REQUEST FOR PROPOSALS

SECTION 1

INTRODUCTION

A. Proposers' Conference

Each Proposer or an authorized representative must attend a Proposers' Conference to be held at the place, date, and time announced in the Notice of Request for Proposals. **ALL INTERESTED PROPOSERS OR THEIR AUTHORIZED REPRESENTATIVE MUST ATTEND THIS CONFERENCE.** **Proposals received from Proposers not signed in as attending this Conference will be rejected as nonresponsive.** Proposers are encouraged to be prepared to ask questions concerning the Request for Proposals (RFP), contract requirements, specifications, terms, and conditions. For example, questions may address concerns, if any, that the application of minimum mandatory requirements, evaluation criteria, and/or business requirements would unfairly disadvantage Proposers or, due to unclear instructions, may result in Public Works not receiving the best possible responses from Proposers. Upon conclusion of the Proposers' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum(s) to all who attended the Conference.

B. Minimum Mandatory Requirements

Interested and qualified proposers, who can demonstrate their ability to successfully provide the required services outlined in Exhibit A, Scope of Work, of this RFP are invited to submit a proposal, provided that they meet the following requirement(s):

- Proposer or its managing employee must have a minimum of five years' experience performing the type of services solicited.

C. Contract Analyst

All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed, e-mailed, or sent via facsimile to:

County of Los Angeles Department of Public Works
Administrative Services Division – 9th Floor
Attention Mr. Benjamin Sandoval
P.O. Box 1460
Alhambra, California 91802-1460

E-mail: bsandoval@dpw.lacounty.gov
Telephone: (626) 458-7334
Facsimile: (626) 458-4194

If it is discovered that a Proposer contacted and received material information from any County personnel, other than the contract analyst named in the Notice of Request for Proposals and above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

D. Child Support Compliance Program

Proposers shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment, and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract and/or initiation of debarment proceedings against the noncompliant contractor (County Code Chapter 2.202).

E. County Rights and Responsibilities

The County has the right to amend this RFP by written addendum prior to the proposal submission deadline. The County is responsible only for that which is expressly stated in this solicitation document and any authorized written addenda. Addendums shall be made available to each person or organization that attended the Proposers' Conference. Should an addendum(s) require additional information not previously requested, failure to address the requirements of such addendum may result in the proposal not being considered, as determined in the sole discretion of the County. The County is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

F. GAIN and GROW Programs

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) and General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN and GROW participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposers shall attest to a willingness to provide employed GAIN and GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall certify compliance on Form PW-10, GAIN and GROW Employment Commitment.

G. Indemnification and Insurance

The successful contractor will be required to comply with the indemnification provisions contained in Exhibit B, Section 5, Indemnification and Insurance Requirements. The contractor will be required to procure, maintain, and provide the County proof of insurance coverage for all programs of insurance along with associated amounts specified throughout the entire term of the proposed contract, without interruption or break in coverage.

H. Injury and Illness Prevention Program

The successful contractor will be required to comply with the State of California's Cal/OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program that addresses hazards pertaining to the particular workplace covered by the program.

I. Interpretation of Request for Proposals

The definitions and other rules of interpretation set forth in Part II, Sample Agreement and Exhibit B, Section 1, Interpretation of Contract, also apply to interpretation of this RFP.

J. Jury Service Program

1. The resultant contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in the Sample Agreement (Part II, Exhibit B, Service Contract General Requirements, Section 7, Compliance with County's Jury Service Program). The Jury Service Program applies to both Contractors and their Subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the Proposer has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California

employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.

3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity which has a contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this proposed contract is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

K. Living Wage Program

1. Proposers are advised that the Board has enacted the Living Wage Program (Form LW-1) for contracts awarded under the authority of Los Angeles County Code Chapter 2.121.250 through 2.121.420 ("Proposition A") as well as cafeteria service contracts. In doing so, the Board made a finding that the Living Wage Program was not only to provide living wage and health benefits to employees working on these County contracts, but it is also intended to relieve the County of the burden for providing social and health services to persons who receive less than a living wage. Any contract resulting from this solicitation will be awarded under the Proposition A authority. The Living Wage Program (Los Angeles County Code Chapter 2.201) requires contractors and

subcontractors to pay their full-time employees providing these requested services no less than the County's living wage. The County has established the living wage as \$11.84 per hour without health benefits and \$9.64 per hour with qualifying health benefits. Contractors/ subcontractors to qualify for the lower hourly wage rate of \$9.64, the contractor/subcontractor shall pay at least an additional \$2.20 per hour toward the provision of a bona fide health care, vision, and/or dental benefit plan for each employee and any dependents. Contractors/Subcontractors will not be allowed to pay less than \$2.20 per hour toward an employee health benefit and pay the difference to the employee. Each Proposer shall complete the Contractor Living Wage Declaration (Form LW-3) and submit it with the Proposal, or, if appropriate, may submit the Living Wage Ordinance - Application for Exemption (Form LW-2), **at least seven days prior to the proposal submission deadline**. The requirements and terms of the Living Wage Program are nonnegotiable. Proposals that fail to comply with the requirements of the Living Wage Program will be considered nonresponsive and excluded from further consideration.

2. Proposer is further notified that throughout the term of the contract resulting from this solicitation, the contractor and its subcontractor(s) will be required to submit periodic monitoring reports for each employee providing services under the contract, certifying under penalty of perjury, the hours worked, wages paid, and amounts paid towards each employee's health benefits.
3. At any time during the term of the contract resulting from this solicitation, the County may conduct an audit of the successful Proposer's records as well as field visits with the Proposer's employees to ascertain compliance with the Living Wage Program.
4. Also, the successful Proposer will be required to place specified living wage posters at their place of business and locations where the Proposer's employees are working. The successful Proposer will also be required to distribute County-provided notices to each of its employees providing services to the County at least once per year.
5. Violations of the provisions of the Living Wage Program will subject the successful Proposer to withholding of monies owed it under the contract, liquidated damages, termination, and/or debarment from future County contracts in accordance with Section 2.202.040 of Los Angeles County Code.
6. The Proposer will have to demonstrate a history of business stability, integrity in employee relations and financial ability to pay the Living Wage.

7. Any Proposer who submits false information may be barred from participating in this solicitation and future County solicitations/contracts in accordance with Section 2.202.040 of Los Angeles County Code.

L. Local Small Business Enterprise Preference Program

1. To the extent permitted by State and federal law, the County will give Local SBE preference during the solicitation process to businesses that meet the definition of a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. A Local SBE is defined as: 1) A business certified by the State of California as a small business and 2) has had its principal office located in Los Angeles County for at least one year. The business must be certified by the Office of Affirmative Action Compliance as meeting the requirements set forth in 1 and 2 above prior to requesting the Local SBE Preference in a solicitation.
2. To apply for certification as a Local SBE, businesses may register at the Office of Affirmative Action Compliance's website at:

<http://oaac.co.la.ca.us/contract/sbemain.html>

3. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. Businesses must attach their Local SBE Certification Letter to a completed Form PW-9, Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form with their proposal. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.
4. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources website at <http://www.pd.dgs.ca.gov/smbus/default>.

M. Notification to County of Pending Acquisitions/Mergers by Proposing/Bidding Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Form PW-1, Verification of Proposal. The proposed contract will only be awarded to the entity that submitted the proposal. Any acquisitions and merger will be handled pursuant to Exhibit B, Section 2.B, Assignment and Delegation and evaluated in accordance with the Board's policy regarding contractors engaged in mergers and acquisitions. Failure of the Proposer to provide this information may eliminate its proposal/bid from any further consideration.

N. Prompt Payment Program

It is the intent of the County that Certified Local SBEs receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after the receipt of an undisputed and approved invoice.

O. Proposal Requirements and Contract Specifications

1. Persons who wish to contract with the County may respond to this RFP by submitting a proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.
2. Requirements for proposals are explained in Part I of this RFP.
3. The proposed contract's specifications and requirements are fully described in Part II, Sample Agreement; Exhibit A, Scope of Work; and Exhibit B, Service Contract General Requirements. Proposers are also requested to review Attachment 1, Policy on Doing Business with Small Business; Attachment 2, Debarred Vendors Report; and Attachment 3, County of Los Angeles Lobbyist Ordinance.
4. Dates and times of the Proposers' Conference and for the submission of Proposals are set forth in the Notice of Request for Proposals.

P. Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices, and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective contractors must determine if they receive or raise charitable contributions, which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the County.

In Form PW-12, prospective contractors certify either that:

1. They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act

(including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County contract; or

2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion, be disqualified for contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

Q. Transitional Job Opportunities Preference Program

To the extent permitted by State and federal law in evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three years, an entity: that is a nonprofit organization recognized as tax exempt pursuant to section 501 (c)(3) of the Internal Revenue Services Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to Public Works with their proposal response to contracting solicitation for which they are competing; has been in services to program participants; and provided a profile of their program a description of their program components designed to assist program participants, number of past program participants, and any other information requested by Public Works. Transitional Job Opportunities vendors must request the preference in their solicitation responses (Form PW-13) and may not receive the preference until their certification has been affirmed by Public Works. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

R. Vendor Registration

Proposers must register on-line with the County's web-based vendor registration system to facilitate the contract award process. Registration can be accomplished online via the Internet by accessing the County's home page at http://lacounty.info/doing_business/main_db.htm and click on "Vendor Registration Information – Self Registration." Being registered will assist the Proposer in receiving notifications of the release of County solicitations that may be of interest to the Proposer.

SECTION 2

PROPOSAL PREPARATION AND SUBMISSION

A. Proposal Format and Content Requirements

Proposals shall be bound and presented in the sequence, with the content, and tabbed in the format stated below. Failure to provide the required information or to strictly comply with these guidelines may be a basis for rejection of the Proposal as nonresponsive at the County's sole discretion:

1. Title page

The title page shall show the Proposer's name, title of the service requested, local address, telephone number, and date of submittal.

2. Table of Contents

A comprehensive table of contents shall list all material included in the Proposal.

3. Letter of Transmittal

A person legally authorized to enter into contracts for the Proposer shall sign the Letter of Transmittal. The letter must include a brief statement of the Proposer's understanding of the work to be accomplished and a list of names of individuals authorized to make representations for the Proposer, their titles, addresses, and telephone numbers.

The "Statement of Information" must list the corporate officers.

b. Limited Liability Companies

Proposer must provide a copy of the most recent "Statement by Domestic (or Foreign) Stock Corporation" as filed with the California Secretary of State or state of incorporation. which includes a list of corporate officers. The "Statement of Information" must list the corporate officers.

5. Experience

Proposer's capabilities and experience shall be described comprehensively in order to provide for a meaningful evaluation, comparison, and assessment. The narrative should discuss each of the following subject areas:

- Background;

Identify the roles of and submit resumes for the firm, principals, managing employees, on-site supervisors, other key staff, and subcontractors.
- Demonstrate how the Proposer complies with requirements outlined in Part I, Section 1.B, Minimum Mandatory Requirements, if any.

6. Work Plan

Present a description of the methodology the Proposer will use to meet proposed contract work requirements. Describe in detail how the service will be performed to meet the intent of Exhibit A, Scope of Work. Evaluation and scoring of the Proposer's detailed Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to fulfill the tasks and requirements as set forth in Exhibit A, Scope of Work; demonstrates creativity and innovation that exceeds the minimum requirements of the Scope of Work; renders timely and responsive service to Public Works; and exceeds a professional level of quality in the service and work product produced.

The Work Plan shall include the Proposer's proposed full-time employee staffing plan (Form LW-8). Proposer will be required to assign and use fulltime employees to provide services under the proposed contract, unless Proposer demonstrates to the satisfaction of the County the need to use non-full-time employees based on staffing efficiency or the County requirements of an individual job.

If the Proposer desires to assign and use non-full-time employees to provide these or a part of these requested services, the Proposer shall submit to the listed Contract Analyst **at least seven days before the deadline to submit Proposals**, a detailed written request, attaching all documentation necessary to substantiate the request. Based on the County's review of the

Proposer's request and submitted documentation, the County will determine, at its sole discretion, whether the Proposer may use non-full-time employees. The County's decision will be final.

7. Quality Assurance Program

Proposer shall describe its Quality Assurance Program (Program) that will be utilized by the Proposer as a self-monitoring tool to ensure that these services are performed in accordance with the County's contract requirements and recommendations. The Program must ensure service deliveries outlined in Exhibit A, Scope of Work, are completed in a timely manner, the services will be free of defects, and how those results will be achieved. The Program must comprehensively address the Proposer's organizational process for consistently delivering those requirements. At a minimum, the Program outlined in your proposal shall address in detail:

- a. Policies and Procedures – Quality control procedures for the Proposer, subcontractors, and suppliers must be outlined and must include a qualified inspector(s) to be provided by Proposer to monitor compliance of the Program and deal with customer complaints and inquiries. If a subcontractor is to perform work, the Program must detail how that subcontractor will interface with the Proposer and how the Proposer will ensure that the subcontractor complies with the Program.
- b. Inspection Fundamentals – The Proposer shall provide samples of forms that outline required operations and quality levels. The Proposal must indicate the Proposer's inspection schedules, a methodology to correct deficiencies, level of supervision, and how the inspections are to be performed. The Proposal shall document the name, authority, relevant experience, and qualifications of the person with overall responsibility for the inspection system.
- c. Quality Control Documentation, Review, and Reporting – The Program shall describe and list the records to be maintained. The Program shall detail how the Proposer will maintain inspection records and make them available to the County.

8. Subcontractors

If subcontractors are to be used, submit a description of their proposed assignments, qualifications, experience, staffing, and schedules.

9. Financial Resources

Submit copies of the proposing entity's audited financial statements prepared and certified by an independent Certified Public Accountant (CPA) for the most current three full fiscal years. All the financial statements submitted shall be prepared in accordance with General Accepted

Accounting Principles ("GAAP"). At a minimum, statements must include a statement of financial position (balance sheet), a statement of operations (income statement), and a statement of cash flow. All pertinent schedules and footnotes, if applicable, should be provided for evaluation. Income tax returns, personal financial records, or any other self-reported information are unacceptable. Financial records will not be held confidential unless they are properly designated as trade secrets in accordance with Part I, Section 3.H, Notice to Proposers Regarding the Public Records Act.

If audited statements are available, these shall be submitted. If audited financial statements are not available, the proposer may submit one or more of the following items to demonstrate financial resources and stability:

- A written statement signed by an authorized agent of a California-admitted surety with an A.M. Best Rating of not less than A:VII establishing that the surety is presently willing to issue a performance bond of 50 percent of the annual contract amount on behalf of the Proposer;
- A written statement that the Proposer is presently able to secure a letter of credit of 50 percent of the annual contract amount. The statement must be issued by a financial institution with the following minimum ratings:

Moody's	A2 or better LT Issuer Credit and B or better for Bank Financial Strength
Standard and Poor's	A or better for LT Issuer Credit
Bauer Financial	4 Stars or better
TheStreet.com Ratings	B or better

- Additional business history, and/or other information to demonstrate financial resources and stability, verified by an independent, reliable third party such as a CPA, a credit agency, or a financial institution, or by means of reliable audit reports from other governmental agencies, etc. However, such additional history and/or information will not be scored in Proposal evaluation, and will be reviewed solely to establish that the Proposer possesses sufficient financial qualifications to be considered for award of a contract.

10. Insurance

Submit proof of current, valid insurance coverage that meets the requirements of the RFP or a statement acknowledging that the required insurance coverage will be provided prior to commencing work under the proposed contract.

11. Record Keeping

The Proposer (and any subcontractors) is required to comply with State and Federal labor regulations and record keeping requirements. The objective of this request is to determine the appropriateness, scope, and suitability of the procedures the Proposer uses and the internal controls in place to ensure compliance with State and Federal labor regulations and record keeping requirements. In order to appropriately evaluate this area, it is critical that the Proposer submit a detailed description of the processes and the steps associated with those processes on Form LW-9, Wage and Hour Record Keeping for Living Wage Contracts. It is preferred that the Proposer provide additional details to ensure a clear picture of the firm's processes and controls. Proposers must answer all questions thoroughly. If Proposer believes a question is not applicable, indicate with "N/A" and explain why such question is not applicable.

The County seeks diverse, broad-based participation in its contracting. Subcontractors, if any, shall be subject to all requirements set forth in the RFP that are applicable to contractors in general. If the Proposer believes that it does not fall within Living Wage Program's definition for "employer" or that it meets any of the exceptions to the Living Wage Program as stated in Form LW-1, Living Wage Program, Section 2.201.020, Definitions, and/or Section 2.201.090, Exceptions, then the Proposer must complete and submit to the listed Public Works Contract Analyst, Form LW-2, Living Wage Ordinance – Application for Exemption, **at least seven days prior the deadline to submit proposals** and include in its submission all necessary documentation to support the claim such as the last two years' tax returns and last State payroll tax return, if claiming exception as a small business, a copy of the applicable collective bargaining agreement, or an IRS Determination Letter, if claiming exception as nonprofit corporation qualified under Internal Revenue Code Section 501(c)(3). Upon reviewing the Proposer's application, the County will determine, in its sole discretion, whether the Proposer falls within the definition of "employer" or meets any of the exceptions to the Living Wage Program. The County's decision will be final.

Note that the collective bargaining agreement exception applies if it is demonstrated to the County that the agreement is bona fide and that the agreement expressly provides that it supersedes all of the provisions of the Living Wage Program, or (if not all) those specific provisions that are superseded. The Proposer is subject to any provision of the Living Wage Program not expressly superseded by the collective bargaining agreement.

All exemption requests are to be delivered or sent via facsimile to the Contract Analyst.

15. Fuel Cost Adjustment

Proposer must indicate whether, at the time of proposal submission, it purchases its fuel via a long-term agreement or at market price.

16. Bid Guaranty

- a. A Bid guaranty is required of each Bidder and shall be made payable to the County of Los Angeles in an amount of 10 percent of the Bidder's "Total Proposed Annual Price" from Form PW-2, Schedule of Prices. The Bid guaranty can either be in the form of cash, certified check, cashier's check, or an original Bid bond, executed by the Bidder and issued by a California-admitted Surety (including power of attorney). No other form of Bid guaranty will be accepted. The Bid guaranty may be prepared on the Surety's standard form. Bidders shall pay all Bid guaranty premiums, costs, and incidentals. The bidder must submit a bid bond for each area a proposal is submitted.
- b. The successful Bidder's Bid guaranty will be retained until the successful Bidder has executed the Agreement and provided all required proof of insurance and contract security, either 14 calendar days after Board approval or 14 days prior to contract start date, whichever occurs last. If the successful Bidder fails to execute and deliver the Agreement and to furnish the required proof of insurance and contract security within the time frame stated above, the County may annul the award approval, and the Bid guaranty of the Bidder shall be forfeited. All other Bidders' Bid guaranties will be returned upon the successful Bidders' execution of the Agreement, providing all required proof of insurance and contract security.
- c. If a bid bond is submitted, it must be payable to County and executed by a corporate surety licensed to transact business ("admitted") as a surety in the State of California. The corporate surety must have an A.M. Best Rating of not less than A:VII, unless otherwise approved by the County. The County may verify the accuracy and authenticity of the bid guaranty submitted.

17. Additional Information

Additional information that is not presented elsewhere and is essential to a fair evaluation must appear in the last Section of the Proposal and be labeled "Additional Information." If there is no additional information the

Proposer wishes to present, this Section will consist of the statement:
"There is no additional information we wish to present."

B. Proposal Submission

1. Proposals shall be submitted with four complete sets (one original and three copies) of the Proposal and any related information. Proposals received after the closing date and time specified in the Notice of Request for Proposals will be rejected by Public Works as nonresponsive.
2. Submit Proposals to the County of Los Angeles Department of Public Works Cashier, located on the Mezzanine Floor, 900 South Fremont Avenue, Alhambra, California 91803, in a package that clearly identifies the Proposer and this RFP. Proposals are received only when accepted and time stamped by the Cashier. All other indications of apparent timely delivery may be disregarded.
3. It is the responsibility of the Proposer to instruct delivery services, such as United Parcel Service and Federal Express, to deliver Proposals directly to the Cashier. Proposals submitted via facsimile or e-mail will not be accepted.
4. Proposals delivered by other means, including United States Postal Service, may be delayed in Public Works' mail system, resulting in untimely delivery to the Cashier and possible failure to meet the Proposal submission deadline. Delayed and missed deadlines for submission of proposals not delivered in strict compliance with this RFP shall be the sole responsibility of the Proposer, not of the County, Public Works, or any Special District.

SECTION 3

GENERAL CONDITIONS OF REQUEST FOR PROPOSALS

A. Acceptance or Rejection of Proposals

The right is reserved to reject any or all proposals that, in the judgment of the Board or Director, are not in the best interests of the County/Public Works/Special Districts. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than the president and secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the secretary or assistant secretary, authorizing such signature; otherwise, the Proposal may be rejected as unauthorized and nonresponsive.

No proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document requests multiple quotations, no Proposal will be considered unless the Proposer submits a price on all items within each category; however, the solicitation document may not require the Proposer to submit a price on all of the categories.

B. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer will render their Proposal irregular and may cause its rejection as nonresponsive.

C. County Responsibility

The County will not be responsible for representation made by any of its officers or employees prior to the execution of the proposed contract unless such understanding or representation is included in the proposed contract.

D. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including, but not limited to, County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of

subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

3. The County may declare a Proposer to be nonresponsible for purposes of the proposed contract if the Board, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest-rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

E. Disqualification of Proposers

More than one proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any proposer has an interest in more than one proposal for the work contemplated may cause the rejection of all proposals in which such Proposer has interest on the basis of nonresponsibility and/or nonresponsiveness. If there is reason for believing that collusion exists among the proposers, such collusion by the participants may be cause for the rejection of their proposals or future proposals on the basis of nonresponsibility and/or nonresponsiveness and may subject such proposers to debarment.

F. Gratuities

1. It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a proposer with the implication, suggestion, or statement that the proposer's provision of the consideration may secure

more favorable treatment for the Proposer in the award of the proposed contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the proposed contract.

2. A proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being rejected on the basis of nonresponsibility and/or nonresponsiveness.
3. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

G. Knowledge of Work to be Done

By submitting a Proposal, Proposer shall be held to have carefully read this RFP, all attachments, and exhibits; satisfied themselves before the delivery of their Proposal as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a contract, no claim will be made against the County based on this RFP, including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Proposer has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Proposal solely upon the Proposer's own knowledge. The Proposer has carefully examined these specifications and requirements, both in general and in detail, any drawings attached, and any additional communications sent and makes their Proposal in accordance therewith. If Proposer's Proposal is accepted, the Proposer will enter into a written contract with the County for the performance of the proposed work and will accept payment based on the prices shown in Form PW-2, Schedule of Prices, as full compensation for work performed. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices and this RFP are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

H. Notice to Proposers Regarding the Public Records Act

1. All proposals in response to the solicitation document will become the exclusive property of the County. At such time as County recommends the award of the contract to the Board and that letter appears on the Board's agenda, all proposals will become a matter of public record and will be regarded as public records, except those parts of each proposal which are defined by the Proposer as business or trade secrets, plainly marked as

"trade secret," "confidential," or "proprietary." The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the proposal as confidential shall not be deemed sufficient notice of exception. The Proposer must specifically label only those provisions of the proposal, which are "trade secrets," "confidential," or "proprietary" in nature.

2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Proposer agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

I. Notice to Proposers Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each proposer to review the ordinance independently as the text of the ordinance is not contained in this RFP. Each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code Section 2.160.010, retained by the Proposer is in full compliance with Chapter 2.160 of the Los Angeles County Code and each County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyist. The Proposer's signature on the Proposal submission is its certification that it is in full compliance with Los Angeles County Code Chapter 2.160. See Attachment 3 regarding County Lobbyist.

J. Opening of Proposals

Proposals will not be publicly opened.

K. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Proposer's existing contracts with the County, if the Board finds, in its

discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.

2. If there is evidence that the highest-rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence, which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
5. If a Proposer has been debarred for a period longer than five years, that Proposer may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an

2008-PA052

appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.

7. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
8. These terms shall also apply to proposed subcontractors of Proposer on County contracts.
9. Attachment 2 is a listing of contractors currently debarred.

L. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Proposer's intentions. If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Proposer's intentions.

M. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on Form PW-4, Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

N. Qualification of Proposer

No award will be made to any proposer who cannot give satisfactory assurance as to its ability to carry out the intended contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these specifications and requirements. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to, information regarding

past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Proposal on the basis of nonresponsibility and/or nonresponsiveness.

O. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors (Form PW-8). The use of subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of California for the type of work, which they are to perform. Alternate subcontractors shall not be listed for the same work.

P. Safely Surrendered Baby Law

The Proposer shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Part II, Exhibit D of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

Q. Term of Proposals

All proposals shall be firm offers and may not be withdrawn for a period of 270 days following the deadline for submission of proposals.

R. Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a proposal will be sufficient cause for the rejection of the proposal. The evaluation and determination in this area will be at the Director's sole judgment and the Director's judgment will be final.

S. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the contractor for the work performed during the contract period.

T. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission set forth in the Notice for Request for Proposals upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

SECTION 4

EVALUATION OF PROPOSALS; AWARD AND EXECUTION OF CONTRACT

A. Award of Contract

Subject to the right of the Board to make the ultimate decisions concerning the award of contracts, the County intends to award a contract to the highest-rated Proposer or Proposers based on the evaluation criteria in Part I, Section 4.E, Evaluation Criteria, whose Proposal(s) provide(s) the most beneficial program and price, with all other factors considered. The County retains the right to select a proposal other than the proposal receiving the highest number of points, if County determines, in its sole discretion, another proposal is the most overall qualified, cost-effective, responsive, responsible, and in the best interest of the County. The awardee shall sign and return the agreement within 14 calendar days of its mailing to the awardee for signature by Public Works. The awardee shall submit copies of its proof of insurance coverage and original performance bond, within 14 days after Board approval of the proposed contract or at least 14 days prior to the proposed contract's start date, whichever occurs last. Work under the proposed contract cannot begin before proof of valid insurance coverage and original performance bond is submitted to Public Works.

B. Final Contract Award by Board

Notwithstanding a recommendation by Public Works and/or the Chief Executive Office, the Board retains the right to exercise its judgment concerning the selection of a proposal, the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

C. Evaluation of Proposals

1. All responses to this RFP become the property of the County. Upon receipt of the Proposal as specified and evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a contract to one or more of those submitting Proposals. The proposed contract may be submitted to the Board for consideration and possible approval.
2. The County may require whatever evidence it deems necessary to determine the Proposer's overall and specific abilities to meet the requirements of proposed contract over the entire contract term. This determination will be based on, but not limited to, on an evaluation of the proposer's experience, personnel, financial stability and resources, work plan, cost to perform requested services, and staffing plan.

3. The County reserves the sole right to judge the Proposer's written and oral representations and to review, evaluate, and select the successful proposal(s).
4. The County may make on-site inspections of Proposer's current jobs and/or facilities.
5. The County, in its sole discretion, may elect to waive any error in the form of a proposal or any other disparity, if, as a whole, the proposal substantially complies with the RFP's requirements.
6. The County may utilize the services of appropriate experts to assist in the evaluation process.
7. The County will evaluate and award each area separately.

D. Initial Review

Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements may be rejected as nonresponsive:

1. Proposer shows an ability to meet insurance requirements, outlined in Exhibit B, Section 5, Indemnification and Insurance Requirements.
2. Proposer has submitted the required Bid guaranty. Proposals failing to provide the requested Bid guaranty at the time of Proposal submission will be immediately rejected as nonresponsive.
3. Proposer and any subcontractors have met the GAIN and GROW Programs requirements (Form PW-10).
3. Proposer and any subcontractors have completed and submitted the Charitable Contributions Certification (Form PW-12).
4. Proposer and any subcontractors have submitted the Jury Service Program Application for Exception and Certification Form (Form PW-3) stating that they accept and will comply with the program requirements or establish their entitlement to an exception to the program.
5. Proposer and subcontractors, if any, have completed and signed all appropriate forms, and Proposer has completed and signed Form PW-2, Schedule of Prices.
6. Proposer complies with all minimum requirements as outlined in Part I, Section 1.B, Minimum Mandatory Requirements.
7. Proposer is signed in as attending the Proposers' Conference.
8. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.

9. If Proposer is not exempt, Proposer has indicated on Form LW-3, Contractor Living Wage Declaration, it will meet the Living Wage Program employee payment requirements and has included their contribution for the identified medical plan. Proposals that include hourly and health benefit payments that do not comply with Living Wage Program requirements, shall be rejected as nonresponsive unless the Proposer has been granted exemption status pursuant to a fully documented request for exemption in compliance with the Living Wage Program, Form LW-2, Living Wage Ordinance - Application for Exemption (Part I, Section 2.A.14).
10. Proposer's staffing plan identifies full-time employees of the Proposer who will perform the required work unless the Proposer has demonstrated the necessity of part-time staff to the County's satisfaction in accordance with Part I, Section 2.A.6, Work Plan. Proposers may submit part-time staffing plans for approval before the due date for receipt of Proposals in accordance with Part I, Section 2.A.6.

E. Evaluation Criteria

An evaluation committee selected by Public Works will evaluate proposals passing the Initial Review. All proposals will receive a composite score (rating) and be ranked in numerical sequence from high to low based on the following criteria:

1. Proposed Price (50 points)

The proposed price should accurately reflect the Proposer's cost of providing the required products and services and any profit expected during the contract term. Prior to scoring, the proposed prices must be adjusted in accordance with the Transitional Job Opportunities Preference or the Local Small Business Preference or both, as applicable.

- Transitional Job Opportunities Preference. To the extent permitted by State and federal law, should one or more of the Proposers qualify for the Transitional Job Opportunities Preference (Form PW-13), the price component points will be adjusted prior to scoring as follows: Five percent of the lowest price proposed will be calculated, and that amount will be deducted from the prices submitted by all Proposers who requested and were granted the Transitional Job Opportunities Preference. The Transitional Job Opportunities Preference will not reduce or change the Proposer's payment, which will be based on the Proposer's bid amount.
- Local Small Business Enterprise (SBE) Preference. To the extent permitted by State and federal law, should one or more of the Proposers qualify for the Local SBE Preference (Form PW-9), the price component points will be adjusted prior to scoring as follows: Five percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all Local SBE Proposers who requested and

were granted the Local SBE Preference. The Local SBE Preference will not reduce or change the Proposer's payment, which is based on the Proposer's bid amount.

Subject to such adjustment(s), the lowest Total Proposed Annual Price quoted in the Schedule of Prices (Form PW-2) will receive the full weight of this evaluated item. Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposer's Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion. The Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a contract.

2. References (15 points)

Public Works will check at least three of the Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided to County departments. Proposer may receive up to a maximum of 5 points for each responding reference up to a total of three responding references. Proposer's references for all contracts with the County during the previous three years must be listed on Form PW-6, Proposer's Reference List. Public Works reserves the right to utilize any reference of Proposer, County or other, listed or not listed. In addition to the references provided, the review will include the County's Contract Database, if applicable, reflecting past performance history on County contracts, and an evaluation of any terminated contract(s) reported on Form PW-14, Statement of Terminated Contracts. If references fail to substantiate Proposer's description of services provided; references fail to support that Proposer has a continuing pattern of providing capable, productive, and skilled personnel and services; or a significant unacceptable weakness in references may result in a low or zero score. Additionally, a Proposer's unacceptable performance on another County contract(s), as documented by either the County's Contract Database or by an unfavorable reference, may result in a low or zero score for this evaluation category. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

References may be contacted by telephone, facsimile, mail, express delivery, or e-mail. It is the Proposer's responsibility to ensure that accurate and timely contact information is included in the proposal. Public Works will ordinarily not make repeated attempts to contact references and will ordinarily not contact the Proposer to correct bad phone numbers, etc. It is the Proposer's responsibility to ensure that its references respond promptly to Public Works' requests for information.

3. Experience (10 points)

Proposer or its managing employee must have a minimum of five years' experience performing the type of service solicited. Failure to demonstrate

the minimum lengths of experience performing the service may result in rejection of the Proposal as nonresponsive.

The evaluators may award a maximum of 10 points for the quality and quantity of experience of the Proposer, its key personnel, and subcontractors in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 2.A.5), and any other relevant information, including, but not limited to, pending litigation and judgments. The evaluators may consider the safety record of the Proposer and any subcontractors to ensure that they have provided services in a safe manner. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

4. Financial Resources (5 Points)

The Proposal may be submitted to Public Works financial staff for comments and/or evaluation to assist the evaluators. The Proposer's audited financial statements, annual reports, ability to secure a performance bond or a letter of credit of 50 percent of the annual contract amount will be evaluated and scored on the extent to which they demonstrate that the Proposer has financial and business stability and can perform the work and pay the Living Wage throughout the term of the proposed contract. Higher scores will be awarded to proposers who submit audited financial statements or annual reports that show strong financial ratios for all periods requested. Audited financial statements or annual reports that are incomplete or fail to show strong financial ratios may be given a low or zero score and unaudited financial statements (compiled, reviewed, or self-prepared) will not be scored.

Significant unacceptable weakness in the Proposer's Financial Resources or lack of it in the Proposal may result in a low or zero score. Public Works reserves the right to review Proposer's active and expired contracts awarded by the County, additional business history and/or other information to demonstrate financial resources and viability, verified by an independent third party. Although no points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive even though the Proposal may have scored a zero in this category.

5. Work Plan (10 points)

Scoring of the Proposer's detailed Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to fulfill the tasks and requirements as set forth in Exhibit A, Scope of Work; responds to contingencies and emergencies; renders timely and responsive service to

Public Works; and exceeds a professional level of quality in the service and work product produced. The evaluation committee may make this determination from all relevant information presented or obtained, which may include, but is not limited to, Proposer's written Work Plan, staffing plan (Form LW-8), schedules, procedures, techniques, and methods that will be employed in meeting the objectives outlined in the Scope of Work, such as personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, identification badges, safety, communications, quality control, and interview and presentations, if any.

The evaluation committee may also make this determination from all relevant information presented in the Proposer's written Quality Assurance Program (Program), which may include, but is not limited to, policies and procedures, inspection fundamentals as well as a description of quality control documentation, review, and reporting. The policies and procedures must include a qualified inspector(s) to be provided by Proposer to monitor compliance of the Program and deal with customer complaints and inquiries. If a subcontractor is to perform work under this Section, the Program must detail how that subcontractor will interface with the Proposer and comply with the Program.

In addition, Form LW-8, Staffing Plan and Cost Methodology, may be considered in evaluating the Work Plan.

Significant unacceptable weakness in any of the Work Plan subject areas may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

6. Equipment (5 points)

The evaluators may award up to maximum of 5 points based on their evaluation of the adequacy of the Proposer's equipment to meet and perform in a timely manner all of the requirements set forth in Exhibit A, Scope of Work.

A review of the Proposer's equipment to be used to perform the work, as listed on the Statement of Equipment Form (Form PW-16), will be made. List vehicles separate from other equipment. An adverse finding as to the equipment to be used may be sufficient cause for rejection of the Proposal. Public Works reserves the right to conduct on-site inspections of equipment listed on this form.

The Proposer's equipment will be evaluated based on the following criteria, but is not limited to, the type and quantity of equipment within the organization's fleet, type and quantity of equipment dedicated to the service, date of manufacture/purchase, up-to-date maintenance and service records.

Significant unacceptable weakness in the Proposer's equipment may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive.

7. Demonstrated Controls over Labor/Payroll Record Keeping (5 points)

Proposer will be evaluated on the firm's labor/payroll record keeping system and regulatory compliance information as requested in Form LW-9, Wage and Hour Record Keeping for Living Wage Contracts.

The County may conduct site visits to audit Proposer's labor/payroll record keeping system and processes.

Significant unacceptable weakness in the Proposer's Labor/Payroll Recording Keeping or lack of it in the Proposal may result in a low or zero score. A score of zero in this evaluation category may result in rejection of the Proposal as nonresponsive. Public Works reserves the right to review Proposer's past Labor/Payroll Recording Keeping procedures under Living Wage type contracts awarded by the County and/or other local agencies for compliance with State and generally acceptable labor and payroll record keeping laws and practices. Although no additional points will be awarded as a result of this review, a favorable finding may result in Public Works not rejecting the Proposal as nonresponsive even though the Proposal may have scored a zero in this category.

8. Optional Interview

The County may, at its option, invite one or more proposers to make a presentation and/or participate in an interview before a final selection is made. Evaluation criteria for presentations and interviews are the same as those for written Proposals. A separate score will not be given for a presentation or interview, but the Proposer's performance may be considered as part of the overall evaluation. The evaluators may, in their sole discretion, limit the offer to give a presentation or interview, if any, to the two or more Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria.

9. Deduction for Labor Law/Payroll Violations

In evaluating proposals, the County will review the Proposer's history of labor law/payroll violations (including, but not limited to, violations or pending claims pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standard Act, employment of minors, or unlawful employment discrimination). To facilitate this process, Proposer must submit with its Proposal a completed Living Wage Acknowledgment and Statement of Compliance Form (Form LW-4) and disclose on that form: (1) any determination by a public entity within three years of the Proposal's submission date that the Proposer committed a

labor law/payroll violation, and (2) any pending claim that involves an incident of labor law/payroll violation occurring within three years of the Proposal's submission date.

Applying established criteria as set forth in Form LW-6, Guidelines for Assessment of Proposer Labor Law/Payroll Violations, the County may deduct from 1 to 20 percent of the maximum number of available evaluation points for labor law/payroll violations with substantially increased deductions for Proposer's failure to disclose reportable violations. "Pending Claim" (i.e., claims that do not have a final disposition) will not result in point deductions; however, such claims may be reported to the Board before a contract is awarded.

10. Additional Criteria

These criteria are not exclusive. The County reserves the right to apply additional evaluation criteria.

F. Negotiation

The County reserves the right to negotiate the terms, conditions, and price of the Proposal(s), in the sole discretion of the County, to achieve the most beneficial program and price for the County. The County, in its sole discretion, may limit the negotiation, if any, to one or more responsive and responsible Proposers in accordance with the evaluation criteria set forth in this Part I, Section 4.E, Evaluation Criteria. The negotiation with the Proposers will not result in a change in the rating of the Proposers. If a satisfactory contract cannot be negotiated, the County may, at its sole discretion, begin contract negotiations with the next highest-rated Proposer who submitted a proposal, as determined by the County.

In the event that the highest-rated Proposer receives a low score or zero score in Financial Resources criteria in this Part I, Section 4.E, Evaluation Criteria, Public Works reserves the right to request a County approved performance guaranty such as a letter of credit or performance bond in an amount up to 100 percent of the annual contract amount. If the Proposer is unwilling to provide the requested performance guaranty acceptable to the County or is unable to provide the performance guaranty within the requested timeframe from the County, the County may, at its sole discretion disqualify the proposal as nonresponsive and begin contract negotiations with another proposer who submitted a proposal that meets all of the requirements, terms, and conditions in response to this RFP.

SECTION 5

PROTEST POLICY

A. Protest Process

1. Any actual or prospective Proposer may file a protest in connection with the solicitation or award of a Board-approved service contract. The Proposer challenging the decision of Public Works bears the burden of proof in its claim that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a proposed award.
2. Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County to do so.

B. Grounds for Review

Unless State or Federal statutes or regulations otherwise provide, the grounds for review of any departmental determination or action should be limited to the following:

- Review of Solicitation Requirements;
- Review of a Disqualified Proposal; and
- Review of Public Works' Proposed Contractor Selection.

C. Solicitation Requirements Review

A person or entity may seek a Solicitation Requirements Review by submitting Form PW-11, Transmittal Form to Request an RFP Solicitation Requirements Review, along with supporting documentation. A Solicitation Requirements Review shall only be granted under the following circumstances:

1. The request for a Solicitation Requirements Review is received by Public Works not more than 10 business days after issuance of the RFP;
2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a proposal;
3. The request for a Solicitation Requirements Review itemizes, in appropriate detail, each matter contested and factual reasons for the requested review; and

4. The request for a Solicitation Requirements Review asserts either that:
 - Application of the minimum requirements, evaluation criteria, and/or business requirements unfairly disadvantage the Proposer; or
 - Due to unclear instructions, the process may result in the County not receiving the best possible responses from the Proposers.
5. The Solicitation Requirements Review will be completed and Public Works' determination will be provided to the Proposer, in writing, within a reasonable time prior to the proposal due date.

D. Place to Submit Requests for Review

All Requests for Review should be submitted to the Contract Analyst.

E. Disqualification Review

1. A proposal may be disqualified from consideration because Public Works determined it was a nonresponsive proposal at any time during the evaluation process. If Public Works determines that a proposal is disqualified due to nonresponsiveness, Public Works will notify the Proposer in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Proposer may submit a written request for a Disqualification Review by the date specified. Requests for a Disqualification Review not timely submitted will be denied.
3. A Disqualification Review shall only be granted under the following circumstances:
 - a. The firm/person requesting a Disqualification Review is a Proposer;
 - b. The request for a Disqualification Review is submitted timely; and
 - c. The request for a Disqualification Review asserts that the determination of disqualification due to proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.
4. The Disqualification Review shall be completed and the determination shall be provided to the Proposer, in writing, prior to the conclusion of the evaluation process.

F. Proposed Contractor Selection Review

1. Debriefing Process

- a. Upon completion of the evaluation, and prior to entering negotiations with the selected Proposer, Public Works will notify the remaining Proposers in writing that Public Works is entering negotiations with another Proposer. Upon receipt of the letter, the Proposer may request a debriefing within the time specified in the letter. A debriefing will not be provided unless the request is made within the timeframe specified.
- b. The purpose of the debriefing is to compare the Proposer's response to the solicitation document with the evaluation document. The Proposer shall be debriefed only on its response. Because the contract process has not been completed, responses from other Proposers shall not be discussed.
- c. If the Proposer is not satisfied with the results of the debriefing, it may, within five business days of the debriefing, request a review on the grounds and in the manner set forth below for review of Public Works' recommendation for contract award.

2. Proposed Contractor Selection Review

- a. The Proposer may submit a written request for a Proposed Contractor Selection Review if it asserts that its Proposal should have been determined to be the highest-scored Proposal but was not because of one of the following reasons:
 - i. Public Works materially failed to follow procedures specified in the RFP. This includes:
 - (1) Failure to correctly apply the standards for reviewing the Proposal format requirements.
 - (2) Failure to correctly apply the standards and/or follow the prescribed methods for evaluating the Proposals specified in the RFP.
 - (3) Use of evaluation criteria that were different from the evaluation criteria disclosed in the RFP.
 - ii. Public Works made identifiable mathematical or other errors in evaluating Proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended Contractor.

- iii. A member of the evaluation committee demonstrated bias in the conduct of the evaluation.
- iv. Another basis for review as provided by State or Federal law.
- b. Upon completing the Proposed Contractor Selection Review, Public Works will issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. If the Proposer is not satisfied with the results of the Proposed Contractor Selection Review, it may request a review on the grounds and in the manner set forth below for a County Review Panel.

G. County Review Panel Process

- 1. If the Proposer is not in agreement with the results of Public Works' Proposed Contractor Selection Review, the Proposer may submit a written request for a review by a County Review Panel.
- 2. Upon completion of the Panel's Review, the Panel will forward its report to Public Works, which will provide a copy to the Proposer.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Address:		
City:	State:	Zip Code:

(Type of Goods or Services):		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

LOS ANGELES COUNTY CODE**Title 2 ADMINISTRATION****Chapter 2.201 Living Wage Program****2.201.010 Findings.**

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles.

2.201.20 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

- A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.
- B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.
- C. "Employer" means:
 - 1. An individual or entity who has a contract with the county:
 - a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or
 - b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and
 - c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or
 - 2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.
- D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief executive officer, but in no event less than 35 hours worked per week.

- E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et. Seq. of this code, entitled Contracting with Private Business.

2.201.30 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable.

*Editor's note: Effective three months after the effective date of the Ordinance approval.

2.201.040 Payment of living wage.

- A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.
- B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.
- C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section above for future contracts. Any adjustments to the living wage rate specified in subsection A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate.

2.201.050 Other provisions.

- A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.
- B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.
- C. Administration. The chief executive officer shall be responsible for the administration of this chapter. The chief executive officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter. The chief executive officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this Chapter. Such instructions

may provide for the delegation of functions to other county departments.

- D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief executive officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief executive officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.
- E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ordinance No. 99-0048 ' 1 (part), 1999.)

2.201.60 Employer retaliation prohibited.

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief executive officer, or to the county auditor/controller, or to the county department administering the Proposition A contract or cafeteria services contract. (Ordinance No. 99-0048 ' 1 (part), 1999.)

2.201.70 Employee retention rights.

In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

- A. A "retention employee" is an employee of a predecessor employer:
1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;
 2. Who has been employed by an employer under a predecessor Proposition A contract or a predecessor cafeteria services contract for at least six months prior to the date of a new contract; and

Thereafter a subsequent employer may retain a retention employee on the same terms and conditions as the subsequent employer's other employees. (Ordinance No. 99-0048 ' 1 (part), 1999.)

2.201.80 Enforcement and Remedies.

For violation of any of the provisions of this chapter:

- A. An employee may bring an action in the courts of the state of California for damages caused by an employer's violation of this chapter.
- B. The county department head responsible for administering a Proposition A contract or a cafeteria services contract may do one or more of the following in accordance with such instructions as may be issued by the chief executive officer:
1. Assess liquidated damages as provided in the contract; and/or
 2. Recommend to the board of supervisors the termination of the contract; and/or
 3. Recommend to the board of supervisors that an Employer be barred from award of future county contracts for a period of time consistent with the seriousness of the employer's violation of this chapter, in accordance with Section 2.202.040 of this code.

COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

County of Los Angeles *Lobbyist Ordinance*

IT'S THE LAW

It may affect you!

Chapter 2.160 of the Los Angeles County Code requires Lobbyists, Lobbying Firms and Lobbyist Employers to register with the Executive Office of the Board of Supervisors. This ordinance imposes extensive reporting requirements on individuals, businesses and other organizations. It places restrictions on the activities of anyone seeking to influence an official action of the County of Los Angeles including actions of the Board of Supervisors or the granting or denial of County contracts, licenses, permits, grants and franchises.

YOU MAY BE CONSIDERED A COUNTY LOBBYIST

If you are compensated to communicate directly (or through agents) with any County official for the purpose of influencing official action, then you may be required to register with the Executive Office of the Board of Supervisors. The requirement to register is the same whether you are an employee of, or on contract with, a firm or organization with business before the County. Additionally, an individual or business entity may be considered a County Lobbying Firm if it receives compensation to influence the County on behalf of any **other** persons or businesses. An individual, business entity or organization that employs or contracts with another individual or firm to represent or make contacts with a County agency on their behalf to influence County action may be considered a County Lobbyist Employer who must also register. If in doubt, it is best to register.

Furthermore, each person or entity who is not otherwise required to register as a County Lobbyist, Lobbying Firm or Lobbyist Employer, but who directly or indirectly expends \$5,000 or more during a calendar quarter to influence official action need not register BUT must report the expenditure to the Executive Office of the Board of Supervisors on a form available from the Executive Office.

REGISTERING IS IMPORTANT

Failure to comply with the ordinance may subject offending Lobbyists, Lobbying Firms, and Lobbyist Employers to **serious penalties including fines up to \$2,000 and denial of contracts, licenses, permits, grants or franchises. Moreover, some violators may be refused permission to address the Board of Supervisors or any County commission.**

HERE'S HOW TO COMPLY WITH THE LAW

Within 10 days of qualifying as a County Lobbyist, Lobbying Firm, or Lobbyist Employer as described in the ordinance, you must register with the Executive Office of the Board of Supervisors.

Registering with the County is easy. WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on _____, 2008, hereby agrees to provide services as described in the attached specifications for Street Sweeping Services (2008-PA052) for _____, including, but not limited to, Exhibit A, Scope of Work.

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; Exhibit E, Project Location/Vicinity Maps; Exhibit F, Trash Pickup Schedules; Exhibit G, Alternate Day Sweeping Schedule; Exhibit H, Sample Fuel Adjustment Calculation; Exhibit I, Bond for Faithful Performance; the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, are agreed by the COUNTY and the CONTRACTOR to constitute the Contract.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2, an amount not to exceed \$_____ per year (Maximum Contract Sum), or such greater amount as the Board may approve.

FOURTH: This Contract's initial term shall be for a period of one year commencing on December 1, 2008, or Board approval whichever occurs last. At the sole discretion of the COUNTY, this Contract may be extended in increments of one year, not to exceed a total contract period of four years. The COUNTY, acting through the Director, may give a written notice of intent to extend this Contract at least 30 days prior to the end of each term.

FIFTH: The CONTRACTOR shall bill monthly in arrears, for the work performed during the preceding month. Work performed shall be billed at the unit prices quoted in Form PW-2, Schedule of Prices.

SIXTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt and approval of a properly completed invoice. However, should the CONTRACTOR

be certified by the COUNTY as a Local Small Business Enterprise, payment will be made in accordance with the Board of Supervisors' Policy No. 3.035, Small Business Liaison and Prompt Payment Program. Each invoice shall be in triplicate (original and two copies) and shall itemize the work completed. The invoices shall be submitted to:

County of Los Angeles Department of Public Works
Attention Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

SEVENTH: In no event shall the aggregate total amount of compensation paid to the CONTRACTOR exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

EIGHTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

NINTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

TENTH: No cost-of-living adjustments shall be granted for the optional renewal periods.

ELEVENTH: The CONTRACTOR may request an annual adjustment in the "Curb Mile" and "Paved Alley Mile" unit prices set forth in Form PW-2 (Schedule of Prices) based on a percentage change in disposal fee during the life of this Contract. Adjustments will be based on the increase or decrease in the disposal fee charged to the CONTRACTOR by the Solid Waste Facility designated/used by the CONTRACTOR. This percentage will be calculated base on the disposal fee charged after the commencement date of this Contract and the disposal fee charged on this Contract's renewal date(s). Only 5 percent of the "Curb Mile" and "Paved Alley Mile" unit prices may be adjusted for increases or decreases in the disposal fee. The CONTRACTOR must substantiate the change in cost for refuse disposal to the satisfaction of the Director. CONTRACTOR supplied documentation shall include disposal site receipts, driver route schedules, vehicle numbers, summary sheets of monthly disposal costs and fees charged per ton, detailed comparisons of current and previous disposal fee, and any additional documentation requested by the COUNTY to establish most current disposal fees. CONTRACTOR shall also provide an explanation for use or nonuse of any alternate disposal sites.

TWELFTH: (The following provision will be applicable if, at the time of Proposal submission, the Proposer is purchasing fuel using Market Prices.) The Director may adjust 5 percent of the "Curb Mile" and "Paved Alley Mile" unit prices set forth in Form PW-2 (Schedule of Prices) based on the increase or decrease in the fuel price published in the Official Energy Statistics from the United States Department of Energy website at http://tonto.eia.doe.gov/dnav/pet/pet_pri_gnd_dcus_sca_m.htm for Diesel (On-Highway) and Gasoline - All Grades (Regular) for California, at http://tonto.eia.doe.gov/dnav/pet/pet_pri_prop_dcu_r50_m.htm for Liquid Propane Gas (LPG) using West Coast (PADD 5) "Commercial/Institutional," and at http://www.eere.energy.gov/afdc/price_report.html for Compressed Natural Gas (CNG) Clean Cities Alternative Fuel Price Report, Table 5, Compressed Natural Gas Average Prices by Region from Clean Cities Sources "West Coast," as appropriate to the vehicle used, beginning on the month of this Contract's start date and thereafter at each successive six month interval, which shall be the effective date for any such fuel adjustment. The percentage change in the fuel price shall be obtained using the fuel prices published on the month of the proposal submission date and the fuel price most recently published for the month of effective date of the adjustment. However, when the percentage increase or decrease in the fuel price is less than five percent, no fuel adjustment will be granted. In the event the fuel adjustment is granted, the fuel adjustment (increase or decrease) will be added to or subtracted from, as applicable, the hourly rate of compensation to establish the adjusted hourly rate of compensation. A sample calculation is included in Exhibit F. Public Works shall be permitted to audit the CONTRACTOR'S fuel usage, fuel costs, and fuel procurement methods for the vehicles used in providing the service and the CONTRACTOR shall provide records pertaining to its fuel costs upon the COUNTY'S request. CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR changes from purchasing fuel using Market Prices, to a long-term agreement for fuel purchases.

[OR]

TWELFTH: (the following provision will be applicable if, at the time of Proposal submission, the Proposer has a long-term agreement for fuel purchases with a fuel supplier.) The Director may adjust 5 percent of the "Curb Mile" and "Paved Alley Mile" unit prices set forth in Form PW-2 (Schedule of Prices) based on the increase or decrease in the negotiated fuel price during the term of this Contract, whenever there is a renegotiation of the Contractor's fuel prices with the fuel suppliers. The Contractor agrees to provide Public Works with a copy of its current long-term fuel purchasing agreements and each new fuel agreement, whenever the(se) agreement(s) is/are renegotiated during the term of this Contract. Such copies, when marked "Confidential" by the Contractor, shall be treated by the County as confidential in accordance with the California Public Records Act. The percentage change in the fuel price shall be obtained using the fuel prices listed in the long-term agreement on the proposal submission date and whenever there is a change in the long-term fuel price. A sample calculation is included in Exhibit F. However, when the percentage increase or decrease in the fuel price is less than five percent, no fuel adjustment will be granted. In the event the fuel adjustment is granted, the fuel adjustment (increase or decrease) will be added to or subtracted from, as applicable, the hourly rate of

compensation to establish the adjusted hourly rate of compensation. A sample calculation is included in Exhibit F. Public Works shall be permitted to audit the CONTRACTOR'S fuel usage, fuel costs, and fuel procurement methods for the vehicles used in revenue service and the CONTRACTOR shall provide records pertaining to its fuel costs upon the COUNTY'S request. CONTRACTOR shall immediately notify the COUNTY if the CONTRACTOR changes from purchasing fuel using a long-term agreement to purchasing fuel utilizing Market Prices.

THIRTEENTH: In the event that terms and conditions, which may be listed in the CONTRACTOR'S Proposal, conflict with the COUNTY'S specifications, requirements, and terms and conditions as reflected in this AGREEMENT, including, but not limited to, Exhibits A through E, inclusive, the COUNTY'S provisions shall control and be binding.

FOURTEENTH: The CONTRACTOR agrees in strict accordance with the Contract specifications and conditions to meet the COUNTY'S requirements.

FIFTEENTH: A faithful performance bond with language indicated in Exhibit I is required in a sum not less than 50 percent of the annual contract amount as set forth in Form PW-2 (Schedule of Prices), payable to the COUNTY OF LOS ANGELES, executed by a corporate surety admitted to transact business as a surety insurer in the State of California (or by the surety's agent with a notarized copy of power of attorney). The admitted surety and its agent shall have sufficient bonding limitations to provide bonds in the amount required by this Contract. The bond shall be conditioned upon faithful performance of the terms and conditions of this Contract by CONTRACTOR in a manner that is satisfactory and acceptable to the COUNTY. If necessary, the bond shall be renewed in a timely manner to provide for continuing liability in the above amount notwithstanding any payment or recovery thereon. Subject to COUNTY conditions and approval, a Certificate of Deposit or an irrevocable Letter of Credit payable to the COUNTY upon demand and in a sum not less than 50 percent of the annual contract amount as set forth in Form PW-2 (Schedule of Prices), may be acceptable. Failure to Maintain Coverage - Failure by the CONTRACTOR to maintain the required security shall constitute a material breach of contract upon which the COUNTY may immediately terminate or suspend this Contract.

The CONTRACTOR shall pay all security premiums, costs and incidentals.

SIXTEENTH: This Contract constitutes the entire agreement between the COUNTY and the CONTRACTOR with respect to the subject matter of this Contract and supersedes all prior and contemporaneous agreements and understandings.

SCOPE OF WORK

STREET SWEEPING SERVICES (2008-PA052)

A. Public Works Contract Manager

Public Works Contract Manager will be Mr. David Oboza of Road Maintenance Division, District 1 – Baldwin Park, who may be contacted at (626) 337-1277, e-mail address: doboza@dpw.lacounty.gov, Monday through Thursday and alternate Fridays, 7:30 a.m. to 4 p.m. The Contract Manager is the only person authorized by Public Works to request work of the Contractor. From time to time, Public Works may change the Contract Manager. The Contractor will be notified in writing when there is a change in the Contract Manager.

B. Work Location

Exhibit E, Project Location/Vicinity Maps, provide a more detailed outline of each street sweeping area's limits.

C. Work Description

Contractor shall sweep and clean once a week as directed by the Contract Manager, all public streets, paved alleys, and curbed medians within the Project limits as shown in Exhibit E, Project Location/Vicinity Maps. The word "sweeping" shall define a method of operation that shall not be limited to the use of a power broom street sweeper. Unless otherwise stated, work shall be measured in either Curb Miles or Paved Alley Miles. A Curb Mile is defined as a swept path not less than 5 feet wide for a total length of 5,280 feet. A Paved Alley Mile is defined as a swept path not less than 20 feet wide for a total length of 5,280 feet.

Sweeping a street shall normally consist of a single pass at a maximum speed of not more than 6 miles per hour on each side of the street adjacent and parallel to the curb face and shall include curb returns and cross gutters at intersecting streets. Where there is a raised median, sweeping shall also consist of a single swept path on each side of the median adjacent and parallel to the median curb face.

Sweeping an alley shall normally consist of single swept path on each side to the alley adjacent and to the right of the flow line or centerline of the alley at a maximum speed of not more than 6 miles per hour.

Water shall be used while sweeping to minimize dust, if a power broom sweeper is used. In the event that the results of a sweeping operation are considered unsatisfactory by the Contract Manager, in accordance with this Exhibit's paragraph D, Standard of Performance (below), Contractor shall sweep or clean

the unsatisfactory area again, at no cost to the County, within two calendar days without interruption of the regular sweeping schedule.

Curbed areas that cannot be swept with power sweeping equipment, such as but not limited to, gutters, narrow cul-de-sacs, median noses, and portions of left-turn pockets shall be hand cleaned to comply with this Exhibit's paragraph D, Standard of Performance (below).

Contractor shall inform the Contract Manager of any problems or conditions, which may be a public hazard or interfere with normal sweeping operations. These problems or conditions shall include, but not be limited to, fallen trees, obstructed roadways or alleys, low overhanging branches, abandoned vehicles, and large potholes. These problems or conditions shall be reported by Contractor to the Contract Manager as soon as the condition is identified. Dead animals shall be reported to Animal Control at (310) 523-9566.

The County reserves the right to determine if any work is or will be needed and/or requested under this Contract, at the County's sole and absolute discretion. The Contractor waives all claims against the County for consequential damages resulting from the County's failure to use the Contractor's services, including, but not limited to, lost profit.

D. Standard of Performance

The primary objective of street sweeping is to remove all leaves, paper, dirt, rocks, glass, bottles, cans, and other debris to ensure the free flow of water in the gutter and to maintain streets in a state of cleanliness. The Contract Manager will make the final determination as to whether the work has been satisfactorily completed. If the work has not been satisfactorily completed, the Contract Manager may direct Contractor to resweep the area(s) that is unsatisfactorily swept or not swept at all, if the area(s) can be reswept during the same business day. If the area(s) cannot be reswept during the same business day by Contractor, the Contract Manager may deduct payment to Contractor in accordance with this Exhibit's paragraph N, Inspection and Acceptance of the Work.

E. Disposal of Refuse and Debris

All debris and refuse collected from these operations shall become the property of Contractor. Contractor shall dispose of all refuse and debris collected during sweeping operations, at no additional cost to the County, by hauling to a legally established area for the disposal of solid waste. When storage of refuse and debris is necessary prior to disposal, Contractor shall locate and arrange for use of a temporary storage site off the road's rights of way. Contractor will not be allowed to use the rights of way or Public Works facilities as temporary storage sites.

F. Storage Facilities

The County will not provide storage facilities for Contractor.

G. Water

Contractor shall furnish all water necessary for sweeping operations in accordance with this Exhibit's paragraph C, Work Description.

H. Right of Way

Contractor shall conduct all of its activities and operations within the confines of public roadways. Contractor shall not allow its employees to use private property for any reason or to use water from such property without written permission from the owner. If, for any reason, Contractor elects to encroach upon other lands, Contractor shall first obtain written permission from the owner and provide evidence of such permission in writing to the Contract Manager prior to entering upon such lands. In performing any work or doing any activity on lands outside of public's right of way, Contractor shall comply with all applicable Federal, State, and local laws, ordinances, and regulations.

Contractor shall indemnify and hold the County harmless from all claims for damages occasioned by such work or activity, whether done in compliance with this Exhibit and with permission or in violation of this Exhibit without permission.

I. Authority of Board and Contract Manager

The Board has the final authority in all matters affecting the work. Within the scope of this Contract, the Contract Manager has the authority to enforce compliance with the Plans and Specifications. Contractor shall promptly comply with instructions from the Contract Manager or an authorized representative.

On all questions relating to quantities; the acceptability of equipment or work; the execution, progress, or sequence of work; and the interpretation of the Specifications or the Plans, the decision of the Contract Manager will be final and binding and shall be precedent to any payment under this Contract unless otherwise ordered by the Board.

J. Best Management Practices

Best Management Practices (BMPs) shall be defined as any program, technology, process, sitting criteria, operating method, measure, or device which controls, prevents, removes, or reduces pollution. Contractor shall obtain and refer to the California Storm Water Best Management Practice Handbooks, Volume 3 Construction BMP Handbook and the County of Los Angeles Department of Public Works Best Management Practices Handbook for Construction Activities. These publications are available from:

County of Los Angeles Department of Public Works
Cashier Office
900 South Fremont Avenue
Alhambra, CA 91803
Telephone (626) 458-6959

Contractor shall have a readily accessible copy of each publication in the service area at all times. As a minimum, Contractor shall implement the following BMPs in conjunction with all its sweeping activities:

NOs. MATERIAL MANAGEMENT

CD10 (2) Material Delivery and Storage
CD11 (2) Material Use
CD12 (2) Spill Prevention and Control

NOs. WASTE MANAGEMENT

CD13 (2) Solid Waste Management
CD14 (2) Hazardous Waste Management
CD15 (2) Contaminated Soil Management
CD16 (2) Concrete Waste Management

NOs. VEHICLE AND EQUIPMENT MANAGEMENT

CD18 (2) Vehicle and Equipment Cleaning
CD19 (2) Vehicle and Equipment Fueling
CD20 (2) Vehicle and Equipment Maintenance

NO. TRAINING

CD40 Employee/Subcontractor Training

NO. PHYSICAL STABILIZATION

CD26A (2) Soil Stabilizer/Dust Control

Additional BMPs may be required as a result of a change in the actual field conditions, Contractor activities, or construction operations. When more than one BMP is listed under each specific BMP category, Contractor shall select the appropriate and necessary number of BMPs within each category in order to achieve the BMP objective.

BMP for Contractor activities shall be continually implemented throughout the year. BMP for erosion control and sedimentation shall be implemented during

the period from October 15 to April 15 and whenever the National Weather Service predicts rain within 24 hours. BMP for erosion control and sedimentation shall also be implemented prior to the commencement of any Contractor activity or operation which may produce runoff and whenever runoff from other sources may occur.

The County, as a permittee, is subject to enforcement actions by the State Water Resources Control Board, Environmental Protection Agency, and private citizens. Full compensation for the implementation of BMPs shall be considered as included in the Total Annual Proposed Price shown in Form PW-2, Schedule of Prices. Should Contractor fail to comply with any BMP, the County will suffer damages, including, but not limited to, having to bear the risk of delay and disruption of its street sweeping program. The amount of such damages is and will continue to be extremely difficult and impracticable to ascertain. Execution of this Contract shall constitute agreement by the County and Contractor that \$1,000 per day is the minimum value of the cost and actual damage caused by Contractor's failure to fully implement any BMP, that such sum is liquidated damages and shall not be construed as a penalty and that such sums may be deducted from payments due to the Contractor, if such failure occurs. However, such liquidated damages do not include losses resulting from the imposition of fines and penalties and other enforcement actions by administrative agencies. The County may assess Contractor, as liquidated damages, \$1,000 for each calendar day that Contractor has not fully implemented one or more of the BMPs specified for this Contract and/or is otherwise in noncompliance with these provisions. In addition, Contractor shall defend, indemnify, and hold harmless the County and its officers, employees, and agents from any fine, penalty, or enforcement action (including attorney fees, legal costs, and staff costs) imposed or brought by any person or entity on account of Contractor's alleged lack of compliance with these provisions or nonimplementation of the specified BMPs. The County may deduct, from the payment due to Contractor, amounts necessary to cover such fines and costs.

K. Work Schedule

A complete schedule of weekly sweeping shall be submitted to the Contract Manager for approval prior to any work being done under this Contract. The schedule shall include the Curb Miles and Paved Alley Miles of streets, alleys, and medians to be swept daily as well as the daily starting time.

Also, a route map shall be submitted as part of the schedule, showing streets, alleys, and medians to be swept each day by the Contractor. Contractor shall indicate the daily sweeping route on the maps in an appropriate and understandable manner that is acceptable to the Contract Manager. Changes in the schedule for the convenience of the Contractor will require approval by the Contract Manager prior to being included in the weekly work.

The County reserves the right to require Contractor to sweep specific areas on specified days and at specified times of the day and to change any portions of an existing and established sweeping schedule at any time during the duration of this Contract. The following guidelines shall be applicable:

1. Sweeping of streets that have posted parking restrictions specified for street sweeping shall only be swept during the posted days and hours.
2. Areas shall not be swept on the same day trash pickup is scheduled. Whenever feasible, sweeping shall be scheduled the day after trash pickup (one to two days after trash pickup). Trash pickup schedules are included as Exhibit F. However, Contractor shall make appropriate corrections to the schedules to ensure their accuracy.
3. Streets adjacent to schools and commercial developments shall be swept prior to 7 a.m. or such time as daily public activities start.
4. Streets adjacent to apartments, condominiums, or other areas where all night on street parking is prevalent shall be swept after 8 a.m.
5. Major highways shall not be swept during peak traffic hours.
6. Residential areas shall not be swept prior to 7 a.m. or after 3:30 p.m.
7. Street sweeping shall be scheduled such that both sides of a street are not swept in the same day, unless the Contract Manager directs otherwise.

L. Alternate Day Sweeping Schedule

Streets shall be swept on an "alternate day" sweeping schedule.

Exhibit G shows the alternate day sweeping schedule for RD 119/519. An alternate day sweeping schedule requires the Contractor to sweep the two sides of a street on two separate and consecutive days. For example, a curbed street may have one side swept on Mondays and the other side swept on Tuesdays.

The Contractor shall follow the alternate schedule furnished by the Contract Manager, or if requested by the Contract Manager, shall within 30 days from the request, provide a finalized and working alternate day sweeping schedule to the Contract Manager. This sweeping schedule shall be subject to review and approval by the Contract Manager.

M. Prosecution of Work

To minimize public inconvenience, Contractor shall diligently prosecute the work in the manner and at the times specified in this Exhibit A, Scope of Work, and shall at all times comply with the approved sweeping schedule. If, as determined by the Contract Manager, Contractor fails to prosecute the work to the extent that the public may be inconvenienced, Contractor shall, upon orders from the Contract Manager, immediately resume diligent prosecution of the work. All cost of prosecuting the work as described herein shall be included in Contractor's Total Annual Proposed Price.

Should Contractor continue to fail to prosecute the work diligently after orders of the Contract Manager, the Contract Manager may suspend the work in whole or in part until such time as the Contract Manager, in his or her sole discretion, determines that Contractor will resume diligent prosecution of the work. All expenses and losses incurred by the Contractor as a result of such suspensions shall be borne by Contractor.

N. Inspection and Acceptance of the Work

Contractor shall implement a Contract Quality Control Plan as required under this Exhibit's paragraph V, Quality Control. Contractor shall routinely inspect the work to ensure compliance with the Plans and Specifications, approved schedules, and Contractor quality standards.

The Contract Manager may inspect the work to assure that the quality of street sweeping services is in compliance with Terms and Conditions of this Contract. The Contract Manager may inspect by sampling the quality of the work at up to 20 random locations immediately after they are scheduled to be swept.

A "location" is generally defined as an alley and/or side of any street between two adjacent streets, a cul-de-sac, and/or a dead-end street. A five percent deduction of payment for that day's sweeping mileage shall be assessed for each and every location that is not swept in accordance with these Specifications and Plans. Photos and documentation for all deficient locations will be provided to Contractor on the working day following the inspection for all deficient locations.

The Contract Manager will use the following general guidelines to determine if the street was swept properly:

1. No debris shall be in or on the street or gutter within 8 feet of the curb face. Debris includes, but is not limited to, trash, grass, leaves, soil, bottles, broken glass, rocks, and other refuse.
2. A trail of debris shall not be left along the street or gutter.

3. An inordinate amount of debris, which would indicate that the location had not been swept properly.

O. Suspension of Work

The work may be suspended in whole or in part when determined by the Contract Manager that the suspension is necessary in the interest of the County. Contractor shall comply immediately with any written order of the Contract Manager's suspending work. Such suspension shall be without liability to Contractor on the part of the County except as otherwise specified in this Exhibit's paragraph X, Additional Sweeping.

P. Noncompliance with Plans and Specifications

Failure of Contractor to comply with any requirement of these Specifications and Plans, and to immediately remedy any such noncompliance upon notice from the Contract Manager, may result in suspension of this Contract's monthly payments. Any monthly payments suspended shall remain in suspension until Contractor's operations are brought into compliance to the satisfaction of the Contract Manager. No additional compensation will be allowed as a result of suspension of the monthly payments due to noncompliance with these Specifications and Plans.

Q. Contractor's Equipment Compliance with Laws and Regulations

1. Contractor shall fully comply with all applicable laws and regulations, including, but not limited to, all Air Quality Management District (AQMD) regulations. In particular, Contractor's equipment shall, at all times, be in full compliance with AQMD Rules 1186 and 1186.1 pertaining to street sweepers.
2. The street sweepers specified on the equipment list provided to Public Works and no others shall be used in the contract work unless notice is given to Public Works and the substitution is approved by Public Works. The Contract Manager or a designee may inspect Contractor's vehicles employed in the contract work at any time without notice.
3. In the event of mechanical breakdown of an alternate-fuel street sweeper, Contractor shall comply with AQMD Rule 430 in a timely fashion and shall make a timely application for an emergency permit under Rule 430 in order to ensure uninterrupted performance of this Contract. Contractor shall immediately provide to Public Works notice of any telephonic report and a copy of any written report or action plan presented to AQMD pursuant to Rule 430.

4. Contractor shall furnish and maintain in good and safe condition all equipment required for the proper execution of this Contract. The Contract Manager may reject any vehicle or piece of equipment not meeting these safety, maintenance, or regulatory requirements. For the sweeping of curbed highways and streets, Contractor's equipment shall clean the streets as specified in this Exhibit's paragraph D, Standard of Performance.
5. Contractor shall provide sweeping equipment and disposal trucks, which shall be properly maintained both mechanically and in appearance. Contractor shall provide backup sweeping equipment adequate to ensure completion of scheduled work in the event of equipment breakdown, an area requires resweeping, or to provide any additional resweeping directed by the Contract Manager. All equipment shall be clearly marked with Contractor's name and vehicle number. Contractor's telephone number shall be prominently displayed on all equipment for purpose of identification.
6. The Contractor's sweeper operator shall be furnished with a cellular phone or equivalent communication device that will allow the Contract Manager to make contact with the sweeper operator during sweeping operations. Contractor shall provide the Contract Manager with the information necessary to maintain contact with the sweeper operator during sweeping operations. The communication device shall be on and operating during sweeping operations.

R. Global Positioning System

1. Primary and backup sweepers shall be equipped with a Global Positioning System (GPS) capable of reporting real time data.
2. The GPS shall be Internet based (direct internet connection) or require additional software to access the GPS provider's data. If Internet based, Contractor shall provide Public Works with two accounts to access the GPS provider's Internet site. If additional software is required, Contractor shall provide software for installation on two Public Works computers, as selected by the Contract Manager.
3. The accounts shall be set up so that only Public Works and Contractor can view Public Works data.
4. Contractor shall pay for all costs related to the GPS, including hardware, software, activation fees, technical support, and monthly service charge fees. There is no separate bid item for the GPS.

5. The GPS shall be capable of gathering the following real time data: speed, direction, location (address), distance traveled, ignition on/off, brooms up/down, and water sprayer on/off.
6. The GPS shall be capable of tracking a sweeper's path with lines or dots superimposed on a map.
7. The minimum locate schedule (frequency of occurrence that GPS data is received from the sweeper) shall be every one minute when brooms are down.
8. The minimum locate schedule shall be every 15 minutes when brooms are up.
9. The GPS shall generate an e-mail alert when the following events occur:
 - a. Sweeper exceeds 6 mph and brooms are down.
 - b. One hour or more of nonmovement during weekdays, 6 a.m. to 4 p.m.
10. The GPS shall be capable of generating daily reports of sweeper activity that includes the following information: date, time, address, speed, direction, location (address), distance traveled, ignition on/off, brooms up/down, and water on/off.
11. Authorized Public Works employees can generate and print reports at any time.
12. All reports shall have the capability to be downloaded in other formats, such as Microsoft Excel or Word.
13. Data shall be available for immediate downloading for a minimum of three months. After three months, data shall be backed up and be made available at Public Work's request.
14. Contractor's reference vendors for GPS:

WebTech Wireless, Inc. 215-4299 Canada Way Burnaby, BC Canada Telephone: (866) 287-0135 E-mail: www.webtechwireless.com	TELETRAC, Inc. 7391 Lincoln Way Garden Grove, CA 92841 Contact: Mr. Carlos Reyes Telephone: (800) 487-4357 E-mail: www.teletrac.net
---	--

The Contractor is not limited to these two vendors to meet this Contract's GPS requirements. The Contractor may use the GPS services of another vendor that offers an equivalent level of service with approval by the Contract Manager. The

Contractor is solely responsible for obtaining GPS services that meet all the requirements of this Contract.

S. Reports

In addition to other data filed with the County by Contractor, Contractor shall, on the second working day of each week, file a report with the Contract Manager enumerating the following information for the previous week:

1. Curb Miles and Paved Alley Miles swept each day.
2. Scheduled Curb Miles and Paved Alley Miles swept and areas missed.
3. When missed areas were swept.
4. Number of complaints received each day.
5. Reasons when scheduled sweeping was not performed or completed as scheduled.
6. Waste tonnage summary and copies of waste disposal receipts.

T. Measurement

The basis of measurement and payment shall be by the Curb Mile for curbed streets and the Paved Alley Mile for paved alleys. On streets and highways, Curb Miles shall be measured toward the center of the rights of way from and parallel to the curb face. Measurement of medians will be continual and no deduction will be made for left-turn pockets or intersecting streets.

Additional sweeping of streets, as defined in this Exhibit's paragraph X, Additional Sweeping, that require the total width of the street to be swept shall be measured on the basis of the width of street in feet divided by five to determine the Curb Miles per mile of length.

U. Contractor's Representative

Before starting the work, Contractor shall designate, in writing, a representative who shall have complete authority to act for it. An alternate representative may be designated. Any order or communication given to this representative shall be deemed delivered to Contractor. A joint venture or partnership shall designate only one representative and alternate. In the absence of Contractor or its designated representative, necessary or desirable directions or instruction may be given by the Contract Manager to the superintendent or person taking charge of the specific work to which the direction applies. Such directions shall be complied with promptly and referred to Contractor or its representative.

In order to communicate with the County, Contractor's representative, superintendent, or person taking charge of specific work shall be able to speak, read, and write the English language.

V. Quality Control

Contractor shall be responsible for implementing procedures for ensuring that street sweeping services are provided in strict compliance with the Plans, Specifications, and approved schedule of services.

Contractor shall designate in writing a Quality Control representative and an alternate Quality Control representative who are responsible for implementing, monitoring, controlling, and reporting on the quality of work.

It is recommended that Contractor's Quality Control representatives be separate and distinct from Contractor's project manager or general superintendent, and the Contractor's Quality Control procedures establish a separate system for recording, reporting, and resolving quality control issues.

Within ten days of contract award, Contractor shall submit to the County a Contract Quality Control Plan for review and approval by the Contract Manager. This plan will include, as a minimum, the names and telephone numbers of Contractor's Quality Control representatives; a description of the roles and responsibilities for quality control; the system for monitoring, reporting on, resolving quality control issues; and checklists or other documentation in support of Contractor's Quality Control function.

W. Plans and Specifications

Included as part of this Contract are Plan sheets (Exhibit E) showing the locations of streets and alleys included in this service area.

The Plans, these Specifications, and other contract documents shall govern the work. These Contract documents are intended to be complementary and cooperative and to describe and provide for a complete service. Anything in the Specifications and not on the Plans, or on the Plans and not in the Specifications, shall be as though shown or mentioned in both.

While it is believed that much of the information pertaining to conditions, which may affect the cost of the work, will be shown on the Plans or indicated in the Specifications, the County does not warrant the completeness or accuracy of such information. Contractor shall ascertain the existence of any conditions affecting the cost of the work, which would have been disclosed by reasonable examination of the site. Contractor shall, upon discovering any error or omission in the Plans or Specifications, immediately call it to the attention of the Contract Manager.

X. Additional Sweeping

Contractor shall provide additional sweeping of any street(s) and alley(s) within the area shown on the Plans at any time when directed by the Contract Manager. Contractor will be compensated for each additional sweeping at this Contract's Unit Price per Curb Mile or Paved Alley Mile, as appropriate. The method of payment will be determined by the Contract Manager.

The need for additional sweeping may be because of storm, fire, flood, parade, public gathering, riot, or other natural or unanticipated occurrence affecting the cleanliness of the streets. The additional sweeping may be in lieu of or in addition to the regularly scheduled sweeping as directed by the Contract Manager.

Additional sweeping will normally be confined to sweeping the curb lane. However, if additional sweeping requires the total width of the street(s) to be swept, then compensation will be at the Contract's Unit Price per Curb Mile as defined in this Exhibit's paragraph T, Measurement. All sweeping shall be done with sufficient passes to achieve the results described in this Exhibit's paragraph D, Standard of Performance.

Compensation for extra sweeping will be for a minimum of 16 Curb Miles with no allowance for travel time under one of the following circumstances: a) the sweeper shall return to the area after having left when regular sweeping was completed; b) the extra sweeping is on a day when no regular sweeping is scheduled; or c) an additional sweeper must be brought to the area.

Notwithstanding the above, the County has the option on additional sweeps to compensate Contractor on an hourly basis where it is difficult to determine Curb Miles swept in a nonroutine manner. In these cases, the hourly rate paid by the County to Contractor shall be equal to four times the Contract's Unit Price per Curb Mile. Minimum payment will be equivalent to payment for 16 Curb Miles.

Y. Changes Resulting from Schedule Disruption

Contractor shall sweep the designated public streets and alleys at least once each week, including all curbed medians, in accordance with a schedule to be approved by the Contract Manager.

Z. Inclement Weather

When in the opinion of the Contract Manager, inclement weather prevents proper sweeping and/or adherence to the regular sweeping schedule, the Contract Manager may request immediate stoppage of the day's sweeping. Contractor will be paid only for curb or alley miles swept prior to stoppage of work.

If inclement weather has prevented regular sweeping for two days or less in a given week, the Contract Manager may require the sweeping areas so affected to be swept prior to the next sweeping schedule (except posted streets and/or alleys). Any such required sweeping made necessary by inclement weather shall meet the requirements of this Exhibit's paragraph D, Standard of Performance, and shall be performed by Contractor at the Contract's Unit Price per Curb Mile and will not be considered additional sweeping as defined in this Exhibit's paragraph X, Additional Sweeping.

AA. Holidays

No scheduled sweeping shall be done on the following days unless requested by the Contract Manager: New Years Day; Martin Luther King, Jr. Day; Presidents' Day; Memorial Day; July 4th; Labor Day; Columbus Day; Veterans' Day; Thanksgiving; the day after Thanksgiving; and Christmas Day.

When any holiday or observance as specified in the Government Code of the State of California occurs on a regular scheduled sweeping day, and said sweeping area is not swept in observance of said holiday, the subject sweeping area shall be swept when ordered by the Contract Manager within two working days of the regularly scheduled sweeping day without interruption of the regular sweeping schedule. Any such requested sweeping shall meet the requirements of this Exhibit's paragraph D, Standard of Performance, and shall be performed by Contractor at the Contract Unit Price per Curb Mile and shall not be considered additional sweeping.

In the event Contractor is prevented from completing the sweeping as provided in the approved schedule because of reasons other than inclement weather or holidays, Contractor shall be required to complete the deferred sweeping services within two calendar days without interruption in the regular sweeping schedule.

BB. Changes Resulting from Added or Deleted Streets

It is the intent of this Contract to provide for the weekly sweeping of all curbed streets (including curbed medians) and paved alleys within the unincorporated area shown on the Plans (Exhibit E). As streets and alleys are improved, they will be added to the weekly sweeping schedule. Compensation to Contractor will be based on the Curb Miles added multiplied by the Contract's appropriate Unit Price.

Streets and alleys initially included in the schedule that are vacated by order of the Board will be deleted from the weekly schedule and the affected Curb Mileage deducted from this Contract's quantities.

Additions and/or deletions of Curb Mileage may affect the approved schedule and appropriate adjustments will be allowed subject to approval by the Contract Manager.

CC. City Incorporation

In the event any areas to be swept under this Contract attain incorporation as a City, Contractor shall continue to sweep the streets and alleys shown on the contract plans at the Contract's Unit Price per Curb Mile until the termination date of this Contract or as directed by the County. The County may direct Contractor to delete streets within the incorporated area from its weekly sweeping schedule prior to the expiration date of this Contract. The Curb Mileage of the streets and alleys within the incorporated area that are deleted from Contractor's weekly sweeping schedule will be deducted from the Contract quantities. The County may, at the request of Contractor, review this Contract if the incorporation severely affects Contractor's weekly sweeping schedule.

DD. Changed Conditions

Contractor shall notify the Contract Manager in writing of any changed conditions promptly upon their discovery. The Contract Manager will promptly investigate conditions which appear to be changed conditions. If the Contract Manager determines that the conditions are changed conditions and they will materially increase or decrease the costs of any portion of the work, a Change Order will be issued adjusting the compensation for such portion of the work. The compensation will be based on the appropriate Unit Price reflected in Form PW-2, Schedule of Prices.

If the Contract Manager determines that the conditions of which it has been notified by Contractor do not justify an adjustment in compensation, Contractor will be notified in writing.

EE. Communications and Public Relations

II. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.

2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract;

 - c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. 2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time provided; however, that the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.
2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give

3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the Board adopts, in any fiscal year, a County budget which provides for reduction in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions) and the services to be provided by Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within 30 days of the Board's approval of such actions. Except as set forth in the preceding sentences, Contractor shall continue to provide all of the services set forth in this Contract.

E. Complaints

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

1. Within 12 business days after this Contract's effective date, Contractor shall provide County with Contractor's policy for receiving, investigating, and responding to any complaints by any individual.

5. Contractor shall preliminarily investigate all complaints and notify the Contract Manager of the status of the investigation within five business days of receiving the complaint.
6. When complaints cannot be resolved informally, a system of follow-through shall be instituted which adheres to formal plans for specific actions and strict time deadlines.
7. Copies of all written responses shall be sent to the Contract Manager within three business days of mailing to the complainant.

F. Compliance with Applicable Laws

1. Contractor shall comply with all applicable Federal, State, and local laws, rules, regulations, ordinances, or directives, and all provisions required thereby to be included in this Contract are hereby incorporated by reference.
2. Contractor shall defend, indemnify, and hold County harmless from and against any and all liability, damages, costs, and expenses, including, but not limited to, defense costs and attorneys' fees arising from or related to any violation on the part of Contractor or its employees, agents, or subcontractors of any such laws, rules, regulations, ordinances, or directives.

G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e)(1) through 2000 (e)(17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. Contractor shall comply with its EEO Certification (Form PW-7).

1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
2. Contractor shall inform all of its officers, employees, agents, and subcontractors providing services hereunder of the confidentiality provisions of this Contract.

I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employee on Reemployment List

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent

County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

K. Consideration of Hiring GAIN and GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. County's Quality Assurance Plan

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistently with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.
2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment

upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, County, its Board, agents, officers, and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless County and its Board, agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

U. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.
8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

V. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

W. No Payment for Services Provided Following Expiration/Suspension/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

X. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day,

give notice thereof, including all relevant information with respect thereto, to the other party.

Y. Notice of Disputes

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

Z. Notice to Employees Regarding the Federal Earned Income Credit

Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

AA. Notices

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid with the United States Post Office and any such notice and the envelope containing the same shall be addressed to Contractor at its place of business, or such other place as may be hereinafter designated in writing by Contractor. The notices and envelopes containing the same to County shall be addressed to:

Chief, Administrative Services Division
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual contractor or by a copartner, if contractor is a partnership; or by the president, vice president, secretary, or general manager, if contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said contractor shall in any case be sufficient notice.

BB. Publicity

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by

law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

1. Contractor shall develop all publicity material in a professional manner.
2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.
3. Contractor may, without prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with County, provided that the requirements of this paragraph shall apply.

CC. Public Records Act

1. Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "trade secret," "confidential," or "proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

DD. Record Retention and Inspection/Audit Settlement

Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Contract in accordance with generally accepted accounting principles. Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract.

Contractor agrees that County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Contract. All such material, including, but not limited to, all financial records, bank statements, cancelled checks, or other proof of payment, timecards, sign-in/sign-out sheets, and other time and employment records, and proprietary data and information, shall be kept and maintained by Contractor and shall be made available to County during the term of this Contract and for a period of five years thereafter unless County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by Contractor at a location in County, provided that if any such material is located outside County, then, at County's option, Contractor shall pay County for travel, per diem, and other costs incurred by County to examine, audit, excerpt, copy, or transcribe such material at such other location.

1. In the event that an audit of Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by Contractor or otherwise, then Contractor shall file a copy of such audit report with County's Auditor-Controller within 30 days of Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
2. Failure on the part of Contractor to comply with any of the provisions of this paragraph shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract.
3. If, at any time during the term of this Contract or within five years after the expiration or termination of this Contract, representatives of County conduct an audit of Contractor regarding the work performed under this Contract, and if such audit finds that County's dollar liability for any such work is less than payments made by County to Contractor, then the difference shall be either: a) repaid by Contractor to County by cash payment upon demand or b) at the sole option of County's Auditor-Controller, deducted from any amounts due to Contractor from County, whether under this Contract or otherwise. If such audit finds that County's dollar liability for such work is more than the payments made by County to Contractor, then the difference shall be paid to Contractor by County by cash payment, provided that in no event shall County's maximum obligation for this Contract exceed the funds appropriated by County for the purpose of this Contract.

CONTRACTOR RESPONSIBILITY AND DEBARMENT

A. Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the contract. It is County's policy to conduct business only with responsible contractors.

B. Chapter 2.202 of County Code

2. Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Contractor and/or Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, Contractor Hearing Board will prepare a tentative proposed decision, which shall contain a recommendation

regarding whether Contractor should be debarred, and, if so, the appropriate length of time of the debarment. Contractor and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of Contractor Hearing Board.

2. For purposes of this Section, "Contractor" means a person, partnership, corporation, or other entity which has a contract with County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. If Contractor uses any subcontractor to perform services for County under this Contract, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
3. If Contractor is not required to comply with the Jury Service Program when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the

Jury Service Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Jury Service Program.

4. Contractor's violation of this Section of this Contract may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract and/or bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach.

SECTION 8

SAFELY SURRENDERED BABY LAW PROGRAM

A. Contractor's Acknowledgment of County's Commitment to the Safely Surrendered Baby Law

Contractor acknowledges that County places a high priority on the implementation of the Safely Surrendered Baby Law. Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's "Safely Surrendered Baby Law" poster in a prominent position at Contractor's place of business. Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. County's Department of Children and Family Services will supply Contractor with the poster to be used. Information on how to receive the poster can be found on the Internet at www.babysafela.org.

B. Notice to Employees Regarding the Safely Surrendered Baby Law

Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in County, and where and how to safely surrender a baby. The fact sheet is set forth in Exhibit D of this Contract and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 9

COMPLIANCE WITH COUNTY'S LIVING WAGE PROGRAM

A. Living Wage Program

This Contract is subject to the provisions of County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached hereto as Form LW-1 and incorporated by reference into and made a part of this Contract.

B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to County's satisfaction either that Contractor is not an "Employer" as defined under the Living Wage Program (Section 2.201.020 of County Code) or that Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to County, including, without limitation, "Travel Time" as defined below in subsection 5 of this Section 9.B under this Contract:
 - a. Not less than \$11.84 per hour if, in addition to the per-hour wage, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents; or
 - b. Not less than \$9.64 per hour if, in addition to the per-hour wage, Contractor contributes at least \$2.20 per hour towards the provision of bona fide health care benefits for its Employees and any dependents. Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through County Department of Health Services Community Health Plan. If, at any time during this Contract, Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Section, "Contractor" includes any subcontractor engaged by Contractor to perform services for County under this Contract. If Contractor uses any subcontractor to perform services for County under this Contract, the subcontractor shall be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of Contractor under the laws of California, and who is providing full-time services to Contractor, some or all of which are provided to County under this Contract. "Full-time"

means a minimum of 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by County; however, fewer than 35 hours worked per week will not, in any event, be considered full-time.

3. If Contractor is required to pay a living wage when this Contract commences, Contractor shall continue to pay a living wage for the entire term of this Contract, including any option period.
4. If Contractor is not required to pay a living wage when this Contract commences, Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. Contractor shall immediately notify County if Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if Contractor no longer qualifies for an exception to the Living Wage Program. In either event, Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of this Contract, including any option period. County may also require, at any time during this Contract and at its sole discretion, that Contractor demonstrate to County's satisfaction that Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that Contractor continues to qualify for an exception to the Living Wage Program. Unless Contractor satisfies this requirement within the time frame permitted by County, Contractor shall immediately be required to pay the living wage for the remaining term of this Contract, including any option period.
5. For purposes of Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different contracts between Contractor and County (of which both contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if Contractor pays the Employee any amount for that time or if California law requires Contractor to pay the Employee any amount for that time.

C. Contractor's Submittal of Certified Monitoring Reports

Contractor shall submit to County certified monitoring reports at a frequency instructed by County. The certified monitoring reports shall list all of

Contractor's Employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of Contractor's current health care benefits plan, and Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by County, or any other form approved by County which contains the above information. County reserves the right to request any additional information it may deem necessary. If County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including, but not limited to, any violation or claim pertaining to wages, hours, and working conditions, such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), Contractor shall immediately inform County of any pertinent facts known by Contractor regarding the same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of Contractor's contract with County, but instead applies to any labor law/payroll violation or claim arising out of any of Contractor's operation in California.

E. County Auditing of Contractor Records

Upon a minimum of 24 hours' written notice, County may audit, at Contractor's place of business, any of Contractor's records pertaining to this Contract, including all documents and information relating to the certified monitoring reports. Contractor is required to maintain all such records in California until the expiration of five years from the date of final payment under this Contract. Authorized agents of County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

F. Notifications to Employees

Contractor shall place County-provided living wage posters at each of Contractor's place of business and locations where Contractor's Employees are working. Contractor shall also distribute County-provided notices to each of its Employees at least once per year. Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

G. Enforcement and Remedies

If Contractor fails to comply with the requirements of this Section, County shall have the rights and remedies described in this Section in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding of Payment: If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including, but not limited to, being late, inaccurate, incomplete, or uncertified, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until County has been provided with a properly prepared, complete, and certified monitoring report. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

2. Remedies for Payment of Less Than the Required Living Wage: If Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of this Contract. In the event of any such breach, County may, in its sole discretion, exercise any or all of the following rights/remedies:
 - a. Withholding Payment: If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. County may withhold said amount until Contractor has satisfied County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
 - c. Termination/Suspension: Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.
3. Debarment: In the event Contractor breaches a requirement of this Section, County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code Section 2.202, Determinations of Contractor Nonresponsibility and Contractor Debarment.

H. Use of Full-Time Employees

Contractor shall assign and use full-time Employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time Employees for services provided under this Contract unless and until County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-Employee staffing plan. If Contractor changes its full-time-Employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to County.

I. Contractor Retaliation Prohibited

Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any Employee, person, or entity who has reported a violation of the Living Wage Program to County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, suspend or terminate this Contract.

J. Contractor Standards

During the term of this Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by County, Contractor shall demonstrate to the satisfaction of County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Contractor shall not use any consideration received under this Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

SECTION 10

TRANSITIONAL JOB OPPORTUNITIES PREFERENCE PROGRAM

This Contract is subject to the provisions of the County's ordinance entitled Transitional Job Opportunities Preference Program, as codified in Chapter 2.205 of the Los Angeles County Code.

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Transitional Job Opportunity vendor.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Transitional Job Opportunities vendor.

If Contractor has obtained County certification as a Transitional Job Opportunities vendor by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in the amount of not more than ten percent of the amount of this Contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).

The above penalties shall also apply to any entity that has previously obtained proper certification; however, as a result of a change in their status would no longer be eligible for certification, and fails to notify Public Works of this information prior to responding to a solicitation or accepting a contract award.

SECTION 11

LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- A. This Contract is subject to the provisions of County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- B. Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- C. Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- D. If Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:
 - 1. Pay to County any difference between this Contract amount and what County's costs would have been if this Contract had been properly awarded;
 - 2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent of the amount of this Contract; and
 - 3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Nonresponsibility and Contractor Debarment).
- E. The above penalties shall also apply if Contractor is no longer eligible for certification as a result of a change of its status and Contractor failed to notify the State and County's Office of Affirmative Action Compliance of this information.

Department of the Treasury
Internal Revenue Service

Notice 1015

(Rev. December 2007)

**Have You Told Your Employees About the
Earned Income Credit (EIC)?**

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2007 are less than \$38,783 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2008.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

**How Will My Employees Know If They Can
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2007 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2007 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2007 and owes no tax but is eligible for a credit of \$825, he or she must file a 2007 tax return to get the \$825 refund.

**How Do My Employees Get Advance EIC
Payments?**

Eligible employees who expect to have a qualifying child for 2008 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

No shame.

No blame.

No names.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardino Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.

Sample Fuel Adjustment Calculation: Fuel Purchased at Market Prices

Following sample data is required to calculate fuel adjustment:

Unit Rate from PW-2, Schedule of Prices: \$15.00

Percentage of Unit Rate Attributable to Fuel Costs: 12% (from Agreement)

Proposal due date: November 2007

Contract start date: July 2008

Fuel Adjustment (FA) Component for Diesel price:

Diesel (On-Highway) - November 2007¹ 173.7 cents per Gallon

Diesel (On-Highway) – June 2008² 218.7 cents per Gallon

Percent Change = $[(\text{June 2008 Price/Gallon} - \text{November 2007 Price/Gallon}) / (\text{November 2007 Price/Gallon})] \times (100)$

$[(218.7 - 173.7) / 173.7] \times (100) = 25.9\%$

Percent Change in Diesel price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in Diesel Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for July 2008: \$15.00 + \$0.47 = \$15.47

Fuel Adjustment (FA) Component for Propane price:

Propane (Commercial/Institutional) - November 2007¹ 173.7 cents per Gallon

Propane (Commercial/Institutional) – April 2008² 218.7 cents per Gallon

Percent Change = $[(\text{April 2008 Price/Gallon} - \text{November 2007 Price/Gallon}) / (\text{November 2007 Price/Gallon})] \times (100)$

$[(218.7 - 173.7) / 173.7] \times (100) = 25.9\%$

Percent Change in Propane price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in Propane Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for July 2008: \$15.00 + \$0.47 = \$15.47

Fuel Adjustment (FA) Component for CNG price:

Propane (West Coast) - November 2007¹ 173.7 cents per Gallon

Propane (West Coast) – April 2008² 218.7 cents per Gallon

Percent Change = $[(\text{April 2008 Price/Gallon} - \text{November 2007 Price/Gallon}) / (\text{November 2007 Price/Gallon})] \times (100)$

$[(218.7 - 173.7) / 173.7] \times (100) = 25.9\%$

Percent Change in CNG price: 25.9% increase

Adjusted Unit Rate (FA Component):

= (12% of Unit rate x Percent Change in CNG Price)

= (12% x \$15.00 x 25.9%)

= \$0.47 Fuel Adjustment (increase)

Adjusted Unit Rate for July 2008: \$15.00 + \$0.47 = \$15.47

Sample Fuel Adjustment Calculation: Fuel Purchased Under Long-Term Fuel Supply Agreement

Following sample data is required to calculate fuel adjustment:

Unit Rate from PW-2, Schedule of Prices: \$15.00

Percentage of Unit Rate Attributable to Fuel Costs: 12% (from Agreement)

Proposal due date: November 2007 (Long-Term Fuel Price: \$3.00 per gallon)

Contract start date: March 2008

Renegotiation of Fuel Price: May 2008 (renegotiated price is \$3.25 per gallon)

Fuel Adjustment Component for Contract Price:

November 2007 \$3.00 cents per gallon

Renegotiated Price in May 2008 \$3.25 cents per gallon

$$[(\text{May 2008 Price/Gallon} - \text{November 2007 Price/Gallon}) / (\text{November 2007 Price/Gallon})] \times (100) = \text{Percent Change}$$

$$[(\$3.25 - \$3.00) / \$3.00] \times (100) = 8.3\%$$

Percent change in Diesel (long-term price) 8.3% increase

Adjusted Unit Rate (Fuel Adjustment Component):

= (12% of unit rate) x (Percent change in price)

= [(12%) x (\$15.00)] x (8.3%)

= \$0.15 Fuel Adjustment (increase)

Adjusted Unit Rate beginning May 2008

$$\$15.00 + \$0.15 = \$15.15$$

1. The month of the proposal due date.
2. Most recently published fuel price for the month of the contract start date.
