proposals.
3. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a Proposal marked "Trade Secret," "Confidential," or "Proprietary," Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

I. Notice to Proposers Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code, Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or Contract must certify compliance with the ordinance. As part of this solicitation process, it will be

the responsibility of each Proposer to review the ordinance independently as the text of the ordinance is not contained in this RFP. Each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code, Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyist. The Proposer's signature on the Proposal submission is its certification that it is in full compliance with Los Angeles County Code, Chapter 2.160. See Attachment 3 regarding County Lobbyist.

J. Opening of Proposals

Proposals will not be publicly opened.

K. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed 5 years but may exceed 5 years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Proposer's existing Contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest-rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence, which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. If a Proposer has been debarred for a period longer than 5 years, that Proposer may, after the debarment has been in effect for at least 5 years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than 5 years; (2) the debarment has been in effect for at least 5 years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
7. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
8. These terms shall also apply to proposed Subcontractors of Proposer on County Contracts.
9. Attachment 2 is the link to a Listing of Contractors Debarred in Los Angeles County.

L. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Proposer's intentions. If the total amount is entered for

the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Proposer's intentions.

M. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on Form PW-4, Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

N. Qualifications of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out the intended Contract, based both on financial strength and experience as a Contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these specifications and requirements. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry including, but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

O. Qualifications of Subcontractors

Proposers shall list all Subcontractors, if any, to be used on the List of Subcontractors (Form PW-8). The use of Subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of California for the type of work, which they are to perform. Alternate Subcontractors shall not be listed for the same work. .

P. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 270 days following the deadline for submission of Proposals.

Q. Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a Proposal will be sufficient cause for the rejection of the Proposal. The evaluation and determination in this area will be at the Director's sole judgment and the Director's judgment will be final.

R. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the Contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

S. Contractor Independence

A Proposer or its subsidiary or Subcontractor (Proposer), is prohibited from submitting a bid or proposal in a County solicitation if the Proposer has provided advice or consultation for the solicitation. A Proposer is also prohibited from submitting a bid or proposal in a County solicitation if the Proposer has developed or prepared any of the solicitation materials on behalf of the County. A violation of this provision shall result in the disqualification of the Proposer from participation in the County solicitation or the termination or cancellation of any resultant County contract. This provision shall survive the expiration, or other termination of this Agreement.

T. Conflict of Interest

Proposer shall comply with the provisions under County Ordinance 2.180. Failure to comply with this Paragraph may be considered a breach of contract.

Notwithstanding any other section of the Los Angeles County Code, the County shall not contract with, and shall reject any bid or proposal submitted by, the persons or entities specified below, unless the Board of Supervisors finds that special circumstances exist, which justify the approval of such contract:

1. Employees of the county or of the public agencies for which the Board of Supervisors is the governing body;
2. Profit-making firms or businesses in which employees described in subparagraph 1 above serve as officers, principals, partners or major shareholders;
3. Persons who, within the immediately preceding 12 months, came within the provisions of subparagraph 1 above, and who:
 - a. Were employed in positions of substantial responsibility in the area of service to be performed by the contract; or
 - b. Participated in any way in developing the contract or its service specifications; and

4. Profit-making firms or businesses in which the former employees, described in subparagraph 3 above, serve as officers, principals, partners or major shareholders.

U. Acceptance of Terms and Conditions

Each Proposer understands and agrees that submission of Proposals in response to this RFP constitutes acknowledgment and acceptance of, and willingness to comply with, all terms and conditions of this RFP, including all addenda to the RFP.

V. Contractors with Unresolved Disallowed Costs

If Proposer's/Bidder's compliance with a County contract has been reviewed by the A-C within the last 10 years, Proposer/Bidder must not have unresolved questioned costs identified by the A-C in an amount over \$100,000.00 that are confirmed to be disallowed costs by the contracting County department and remain unpaid for a period of six months or more from the date of disallowance, unless such disallowed costs are the subject of current good faith negotiations to resolve the disallowed costs, in the opinion of the contracting County department.

W. COVID-19 Vaccinations of County Contractor Personnel

Proposers are advised that it must comply with Chapter 2.212 (COVID-19 Vaccinations of County Contactor Personnel) of County Code Title 2 - Administration, Division 4 as a condition of performing work under any awarded contract resulting from this solicitation. Proposers are advised to review the requirements of Chapter 2.212 (COVID-19 Vaccinations of County Contactor Personnel) and the sample contract requirements prior to submitting a proposal to this solicitation.

SECTION 4

EVALUATION OF PROPOSALS, AWARD, AND EXECUTION OF CONTRACT

A. Award of Contract

Subject to the right of the Board to make the ultimate decisions concerning the award of Contracts, the County intends to award a Contract to the highest-rated Proposer or Proposers based on the evaluation criteria in Part I, Section 4.E, Evaluation Criteria, whose proposal(s) provide(s) the most beneficial program and price, with all other factors considered. The County retains the right to select a proposal other than the proposal receiving the highest number of points, if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible, and in the best interest of the County. **The County may award up to 10 Contracts to Proposers whose proposals are rated the highest based on the evaluation criteria in Part I, Section 4.E, Evaluation Criteria.** The County, in its sole discretion, retains the right to award more or fewer Contracts than the number specified above. The recommended awardee shall sign and return the Agreement within 14 calendar days of its mailing to the recommended awardee for signature by Public Works. The recommended awardee shall submit copies of its proof of insurance coverage, within 14 days after Board approval of the proposed Contract or at least 14 days prior to the proposed Contract's start date, whichever occurs last. Work under the proposed contract cannot begin before proof of valid insurance coverage is submitted to Public Works.

B. Final Contract Award by Board

Notwithstanding a recommendation by Public Works, the Board retains the right to exercise its judgment concerning the selection of a Proposal, the terms of any resultant Contract/agreement, and to determine which Proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a Contract, or to award a Contract to a Proposer other than the highest-rated Proposer.

C. Evaluation of Proposals

1. All responses to this RFP become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a Contract to one or more of those submitting Proposals. The proposed Contract may be submitted to the Board for consideration and possible approval.
2. The County may require whatever evidence it deems necessary to determine the Proposer's overall and specific abilities to meet the requirements of proposed Contract over the entire Contract term. This determination will be based on, but not limited to, an evaluation of the

Proposer's experience, personnel, financial stability and resources, work plan, cost to perform requested services, and staffing plan.

3. The County reserves the sole right to judge the Proposer's written and oral representations and to review, evaluate, and select the successful Proposal(s).
4. The County may make on-site inspections of Proposer's current jobs and/or facilities.
5. The County, in its sole discretion, may elect to waive any error or informalities in the form of a Proposal or any other disparity, if, as a whole, the Proposal substantially complies with the RFP's requirements.
6. The County may utilize the services of appropriate experts to assist in the evaluation process.

D. Pass/Fail Review

Proposals will be reviewed on a Pass/Fail basis concerning the items listed below. Proposals not meeting all of these requirements may be rejected as nonresponsive:

1. Proposal was time stamped by the Cashier or BidExpress prior to the deadline for submission of the Proposal. Any Proposal without a Public Works or BidExpress time stamp verifying that the deadline for submission has been met will be rejected.
2. Proposer and Subcontractors, if any, has demonstrated that it complies with all minimum requirements as outlined in Part I, Section 1.B, Minimum Mandatory Requirements, and has submitted a completed and signed Form PW-19.
3. Proposer submitted information regarding Experience and Work Plan as outlined in Part I, Section 2.A
4. Proposer and Subcontractors, if any, have completed and signed all appropriate forms.
5. The County will not allow any Proposer's exceptions, additions, conditions, limitations, modifications or provisions to the RFP and Contract.

E. Evaluation Criteria

All Proposals will receive a composite score (rating) and be ranked in numerical sequence from high to low based on the following criteria:

1. Performance History/References (20 points)
 - a. Potential Points

Public Works will attempt to obtain the required number of Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided in the following order: County of Los Angeles departments, other counties, cities, governmental entities, nonprofit entities, private companies, etc. Proposer may receive up to a maximum of 5 points for each responding reference up to a total of 4 responding references. On Form PW-6, Proposer's Reference List, Proposers must identify all Contracts with the County of Los Angeles during the previous 3 years and must identify County's Contacts for each Contract. Public Works reserves the right to utilize any reference of Proposer, County or other, listed or not listed. Proposer shall receive zero points for each of the minimum required references not received.

b. Potential Deductions

In addition to the references provided, the review will include the Contractor Alert Reporting Database (CARD), if applicable, reflecting past performance history on County or other Contracts. If references fail to substantiate Proposer's description of services provided; references fail to support that Proposer has a continuing pattern of providing capable, productive, and skilled personnel and services; or a significant unacceptable weakness in references may result in a low or zero score. Additionally, a Proposer's unacceptable performance on another County Contract(s), as documented by Contractor Alert Reporting Database (CARD) by an unfavorable reference, may result in point deductions up to 100 percent of the total points awarded in this evaluation category. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

References may be contacted by telephone, facsimile, mail, express delivery, or e-mail. It is the Proposer's responsibility to ensure that accurate and timely contact information is included in the Proposal. Public Works will ordinarily not make repeated attempts to contact references and will ordinarily not contact the Proposer to correct bad phone numbers, etc. It is the Proposer's responsibility to ensure that its references respond promptly to Public Works' requests for information.

2. Experience (50 points)

Proposers will be evaluated on the Experience submitted as part of Section 2.A.5 (Experience). The evaluators may give reduced scores to any Proposer that omits or fails to sufficiently address any of the items specified in Section 2.A.5 of this RFP. Failure to demonstrate the minimum lengths of experience performing the service may result in rejection of the Proposal as nonresponsive.

The evaluators may award higher points for the higher quality and quantity of experience of the Proposer, its key personnel, supervising employees, and Subcontractors, if any, in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 2.A.5), and any other relevant information including, but not limited to, pending litigation and judgments and a review of terminated Contract(s) reported on Form PW-13, Proposer's List of Terminated Contracts. The evaluators may consider the safety record of the Proposer and any Subcontractors to ensure that they have provided services in a safe manner. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

3. Work Plan (30 points)

Proposers will be evaluated on the Work Plan submitted as part of Section 2.A.6 (Work Plan). The evaluators may give reduced scores to any Work Plan that omits or fails to sufficiently address any of the items specified in Section 2.A.6 of this RFP. Evaluation and scoring of the Proposer's Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to meet or exceed the performance requirements set forth in Exhibit A, Scope of Work; to demonstrate creativity and innovation that exceed the minimum requirements of the Scope of Work; to render timely and responsive service to Public Works; to respond to contingencies and emergencies; and to provide a professional level of quality in the service and work product. The highest scores will be awarded to the most comprehensive and detailed work plans that are highly likely to lead the Contractor to exceed minimum work requirements.

The evaluators will award higher scores to work plans that commit to specific staffing levels and staff qualifications that exceed the requirements of the work.

Comprehensiveness of the Work Plan will be evaluated based on detailed, specific discussion of all issues relevant to the work. These may include personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, identification badges, safety, communications, quality control, and other issues.

The evaluation committee may make these determinations from all relevant information presented in the Proposal, which may include the work plan, staffing plan, quality assurance plan, schedules, and other documents.

The evaluation committee may also make this determination from all relevant information presented in the Proposer's written Quality Assurance Program (Program), which may include, but is not limited to, policies and procedures, inspection fundamentals as well as a description of quality

control documentation, review, and reporting. Failure of the Proposer to designate a qualified inspector that will be provided by Proposer to monitor compliance of the Program and deal with customer complaints and inquiries will result in a reduced score in this category. If a Subcontractor is to perform Quality Assurance, the Program must detail how that Subcontractor will interface with the Proposer and comply with the Program.

Significant unacceptable weakness in any of the Work Plan subject areas or omission of a Work Plan from the Proposal at the time of submission may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

4. Optional Interview/Clarification

The County may, at its option, invite one or more Proposers to make a written or verbal clarification, presentation, and/or participate in an interview before a final selection is made. Evaluation criteria for any additional information provided is the same as that for written Proposals. A separate score will not be given for a presentation or interview, but the Proposer's performance may be considered as part of the overall evaluation. The evaluators may, in their sole discretion, limit the offer to give a presentation or interview, if any, to the one or more Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria.

5. Additional Criteria

These criteria are not exclusive. The County reserves the right to apply additional evaluation criteria.

F. Negotiation

The County reserves the right to negotiate the terms, conditions, and price of the Proposal, in the sole discretion of the County, to achieve the most beneficial program and price for the County. The County, in its sole discretion, may limit the negotiation, if any, to one or more responsive and responsible Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria. The negotiation with the Proposer(s) will not result in a change in the rating of the Proposers. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin Contract negotiations with the next highest-rated Proposer who submitted a Proposal, as determined by the County.

SECTION 5

PROTEST POLICY

A. Protest Policy Review Process

1. Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in paragraph C, Solicitation Requirements Review, below. Any Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in Sections below. Additionally, any Proposer may obtain copies of Proposals and Public Works evaluation documents as provided in Part I, Section 3, paragraph H. Under any such review, it is the responsibility of the Proposer challenging the decision of Public Works to demonstrate that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a solicitation or a proposed Contract award as the case may be.
2. Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

B. Department Level Reviews

Unless State or Federal statutes or regulations otherwise provide, the level of review as provided under the protest policy are as follows:

- Solicitation Requirements
- Disqualification Review
- Proposed Contractor Selection Review

C. Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting a written request for review to Public Works conducting the solicitation as described in this paragraph. A Request for a Solicitation Requirements Review may be denied, in Public Works' sole discretion, if the request does not satisfy all of the following criteria:

1. The request is made within the time frame identified in the solicitation document (generally within ten business days of issuance of the solicitation document).

2. The request includes documentation (e.g., letterhead, business card, etc.), which identifies the underlying authority of the person or entity to submit a Proposal.
3. The request itemizes in appropriate detail, each matter contested, and factual reasons for the requested review.
4. The request asserts either that:
 - a. Application of the minimum requirements, evaluation criteria, and/or business requirements unfairly disadvantages the person or entity; or,
 - b. Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.
5. Requests for a Solicitation Requirements Review not satisfying all of these criteria may, in the department's sole discretion, be denied.
6. The Solicitation Requirements Review will be completed and Public Works' determination shall be provided to the requesting person or entity, in writing, within a reasonable time prior to the bid/Proposal due date.

D. Place to Submit Requests for Review

All Requests for Review shall be submitted to the Contract Analyst.

E. Disqualification Review

1. A bid/Proposal may be disqualified from consideration because Public Works determined it was nonresponsive at any time during the review/evaluation process. If Public Works determines that a bid/Proposal is disqualified due to nonresponsiveness, Public Works shall notify the Proposer in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Proposer may submit a Transmittal Form to Request a Disqualification Review within the timeframe specified in the disqualification document.
3. A request for a Disqualification Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The request for a Disqualification Review is submitted within the timeframe specified in the disqualification review.
 - b. The request for a Disqualification Review asserts that the determination of disqualification due to bid/Proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

4. The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

F. Debriefing Process

For solicitations where Proposals are evaluated and scored in accordance to Section 4, Evaluation of Proposals, the following provisions shall apply:

1. Upon completion of the evaluation, Public Works will notify the remaining Proposers in writing that Public Works is entering negotiations with another Proposer. Upon receipt of the letter, any nonselected Proposer may submit a written request for a Debriefing within the time frame specified in the letter. A request for a Debriefing may, in Public Works' sole discretion, be denied if the request is not received within the specified time frame.
2. The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because Contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although Public Works may inform the requesting Proposer of its relative ranking.
3. During or following the debriefing, Public Works will instruct the requesting Proposer of the manner and time frame in which the requesting Proposer must notify Public Works of its intent to request a Proposed Contractor Selection Review, below, if the requesting Proposer is not satisfied with the results of the Debriefing.

G. Proposed Contractor Selection Review Process

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in paragraph F, above, may submit a written request for a Proposed Contractor Selection Review in the manner and time frame as specified by Public Works. For low-bid solicitations, where applicable, upon selection of the lowest-cost, responsive, and responsible bidder, Public Works will notify the remaining bidders in writing that Public Works is entering negotiations with another bidder. Public Works will instruct the remaining bidders of the manner and time frame in which each remaining bidder must notify Public Works of its intent to request a Proposed Contractor Selection Review, should such remaining bidder desire to have such a review performed.

A request for a Proposed Contractor Selection Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by Public Works).

2. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - a. Public Works materially failed to follow procedures specified in its solicitation document. This includes:
 - i. Failure to correctly apply the standards for reviewing the Proposal format requirements.
 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the Proposals as specified in the solicitation document.
 - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b. Public Works made identifiable mathematical or other errors in evaluating bids/Proposals, resulting in the Proposer receiving an incorrect score, and not being selected as the recommended Contractor.
 - c. For applicable solicitations where responses are evaluated and scored, a member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by State or Federal law.
3. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for Public Works' alleged failure, the Proposer would have been the lowest-cost, responsive, and responsible bid or the highest-scored Proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, Public Works representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and time frame for requesting a review by a County Independent Review, paragraph H, below.

H. County Independent Review

1. Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and time frame specified by Public Works in Public Works' written decision regarding the Proposed Contractor Selection Review.

2. A request for a County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The request for a review by a County Independent Review is submitted timely (i.e., by the date and time specified by Public Works).
 - b. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review as listed in paragraph G above.
3. Proposer that request a County Independent Review may not add new assertions or documentation to the assertions presented in their Proposed Contractor Selection Review. Proposers may remove assertions presented in their Proposed Contractor Selection Review if they feel that the department response has resolved their assertion.
4. Upon completion of the County Independent Review's, Internal Services Department will forward its report to Public Works, which will provide a copy to the Proposer.

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost, and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost, and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multibillion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate, and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

SAMPLE AGREEMENT FOR

THIS AGREEMENT, made and entered into this ____ day of _____, 2022, by and between the COUNTY OF LOS ANGELES, a subdivision of the State of California, a body corporate and politic (hereinafter referred to as COUNTY) and [Name of CONTRACTOR], a [State of Incorporation] [Form of Entity], located at [Full Address of the Contractor], (hereinafter referred to as CONTRACTOR).

WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors (Board) of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on _____, 2022, hereby agrees to provide services as described in this Contract for On-Call Haul Truck Services Program (BRC0000255).

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; Exhibit E, Defaulted Property Tax Reduction Program; Exhibit F, Performance Requirements Summary, Exhibit G, Sample Invoice; Exhibit H, Sample Closing Statement; Exhibit I, Sample Driver List; Exhibit J, Sample Haul Truck Summary; Exhibit K, Sample Fuel Adjustment Calculation; Exhibit L, Sample Payment Bond, Exhibit M, Subcontractors List for Federally Funded Jobs; the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, are agreed by the COUNTY and the CONTRACTOR to constitute the Contract.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2. In no event will the COUNTY pay any and all Contractors providing service under this Program an aggregate annual amount not to exceed \$_____ or such greater amount as the Board may approve (Maximum Contract Sum).

FOURTH: The CONTRACTOR selection for work will be based on the CONTRACTOR'S ranking and established availability based on the criteria outlined in Part I, Section 4.E, Evaluation Criteria, of the Request for Proposals. Based on your company's final score, your company has been ranked _____. The COUNTY will offer work to all CONTRACTORS on a rotating sequence, beginning with the highest evaluated CONTRACTOR. One call will be made, and the CONTRACTOR will have one hour to respond. In the event there is no answer, or the CONTRACTOR selected is not available or cannot perform the work within the COUNTY'S time frame, the COUNTY will then offer the work to the next CONTRACTOR in the rotation.

This process will be repeated with the remaining CONTRACTORS until a

CONTRACTOR is found to be available and capable to accomplish the work. Once a CONTRACTOR has been offered an assignment, that CONTRACTOR'S name is then rotated to the bottom of the rotation, whether the offer has been accepted or not. The CONTRACTORS will only be contacted again for work after each remaining CONTRACTOR on the list has, in order, been given an opportunity for the next job assignment.

FIFTH: This Contract's initial term shall be for a period of 1 year commencing upon execution by both parties and ends on _____. The COUNTY shall have the sole option to renew this Contract term for up to three additional one-year periods and a six month-to-month extension, for a maximum total Contract term of 4 years and six months. Each such option shall be exercised at the sole discretion of the COUNTY. The COUNTY, acting through the Director, may give a written notice of intent to renew this Contract at least ten days prior to the end of each term. At the sole discretion of the COUNTY, in lieu of renewing the Contract for the full one year, this Contract may be renewed on a month-to-month basis, upon written notice to the CONTRACTOR at least ten days prior to the end of a term. The Director will provide a written notice of nonrenewal at least ten days before the last day of any term, in which case this Contract shall expire as of midnight on the last day of that term. Where all option years have been exercised, the Director will not provide a written notice of nonrenewal.

SIXTH: The CONTRACTOR shall bill semimonthly, in arrears, for the work performed during the preceding month. Work performed shall be billed at the hourly rates quoted in Form PW-2, Schedule of Prices.

SEVENTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt and approval of a properly completed and undisputed invoice. However, should the CONTRACTOR be certified by the COUNTY as a Local Small Business Enterprise, payment will be made in accordance with Board of Supervisors Policy No. 3.035, Small Business Liaison and Prompt Payment Program. Each invoice shall be in triplicate (original and two copies) and shall itemize the work completed. The invoices shall be submitted to:

Los Angeles County Public Works
Attention Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

EIGHTH: In no event shall the aggregate total amount of compensation paid to any and all contractors under this Program exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

NINTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

TENTH: No cost-of-living adjustment shall be granted for the optional renewal periods.

ELEVENTH: The Acting Director may adjust 20 percent of the hourly rate of compensation set forth in Form PW-2 (Schedule of Prices) based on the increase or decrease in the fuel price published in the Official Energy Statistics from the United States Department of Energy website at http://tonto.eia.doe.gov/dnav/pet/pet_pri_gnd_dcus_sca_m.htm or other County-approved website for Diesel (On-Highway) and Gasoline - All Grades (Regular) for California, at http://tonto.eia.doe.gov/dnav/pet/pet_pri_prop_dcu_r50_m.htm or other County-approved website for Liquid Propane Gas (LPG) using West Coast (PADD 5) "Commercial/Institutional," and at http://www.eere.energy.gov/afdc/price_report.html or other County-approved website for Compressed Natural Gas (CNG) Clean Cities Alternative Fuel Price Report, Table 5, Compressed Natural Gas Average Prices by Region from Clean Cities Sources "West Coast," as appropriate to the vehicle used, beginning on the month of this Contract's start date and thereafter at each successive one-month interval, which shall be the effective date for any such fuel adjustment. The percentage change in the fuel price shall be obtained using the fuel prices published on the month of the proposal submission date and the fuel price most recently published for the month of effective date of the adjustment. However, when the percentage increase or decrease in the fuel price is less than 5 percent, no fuel adjustment will be granted. In the event the fuel adjustment is granted, the fuel adjustment (increase or decrease) will be added to or subtracted from, as applicable, the hourly rate of compensation to establish the adjusted hourly rate of compensation. A sample calculation is included in Exhibit K. Public Works shall be permitted to audit the CONTRACTOR'S fuel usage, fuel costs, and fuel procurement methods for the vehicles used in providing these services and the CONTRACTOR shall provide records pertaining to its fuel costs upon the COUNTY'S request. CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR changes from purchasing fuel using Market Prices, to a long-term agreement for fuel purchases.

THIRTEENTH: The CONTRACTOR agrees in strict accordance with the Contract specifications and conditions to meet the COUNTY'S requirements.

FOURTEENTH: A payment bond is required in a sum not less than \$100,000 payable to the COUNTY OF LOS ANGELES, executed by a corporate surety admitted to transact business as a surety insurer in the State of California (or by the surety's agent with a notarized copy of power of attorney). The admitted surety and its agent shall have sufficient bonding limitations to provide bonds in the amount required by this Contract. The bond shall be conditioned upon faithful performance of the terms and conditions of this Contract by CONTRACTOR in a manner that is satisfactory and acceptable to the COUNTY. If necessary, the bond shall be renewed in a timely manner to provide for continuing liability in the above amount notwithstanding any payment or recovery thereon. Subject to COUNTY conditions and approval, a Certificate of Deposit or an irrevocable

Letter of Credit payable to the COUNTY upon demand and in a sum not less than \$100,000 may be acceptable. Failure by the CONTRACTOR to maintain the required security shall constitute a material breach of contract upon which the COUNTY may immediately terminate or suspend this Contract.

The CONTRACTOR shall pay all security premiums, costs, and incidentals required to maintain the security during the entire Contract term, including renewals.

FIFTEENTH: This Contract constitutes the entire agreement between the COUNTY and the CONTRACTOR with respect to the subject matter of this Contract and supersedes all prior and contemporaneous agreements and understandings. This CONTRACT may be signed by the parties hereto in separate counterparts, including both counterparts that are executed on paper and counterparts that are in the form of electronic signatures. Electronic signatures include facsimile or e-mail electronic signatures. Each executed counterpart shall be deemed an original. All counterparts, taken together, constitute the executed Agreement.

The parties hereby acknowledge and agree that electronic records and electronic signatures, as well as facsimile signatures, used in connection with the execution of this Agreement and electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called pdf format shall be legal and binding and shall have the same full force and effect as if a paper original of this Agreement had been delivered and had been signed using a handwritten signature. - 4. Contractor, employee(s), and/or subcontractor(s) shall maintain a valid medical card for all Contractor's operators and/or subcontractors utilized under this Contract.
- 5. Maintain a certificate of insurance, which meets the insurance requirements outlined in Exhibit B, Section 5, Indemnification and Insurance Requirements for all Contractor's operators and/or subcontractors utilized under this Contract.
- 6. Supply any necessary materials and equipment in order to provide the requested services. Public Works personnel and equipment will not be available for these services.
- 7. Furnish all appropriate trucks and operators and/or subcontractors to accomplish the required services.

8. Keep an updated standard Driver/Truck list to be furnished/available to Public Works as requested. The driver list shall include: driver's name, model year, make, and license plate number for each operator and truck to be provided. Contractor shall notify the CM in writing of any additions, deletions, or changes to the list. There shall be no updates by telephone. Failure to comply may result in suspension of this Contract.
9. Have 20 trucks with operators available dedicated to Public Works at all times. Any inability to meet this requirement shall be provided in writing to Public Works. Failure to do so may result in immediate suspension of this Contract.
10. Immediately notify the CM of any changes in the Contractor's insurance coverage, permit(s), and license(s). Failure to do so may result in immediate suspension of this Contract.
11. Ensure that its operators and/or subcontractors utilize protective clothing and equipment as required by Cal/OSHA and/or other regulatory agencies while working under this Contract.
12. Minimize dust and noise problems created from the service.
13. Be enrolled in the Random Drug/Alcohol Consortium Program (Identification and Certificate). This will apply to all Contractor's operators and/or subcontractors.
14. Be responsible for verifying that all Contractor-hired operators and/or subcontractors comply with this Contract's licensing, medical certification, and State drug program requirements. Such documents shall be available for Public Works' inspection or supplied to Public Works upon request. Any interruption of registration, such as, a lapse in insurance policy or renewal of the Motor Carrier Permit, will cause the Contractor to not allow the truck(s) to work at Public Works jobsites.
15. Strictly adhere to requested duration of time and number of trucks.
16. Provide the CM with a Haul Truck Summary with each completed invoice. The Sample Haul Truck Summary is provided in Exhibit J.

The Sample Closing Statement is provided in Exhibit H.
18. Pay its drivers in accordance to paragraph (1) of subdivision (a) of Section 3322 of the Civil Code.

Commitments made by the Contractor at the time of Public Works' request shall become binding. Only trucks hired by the CM for a specific job will be allowed to work on that job. Any additional trucks that appear at the jobsite will not be used. If any truck(s) violate this condition, Public Works may request that the truck/operator be removed from the Contractor's list of available trucks/operators and/or subcontractors. Contractor's repeated inability to provide trucks and operators upon request may result in the suspension of this Contract.

M. Responsibilities of Public Works

The County may perform periodic inspections of the work location(s) as determined necessary or requested by the CM. The CM may accompany the Contractor's crews conducting work and serve as an observer and quality control person at the jobsite.

Public Works will:

1. Furnish locations for the required services.
2. Determine the need for and provide jobsite inspection.
3. Request work on an on-call and, occasionally, emergency basis; however, there is no guarantee that services will be required.
4. Provide an estimated job time frame to the Contractor.
5. Notify Contractor(s) of any fuel price adjustments, when requested by Contractor.
6. Provide the option of utilizing an electronic monitoring system to track all job start and end times. Public Works will fill out a ticket on a handheld device. A copy of the ticket will be issued to the driver and the Contractor by Public Works Staff. Public Works supervisor in charge of the job will sign the ticket certifying the hours worked. All questions concerning downtime, lunch period, and actual worked hours are to be resolved at that time. In the event the electronic monitoring system is unavailable, the Contractor shall furnish a haul truck daily ticket to Public Works, as shown on Exhibit J, Sample Haul Truck Summary. The Contractor's truck operators and or subcontractors shall be responsible for filling in the name and address of the Contractor; the truck's identification number, year, make; and the truck operator's name. It is important that the Contractor's name and address be correct. This information will be retained by Public Works and matched to the Contractor's Invoice.
7. Public Works jobsite supervisors may check the operators to ensure that they have appropriate license and all their medical certificates are valid.

N. Requests for Work

1. Work Assignment – Non-Federally Funded Work

Contractor selection for work will be based on the Contractor's ranking and established availability. Public Works will offer work to all Contractors on a rotating sequence, beginning with the highest rated Contractor. One call will be made and the Contractor will have one hour to respond. In the event there is no answer or the Contractor selected is not available or cannot perform the work within the County time frame, Public Works will then offer the work to the next Contractor in the rotation.

This process will be repeated with the remaining Contractors until a Contractor is found to be available and capable to accomplish the work. Once a Contractor has been offered an assignment, that Contractor's name is then rotated to the bottom of the rotation, whether the offer has been accepted or not. Contractors will only be contacted again for work after each remaining Contractor on the list has, in order, been given an opportunity for the next job assignment.

2. Work Assignment - Federally Funded Work

In accordance with Federal Executive Order 12549 and 12689 (Debarment and Suspension), individuals or entities that have been debarred by the Federal government may not receive work under this Contract as a Contractor or Subcontractor. Contractors and/or Subcontractors listed on the governmental exclusions in the System for Award Management (SAM) are not eligible to receive federally funded work under this contract. See Office of Management and Budget guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension". The System for Award Management exclusions contains the names of parties debarred, suspended, or otherwise excluded by Federal agencies as well as parties declared ineligible under statutory or regulatory authority.

For federally funded work, the Contract Manager will, before assigning work to the next Contractor in the rotation, verify that the Contractor is not listed on the governmental exclusions in the System for Award Management (SAM) as a party excluded or ineligible by Federal agencies to participate in federally funded projects. For your reference, a List of Debarred Contractors by U.S. Department of Labor's (DOL) Office of Federal Contract Compliance Programs (OFCCP) may be obtained by going to the following website: <https://www.sam.gov/portal/SAM/>.

If the next Contractor in the rotation is listed on the governmental exclusions in the System for Award Management (SAM) as a party excluded or ineligible by Federal agencies to participate in federally funded projects, then said Contractor will not be offered the work and will be rotated to the bottom of the rotation for

such projects. The Contract Manager will notify the Contractor of their negative standing in the SAM. The Contract Manager will also notify the Contractor of their ineligibility to receive any federally funded work under this contract, until the Contractor is able to satisfactorily correct the issue. The Contractor shall notify the Contract Manager when the Contractor has corrected their negative standing in the SAM, and the Contractor is no longer listed on the governmental exclusions in the SAM.

If the next Contractor in the rotation is **not** listed on the governmental exclusions in the System for Award Management (SAM) as a party excluded or ineligible by Federal agencies to participate in federally funded projects, Public Works will offer said Contractor the federally funded work. One call will be made and the eligible Contractor will have one hour to respond. In the event there is no answer or the eligible Contractor selected is not available or cannot perform the work within the County time frame, Public Works will then offer the work to the next eligible Contractor in the rotation.

This process will be repeated with the remaining Contractors until a Contractor is found to be available and capable to accomplish the work. Once a Contractor has been offered a federally funded assignment, that eligible Contractor's name is then rotated to the bottom of the rotation, whether the offer has been accepted or not. Eligible Contractors will only be contacted again for work after each remaining eligible Contractor on the list has, in order, been given an opportunity for the next federal job assignment.

The Contractor is required to verify that its subcontractors are not listed on the governmental exclusions in the System for Award Management (SAM), before assigning federally funded work to its subcontractors. Additionally, the Contractor shall complete Exhibit M, Subcontractors List for Federally Funded Work, to provide PW, a list of its subcontractors participating in the Federally Funded Work assigned to the Contractor.

The following conditions shall apply:

1. The Contractor work rotation procedures may be waived by the CM in special situations, such as major storm emergencies or when special equipment is required (Jacob's "Jake" brakes or swing gates).
2. Haul trucks that break down and/or are unable to return for the next shift will be dismissed. If Public Works' CM must replace a truck to complete work on a shift, the disabled truck will not be permitted to return to work on that job without written consent of the CM.
3. Haul truck passengers shall stay inside the truck cab while at Public Works jobsites.

4. Haul truck operators shall wear hard hats at all times if they need to get out of their trucks at Public Works jobsites.
5. If Contractor-supplied haul truck(s) report to a Public Works jobsite and it is determined that the truck(s) is/are not needed, Public Works will pay for two hours of show-up time at the applicable rate stated in Form PW-2, Schedule of Prices.
6. Hired haul trucks and operators that show up at the jobsite not equipped (as requested) with such items as tight beds, Jacob's "Jake" brakes, sideboards, etc.; not maintained in good mechanical condition; or those that would be red tagged by the California Highway Patrol (CHP) will be refused work and are not entitled to two hours show-up time pay.
7. All haul trucks at Public Works jobsites shall have operational backup alarms.
8. Public Works may, at its sole discretion, suspend or may permanently remove a haul truck(s) and/or operator(s) from Public Works jobsites for any of the following reasons:
 - a. The truck is in an unsafe mechanical condition.
 - b. The operator's (or passenger's) consumption of alcoholic beverages or drugs on Public Works property during working hours.
 - c. The operator's (or passenger's) possession of narcotics.
 - d. The operator's (or passenger's) intoxication.
 - e. The operator is driving erratically.
 - f. The operator is operating the truck in a manner that is unsafe.
 - g. The operator's failure to follow the instructions of Public Works supervisor in charge of the job.
 - h. The operator's failure to work full-time during hours of service by Public Works.
 - i. The operator is discourteous, uncooperative, and/or disrespectful to the public and to other operator(s), or to Public Works personnel.
 - j. The operator is engaging in activities, which result in the disruption of Public Works work.

- k. The operator/Contractor makes any disparaging remarks as to the national origin, race, sex, political or union affiliation, color, creed, or religious belief of any person while providing service to Public Works.
- l. The passenger is not remaining in the truck cab while on Public Works jobsite.
- m. The operator is not wearing a hard hat on a Public Works jobsite if he/she exits his/her truck cab.
- n. The operator/contractor leaves a Public Works job in progress in order to accept a higher paying job from another agency, company, or any other party.
- o. The truck has repeated incidents of mechanical breakdowns.
- p. The failure of the invoicing procedures as set forth in Section L of this Exhibit.

O. Invoicing

- 1. The Contractor shall submit semimonthly invoices for the work performed during the preceding period.
- 2. All invoices must be submitted in a timely manner. Public Works must receive an invoice within 30 days of the close of a project.
- 3. All invoices shall be submitted in the invoice format provided in Exhibit H, Sample Invoice. Invoices shall include: haul truck ticket number, dates of service, description of project(s), and an itemization of work completed. Format shall only be changed by the CM.
- 4. Work performed shall be billed at the hourly rates reflected in Form PW-2, Schedule of Prices.
- 5. Invoices may be withheld until any requested information is received and/or issues of contention are resolved with the Contractor.

P. Project Safety Official

The Contractor shall designate in writing a Project Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor's Project Safety Official shall be available at all times to abate any potential safety hazards and shall have the authority and responsibility to shut down an operation, if necessary. Failure by the Contractor to provide the required Project Safety Official shall be grounds for the County to direct the cessation of all work activities and operations at no cost to the County until such time as the Contractor is in compliance.

Q. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract.
 - b. The parties are both experienced in the performance of the Contract work.
 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of the County is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the proposal price.
 - d. The parties are not under any compulsion to the Contract.
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by

agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract.

- f. It would be difficult for the County to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work.
 - g. The liquidated sums specified represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
3. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of \$500 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract.

Public Works may withhold and deduct from monies due to the Contractor, liquidated damages in the sum of \$100 for each consecutive calendar day that the Contractor fails to provide a complete invoice as specified in Section L of this Exhibit.

The Contract Manager may decline to levy liquidated damages if it is found that the definition of the incidents is caused by a strike, accident, or similar occurrence beyond the control of the Contractor as defined in this Exhibit B, Section 3.C, Termination for Default. In the event that the CM determines to levy liquidated damages, the CM will notify the Contractor in writing.

The County will thereupon deduct the amount of such liquidated damages from any payment, which is due to Contractor or which thereafter becomes due. The determination by the CM will be final and conclusive.

STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT ADMINISTRATION

A. Amendments

1. For any change which affects the Scope of Work, Contract sum, payments, or any term or condition included in this Contract, an amendment shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor.
2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. County reserves the right to add and/or change such provisions as required by the Board or the Chief Executive Officer. To implement such changes, an amendment or a change order to this Contract shall be prepared by Public Works and signed by the Contractor.
3. County may, at its sole discretion, authorize extensions of time to this Contract's term. Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time, provided the aggregate of all such extensions during the life of this Contract shall not exceed 180 days.
4. For any change which does not materially affect the Scope of Work or any other term or condition included under this Contract, a change order shall be prepared by Public Works and signed by the Contractor. If the change order is prepared by the Contractor, it shall be approved by Public Works and signed by the Contractor and the County.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor.

Any payments by County to any approved delegatee or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, Subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions.

E. Complaints

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

Subcontractors, to comply with any such laws, rules, regulations, ordinances, directives, guidelines, policies, or procedures as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this paragraph shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e)(1) through 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with its EEO Certification (Form PW-7).

1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
2. Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or Subcontractors, to comply with this paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this paragraph shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County

shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

3. Contractor shall inform all of its officers, employees, agents, and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.

I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing Contract shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, including those identified in Section 2.180.010, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons so identified and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph may be a material breach of this Contract subjecting Contractor to either Contract termination for default or debarment proceedings or both.

J. Consideration of Hiring County Employees Targeted for Layoffs or are on a County Reemployment List

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the

Contractor shall give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor. Contractors shall report all job openings with job requirements to: GAINGROW@dpss.lacounty.gov and BSERVICES@wdacs.lacounty.gov and DPSS will refer qualified GAIN/GROW job candidates.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either Contract termination for default or debarment proceedings or both. (Los Angeles County Code, Chapter 2.202).

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through Contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code, Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code, Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code, Section 5246(b).

O. County's Quality Assurance Plan

County or its agent will monitor the Contractor's performance under this Contract on not less than an annual basis. Such monitoring will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are significant or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. R. Counterparts and Electronic Signatures and Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from any and all liability including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Force Majeure

1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's Subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a Subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such Subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "Subcontractor" and "Subcontractors" mean Subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

W. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's Equal Employment Opportunity (EEO) Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission

that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.

8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code, Section 1671, as liquidated damages in lieu of terminating or suspending this Contract.

X. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

Y. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

Z. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if Contractor is a partnership; or by the president, vice president, secretary, or general manager, if Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

DD. Publicity

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

1. Contractor shall develop all publicity material in a professional manner.
2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of

All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "Trade Secret," "Confidential," or "Proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "Trade Secret," "Confidential," or "Proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may suspend or terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.

The fees associated with the background investigation shall be at the expense of the Contractor, regardless of whether the member of Contractor's staff passes or fails the background investigation.

If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be removed immediately from performing services under the Contract. Contractor shall comply with County's request at any time during the term of the Contract. County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

Disqualification of any member of Contractor's staff pursuant to this section shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

II. Subcontracting

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

KK. Waiver

Failure of County to enforce at anytime, or from time to time, any provision of this Contract shall not be construed as a waiver thereof.

LL. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure to the Contractor to comply with this Section. The parties will agree that under the current circumstances a reasonable estimate of such damages is specified in Exhibit F, Performance Requirements Summary, and that the Contractor shall be liable to the County for said amount.

If in the judgment of the Director, or his/her designee, the Contractor is deemed to be in non-compliance with the terms and obligations, the Director or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided in Exhibit F, Performance Requirements Summary, may deduct and withhold liquidated damages from County's final payment to the Contractor.

Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

PP. Method of Payment and Required Information

The County may, at its sole discretion, determine the most appropriate, efficient, secure, and timely form of payment for any amounts due for goods and/or services provided under a Contract with the County. Proposers/Contractors further agree that the default form of payment shall be EFT or direct deposit, unless an alternative method of payment is deemed appropriate by the A-C.

Upon Contract award and at the request of the A-C and/or Public Works, the Contractor shall provide the A-C with electronic banking and related information for the Contractor and/or any other payee that the Contractor designates to receive payment pursuant to this Contract. Such electronic banking and related information includes, but is not limited to: bank account number and routing number, legal business name, valid taxpayer identification number or TIN, a working e-mail address capable of receiving remittance advices and other payment related correspondence, and any other information that the A-C determines is reasonably necessary to process the payment and comply with all accounting, recordkeeping, and tax reporting requirements.

Upon Contract award or at any time during the duration of the Contract, a Contractor may submit a written request for an exemption to this requirement. Such request must be based on specific legal, business or operational needs and explain why the payment method designated by the A-C is not feasible and an alternative is necessary. B. Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program

SECTION 13

PREVAILING WAGES

A. Prevailing Wages

The services provided in this Contract may consist of both prevailing wage and non-prevailing wage work. Prevailing wage work constitutes "public works" as defined in the California Labor Code, and is therefore subject to payment of prevailing wages, compliance monitoring and enforcement by the Department of Industrial Relations (DIR).

The Director of the DIR has established the general prevailing rate of per diem wages for each craft, classification, type of worker, or mechanic needed to execute public works and improvements. The current general prevailing wage rate determinations are available at www.dir.ca.gov/dlsr/pwd/index.htm. The Contractor is required to pay its agents and employees the applicable, current prevailing wage rate and is responsible for selecting the classification of workers required to perform this service.

The Contractor agrees to comply with the provisions of Section 1775 of the California Labor Code relating to the payment of prevailing wages, including the assessment of penalties determined by the California Labor Commissioner. Copies of the prevailing rate of per diem wages are on file at the County Department of Public Works, Construction Division, and will be made available for inspection by request to the Contract Manager (Note to the Proposers: during the solicitation process and prior to the award of Contract, please direct your request to the Contract Analyst identified in the solicitation document. You may contact the Contract Manager after the award of contract). Pursuant to Labor Code Section 1773.2, the County has made these documents available for inspection by the Contractor in lieu of the County specifying the general rate of per diem wages for each craft, classification and type of worker needed to execute the contracted work. Future effective wage rates will be on file with the Department of Industrial Relations. The new wage rates shall become effective on the day following the expiration date of the current determinations and apply to the Contract in the same manner as if they had been included or referenced in the Contract.

B. Work Records

The Contractor shall comply with the requirements of Section 1812 of the Labor Code. The Contractor shall maintain an accurate written record of all employees working on the Project each calendar day. The record shall include each employee's name, Social Security number, job classification, and the actual number of hours worked.

C. Posting of Prevailing Wage Rates

The Contractor shall comply with the provisions of Section 1773.2 of the Labor Code. The Contractor shall post a copy of the prevailing wage rates at the worksite and comply with applicable law including posting of jobsite notices required by 8 Calif. Code Reg. §16451(d):

"This public works project is subject to monitoring and investigative activities by the Compliance Monitoring Unit (CMU) of the Division of Labor Standards Enforcement, Department of Industrial Relations, State of California. This Notice is intended to provide information to all workers employed in the execution of the Contract for public work and to all Contractors and other persons having access to the jobsite to enable the CMU to ensure compliance with and enforcement of prevailing wage laws on public works projects.

The prevailing wage laws require that all workers be paid at least the minimum hourly wage as determined by the Director of Industrial Relations for the specific classification (or type of work) performed by workers on the project. These rates are listed on a separate jobsite posting of minimum prevailing rates required to be maintained by the public entity which awarded the public works Contract. Complaints concerning nonpayment of the required minimum wage rates to workers on this project may be filed with the CMU at any office of the Division of Labor Standards Enforcement (DLSE).

Local Office Telephone Number:

*Division of Labor Standards Enforcement Office
320 W. Fourth Street, Suite 450
Los Angeles, CA 90013
(213) 620-6330*

Complaints should be filed in writing immediately upon discovery of any violations of the prevailing wage laws due to the short period of time following the completion of the project that the CMU may take legal action against those responsible.

Complaints should contain details about the violations alleged (for example, wrong rate paid, not all hours paid, overtime rate not paid for hours worked in excess of 8 hours per day or 40 hours per week, etc.) as well as the name of the employer, the public entity which awarded the public works Contract, and the location and name of the project.

For general information concerning the prevailing wage laws and how to file a complaint concerning any violation of these prevailing wage laws, you may contact any DLSE office. Complaint forms are also available at the Department of Industrial Relations website found at www.dir.ca.gov/dlse/PublicWorks.html."

D. Certified Payroll Records

The Contractor shall comply with the requirements of Section 1776 of the Labor Code. Contractor and Subcontractors, if any, must furnish certified payroll records directly to the Labor Commissioner (a.k.a. Division of Labor Standards Enforcement) in a format prescribed by the Labor Commission.

E. Subcontractor

Subcontractors, if any, must comply with all prevailing wage requirements as provided in this Section.

F. Mental Health Services for Critical Incidents

In the event of a serious accident on the Project site, the Los Angeles County Department of Mental Health (DMH) will, if requested, respond. The response may be within a few hours or as long as a few days after the incident, depending on when the request was made. The services DMH will provide include crisis intervention, normalization of the stress response that survivors may be experiencing, and stress management techniques and resources if the stress reactions increase in frequency or intensity. Requests for services may be made by calling the DMH Emergency Outreach Bureau Deputy Director, (213) 738-4924, during normal business hours or the ACCESS Center, (800) 854-7771, evenings, holidays, and weekends.

Notice 1015

(Rev. December 2020)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax.

However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Certificate.

Note: You are encouraged to notify each employee whose wages for 2020 are less than \$56,844 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following.

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you

must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2021.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know if They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the Instructions for Forms 1040 and 1040-SR.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2020 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2020 and owes no tax but is eligible for a credit of \$800, he or she must file a 2020 tax return to get the \$800 refund.

Safely Surrendered *Baby Law*

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

Sample Fuel Adjustment Calculation

Following sample data is required to calculate fuel adjustment:

Unit Rate from PW-2, Schedule of Prices: \$15.00

Percentage of Unit Rate Attributable to Fuel Costs: 12% (from Agreement)

Proposal due date: November 2016

One year after Contract start date: July 2018

Fuel Adjustment (FA) Component for Diesel price:

Diesel (On-Highway) - November 2016¹ 173.7 cents per Gallon

Diesel (On-Highway) – July 2018² 218.7 cents per Gallon

Percent Change = [(July 2018 Price/Gallon – November 2016 Price/Gallon) /
(November 2016 Price/Gallon) x (100)

[(218.7 - 173.7) / 173.7] x (100) = 25.9%

Percent Change in Diesel price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in Diesel Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for August 2018: \$15.00 + \$0.47 = \$15.47

Fuel Adjustment (FA) Component for Propane price:

Propane (Commercial/Institutional) - November 2016¹ 173.7 cents per Gallon

Propane (Commercial/Institutional) – July 2018² 218.7 cents per Gallon

Percent Change = [(July 2018 Price/Gallon – November 2016 Price/Gallon) /
(November 2016 Price/Gallon) x (100)

[(218.7 - 173.7) / 173.7] x (100) = 25.9%

Percent Change in Propane price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in Propane Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for August 2018: \$15.00 + \$0.47 = \$15.47

Fuel Adjustment (FA) Component for CNG price:

Propane (West Coast) - November 2016¹ 173.7 cents per Gallon

Propane (West Coast) – July 2018² 218.7 cents per Gallon

Percent Change = [(July 2018 Price/Gallon – November 2016 Price/Gallon) /
(November 2016 Price/Gallon) x (100)

[(218.7 - 173.7) / 173.7] x (100) = 25.9%

Percent Change in CNG price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in CNG Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for August 2018: \$15.00 + \$0.47 = \$15.47

1. The month of the proposal due date.
2. Most recently published fuel price for the requesting month (one year from the contract start date).
