REQUEST FOR PROPOSALS

SECTION 1

INTRODUCTION

A. Proposers' Conference

Each Proposer or an authorized representative must attend a Proposers' Conference to be held at the place, date, and time announced in the Notice of Request for Proposals. **ALL INTERESTED PROPOSERS OR THEIR AUTHORIZED REPRESENTATIVE MUST ATTEND THIS CONFERENCE.** **Proposals received from Proposers not signed in as attending this Conference will be rejected as nonresponsive.** Proposers are encouraged to be prepared to ask questions concerning the Request for Proposals (RFP), Contract requirements, specifications, terms, and conditions. For example, questions may address concerns, if any, that the application of minimum mandatory requirements, evaluation criteria, and/or business requirements would unfairly disadvantage Proposers or, due to unclear instructions, may result in the County not receiving the best possible responses from Proposers. Upon conclusion of the Proposers' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum and/or informational update, to all who attended the Conference.

B. Minimum Mandatory Requirements

Interested and qualified Proposers, who can demonstrate their ability to successfully provide the required services outlined in Exhibit A, Scope of Work, of this RFP are invited to submit a proposal, provided they meet the following requirement(s) at the time of proposal submission:

1. Proposer must have a minimum of three years of experience providing the same or similar paratransit services for governmental or social service agency(ies). (Please use Form PW-20, Proposer's Compliance with the Minimum Requirements of the RFP.)
2. Proposer's Project Manager must have a minimum of three years of experience providing the same or similar paratransit services for governmental or social service agency(ies). (Please use Form PW-20, Proposer's Compliance with the Minimum Requirements of the RFP.)
3. Proposer's Maintenance Manager must have a minimum of three years of experience in maintaining similar fleets of paratransit vehicles. (Please use Form PW-20, Proposer's Compliance with the Minimum Requirements of the RFP.)

4. Proposer must provide copies of all "Satisfactory" California Highway Patrol Safety Compliance Inspections (or passed all reinspections) of the Proposer's maintenance facilities or terminals to be used for the proposed contract for the prior three 13-month inspections (California Vehicle Code 34501[c]). (Please use Form PW-20, Proposer's Compliance with the Minimum Requirements of the RFP.)
5. Proposer's vehicle(s) must meet or exceed the service vehicle requirements as set forth in Exhibit I, Contractor-Provided Service Vehicles Requirements. If the Proposer does not meet the service vehicle(s) requirement at the time of submission, but fully intends to comply if awarded the contract, the Proposer must provide an affirmative statement that upon start of the contract, the service vehicle(s) will comply with Exhibit I, Contractor-Provided Service Vehicles Requirements. (Please use Form PW-20, Proposer's Compliance with the Minimum Requirements of the RFP.)
6. Proposer must submit copies of its employees' valid State of California Department of Motor Vehicles Class B (with a minimum of a "P" endorsement) commercial driver's licenses, as well as any other required licenses or endorsements required by Federal, State, and local regulations. (Please use Form PW-21, Proposer's Compliance with the Certification/Licensing Requirements of the RFP.)
7. Proposer must submit copies of all National Institute for Automotive Service Excellence (ASE) certification in A5 Automobile and Light Truck Certification Test for Brakes; or Proposer must submit an affirmative statement that all of Proposer's maintenance personnel assigned to this contract, within 12 months of the date of hire or the start of the contract, whichever occurs last, will obtain ASE certification in the A5 Automobile and Light Truck Certification Test for Brakes. (Please use Form PW-21, Proposer's Compliance with the Certification/Licensing Requirements of the RFP.)
8. Proposer must submit proof of Section 609 of the Clean Air Act: Motor Vehicle Air conditioning certification from an EPA-approved program or the equivalent ASE Refrigeration Recovery and Recycling Program certification for at least one member of their maintenance personnel identified in Form PW-21. D. Child Support Compliance Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment, and continue to maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Contract and/or initiation of debarment proceedings against the noncompliant Contractor (County Code Chapter 2.202).

E. County Rights and Responsibilities

The County has the right to amend this RFP by written addendum prior to the proposal submission deadline. The County is responsible only for that which is expressly stated in this solicitation document and any authorized written addenda. Addendums shall be made available to each person or organization that attended the Proposers' Conference. Should an addendum(s) require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

F. Defaulted Property Tax and Reduction Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Defaulted Property Tax Reduction Program ("Defaulted Tax Program") (Los Angeles County Code, Chapter 2.206). The successful Contractors should carefully read the Defaulted Tax Program Ordinance, Exhibit E. Proposers should carefully read the pertinent Defaulted Tax Program provisions in Part II, Exhibit B, Service Contract General Requirements, Section 12, Compliance with County's Defaulted Property Tax Reduction Program. The Defaulted Tax Program applies to both Contractors and their Subcontractors, if any.
2. Proposers shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program (Form PW-17). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant contractor (Los Angeles County Code, Chapter 2.202). Proposals that fail to comply with the certification requirements of the Defaulted Tax Program will be considered non-responsive and excluded from further consideration.

G. GAIN and GROW Programs

As a threshold requirement for consideration for Contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) and General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN and GROW participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposers shall attest to a willingness to provide employed GAIN and GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for Contract award. Proposers shall certify compliance on Form PW-10, GAIN and GROW Employment Commitment.

H. SPARTA Program

A County program, known as 'SPARTA' (Service Providers, Artisan and Tradesman Activities) may be able to assist potential Contractors in obtaining affordable liability insurance. The SPARTA Program is administered by the County's insurance broker, Merriwether & Williams. For additional information, Proposers may call Merriwether & Williams toll-free at (800) 420-0555 or can access their website directly at www.2sparta.com.

I. Indemnification and Insurance

The successful Contractor will be required to comply with the indemnification provisions contained in Exhibit B, Section 5, Indemnification and Insurance Requirements. The Contractor will be required to procure, maintain, and provide the County proof of insurance coverage for all programs of insurance along with associated amounts specified throughout the entire term of the proposed Contract, without interruption or break in coverage.

J. Injury and Illness Prevention Program

The successful Contractor will be required to comply with the State of California's Cal/OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program that addresses hazards pertaining to the particular workplace covered by the program.

K. Interpretation of Request for Proposals

The definitions and other rules of interpretation set forth in Part II, Sample Agreement and Exhibit B, Section 1, Interpretation of Contract, also apply to interpretation of this RFP.

L. Jury Service Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Exhibit B, Service Contract General Requirements, Section 7, Compliance with County's Jury Service Program. The Jury Service Program applies to both Contractors and their subcontractors, if any. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires Contractors and their subcontractors, if any, to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the Proposer has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time

California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity which has a Contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this proposed Contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

M. Living Wage Program

1. Proposers are advised that the Board has enacted the Living Wage Program (Form LW-1) for Contracts awarded under the authority of Los Angeles County Code Chapter 2.121.250 through 2.121.420 ("Proposition A") as well as cafeteria service Contracts. In doing so, the Board made a finding that the Living Wage Program was not only to provide living wage and health benefits to employees working on these County Contracts, but it is also intended to relieve the County of the burden for providing social and health services to persons who receive less than a living wage. Any Contract resulting from this solicitation will be awarded under the Proposition A authority. The Living Wage Program (Los Angeles County Code Chapter 2.201) requires Contractors and

subcontractors, if any, to pay their full-time employees providing these requested services no less than the County's living wage. The County has established the living wage as \$11.84 per hour without health benefits and \$9.64 per hour with qualifying health benefits. Contractors/ subcontractors to qualify for the lower hourly wage rate of \$9.64, the Contractor/Subcontractor shall pay at least an additional \$2.20 per hour toward the provision of a bona fide health care, vision, and/or dental benefit plan for each employee and any dependents. Contractors/Subcontractors will not be allowed to pay less than \$2.20 per hour toward an employee health benefit and pay the difference to the employee. Each Proposer shall complete the Contractor Living Wage Declaration (Form LW-3) and submit it with the Proposal, or, if appropriate, may submit the Living Wage Ordinance - Application for Exemption (Form LW-2), **at least seven days prior to the proposal submission deadline**. The requirements and terms of the Living Wage Program are nonnegotiable. Proposals that fail to comply with the requirements of the Living Wage Program will be considered nonresponsive and excluded from further consideration.

2. Proposer is further notified that throughout the term of the Contract resulting from this solicitation, the Contractor and its subcontractor(s), if any, will be required to submit periodic monitoring reports for each employee providing services under the Contract, certifying under penalty of perjury, the hours worked, wages paid, and amounts paid towards each employee's health benefits.
3. At any time during the term of the Contract resulting from this solicitation, the County may conduct an audit of the successful Proposer's records as well as field visits with the Proposer's employees to ascertain compliance with the Living Wage Program.
4. Also, the successful Proposer will be required to place specified living wage posters at their place of business and locations where the Proposer's employees are working. The successful Proposer will also be required to distribute County-provided notices to each of its employees providing services to the County at least once per year.
5. Violations of the provisions of the Living Wage Program will subject the successful Proposer to withholding of monies owed it under the Contract, liquidated damages, termination, and/or debarment from future County Contracts in accordance with Section 2.202.040 of Los Angeles County Code.
6. The Proposer will have to demonstrate a history of business stability, integrity in employee relations and financial ability to pay the Living Wage.

7. Any Proposer who submits false information may be barred from participating in this solicitation and future County solicitations/Contracts in accordance with Section 2.202.040 of Los Angeles County Code.

N. Local Small Business Enterprise Preference Program

1. To the extent permitted by State and federal law and when the price category is scored, the County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by the Office of Small Business as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
2. To apply for certification as a Local SBE, businesses may register at the Los Angeles County Office of Small Business' website at:

<http://www.laosb.org>

3. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach their Local SBE Certification Letter to a completed Form PW-9, Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.
4. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources website at <http://www.dgs.ca.gov/pd/program/osds.aspx>.

O. Notification to County of Pending Acquisitions/Mergers by Proposing/Bidding Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Form PW-1, Verification of Proposal. The proposed Contract will only be awarded to the entity that submitted the proposal. Any acquisitions and merger will be handled pursuant to Exhibit B, Section 2.B, Assignment and Delegation and evaluated in accordance with the Board's policy regarding Contractors engaged in mergers and acquisitions. Failure of the Proposer to provide this information may eliminate its proposal/bid from any further consideration.

P. Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after the receipt of an undisputed and approved invoice.

Q. Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices, and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective Contractors must determine if they receive or raise charitable contributions, which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the County.

In Form PW-12, prospective Contractors certify either that:

1. They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County Contract; or
2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County Contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion, be disqualified for Contract award. A County Contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either Contract termination or debarment proceedings or both (County Code Chapter 2.202).

R. Proposal Requirements and Contract Specifications

SECTION 3

GENERAL CONDITIONS OF REQUEST FOR PROPOSALS

A. Acceptance or Rejection of Proposals

The right is reserved to reject any or all proposals that, in the judgment of the Board or Director, are not in the best interests of the County/Public Works/Special Districts. The County further reserves the right to cancel this request for proposals at any time at its sole discretion. In the event of any such rejection of proposals or cancellation of this solicitation, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than the president and secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the secretary or assistant secretary, authorizing such signature; otherwise, the Proposal may be rejected as unauthorized and nonresponsive.

No proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document requests multiple quotations, no Proposal will be considered unless the Proposer submits a price on all items within each category; however, the solicitation document may not require the Proposer to submit a price on all of the categories.

B. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer will render their Proposal irregular and may cause its rejection as nonresponsive.

C. County Responsibility

The County will not be responsible for representation made by any of its officers or employees prior to the execution of the proposed Contract unless such understanding or representation is included in the proposed Contract.

D. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Contract. It is the County's policy to conduct business only with responsible Contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any Contracts, including, but not limited to, County Contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits and evidence of false claims made by the

2012-PA044

Proposer against public entities. Labor law violations which are the fault of subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

3. The County may declare a Proposer to be nonresponsible for purposes of the proposed Contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest-rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County Contracts.

E. Disqualification of Proposers

More than one proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has an interest in more than one proposal for the work contemplated may cause the rejection of all proposals in which such Proposer has interest on the basis of nonresponsibility and/or nonresponsiveness. If there is reason for believing that collusion exists among the Proposers, such collusion by the participants may be cause for the rejection of their proposals or future proposals on the basis of nonresponsibility and/or nonresponsiveness and may subject such Proposers to debarment.

F. Gratuities

1. It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the proposed Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the proposed Contract.
2. A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being rejected on the basis of nonresponsibility and/or nonresponsiveness.
3. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

G. Knowledge of Work to be Done

By submitting a Proposal, Proposer shall be held to have carefully read this RFP, all attachments, and exhibits; satisfied themselves before the delivery of their Proposal as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a Contract, no claim will be made against the County based on this RFP including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Proposer has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Proposal solely upon the Proposer's own knowledge. The Proposer has carefully examined these specifications and requirements, both in general and in detail, any drawings attached, and any additional communications sent and makes their Proposal in accordance therewith. If Proposer's Proposal is accepted, the Proposer will enter into a written Contract with the County for the performance of the proposed work and will accept payment based on the prices shown in Form PW-2, Schedule of Prices, as full compensation for work performed. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices and this RFP are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

2. The County shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The proposers must specifically label only those provisions of their respective proposal which are "Trade Secret," "Confidential," or "Proprietary" in nature. Only those provisions labeled as "Trade Secret," "Confidential," or "Proprietary" in nature at the time of proposal submission will be accepted. The proposers will not be granted opportunity to make any change or label any portion of their respective proposal as "Trade Secret", "Confidential," or "Proprietary" after the submission deadline of the proposals.
3. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

I. Notice to Proposers Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals

meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or Contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Proposer to review the ordinance independently as the text of the ordinance is not contained in this RFP. Each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyist. The Proposer's signature on the Proposal submission is its certification that it is in full compliance with Los Angeles County Code Chapter 2.160. See Attachment 3 regarding County Lobbyist.

J. Opening of Proposals

Proposals will not be publicly opened.

K. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County Contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Proposer's existing Contracts with the County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a Contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest-rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence, which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length

of time of the debarment. The Proposer and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. If a Proposer has been debarred for a period longer than five years, that Proposer may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
7. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
8. These terms shall also apply to proposed subcontractors of Proposer on County Contracts.
9. Attachment 2 is a listing of Contractors currently debarred.

L. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Proposer's intentions. If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Proposer's intentions.

M. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on Form PW-4, Contractor's Industrial Safety Record and Form PW-4.1 Contractor's Driver Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

N. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out the intended Contract, based both on financial strength and experience as a Contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these specifications and requirements. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

O. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors (Form PW-8). The use of subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of California for the type of work, which they are to perform. Alternate subcontractors shall not be listed for the same work.

P. Safely Surrendered Baby Law

The Proposer shall notify and provide to its employees, and shall require each subcontractor, if any, to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles

County, and where and how to safely surrender a baby. The fact sheet is set forth in Part II, Exhibit D of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

Q. Term of Proposals

All proposals shall be firm offers and may not be withdrawn for a period of 270 days following the deadline for submission of proposals.

R. Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal will be sufficient cause for the rejection of the proposal. The evaluation and determination in this area will be at the Director's sole judgment and the Director's judgment will be final.

S. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the Contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

T. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission set forth in the Notice for Request for Proposals upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

U. Consultant Independent

Proposers that assisted the County in developing or preparing a solicitation document, pursuant to a consultant contract, is precluded from subsequently being involved in the bidding process on that solicitation document.

SECTION 4

EVALUATION OF PROPOSALS; AWARD AND EXECUTION OF CONTRACT

A. Award of Contract

Subject to the right of the Board to make the ultimate decisions concerning the award of Contracts, the County intends to award a Contract to the highest-rated Proposer or Proposers based on the evaluation criteria in Part I, Section 4.E, Evaluation Criteria, whose Proposal(s) provide(s) the most beneficial program and price, with all other factors considered. The County retains the right to select a proposal other than the proposal receiving the highest number of points, if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible, and in the best interest of the County. The awardee shall sign and return the agreement within 14 calendar days of its mailing to the awardee for signature by Public Works. The awardee shall submit copies of its proof of insurance coverage, within 14 days after Board approval of the proposed Contract or at least 14 days prior to the proposed Contract's start date, whichever occurs last. Work under the proposed Contract cannot begin before proof of valid insurance coverage is submitted to Public Works.

B. Final Contract Award by Board

Notwithstanding a recommendation by Public Works and/or the Chief Executive Office, the Board retains the right to exercise its judgment concerning the selection of a proposal, the terms of any resultant contract/agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract, or to award a contract to a Proposer other than the highest-rated Proposer.

C. Evaluation of Proposals

1. All responses to this RFP become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a contract to one or more of those submitting Proposals. The proposed contract may be submitted to the Board for consideration and possible approval.
2. The County may require whatever evidence it deems necessary to determine the Proposer's overall and specific abilities to meet the requirements of proposed Contract over the entire Contract term. This determination will be based on, but not limited to, an evaluation of the Proposer's experience, personnel, financial stability and resources, work plan, cost to perform requested services, and staffing plan.

3. The County reserves the sole right to judge the Proposer's written and oral representations and to review, evaluate, and select the successful proposal(s).
4. The County may make on-site inspections of Proposer's current jobs and/or facilities.
5. The County, in its sole discretion, may elect to waive any error or informalities in the form of a proposal or any other disparity, if, as a whole, the proposal substantially complies with the RFP's requirements.
6. The County may utilize the services of appropriate experts to assist in the evaluation process.

D. Pass/Fail Review

Proposals will be reviewed on a Pass/Fail basis concerning the items listed below. Proposals not meeting all of these requirements may be rejected as nonresponsive:

Proposers who do not possess or submit a "satisfactory" CHP Safety Compliance inspection report for the prior three 13-month at the time

2012-PA044

East LA Dial-a-Ride

8. Proposer's vehicle(s) must meet or exceed the service vehicle requirements as set forth in Exhibit I, Contractor-Provided Service Vehicles Requirements. If the Proposer does not meet the service vehicle(s) requirement at the time of submission, but fully intends to comply if awarded the contract, the Proposer must provide an affirmative statement that upon start of the contract, the service vehicle(s) will comply with Exhibit H, Contractor-Provided Service Vehicles Requirements.

11. Proposer must submit a proof of Section 609 of the Clean Air Act: Motor Vehicle Air conditioning certification from an EPA-approved program or the equivalent ASE Refrigeration Recovery and Recycling Program certification for at least one member of their maintenance personnel identified in Form PW-20.

Proposers who do not possess required licenses, certifications, and permits at the time of Proposal submission (or who fail to submit the names of County-approved Subcontractors who possess the required licenses, certifications, and permits) may be disqualified as nonresponsive.

12. Proposer submitted information regarding Experience and Work Plan as outlined in Part I, Section 2.A.
13. Proposer is signed in as attending the Proposers' Conference.
14. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal. Any proposal without a Public Works time stamp verifying that the deadline for submission has been met will be rejected.
15. If Proposer is not exempt, Proposer has indicated on Form LW-3, Contractor Living Wage Declaration, it will meet the Living Wage Program employee payment requirements and has included their contribution for the identified medical plan. Proposals that include hourly and health benefit payments

that do not comply with Living Wage Program requirements, shall be rejected as nonresponsive unless the Proposer has been granted exemption status pursuant to a fully documented request for exemption in compliance with the Living Wage Program, Form LW-2, Living Wage Ordinance - Application for Exemption (Part I, Section 2.A.15).

16. Proposer's staffing plan identifies full-time employees of the Proposer who will perform the required work unless the Proposer has demonstrated the necessity of part-time staff to the County's satisfaction in accordance with Part I, Section 2.A.6, Work Plan/Maintenance Staffing. Proposers may submit part-time staffing plans for approval before the due date for receipt of Proposals in accordance with Part I, Section 2.A.6.

E. Evaluation Criteria

All proposals will receive a composite score (rating) and be ranked in numerical sequence from high to low based on the following criteria:

1. Proposed Price (55 points)

The proposed price should accurately reflect the Proposer's cost of providing the required products and services and any profit expected during the Contract term. Prior to scoring, the proposed prices must be adjusted in accordance with the Transitional Job Opportunities Preference or the Local Small Business Preference, as applicable.

- Transitional Job Opportunities Preference. To the extent permitted by State and federal law, should one or more of the Proposers qualify for the Transitional Job Opportunities Preference (Form PW-13), the price component points will be adjusted prior to scoring as follows: Eight percent of the lowest price proposed will be calculated, and that amount will be deducted from the prices submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference. The Transitional Job Opportunities Preference will not reduce or change the Proposer's payment, which will be based on the Proposer's bid amount.
- Local Small Business Enterprise (SBE) Preference. To the extent permitted by State and federal law, should one or more of the Proposers qualify for the Local SBE Preference (Form PW-9), the price component points will be adjusted prior to scoring as follows: Eight percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference. The Local SBE Preference will not reduce or change the Proposer's payment, which is based on the Proposer's bid amount.

Subject to such adjustment(s), the lowest Total Proposed Annual Price quoted in the Schedule of Prices (Form PW-2) will receive the full weight of this evaluated item. Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposer's Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion. The Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a Contract.

2. Performance History/References (10 points)

Public Works will check at least four of the Proposer's references for overall satisfaction with Proposer's services, with priority will be given to services provided in the following order: County of Los Angeles departments, other county departments, cities, governmental entities, non-profit entities, private companies, etc. Proposer may receive up to a maximum of 10 points for each responding reference up to a total of four responding references. Proposer's references for all Contracts with the County during the previous three years must be listed on Form PW-6, Proposer's Reference List. Public Works reserves the right to utilize any reference of Proposer, County or other, listed or not listed. In addition to the references provided, the review will include the County's Contract Database and Contractor Alert Reporting Database (CARD), if applicable, reflecting past performance history on County or other contracts. Additionally, a review of terminated contract(s) reported on Form PW-14, Statement of Terminated Contracts, will be conducted which may result in point deductions. If references fail to substantiate Proposer's description of services provided; references fail to support that Proposer has a continuing pattern of providing capable, productive, and skilled personnel and services; or a significant unacceptable weakness in references may result in a low or zero score. Additionally, a Proposer's unacceptable performance on another County Contract(s), as documented by either the County's Contract Database or Contractor Alert Reporting Database (CARD) by an unfavorable reference, may result in point deductions up to 100 percent of the total points awarded in this evaluation category. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

References may be contacted by telephone, facsimile, mail, express delivery, or e-mail. It is the Proposer's responsibility to ensure that accurate and timely contact information is included in the proposal. Public Works will ordinarily not make repeated attempts to contact references and will ordinarily not contact the Proposer to correct bad phone numbers, etc. It is the Proposer's responsibility to ensure that its references respond promptly to Public Works' requests for information.

3. Experience (10 points)

Proposer and Proposer's Project Manager must have a minimum of three years experience providing the same or similar paratransit services for

governmental or social service agency(ies). Proposer's Maintenance Manager must have a minimum of three years' experience in maintaining similar fleets of paratransit vehicles. Failure to demonstrate the minimum lengths of experience performing the service may result in rejection of the Proposal as nonresponsive.

The evaluators may award higher scores for the higher quality and quantity of experience of the Proposer, its key personnel, supervising employee, and subcontractors, if any, in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 2.A.5), and any other relevant information, including, but not limited to, pending litigation and judgments.

The evaluators may consider the safety record of the Proposer and any Subcontractors to ensure that they have provided services in a safe manner. Higher scores may be awarded to Proposers who within the past five years, have a the cumulative average of vehicle accidents for each 100,000 bus revenue miles traveled that is equal to or lower than five accidents per year for each 100,000 bus revenue miles traveled as reported by the National Transit Database (NTD) as presented in Form PW-4.1, Proposer's Driver Safety Record.

Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

4. Financial Resources (5 Points)

The Proposal may be submitted to Public Works financial staff for comments and/or evaluation. The Proposer's financial statements or annual reports will be evaluated on the extent to which the statements demonstrate that the Proposer has financial and business stability ensuring it can continue to pay the living wage as defined in this Part I, Section 1.M, Living Wage Program, and can perform the work throughout the term of the Contract. Financial statements or annual reports that are incomplete or unaudited (compiled, reviewed, or self-prepared) may be given a low or zero score.

A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive. Public Works reserves the right to review the Proposer's past ability to appropriately pay a Living Wage under active and expired contracts awarded by the County and/or other local agencies, additional business history, and/or other information to demonstrate financial resources and viability, verified by an independent third party. Although no additional points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive, even though the Proposal may have scored a zero in this category.

5. Work Plan/Maintenance Staffing (10 points)

Evaluation and scoring of the Proposer's Work Plan/MS (also referred herein collectively as "Work Plan") will be based on the extent to which it demonstrates that the Proposer is likely to meet or exceed the performance requirements set forth in Exhibit A, Scope of Work; to demonstrate creativity and innovation that exceed the minimum requirements of the Scope of Work; to render timely and responsive service to Public Works; to respond to contingencies and emergencies; and to provide a professional level of quality in the service and work product. The highest scores will be awarded to the most comprehensive and detailed work plans that are highly likely to lead the Contractor to exceed minimum performance expectations.

The evaluators will award higher scores to work plans that commit to specific staffing levels and staff qualifications that exceed the requirements of the work.

Comprehensiveness of the Work Plan will be evaluated based on detailed, specific discussion of all issues relevant to the work. These may include personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, identification badges, safety, communications, maintenance staff assigned to this Contract, communication equipment, quality control, storage and maintenance facilities, ADA compliance, and other issues.

The evaluation committee may make these determinations from all relevant information presented in the Proposal, which may include the work plan, staffing plan, quality assurance plan, schedules, and other documents. If an interview or presentation is scheduled, it may also be considered.

The evaluation committee may also make this determination from all relevant information presented in the Proposer's written Quality Assurance Program (Program), which may include, but is not limited to, policies and procedures, inspection fundamentals as well as a description of quality control documentation, review, and reporting. Failure of the Proposer to designate a qualified inspector that will be provided by Proposer to monitor compliance of the Program and deal with customer complaints and inquiries will result in a reduced score in this category. If a Subcontractor is to perform Quality Assurance, the Program must detail how that Subcontractor will interface with the Proposer and comply with the Program.

In addition, Form LW-8, Staffing Plan and Cost Methodology, may be considered in evaluating the Work Plan.

The evaluators may give reduced scores to Proposers that omit any of the following, but not limited to:

- Staffing Plan/Maintenance Staffing Plan

- Communication equipment
- Vehicle Storage, Maintenance, and Fueling Facilities
- ADA Compliance
- California Highway Patrol (CHP) Annual Inspections
- Transit Security Plan

Significant unacceptable weakness in any of the Work Plan subject areas or omission of a Work Plan from the Proposal at the time of submission may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

6. Equipment/Proposer-Provided Service Vehicles (5 points)

The evaluators may award up to maximum of five points based on their evaluation of the Proposer's equipment to meet or exceed all of the requirements set forth in Exhibit A, Scope of Work, and Exhibit I, Contractor-Provided Service Vehicle Requirements.

A review of the Proposer's equipment to be used to perform the work will be made, as listed on the Statement of Equipment Form (Form PW-19), and as listed in the Equipment narrative submitted as described in Part I, Section 2.A.9. List vehicles separate from other equipment. Public Works reserves the right to conduct on-site inspections of equipment listed on this form.

In the event that the Proposer does not have the required vehicle(s) at the time of Proposal submission, Proposer must have provided a detailed plan, which describes how the Proposer plans to meet the minimum required Contractor vehicle requirements prior to commencement of service.

The Proposer's equipment may be evaluated based on the following criteria, but is not limited to, the type and quantity of equipment within the organization's fleet, type and quantity of equipment dedicated to the service, fuel type of equipment, date of manufacture/purchase, up-to-date maintenance and service records.

Significant unacceptable weakness in the Proposer's equipment may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

7. Demonstrated Controls over Labor/Payroll Record Keeping (5 points)

Proposer will be evaluated on the firm's labor/payroll record keeping system and regulatory compliance information as requested in Form LW-9, Wage and Hour Record Keeping for Living Wage Contracts.

The County may conduct site visits to audit Proposer's labor/payroll record keeping system and processes.

Significant unacceptable weakness in the Proposer's Labor/Payroll Record Keeping or lack of it in the Proposal may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive. Public Works reserves the right to review Proposer's past Labor/Payroll Record Keeping procedures under Living Wage type Contracts awarded by the County and/or other local agencies for compliance with State and generally acceptable labor and payroll record keeping laws and practices. Although no additional points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive even though the Proposal may have scored a zero in this category.

8. Bonus Points (12 Points)

a. Displaced Transit Employee Declaration (Bonus 10 Points)

If Proposer declares on Form PW-18, Displaced Transit Employee Program, that it will retain the employees of the prior Contractor or Subcontractor for a period of not less than 90 days pursuant to State Labor Code 1072(b), ten bonus points will be added to the Proposer's score.

b. Licenses and Certifications (Bonus 2 Points)

If the Proposer's entire mechanic staff assigned to this Contract per Form PW-21 holds valid and active Automotive Service Excellence (ASE) certification in the A5 ASE Automobile and Light Truck Brakes Test, an extra one bonus point will be awarded to the Proposer's score. A Proposer will also be given one bonus point for the entire mechanic staff assigned to this Contract per Form PW-21, if they hold a valid and active additional ASE certification in the Master Automobile Technicians. Partial scores will not be given if all the listed staff does not have the indicated ASE certification(s).

Note: In order to receive bonus points in this category, Proposer's maintenance personnel listed must be directly employed by the Proposer. Proposer may list Subcontractors, but only the Proposer's employees listed on Form PW-21 shall qualify the Proposer to receive bonus points. Proposers shall supply a sufficient number of properly qualified maintenance personnel with the expertise to maintain and service all vehicles for this Contract. Contractor shall be responsible for the recruitment, screening, testing, selection, training, scheduling, supervision, discipline, termination, and all other functions with regard to the maintenance personnel.

9. Optional Interview/Clarification

The County may, at its option, invite one or more Proposers to make a written or verbal clarification, presentation, and/or participate in an interview before a final selection is made. Evaluation criteria for any additional information provided is the same as that for written Proposals. A separate score will not be given for a presentation or interview, but the Proposer's performance may be considered as part of the overall evaluation. The evaluators may, in their sole discretion, limit the offer to give a presentation or interview, if any, to the two or more Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria.

10. Deduction for Labor Law/Payroll Violations

In evaluating proposals, the County will review the Proposer's history of labor law/payroll violations (including, but not limited to, violations or pending claims pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standard Act, employment of minors, or unlawful employment discrimination). To facilitate this process, Proposer must submit with its Proposal a completed Living Wage Acknowledgment and Statement of Compliance Form (Form LW-4 and LW-5) and disclose on that form: (1) any determination by a public entity within three years of the Proposal's submission date that the Proposer committed a labor law/payroll violation, and (2) any pending claim that involves an incident of labor law/payroll violation occurring within three years of the Proposal's submission date.

Applying established criteria as set forth in Form LW-6, Guidelines for Assessment of Proposer Labor Law/Payroll Violations, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violations with substantially increased deductions for Proposer's failure to disclose reportable violations. "Pending Claim" (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board before a Contract is awarded.

11. Additional Criteria

These criteria are not exclusive. The County reserves the right to apply additional evaluation criteria.

F. Negotiation

The County reserves the right to negotiate the terms, conditions, and price of the Proposal, in the sole discretion of the County, to achieve the most beneficial program and price for the County. The County, in its sole discretion, may limit the negotiation, if any, to one or more responsive and responsible Proposers who

receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria. The negotiation with the Proposer(s) will not result in a change in the rating of the Proposers. If a satisfactory Contract cannot be negotiated, the County may, at its sole discretion, begin Contract negotiations with the next highest-rated Proposer who submitted a proposal, as determined by the County.

In the event that the highest-rated Proposer receives a low score or zero score in Financial Resources criteria in this Part I, Section 4.E, Evaluation Criteria, Public Works reserves the right to request a County approved performance guaranty such as a letter of credit or performance bond in an amount up to 100 percent of the annual Contract amount. If the Proposer is unwilling to provide the requested performance guaranty acceptable to the County or is unable to provide the performance guaranty within the requested timeframe from the County, the County may, at its sole discretion, begin Contract negotiations with the next highest-rated Proposer who submitted a proposal, as determined by the County.

SECTION 5

PROTEST POLICY

A. Protest Policy Review Process

1. Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Proposer may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in Paragraph C, Solicitation Requirements Review, below. Any Proposer may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in Sections below. Additionally, any Proposer may obtain copies of proposals and Public Works evaluation documents as provided in Part I, Section 3, Paragraph H. Under any such review, it is the responsibility of the Proposer challenging the decision of Public Works to demonstrate that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a solicitation or a proposed Contract award as the case may be.
2. Throughout the review process, the County has no obligation to delay or otherwise postpone an award of Contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

B. Grounds for Review

Unless State or Federal statutes or regulations otherwise provide, the grounds for review of a solicitation for Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- Review of the Solicitation Requirements
- Review of a Disqualified Bid/Proposal
- Review of the Proposed Contractor Selection

C. Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting a written request for review to Public Works conducting the solicitation as described in this Paragraph. A Request for a Solicitation Requirements Review may be denied, in Public Works' sole discretion, if the request does not satisfy all of the following criteria:

1. The request for a Solicitation Requirements Review is made within ten (10) business days of the issuance of the solicitation document.

2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a proposal.
3. The request for a Solicitation Requirements Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review.
4. The request for a Solicitation Requirements Review asserts either that:
 - a. Application of the minimum requirements, evaluation criteria and/or business requirements unfairly disadvantages the person or entity; or,
 - b. Due to unclear instructions, the process may result in the County not receiving the best possible responses from prospective Proposers.
5. The Solicitation Requirements Review will be completed and Public Works' determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the bid/proposal due date.

D. Place to Submit Requests for Review

All Requests for Review shall be submitted to the Contract Analyst.

E. Disqualification Review

1. A bid/proposal may be disqualified from consideration because Public Works determined it was nonresponsive at any time during the review/evaluation process. If Public Works determines that a bid/proposal is disqualified due to nonresponsiveness, Public Works shall notify the Proposer in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Proposer may submit a written request for a Disqualification Review within the timeframe specified in the written determination.
3. A request for a Disqualification Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting a Disqualification Review is a Proposer;
 - b. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination); and
 - c. The request for a Disqualification Review asserts that the determination of disqualification due to bid/proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

4. The Disqualification Review shall be completed and the determination shall be provided to the requesting Proposer, in writing, prior to the conclusion of the evaluation process.

F. Debriefing Process

For solicitations where proposals are evaluated and scored in accordance to Section 4, Evaluation of Proposals, the following provisions shall apply:

1. Upon completion of the evaluation, Public Works will notify the remaining Proposers in writing that Public Works is entering negotiations with another Proposer. Upon receipt of the letter, any nonselected Proposer may submit a written request for a Debriefing within the timeframe specified in the letter. A request for a Debriefing may, in Public Works' sole discretion, be denied if the request is not received within the specified timeframe.
2. The purpose of the Debriefing is to compare the requesting Proposer's response to the solicitation document with the evaluation document. The requesting Proposer shall be debriefed only on its response. Because Contract negotiations are not yet complete, responses from other Proposers shall not be discussed, although Public Works may inform the requesting Proposer of its relative ranking.
3. During or following the Debriefing, Public Works will instruct the requesting Proposer of the manner and timeframe in which the requesting Proposer must notify Public Works of its intent to request a Proposed Contractor Selection Review, below, if the requesting Proposer is not satisfied with the results of the Debriefing.

G. Proposed Contractor Selection Review

Any Proposer that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in Paragraph F, above, may submit a written request for a Proposed Contractor Selection Review in the manner and timeframe as specified by Public Works. For low-bid solicitations, where applicable, upon selection of the lowest-cost, responsive, and responsible bidder, Public Works will notify the remaining bidders in writing that Public Works is entering negotiations with another bidder. Public Works will instruct the remaining bidders of the manner and timeframe in which each remaining bidder must notify Public Works of its intent to request a Proposed Contractor Selection Review, should such remaining bidder desire to have such a review performed.

A request for a Proposed Contractor Selection Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Proposer.

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by Public Works).
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - a. Public Works materially failed to follow procedures specified in its solicitation document. This includes:
 - i. Failure to correctly apply the standards for reviewing the proposal format requirements.
 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the proposals as specified in the solicitation document.
 - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b. Public Works made identifiable mathematical or other errors in evaluating bids/proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended Contractor.
 - c. For applicable solicitations where responses are evaluated and scored, a member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by State or Federal law.
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for Public Works' alleged failure, the Proposer would have been the lowest-cost, responsive, and responsible bid or the highest-scored proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, Public Works representative shall issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Proposer of the manner and timeframe for requesting a review by a County Review Panel, Paragraph H, below.

H. County Review Panel Process

1. Any Proposer that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for review by a County Review Panel in the manner and timeframe specified by

Public Works in Public Works' written decision regarding the Proposed Contractor Selection Review.

2. A request for review by a County Review Panel may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting review by a County Review Panel is a Proposer;
 - b. The request for a review by a County Review Panel is submitted timely (i.e., by the date and time specified by Public Works); and
 - c. The person or entity requesting review by a County Review Panel has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from Public Works' written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in Paragraph G above.
3. Upon completion of the County Review Panel's review, the Panel will forward its report to Public Works, which will provide a copy to the Proposer.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name:		
Company Address:		
City:	State:	Zip Code:
Telephone Number:		
(Type of Goods or Services):		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

LOS ANGELES COUNTY CODE

Title 2 ADMINISTRATION

Chapter 2.201 Living Wage Program

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles.

2.201.20 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.
- C. "Employer" means:
 - 1. An individual or entity who has a contract with the county:
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
 - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

- D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief executive officer, but in no event less than 35 hours worked per week.
- E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et. Seq. of this code, entitled Contracting with Private Business.

2.201.30 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable.

*Editor's note: Effective three months after the effective date of the Ordinance approval.

2.201.040 Payment of living wage.

- A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.
- B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section above for future contracts. Any adjustments to the living wage rate specified in subsection A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other provisions.

- A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.
- B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

(Ordinance No. 99-0048 ' 1 (part), 1999.)

* All employees shown must be FULL-TIME employees of the proposer, unless exemption to use Part-Time employees has been granted by the County.

**** Living wage rate shall be at least \$11.84 per hour.**

*** Minimum cost for health insurance is \$2.20/hour if hourly wage rate is between \$9.64 and \$11.84, unless exemption from Living Wage requirements has been granted by the County.

Note: This cost methodology is to show, in detail, how the Proposer arrived at the proposed contract price. This methodology is to reflect employee classifications to be used (e.g., landscape maintenance laborer, working supervisor, etc.); hours to be worked daily, weekly, and annually by each classification; hourly and annual wages to be paid to each classification; estimated annual payroll taxes; estimated annual allowances for vacation, sick, holiday, health and welfare, and pension. Proposer's costs for insurance, supplies, equipment, overhead, and any other miscellaneous costs are to be shown as requested. These costs, plus the gross labor costs and projected profit, must match the total to the Proposer's annual price as quoted in Form PW-2, Schedule of Prices. When there is a discrepancy between the price quoted in Form PW-2, Schedule of Prices, and this cost methodology, Form LW-8, the correctly calculated price indicated in Form PW-2, Schedule of Prices, shall prevail.

The above information was compiled from records that are available to me at this time and I declare under penalty of perjury that the information is true and accurate within the requirements of the proposal.

COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

IT'S THE LAW

It may affect you!

Chapter 2.160 of the Los Angeles County Code requires Lobbyists, Lobbying Firms and Lobbyist Employers to register with the Executive Office of the Board of Supervisors. This ordinance imposes extensive reporting requirements on individuals, businesses and other organizations. It places restrictions on the activities of anyone seeking to influence an official action of the County of Los Angeles including actions of the Board of Supervisors or the granting or denial of County contracts, licenses, permits, grants and franchises.

YOU MAY BE CONSIDERED A COUNTY LOBBYIST

If you are compensated to communicate directly (or through agents) with any County official for the purpose of influencing official action, then you may be required to register with the Executive Office of the Board of Supervisors. The requirement to register is the same whether you are an employee of, or on contract with, a firm or organization with business before the County. Additionally, an individual or business entity may be considered a County Lobbying Firm if it receives compensation to influence the County on behalf of any **other** persons or businesses. An individual, business entity or organization that employs or contracts with another individual or firm to represent or make contacts with a County agency on their behalf to influence County action may be considered a County Lobbyist Employer who must also register. If in doubt, it is best to register.

Furthermore, each person or entity who is not otherwise required to register as a County Lobbyist, Lobbying Firm or Lobbyist Employer, but who directly or indirectly expends \$5,000 or more during a calendar quarter to influence official action need not register BUT must report the expenditure to the Executive Office of the Board of Supervisors on a form available from the Executive Office.

REGISTERING IS IMPORTANT

Failure to comply with the ordinance may subject offending Lobbyists, Lobbying Firms, and Lobbyist Employers to **serious penalties including fines up to \$2,000 and denial of contracts, licenses, permits, grants or franchises. Moreover, some violators may be refused permission to address the Board of Supervisors or any County commission.**

HERE'S HOW TO COMPLY WITH THE LAW

Within 10 days of qualifying as a County Lobbyist, Lobbying Firm, or Lobbyist Employer as described in the ordinance, you must register with the Executive Office of the Board of Supervisors.

Registering with the County is easy. The Contractor shall do all of the following, including, but not limited to, providing executive and administrative management; employment and supervision of all personnel, including supervisors, service vehicle operators, dispatchers, mechanics, and other maintenance personnel; operation of training and safety programs; maintenance and repair of service vehicles and equipment; processing of warranty claims for the County's service vehicles; assisting in public relations, promotions, and patron complaints; mailing, processing, and storing client applications and correspondence, maintaining a database of client information and ridership records; preparation of reports and analysis of financial and other matters; clerical, statistical, and bookkeeping services; and providing all service vehicle operations, facilities, equipment, parts, and supplies required in the operation of Service, unless specifically identified to be contributed by the County.

If Contract Manager determines that Service may be improved by revisions to scheduling, service vehicle assignment, fleet size, or areas serviced, Contract Manager and Contractor shall plan and institute such changes jointly within the terms of this Contract.

The County reserves the right to determine if any work is or will be needed under this Contract, at the County's sole and absolute discretion. The Contractor waives all claims against the County for any damages resulting from the County's failure to use the Contractor's services including, but not limited to, lost profit.

The County is committed to ensuring that no patron is excluded from participation in, or denied the benefits of, its services on the basis of race, color or national origin as protected by law including Title VI of the Civil Rights Act of 1964, as amended. The Contractor hereby asserts its commitment and assures it will comply.

D. Equipment

1. Paratransit (Dial-A-Ride) Vehicles

Service shall be provided by the Contractor using County-provided service vehicles, hereinafter referred to as "Service Vehicles". The Contractor will operate Paratransit (Dial-A-Ride) Service utilizing County-provided service vehicles to the maximum extent possible. When County-provided service vehicles are unavailable, Contractor-provided service vehicles shall be used for this Service. The Contractor shall use only Contractor-provided service vehicles for all administrative purposes.

a. County-Provided Service Vehicles

The County may lease to the Contractor eight revenue Service Vehicles as described in Exhibit H, County-Provided Service Vehicles Specifications, hereinafter referred to as "County Service Vehicles". The County Service Vehicles may be leased to Contractor at the rate of \$1.00 per month. Upon receiving County Service Vehicles, Contractor shall be responsible for the operation and maintenance of the vehicles and for all costs for insurance, servicing, and storage.

b. Contractor-Provided Service Vehicles

The Contractor may be required to furnish eight replacement revenue service vehicles, as described in Exhibit I, Contractor-Provided Service Vehicles Requirements, hereinafter referred to as "Contractor Service Vehicles", to either replace a loss

of County Service Vehicles (due to traffic accidents, vehicle fires, etc.) or furnish additional revenue service vehicles as supplemental Service Vehicles because of changes in Service demand. The Contractor shall also be required to provide an appropriate number of spare Service Vehicles (a minimum of one spare vehicle).

Contractor-provided vehicles described must meet or exceed the requirements in Exhibit I, Contractor-Provided Service Vehicles Requirements.

c. Temporary and/or Supplemental Contractor-Provided Service Vehicles

The Contractor may be instructed by the Contract Manager to provide temporary and/or supplemental Contractor-provided Service Vehicle(s) for Service in the event County Service Vehicles have been prematurely removed from the Service and not replaced or the demand for Service exceeds the capacity provided by the County Service Vehicles, or County Service Vehicles will be out-of-service for a prolonged period of time (e.g., major repairs, accident damage, Service Vehicle has reached its service life, etc.) in excess of 24 consecutive hours. The Contract Manager shall approve these Service Vehicles provided by the Contractor prior to being placed in Service. The County will pay the hourly rate for Contractor-provided Service Vehicles as specified in Form PW-2, Schedule of Prices.

The Contractor shall be responsible for providing sufficient and adequate Service Vehicles, including spare Service Vehicles, which meet or exceed the requirements described in Exhibit I, Contractor-Provided Service Vehicles Requirements. The Contractor shall provide the Contract Manager with copies of current DMV registrations for Contractor-provided Service Vehicles and provide updated registrations throughout the duration of this Contract.

The County does NOT commit to replacing the existing County Service Vehicles, or to replacing any Contractor-provided Service Vehicles with County Service Vehicles. However, the County may do so at its discretion.

As required by the California Air Resources Board, any new Service Vehicle introduced into Service shall be low emission alternatively fueled (i.e., propane, natural gas, or electric) or low emission gasoline.

d. Support Service Vehicles

The Contractor shall provide all other Service Vehicles necessary for adequate supervisory, maintenance, and support in providing the Service. These Service Vehicles shall be in good operating condition and appearance. These Service Vehicles shall be provided at no additional cost.

e. Supplemental Taxi Service

The Contractor may provide supplemental taxi service, as necessary, to ensure on-time performance. Supplemental taxi service may also be used in the event that Service Vehicles are out-of-service for the day and return trips have not been completed.

2. General Terms for Paratransit Vehicles

Contractor shall acknowledge the receipt, condition, and working order of any County Service Vehicles and equipment. This acknowledgement applies to County Service Vehicles and equipment received at start of Service as well as those subsequently added to the fleet.

Contractor shall maintain all Service Vehicles, related accessories, equipment, and facilities required per this Contract in good order and in a condition satisfactory to the Contract Manager. Upon request by Contract Manager, reports regarding the Service Vehicles' condition, operation status, complaints, or other relevant information pertaining to the Service shall be forwarded to the Contract Manager. The Contractor shall not seek additional compensation for any costs incurred to meet the requirements in this paragraph.

In the event that one of the County Service Vehicles assigned to the Service breaks down, the Contractor shall provide the necessary spare Americans with Disabilities Act (ADA) - compliant Service Vehicle(s) equipped with air conditioning and lift equipment within 30 minutes. The spare Service Vehicles shall be similar in kind to the County Service Vehicles being used in this Service or as specified in Exhibit I, Contractor-Provided Service Vehicles Requirements. The cost of the spare Service Vehicles shall be included in the Contractor's overall Service operating costs. The Contractor's equipment and facilities shall meet all requirements of applicable Federal, State, and local ordinances and laws, including, but not limited to, the California Highway Patrol (CHP), the California Air Resources Board, South Coast Air Quality Management District, and ADA.

Contractor shall be prohibited from the sale, assignment, or sublease of County Service Vehicles or equipment. The Contractor shall also be

prohibited from using County Service Vehicles or equipment for any purpose other than providing the Service as specified in this Contract.

Upon termination or suspension of this Contract, the Contractor shall return and deliver all County Service Vehicles, equipment, and all other peripheral equipment to the County (date, time, and address to be specified by the Contract Manager) with no deferred maintenance or damages with the exception of reasonable wear and tear.

Contract Manager may inspect Service Vehicles, equipment and all other peripheral equipment prior to the Contract's termination or suspension to assess condition of the Service Vehicles and equipment. The Contractor shall be responsible for performing all the work necessary to correct any deficiencies noted. Contract Manager, at his/her own discretion, may withhold up to the final two months of Service payment until Contractor completes repair or deduct the cost of correcting the deficiencies from payment due to Contractor, if Contractor fails to perform the necessary work to correct the deficiencies within the time specified by Contract Manager.

Contractor shall, at its sole expense, repair or replace any County Service Vehicle and/or equipment, which may be damaged or lost by reason of collision, fire, negligence, abuse, vandalism, or other like cause. If the equipment is to be replaced by the Contractor, it shall be with a County-approved exact duplicate or as stipulated by the County. In lieu of a replacement Service Vehicle or equipment, the County may accept, at the Contract Manager's sole option, insurance funds plus the Contractor's deductible or the County's Net Book Value of the Service Vehicle or equipment, whichever is greater. The Contractor shall pay the County the original cost of the Service Vehicle for any total loss within the first 90 days that a new Service Vehicle is placed into service.

The County's Net Book Value of Service Vehicles shall be based upon the straight-line depreciation over the years of useful life, from the date of final sale through the date of loss (DOL). Salvage value, if any, will be determined by the market value of the damaged asset at the DOL, as determined by the County, and will be credited to the Contractor. The original cost of the new Service Vehicle(s) is to be used as the basis for depreciation. All payments shall be made within 90 calendar days of DOL. Liquidated Damages may be assessed each month for claims unresolved after 120 calendar days.

Should Contractor-provided Service Vehicles be required, the Contractor shall supply a sufficient number of adequate Service Vehicles, all well maintained and in good and clean condition. Their air conditioning and lift equipment shall be in good working order. The Contractor shall supply spare Service Vehicles in the event of a County Service Vehicle shortage,

not exceeding a period of 48 consecutive hours, and substitute Service Vehicles in the event of a County Service Vehicle shortage exceeding a period of 48 consecutive hours.

Contractor shall supply a two-way communication dispatch system in all spare and substitute Service Vehicles to ensure a consistent fulfillment with the terms of this Contract. Shortages may occur when County Service Vehicles are out-of-service for repairs, when Service Vehicles are in the process of being replaced, or if demand has exceeded the availability of County Service Vehicles.

Further, the Contractor shall actively monitor its compliance with the above-mentioned equipment requirements and shall at all times during the term of this Contract ensure that such requirements are satisfied.

3. Communication Equipment

Contractor, in the performance of this Contract, shall comply with all laws and regulations, including any and all contained within the California Vehicle Code (VC). Contractor shall be aware of and ensure compliance with California VC Section 23123, which has been revised in accordance with the Hang-Up-and-Drive Bill.

Contractor shall provide adequate two-way radio communication equipment for all Service equipment for a base station and a sufficient number of "repeater stations" to permit uninterrupted communication between the dispatch center and the Service Vehicles while in Service. As a supplemental communication system between the dispatch center and the vehicle operators, the use of hands-free mobile cell phones is permitted.

Contractor shall be responsible for the proper maintenance of said equipment on all Service Vehicles and shall comply with all applicable Federal statutes and regulations in connection with such use. The Contractor shall be responsible for the licensing of radio communication equipment. Citizen's Band communication equipment is not acceptable.

For the convenience of residents telephoning to make reservations, the Contractor shall provide a multiline telephone service with a feature to queue incoming calls. This feature will answer all calls by the fourth ring and provide call-in patrons with their estimated wait time and or their position within the queue.

 - ii. Dynamically adjust with changes or new inputs (new pickups, cancellations, etc.)
 - iii. Provide management/performance reports.
- b. Mobile Data Terminals (MDT) shall be installed in each Service vehicle to collect real time schedule and passenger information. This is the interface for the driver to both receive and input information. This shall be integrated and interfacing with the dispatching system in real-time.
- c. Global Positioning Satellite (GPS) receivers shall be installed in each Service vehicle; if a portable system is used; one GPS receiver is assigned to each Service vehicle. This is to provide real time location of the Service vehicle and shall be integrated and interfacing with the dispatching system in real-time.

The dispatching software shall be integrated with both the MDT and the GPS receivers installed in each Service vehicle. The dispatching software must be able to sort patrons by specified area.

The Contractor shall equip Service vehicles with MDT and GPS at its own expense. The Contractor shall remove its equipment from the County Service Vehicles upon the completion of this Contract. Contractor is given 120 calendar days from the start of the Contract to purchase, install, train personnel, and to complete the implementation for use of the system described above.

The Contractor's failure to implement the dispatch software and the MDT and GPS by the deadline may be grounds for the contract termination or suspension of the Contract at the County's discretion based upon progress made to date.

6. Automated Vehicle Locator (AVL) Devices

The County may install Automated Vehicle Locator (AVL) devices on the County Service Vehicles. The AVL devices are permanently installed and contain GPS functionality along with remote diagnostic information. These units will report to the County and Contractor any engine or emission malfunction. These devices can also provide real time data about location, vehicle speed, excessive idling, etc.

Once installed, the AVL device does not require servicing/maintenance. Therefore, the AVL device is not to be handled or adjusted in any way by the Contractor. If the County installs these AVL devices on the County Service Vehicles, it will be the Contractor's responsibility to ensure that the devices are not disconnected, damaged, or removed. If the device is damaged, lost, or stolen, the Contractor shall be responsible for the cost to replace and install the lost or damaged unit. The device shall be replaced within two weeks of the date of loss/damage unless otherwise approved by the County due to unforeseen circumstances. The device shall be provided and installed by a County approved vendor.

Contractor is responsible for insuring that installation of these AVL devices does not violate any collective bargaining agreements between Contractor and its employees, and shall hold the County harmless from any claim by its employees against the County arising out of the installation or use of these devices.

7. Internet Access and E-Mail

The Contractor shall maintain Internet access and valid e-mail addresses throughout the duration of this Contract. The Contractor shall provide unique e-mail addresses for the Program Manager and the Maintenance Manager. The Contractor shall provide the County with these e-mail addresses before Service begins.

The Contractor is given 30 calendar days from the notice that it has been awarded the Contract to purchase, install, train, and fully implement an Internet access and e-mail system as described above.

The required periodic items and other communication, including the monthly reports, identified in this Contract, may be done through e-mail for convenience and timeliness. To the maximum extent possible, all of the Contractor reports (even items transmitted by mail or personally delivered) shall also be transmitted to the County electronically.

8. Office Staff Computer Skills

The Contractor shall ensure that staff assigned to this contract is familiar with the Microsoft Office Professional suite of programs (Microsoft Word, Microsoft Excel, and Microsoft Outlook) and/or their equivalent. Staff shall possess the required skills to create, edit, and transmit data supplied in the above Microsoft Office Professional software formats or their equivalent.

9. Business Contact Telephone Number

The person answering the telephone shall be able to put the Contract Manager, or his/her designee, in contact with key management personnel in case of an emergency.

10. 24-Hour Contact Information

The Contractor shall maintain a 24-hour emergency contact system that utilizes a pager, cellular telephone, management telephone tree, or other means to contact a manager 24 hours per day and 365 days per year. The Contractor shall provide Contract Manager with information on how to contact a manager through the emergency contact system before the Service begins. A manager shall contact the Contract Manager within one hour after being so requested, including during non-business hours. This manager shall be able to address operational issues in case of an emergency.

E. Vehicle Storage, Maintenance, and Fueling Facilities

The County will not provide any storage or maintenance facilities for the Contractor.

10. Equipment necessary to wash and clean vehicles in accordance with this Contract.
11. Adequate secured storage area for tools, equipment, and parts.
12. A lighted maintenance pit or an appropriate State of California Occupational Safety and Health Administration (Cal/OSHA) or American National Standards Institute (ANSI) approved hydraulic lift capable of fully lifting the heaviest Service Vehicle six feet above the floor for maintenance purposes.
13. Fueling facilities are the responsibility of the Contractor. The Contractor shall make appropriate arrangements to fuel Service Vehicles before or after scheduled service hours. Each vehicle should start the day with a full fuel tank to avoid the need of refueling during service hours. The fueling should be completed early enough so that an early pickup may be accommodated at the start of service.
14. Fueling facility and ability to provide liquefied petroleum gas (LPG) or compressed natural gas (CNG) if vehicle specified and/or when County purchases new vehicles. It is acceptable for Contractor to obtain CNG fuel off-site.

F. Service Vehicle and Equipment Maintenance

1. Service Vehicle Condition

All Service Vehicles, vehicle equipment, and any other equipment necessary to provide this Service, shall be maintained by the Contractor to acceptable appearance standards and in good repair and in a condition satisfactory to the Contract Manager and in accordance with the manufacturers' recommended maintenance procedures, as well as with applicable Federal and State regulations. If the Contractor receives a rating below "Satisfactory" including "Conditional" or "Unsatisfactory" from the CHP, Contractor shall so notify Contract Manager immediately and outline steps to be taken to correct each deficiency.

Failure of the Contractor to take the necessary actions to improve their terminal inspection rating to a "Satisfactory" rating within six months of receiving a rating below "Satisfactory" shall be grounds for termination or suspension of the Contract. 2. Warranty Work (County Service Vehicles Only)

Contract Manager will provide the Contractor with the written manufacturer's warranty, if any, for each County Service Vehicle. The Contractor shall become the County's designated warranty agent for all County Service Vehicles provided for Service. The Contractor shall be responsible for ensuring that the Service Vehicle manufacturers and all component manufacturers perform or reimburse the Contractor for all work and parts that are covered under warranty.

If seat upholstery has been damaged, the Service Vehicle shall not be returned to revenue Service until it has been repaired. The Contractor shall replace seat covers and/or seat boards that are worn or damaged and cannot be professionally repaired using materials that are identical in specifications and color as those materials being repaired. Ceilings and walls shall be thoroughly cleaned weekly or more often as necessary to maintain a clean appearance and maximize visibility. Contractor shall ensure that the interiors of Service Vehicles are kept free of rodents, insects, vermin, and pests at all times while in operation and shall take such steps as are necessary, at Contractor's expense, to exterminate said pests in the event that they occur in the Service Vehicles.

b. Service Vehicle Exterior

The exteriors of all Service Vehicles shall be washed every other day during dry conditions and every day during rainy conditions to maintain a clean, inviting appearance. The exterior washing shall include Service Vehicle body, all windows, and wheels. All rubber or vinyl exterior components such as, tires, bumper fascia, fender skirts, and door edge guards, etc., shall be cleaned and treated with a preservative at least once per month or as necessary to maintain an attractive appearance.

The Contractor shall be responsible for maintaining the artwork and decals on the exterior of the Service Vehicles.

c. Fumes

At all times the interior passenger compartments of Service Vehicles shall be free of fumes from the engine, engine compartment, and exhaust emissions system of Service Vehicles.

d. Graffiti

The County has a zero tolerance policy for graffiti. Any Service Vehicle that is vandalized with graffiti shall be removed from revenue Service. The Service Vehicle shall not be returned to Service until the graffiti has been completely removed by the Contractor.

4. Daily Pretrip and Post trip Service Vehicle Inspection and Servicing

Prior to being placed in Service each day, each Service Vehicle shall receive a daily pretrip inspection by the operator. At the end of each day, each Service Vehicle shall receive a daily post trip inspection by the operator.

Contractor's daily Pretrip and Post trip Service Vehicle Inspection Report forms shall be submitted to the Contract Manager in a format approved by the Contract Manager, and at a minimum, shall include all items from Exhibit J, Service Vehicle Appearance/Cleanliness Checklist. The daily pretrip and the post trip inspections shall be supplemented by regular weekly maintenance inspections to ensure safe and proper operating condition of Service Vehicles. Daily pretrip and post trip inspections shall also include physical operation of the wheelchair lift or ramp to ensure ADA-compliance. Prior to the next pullout, the Contractor shall repair or replace any Service Vehicle that has defects and/or possesses a safety or operational problem detected during inspection. Each Service Vehicle operator performing the daily pretrip and post trip inspections shall be required to fill out an inspection report form and turn it in to the Maintenance Manager. A record of all such inspections shall be kept by the Contractor and shall be submitted to County upon request.

Contractor shall perform daily servicing on all Service Vehicles used in the Service. Daily servicing shall include, but is not limited to, checking and adding fuel, engine oil, coolant, water, and transmission fluid; performing brake, light, and flasher checks; inspecting tires and tire pressure; inspecting wheelchair lift or ramp; interior sweeping and dusting; exterior and interior visual inspection; and the checking of all Service Vehicle performance defects reported by the driver(s) to identify potential safety and reliability items requiring immediate attention.

Contractor shall document the daily servicing on the daily Pretrip and Post trip Service Vehicle inspection reports in a written checklist format (example shown in Exhibit K, Driver's Daily Vehicle Report).

5. Wheelchair Lifts or Ramps

Contractor shall inspect, maintain, and repair wheelchair lifts or ramps to assure safe and proper operation and to ensure ADA compliance. Wheelchair lifts or ramps shall be operational whenever a Service Vehicle is used in Service. It is unlawful to assign Service Vehicles to revenue Service with defective lift/ramp equipment on concurrent days without repairs having been made.

6. Maintenance Program

a. General Scope

Contractor, at its sole cost and expense, shall provide all fuel, lubricants, repairs, cleaning, parts, supplies, labor, maintenance, major components, and component rebuilding and replacement along with the necessary Service facilities to provide the maintenance required for the operation of all equipment pursuant to this Contract. Contractor shall be fully responsible for the maintenance of all Service Vehicles, radios, Advanced Vehicle Information (AVI) systems, passenger counters, and all equipment to be used to perform this Service in strict conformity to all State and Federal regulations and orders, including CHP regulations and orders. Contractor's duty and responsibility to maintain all Service Vehicles and equipment cannot be delegated to any other person, firm, or corporation without prior written approval of the Contract Manager.

It replaces the prior document entitled, Federal Transit Administration Transit Threat Level Response Recommendation. This document provides a more comprehensive systems approach and framework for a transit agency to use in integrating its entire security and emergency management programs. In addition, this document provides protective measures to be implemented in the event of an attack or active incident and during the recovery phase following an incident.

The details of the Transit Security Plan will be negotiated with Contract Manager to ensure that the County's needs are adequately addressed. The final county approved Transit Security Plan will be attached as Exhibit Q.

If the Contractor is found to be in violation, the Contractor may be assessed \$500 in liquidated damages for each Service Vehicle that is cited for an engine emissions violation. If such complaint is found to be without merit, or beyond the Contractor's control, Contract Manager may waive the liquidated damages.

If the Contractor does not submit the required smog check certificates to Contract Manager biennially (every two years) within 30 days after State vehicle emissions testing has been performed, the Contractor will be assessed \$200 in liquidated damages per County Service Vehicle that was not or has not passed its smog check. A. Amendments

1. For any change which affects the scope of work, contract sum, payments, or any term or condition included in this Contract, an amendment shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor.
2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. 2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within thirty (30) calendar days of the Board's approval of such actions.

If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California

law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. County's Quality Assurance Plan

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.

2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and

Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").
2. Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

U. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity

Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County

1. Contractor shall develop all publicity material in a professional manner.

2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "trade secret," "confidential," or "proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may suspend or terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.
4. In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's

non-County contracts. The Contractor further acknowledges that the foregoing requirement in this subparagraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

Contractor may only make an exception to this requirement if Contractor determines that there were mitigating circumstances or that the conviction is not related to the Contractor Employee position and that the Contractor Employee poses no threat or risk to the County or public.
3. Disqualification of any Contractor Employee pursuant to this section shall not relieve Contractor of its obligation to provide services in accordance with the terms and conditions of this Contract.
4. The Contractor shall annually submit to the Contract Manager a certificate of compliance attesting that each Contractor Employee is eligible for employment under this Contract according to the requirements outlined in Sections 1 and 2.

II. Subcontracting

LL. Warranty Against Contingent Fees

1. Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business.

5. Failure to Maintain Insurance: Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. Alternatively, the County may purchase the Required Insurance, and without further notice to Contractor, deduct the premium cost from sums due to Contractor or pursue Contractor reimbursement.

8. Waivers of Subrogation: To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Contract. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.
11. Claims Made Coverage: If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.
12. Application of Excess Liability Coverage: Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

SECTION 6

CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible Contractors.

B. Chapter 2.202 of County Code

Contractor is hereby notified that, in accordance with Chapter 2.202 of County Code, if County acquires information concerning the performance of Contractor on this or other contracts which indicates that Contractor is not responsible, County may, in addition to other remedies provided in this Contract, debar Contractor from bidding or proposing on, being awarded, and/or performing work on County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstances, and suspend or terminate any or all existing contracts Contractor may have with County.

C. Nonresponsible Contractor

County may debar a Contractor if the Board finds, in its discretion, that Contractor has done any of the following: (1) violated any term of a contract with County or a nonprofit corporation created by County; (2) committed an act or omission which negatively reflects on Contractor's quality, fitness, or capacity to perform a contract with County, any other public entity, or a nonprofit corporation created by County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against County or any other public entity.

D. Contractor Hearing Board

1. If there is evidence that Contractor may be subject to debarment, Public Works will notify Contractor in writing of the evidence which is the basis for the proposed debarment and will advise Contractor of the scheduled date for a debarment hearing before Contractor Hearing Board.
2. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five years, that Contractor may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of County.
5. Contractor Hearing Board will consider a request for review of a debarment determination only where (1) Contractor has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
6. Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

SECTION 7

COMPLIANCE WITH COUNTY'S JURY SERVICE PROGRAM

A. Jury Service Program

This Contract is subject to the provisions of County's ordinance entitled Contractor Employee Jury Service (Jury Service Program) as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employee deposit any fees received for such jury service with Contractor or that Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

SAFELY SURRENDERED BABY LAW PROGRAM

A. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its Subcontractors, if any, to post this poster in a prominent position in the Subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

B. Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor shall notify and provide to its employees, and shall require each Subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 9

COMPLIANCE WITH COUNTY'S LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Form LW-1 and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Living Wage Program (Section 2.201.020 of County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any Subcontractor engaged by Contractor to perform services for County under this Contract. If Contractor uses any Subcontractor to perform services for County under this Contract, the Subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under this Contract. "Full-time"

means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of Contractor's Employees during the reporting period. The certified monitoring reports shall also

verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment: If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. Debarment: In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunities vendor.

3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify Public Works of this information prior to responding to a solicitation or accepting a Contract award.

 - 1. Pay to County any difference between this Contract amount and what County's costs would have been if this Contract had been properly awarded;
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of this Contract; and
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).
- E. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and County's Office of Affirmative Action Compliance of this information.

COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

A. Defaulted Property Tax Reduction Program

This Contract is subject to the provisions of County's ordinance entitled Defaulted Property Tax Reduction Program ("Defaulted Tax Program") as codified in Sections 2.206 of the Los Angeles County Code (Exhibit E).

B. Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from the County through any contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

C. Termination for Breach of Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph B, above, shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

SECTION 13

DISPLACED TRANSIT EMPLOYEE PROGRAM

- A. In accordance with Labor Code Section 1072(c)(1), if the County informs the Contractor that the County intends to issue a new solicitation for these services, Contractor shall, within 14 calendar days thereafter, provide to the County the number of employees who are performing services under this Contract and the wage rates, benefits, and job classifications of those employees. In addition, the Contractor shall make this information available to any entity that the County has identified as a bona fide Proposer for the successor contract. If the successor service contract is awarded to a new contractor, the Contractor shall provide the names, addresses, dates of hire, wages, benefit levels, and job classifications of employees to the successor Contractor.

The following provision applies if the Contractor declared that the Contractor is willing to retain employees of previous Contractor and signed PW-16, Displaced Transit Employee Declaration indicating that they will do so in their proposal.

- B. If the Contractor has declared in Form PW-16, Displaced Transit Employee Declaration that the Contractor will retain employees of the prior Contractor or Subcontractor for a period of not less than 90 days, the Contractor shall retain employees who have been employed by the prior Contractor or Subcontractors, except for reasonable and substantiated cause as specified in California Labor Code Section 1072(c)(2). That cause is limited to the particular employee's performance or conduct while working under the prior contract or the employee's failure of any controlled substances and alcohol test, physical examination, criminal background check required by law as a condition of employment, or other standard hiring qualification lawfully required by the Contractor and/or Subcontractor.
- C. In accordance with California Labor Code Section 1072(c)(3), the Contractor shall make a written offer of employment to each employee to be rehired. That offer shall state the time within which the employee must accept that offer, but in no case less than 10 days. California Labor Code 1072(c)(3) does not require the Contractor and/or Subcontractor to pay the same wages or offer the same benefits provided by the prior Contractor or Subcontractor.
- D. If, at any time, the Contractor or Subcontractor determines that fewer employees are required than were required under the prior contract or subcontract, the Contractor or Subcontractor shall retain qualified employees by seniority within the job classification. In determining those employees who are qualified, the Contractor or Subcontractor may require an employee to possess any license that is required by law to operate the equipment that the employee will operate as an employee of the Contractor or Subcontractor.

E. Termination for Breach

1. In accordance to California Labor Code Section 1074(a), upon its motion or upon the request of any member of the public, the County may terminate this Contract if both of the following occur:
 - a. The Contractor or Subcontractor has substantially breached this Contract.
 - b. The County holds a public hearing within 30 days of the receipt of the request or its announcement of its intention to terminate.
2. Contractor or Subcontractor terminated pursuant to this provision shall be ineligible to submit proposal on or be awarded a service contract or subcontract with the County for a period of not less than one year and not more than three years, to be determined by the County.
3. Nothing herein is intended nor shall be construed as creating any exclusive provision for termination of this Contract. This provision shall not limit the County's right to terminate or debar Contractors under any other provisions of this Contract or under any other provision of the law.

Notice 1015

(Rev. December 2011)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2011 are less than \$49,078 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2012.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from IRS.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2011 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2011 and owes no tax but is eligible for a credit of \$829, he or she must file a 2011 tax return to get the \$829 refund.

Can My Employees Get Advance EIC Payments?

After 2010, your employees can no longer get advance payments of the credit in their pay during the year as they could in 2010 and earlier years, because the law changed. However, if they are eligible, they will still be able to claim the credit on their tax return.

Form W-5, Earned Income Credit Advance Payment Certificate, is no longer in use.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

The Safely Surrendered Baby Law allows any parent or person with legal custody, which means anyone in charge of the parent's legal responsibility to confidentially bring in a baby, as long as the baby is under 72 hours old. The parent or other adult bringing the baby in must not be under the influence of alcohol or drugs and must not be in need of medical attention. The parent or other adult bringing the baby in must not be in need of medical attention.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Los recién nacidos pueden ser entregados en forma segura al personal de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles

Sin pena. Sin culpa. Sin nombres.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen *custodia legal*.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

The Service provisions below represent the County's recommended preventive maintenance schedule. If OEM's preventive maintenance schedule is more stringent than the County's, the Contractor shall follow the OEM's recommendations. If County's recommended preventive maintenance schedule is more stringent than the OEM's, the Contractor shall verify with the County as to which recommended preventive maintenance frequency is acceptable prior to deviating from the County's recommendations. Adherence to a preventive maintenance schedule shall not be regarded as cause for deferred repairs. Non-safety repairs may be scheduled and must be made within one week of being identified.

SECTION 1. SERVICE PROVISIONS

The Preventive Maintenance Inspection (PMI) services to be provided by the Contractor shall consist of levels hereinafter referred to as "DVIR," "I," "J/A," "B," and "C" PMI Services. These inspections shall be conducted at vehicle mileage or time intervals as described herein.

2. "I" inspections occur a minimum of once per week. More frequent "I" service may be required by the Contract Manager depending upon demonstrated Service Vehicle condition and/or reliability. This inspection shall be documented and shall indicate all problems found, maintenance/repair required, and maintenance or repairs performed.
3. "J/A" inspection occurs every 30 days regardless of mileage. The "J/A" service occurs as part of every "B," and "C" Service inspection.

4. "B" service occurs every 24,000 vehicle miles or eight months, whichever occurs first. "B" service occurs as part of every "C" Service inspection.
5. "C" service occurs every 48,000 vehicle miles or every 16 months, whichever occurs first.
6. PMI service sequencing (repeats each 48,000 miles).

CONTROLLED SUBSTANCE AND ALCOHOL TESTING PROGRAM

1. Substance Abuse Testing

It shall be the duty of Contractor to take all steps feasible to ensure that those employed personnel, independent Contractors' or Subcontractors' employees servicing or operating Service Vehicles pursuant to this Scope of Work do not perform those functions under the influence of alcohol, controlled substances, or medication, which impairs their judgment or physical ability.

In meeting this duty, Contractor shall, at a minimum, do the following:

- a. Promulgate and Distribute to All Personnel a Written Policy Statement Prohibiting Servicing and/or Operating Service Vehicles While Under the Influence of Alcohol, Controlled Substances, or Any Medication, Which Impairs Judgment or Physical Ability

The written policy statement shall indicate Contractor's intention to:
(1) initiate substance abuse testing as described herein below;
(2) immediately suspend any personnel testing "positive" for substance abuse from servicing or operating Service Vehicles pending review pursuant to the procedure described herein below;
and (3) absent overruling on review to permanently prohibit such person from servicing or operating Service Vehicles.

- b. Institute a Comprehensive Program for Substance Abuse Testing for All Personnel Entailing Urinalysis and/or Blood Tests

1. Pre-employment testing of job applicants, independent Contractors' and Subcontractors' employees all as part of the pre-employment physical examination

Urine and/or blood samples will be taken as part of the pre-employment physical examination process and will be subjected to recognized testing procedures employed by duly licensed clinical laboratory technicians to determine the presence of alcohol and/or any controlled substance as that term is used in the Health and Safety Code, Section 11054, including, but not limited to, marijuana and its derivatives, opium and its derivatives, methaqualone, methamphetamine, lysergic acid diethylamide, psilocybin, or mescaline. Evidence of controlled substance presence in urine or blood of any job

applicant shall require denial of the job application. Evidence of a blood alcohol level at the time of testing of greater than 0.04 percent shall likewise require denial of the job application. If Contractor at any time during the period of this Contract uses or contemplates usage of independent Contractors' or Subcontractors' employees to service or operate the Service Vehicles, the individuals who would perform such functions under such contractual arrangement shall be tested in the fashion described hereinabove and shall be prohibited from performing said functions upon testing "positive" for controlled substance use or blood alcohol concentration in excess of 0.04 percent.

2. Mandatory drug testing within three hours of a traffic accident or incident giving rise to a suspicion of substance abuse

The Provider shall make the necessary arrangements for and require substance abuse testing of all personnel, independent Contractors' or Subcontractors' employees involved in a traffic accident while operating a Service Vehicle within as short a time as possible following the accident and in no event to exceed three hours thereafter.

The Provider shall make the necessary arrangements for and require substance abuse testing of all personnel, independent Contractors' or Subcontractors' employees servicing or operating a Service Vehicle as to whom a report has been received from the public or from coworkers or supervisors as to involvement in a physical altercation, being verbally abusive or otherwise acting in a bizarre manner. The Provider shall make arrangements to provide for continued public transportation service prior to ordering the subject individual to report for drug testing, but shall make every effort to have the testing occur within three hours of the reported incident.

In addition to the testing required under Subsection 1.b.1 hereinabove, the testing required pursuant to this subsection shall include testing for the presence of prescription drugs and other over-the-counter medications, which are known, on occasion, to cause drowsiness, impairment of judgment, and/or impairment of physical coordination and activity. This classification of substance is intended to include among other things: antihistamines, tranquilizers, painkillers, mood elevators, and psychotropics.

All persons testing "positive" for controlled substance abuse or showing blood-alcohol concentration in excess of 0.04 percent shall be immediately suspended from servicing or operating Service Vehicles pending review pursuant to the review procedure set forth herein below. In the absence of an overruling of the suspension pursuant to the review procedure, the Provider shall permanently prohibit these individuals from servicing or operating Service Vehicles pursuant to this Scope of Work.

All persons whose tests indicate a blood-alcohol concentration greater than 0.00 percent but less than 0.04 percent or show the presence of a medication known on occasion to cause drowsiness, impairment of judgment, and/or impairment of coordination, and other physical abilities shall be immediately suspended from servicing or operating a Service Vehicle for a period of 24 hours. These individuals shall be given oral explanation and warning confirmed in writing and noted in the personnel file with respect to the potential safety hazard posed by the involved substance.

3. Non-discretionary, Random Substance Abuse Testing

The Provider shall identify all personnel, independent Contractors', or Subcontractors' employees scheduled to service or operate Service Vehicles pursuant to this Scope of Work and place their names in a data pool susceptible to truly random accessibility either physically as by placement of cards in a tumbler or by programming of an information retrieval system.

Names of individuals shall be chosen for random testing on a schedule designed to test 25 percent of the relevant personnel and affected other personnel quarterly, which schedule shall be set forth in a public statement distributed quarterly to all personnel and affected other persons. In no event shall the employee have more than six hours notice prior to his or her appointment for the test.

The testing shall take place on company time at a location that does not require the person tested to expend more personal time in traveling to or from the testing site than would otherwise be expended in traveling to or from a work location.

The testing shall be as to controlled substance abuse and/or blood-alcohol concentration as set forth in Subsection 1.b.1. Upon evidence of a blood-alcohol level in excess of 0.04 percent or of the presence of any controlled substance in any tested individual, the Provider shall immediately suspend that individual from servicing or operating a Service Vehicle pursuant to this Scope of Work.

If the finding of substance abuse is not overruled upon review, the Provider shall permanently prohibit any such individual from servicing or operating Service Vehicles pursuant to this Scope of Work.

4. Double Testing

All urine and/or blood samples taken for the testing described hereinabove which test positive shall be processed twice for each subject substance. In those cases where it is necessary to perform a second test on a urine sample, the second test shall use a different methodology to assure the validity of the results.

No disciplinary action set forth herein shall be taken unless the urine or blood tests "positive" for the subject substance in each test.

5. Notification of Suspension and Intent to Prohibit Servicing or Operating Vehicles or Performance of Function with Potential Impact upon Public Safety

The Provider shall, upon receipt of substance abuse test results warranting action hereinunder, notify the subject individual of his immediate suspension and of the Provider's intention to prohibit performance of specified duties. The Provider is not required hereby to terminate employment of the individual altogether.

c. Institute A Review Procedure

The Provider shall provide use of a meeting room and, as to the employee Board member, paid time for the convening of a drug-testing Review Board on an as-needed basis.

An individual must request a review in writing and must deliver that request to any superior within two business days of receipt of the

notice of suspension or forfeit his right of review. The superior shall deliver the request to any Board member.

The Board shall consist of a member appointed by the Provider, an employee representative (who shall be an employee of the Provider), and a third party chosen by the other two.

The Board shall decide upon the consequences of the substance testing set forth in Subsection 1.b above within one week of receipt of the request for review.

The Board shall hold short hearings at which the individual tested shall have the opportunity to dispute the fact of substance abuse and present evidence of extenuating circumstances.

The rules of evidence need not be applied. The fact of substance abuse will be presumed from the results of the substance test. Anticipated as the factual basis for rebutting that presumption would be a contrary test result obtained by the individual voluntarily in a relevant time frame from a competent disinterested laboratory.

The Board may make ex parte inquiries to County Health officials with respect to any review proceeding.

The Board has absolute discretion to question extenuating circumstances.

The Board shall vote on whether to sustain or overrule the prohibition intended to be imposed within one week of the hearing. A two-thirds vote is required to overrule the Provider's intended work prohibition.

The decision shall be written but need not be a formal document.

1. Confidentiality

The substance test results and any material presented to the Review Board shall be maintained in a confidential file by the Provider. The confidentiality shall be of a limited nature. The files will not be available for public inspection and the information therein shall not be otherwise published. The County shall have access thereto, however. Statistics generated without specific reference to individuals may be published or made available for public inspection; and the Provider will not refuse to honor a criminal or civil subpoena relative thereto.

2. Liability

The County shall indemnify, defend, and hold harmless the Provider, its officers, agents, and employees, from and against any and all liability, expense, including defense costs and legal fees, and claims for damages arising from the institution of legal proceedings challenging the right of the Provider to subject its employees to mandatory random drug and alcohol abuse testing, or to require its subcontractors to do the same.
