PART I

INVITATION FOR BIDS

SECTION 1

INTRODUCTION

A. Bidders' Conference

Each Bidder or an authorized representative must attend a Bidders' Conference to be held at the place, date, and time announced in the Notice of Invitation for Bids. **ALL INTERESTED BIDDERS OR THEIR AUTHORIZED REPRESENTATIVE MUST ATTEND THIS CONFERENCE.** Bids received from Bidders not signed-in as attending this conference will be rejected as nonresponsive. Bidders are encouraged to be prepared to ask questions concerning the Invitation for Bids (IFB), Contract requirements, specifications, and terms and conditions. For example, questions may address concerns, if any, that the application of minimum mandatory requirements, evaluation criteria, and/or business requirements would unfairly disadvantage Bidders or due to unclear instructions, may result in the District not receiving the best possible responses from Bidders. Upon conclusion of the Bidders' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum and/or informational update, to all who attended the conference.

B. Minimum Mandatory Requirements

Interested and qualified Bidders who can demonstrate their ability to successfully provide the required services outlined in Part II in the Contract of this IFB, are invited to submit a Bid provided they meet the following requirement(s) at the time of Bid submission:

1. The Bidder and any subcontractor performing Task 1, must have a minimum of three years of experience in the automated collection via plastic carts and metal dumpsters and the management of refuse, recyclable materials, and green waste from residences (single-family homes and duplexes), multifamily residences, businesses, commercial establishments, and industrial establishments.
2. The Bidder and any subcontractor performing Task 2, must have a minimum of three years of experience in the removal of discarded materials from the public right-of-way.
3. Bidder must possess the required valid Waste Collector Permit naming the Bidder as the permittee or a copy of the application for a Waste Collector Permit naming the Bidder as the permittee issued by the County of Los Angeles Department of Public Health at the time of bid submission.

This information must be identified in the bid and must be included in Form PW-18, Bidder's Compliance with the Minimum Mandatory Requirements of the IFB.

4. Bidder must also submit a Bid Guaranty as outlined in Part I, Section 2.A.15., Bid Guaranty. This information must be identified in the bid and must be included in Form PW-18, Bidder's Compliance with the Minimum Mandatory Requirements of the IFB. **A separate bid guaranty must be submitted for each area that the bidder is submitting a bid for.**
5. The Bidder must be able to demonstrate its financial and physical capabilities to provide all of the services contemplated in the specifications outlined in Part II, of the Sample Contract, as well as equipment required in the performance of the work through either one of the two options:
 - When audited financial statements are submitted, the Bidder's annual average gross business income for the most current three full fiscal years shall be no less than one time the total proposed annual amount for Tasks 1 and 2 from Form PW-2, Schedule of Prices, and must be prepared and certified by an independent Certified Public Accountant or an accounting firm.
 - When reviewed financial statements are submitted, the Bidder's annual average gross business income for the most current three full fiscal years shall be no less than three times the total proposed annual amount for Tasks 1 and 2 from Form PW-2, Schedule of Prices, and must be prepared and certified by an independent Certified Public Accountant or an accounting firm.

C. Contract Analyst

Bidders are instructed not to contact any County or Garbage Disposal District (District) personnel other than the Contract Analyst listed below regarding this solicitation. All contacts regarding this IFB or any matter relating thereto must be in writing and may be mailed or e-mailed to:

County of Los Angeles Department of Public Works
Business Relations and Contracts Division, 8th Floor
Attention Mr. David Pang or Ms. Anna Leung
P.O. Box 1460
Alhambra, CA 91802-1460

E-mail: dpang@dpw.lacounty.gov or aleung@dpw.lacounty.gov
Telephone: (626) 458-7167 or (626) 458-4072

If it is discovered that a Bidder contacted and received material information from any County or District personnel, other than the Contract Analyst named in the

Notice of IFB and above regarding this solicitation, the District, in its sole determination, may disqualify their Bid from further consideration.

D. Child Support Compliance Program

Bidders shall: 1. fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 2. comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment and continue to maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a Contract and/or initiation of debarment proceedings against the noncompliant Contractor (County Code, Chapter 2.202).

E. District Rights and Responsibilities

The District has the right to amend this IFB by written addendum prior to the Bid submission deadline. The District is responsible only for that which is expressly stated in this solicitation document and any authorized written addenda. Addendums shall be made available to each person or organization that attended the Bidders' Conference. Should an addendum(s) require additional information not previously requested, failure to address the requirements of such addendum may result in the Bid not being considered, as determined in the sole discretion of the District. The District is not responsible for and shall not be bound by any representations otherwise made by any individual acting or purporting to act on its behalf.

F. Defaulted Property Tax and Reduction Program

1. The resultant Contract from this IFB will be subject to the requirements of the County's Defaulted Property Tax Reduction Program (Defaulted Tax Program) County Code, Chapter 2.206. The successful Contractors should carefully read the Defaulted Tax Program Ordinance, Attachment 8. Bidders should carefully read the pertinent Defaulted Tax Program provisions in Part II, Sample Contract, Exhibit 5, Additional Contract Language, Part 11.C, County Defaulted Property Tax Reduction Program. The Defaulted Tax Program applies to both Contractors and their Subcontractors, if any.
2. Bidders shall be required to certify that they are in full compliance with the provisions of the Defaulted Tax Program and shall maintain compliance during the term of any Contract that may be awarded pursuant to this solicitation or shall certify that they are exempt from the Defaulted Tax Program by completing Certification of Compliance with The County's Defaulted Property Tax Reduction Program (Form PW-16). Failure to maintain compliance, or to timely cure defects, may be cause for termination of a Contract or initiation of debarment proceedings against the noncompliant Contractor (County Code, Chapter 2.202). Bids that fail to comply with the certification requirements of the Defaulted Tax Program will be considered nonresponsive and excluded from further consideration.

Lennox and Malibu GDD
(2018-GDD017)

G. GAIN and GROW Programs

As a threshold requirement for consideration for Contract award, Bidders shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment openings if they meet the minimum qualifications for that opening. Bidders shall attest to a willingness to provide employed GAIN/GROW participants access to the Bidders' employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities.

Bidders who are unable to meet this requirement shall not be considered for Contract award. Bidders shall certify compliance on Form PW-10, GAIN and GROW Employment Commitment.

H. Indemnification and Insurance

The successful Contractor will be required to comply with the indemnification provisions contained in Part II, Sample Contract, Exhibit 5, Part 4, Indemnification and Insurance. The Contractor will be required to procure, maintain, and provide the District proof of insurance coverage for all programs of insurance along with associated amounts specified throughout the entire term of the proposed Contract without interruption or break in coverage.

I. Injury and Illness Prevention Program

The successful Contractor will be required to comply with the State of California's Cal/OSHA's regulations. Section 3203 of Title 8 in the California Code of Regulations requires all California employers to have a written, effective Injury and Illness Prevention Program that addresses hazards pertaining to the particular workplace covered by the program.

J. Interpretation of Invitation for Bids

The definitions and other rules of interpretation set-forth in Part II, Sample Contract, Exhibit 5, Part 10, Definitions and Interpretation of Contract, also apply to interpretation of this IFB.

K. Jury Service Program

1. The resultant Contract from this IFB will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, County Code, Chapter 2.203). Bidders should carefully read the pertinent jury service provisions in the Part II, Exhibit 5, Additional Contract Language, Part 3.H, Compliance with County's Jury Service Program. The Jury Service Program applies to both Contractors and their Subcontractors, if any. Bids that fail to comply with the requirements of the Jury Service

Program will be considered nonresponsive and excluded from further consideration.

2. The Jury Service Program requires Contractors and their Subcontractors, if any, to have and adhere to a written policy that provides that its employees shall receive from the Contractor on an annual basis no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1. the lesser number is a recognized industry standard as determined by the County; or 2. the Bidder has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time State employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period, are not considered full-time for purposes of the Jury Service Program.
3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity, which has a Contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or Subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1. ten or fewer employees; and 2. annual gross revenues in the preceding 12 months which if added to the annual amount of this proposed Contract is less than \$500,000; and 3. is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provisions of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the

Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

L. County's Preference Programs

The County of Los Angeles has three preference programs. The Local Small Business Enterprise (LSBE), Disabled Veteran Business Enterprise (DVBE), and Social Enterprise (SE). The Board of Supervisors encourages business participation in the County's contracting process by continually, streamlining, and simplifying our selection process and expanding opportunities for these businesses to compete for County opportunities. The Preference Programs, LSBE, DVBE, and SE, requires that a business must complete certification prior to requesting a preference in a solicitation. In no case shall the Preference Programs, LSBE, DVBE, and SE, price or scoring preference be combined with any other County preference programs to exceed fifteen percent (15%) or \$150,000 in response to any County solicitation. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified LSBE, DVBE, or SE when not qualified.

1. Local Small Business Enterprise (LSBE) Preference Program

- a. To the extent permitted by State and Federal law and when the price category is scored, the County will give Local SBE preference during the solicitation process to businesses that meet the definition of an LSBE, consistent with Chapter 2.204.030C.1 of the Los Angeles County Code. An LSBE is defined as a business: 1. certified by the State of California as a small business and has had its principal place of business located in Los Angeles County for at least 1 year; or 2. certified as a small business enterprise with other certifying agencies pursuant to the Department of Consumer and Business Affairs (DCBA) inclusion policy that: a) has its principal place of business located in Los Angeles County, and b) has revenues and employee sizes that meet the State's Department of General Services requirements. The business must be certified by the DCBA as meeting the requirements set-forth above prior to requesting the LSBE Preference in a solicitation.
- b. To apply for certification as an LSBE, businesses should contact the DCBA at <http://dcba.lacounty.gov>.
- c. Certified LSBEs may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration, and CBE Firm/Organization Information Form and submit a letter of certification from the DCBA with their Bid.

- d. Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq. and is also available on the California Department of General Services Office of Small Business Certification and Resources website at <http://www.pd.dgs.ca.gov/smbus/default>.

2. Social Enterprise (SE) Preference Program

- a. The County will give preference during the solicitation process to businesses that meet the definition of an SE, consistent with Chapter 2.205 of the Los Angeles County Code. An SE is defined as:
 - i. A business that qualifies as an SE and has been in operation for at least one year providing transitional or permanent employment to a Transitional Workforce or providing social, environmental, and/or human justice services; and
 - ii. A business certified by the DCBA as an SE.
- b. Certified SE may only request the preference if the certification has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration and CBE Firm/Organization Information Form, and submit a letter of certification from the DCBA with their Bid.
- c. Further information on SE also available on the DCBA's website at: <http://dcba.lacounty.gov>

3. Disabled Veteran Business Enterprise (DVBE) Preference Program

- a. The County will give preference during the solicitation process to businesses that meet the definition of a DVBE, consistent with Chapter 2.211 of the Los Angeles County Code. A DVBE vendor is defined as:
 - i. A business which is certified by the State of California as a DVBE; or
 - ii. A business which is verified as a Service-Disabled Veteran-Owned Small Business (SDVOSB) by the Veterans Administration.
 - iii. A business certified as DVBE with other certifying agencies pursuant to the DCBA inclusion policy that meets the criteria set forth by the agencies in 1 and 2 above.

- b. The DCBA shall certify that a DVBE is currently certified by the State of California, by the U.S. Department of Veteran Affairs, or is determined by the DCBA inclusion policy that meets the criteria set forth by the agencies above.
- c. Certified DVBE may only request the preference if the certification process has been completed and certification is affirmed. Businesses must complete and submit Form PW-9, Request for County's Preference Program Consideration and CBE Firm/Organization Information Form and submit a letter of certification from the DCBA with their Bid.
- d. Information about the State's DVBE certification regulations is found in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Disabled Veteran Business Certification and Resources website at <http://www.dgs.ca.gov/pd/Home.aspx>.
- e. Information on the Department of Veteran Affairs SDVOSB certification regulations is found in the Code of Federal Regulations, 38CFR 74 and is also available on the Department of Veterans Affairs website at: <http://www.vetbiz.gov>.

M. Notification to District of Pending Acquisitions/Mergers by Bidding Company

The Bidder shall notify the District of any pending acquisitions/mergers of their company. This information shall be provided by the Bidder on Form PW-1, Verification of Bid. The proposed Contract will only be awarded to the entity that submitted the Bid. Any acquisitions and merger will be handled pursuant to Part II, Exhibit 5, Additional Contract Language, Part 8, Transfer of Contract, and evaluated in accordance with the Board's policy regarding Contractors engaged in mergers and acquisitions. Failure of the Bidder to provide this information may eliminate its bid from any further consideration.

N. Prompt Payment Program

It is the intent of the County that Certified Local SBE receive prompt payment for services they provide to County departments. Prompt payment is defined as 15 calendar days after the receipt of an undisputed and approved invoice.

O. Bidder's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include

Lennox and Malibu GDD

similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective Contractors must determine if they receive or raise charitable contributions, which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the District.

In Form PW-12, prospective Contractors certify either that:

1. They have determined now that they do not receive or raise charitable contributions regulated under the California Charitable Purposes Act (including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County Contract; or
2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective District Contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion, be disqualified for Contract award. SECTION 3

GENERAL CONDITIONS OF INVITATION FOR BIDS

A. Acceptance or Rejection of Bids

The right is reserved to reject any or all Bids that in the judgment of the Board or Director, are not in the best interests of the County/Public Works/Special Districts. The District further reserves the right to cancel this invitation for bids at any time at its sole discretion. In the event of any such rejection of Bids or cancellation of this solicitation, neither the District nor the County will be liable for any costs incurred in connection with the preparation and submittal of a Bid.

Bids signed by an agent other than the President and Secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the Secretary or Assistant Secretary, authorizing such signature; otherwise, the Bid may be rejected as unauthorized and nonresponsive.

No Bid will be considered unless the Bidder submits a Bid for all requested items. If the solicitation document requests multiple quotations, no Bid will be considered unless the Bidder submits a price on all items within each category; however, the solicitation document may not require the Bidder to submit a price on all of the categories.

B. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Bidder will render their Bid irregular and may cause its rejection as nonresponsive.

C. County/District Responsibility

The County and District will not be responsible for representation made by any of its officers or employees prior to the execution of the proposed Contract unless such understanding or representation is included in the proposed Contract.

D. Determination of Bidder Responsibility

1. A responsible Bidder is a Bidder who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Contract. It is County and District policy to conduct business only with responsible Contractors.
2. Bidders are hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may determine whether the Bidder is responsible based on a review of the Bidder's performance on any Contracts including, but not limited to, County/District Contracts. Particular attention will be given to violations of labor laws related to employee

compensation and benefits and evidence of false claims made by the Bidder against public entities. Labor law violations, which are the fault of Subcontractors and of which the Bidder had no knowledge, shall not be the basis of a determination that the Bidder is not responsible.

3. The County may declare a Bidder to be nonresponsible for purposes of the proposed Contract if the Board, in its discretion, finds that the Bidder has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission, which negatively reflects on the Bidder's quality, fitness, or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice, which negatively reflects on same; (3) committed an act or omission, which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest-rated Bidder may not be responsible, Public Works will notify the Bidder in writing of the evidence relating to the Bidder's responsibility and its intention to recommend to the Board of Supervisors that the Bidder be found not responsible. Public Works will provide the Bidder and/or the Bidder's representative with an opportunity to present evidence as to why the Bidder should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Bidder presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board of Supervisors. The final decision concerning the responsibility of the Bidder will reside with the Board of Supervisors.
6. These terms shall also apply to any proposed Subcontractors of Bidder on District, County, and Special District Contracts.

E. Disqualification of Bidders

More than one Bid from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Bidder has an interest in more than one Bid for the work contemplated may cause the rejection of all Bids in which such Bidder has interest on the basis of nonresponsibility and/or nonresponsiveness. If there is reason for believing that collusion exists among the Bidders, such collusion by the participants may be cause for the rejection of their Bids or future Bids on the basis of nonresponsibility and/or nonresponsiveness and may subject such Bidders to debarment.

F. Gratuities

1. It is improper for any District or County officer, employee, or agent to solicit consideration, in any form, from a Bidder with the implication, suggestion, or statement that the Bidder's provision of the consideration may secure more favorable treatment for the Bidder in the award of the proposed Contract or that the Bidder's failure to provide such consideration may negatively affect the District's consideration of the Bidder's submission. A Bidder shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County or District officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of the proposed Contract.
2. A Bidder shall immediately report any attempt by a District or County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County/District manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861. Failure to report such a solicitation may result in the Bidder's submission being rejected on the basis of nonresponsibility and/or nonresponsiveness.
3. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

G. Knowledge of Work to be Done

By submitting a Bid, Bidder shall be held to have carefully read this IFB, all attachments, and exhibits; satisfied themselves before the delivery of their Bid as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a Contract, no claim will be made against the County and/or District based on this IFB including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Bidder has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Bid solely upon the Bidder's own knowledge. The Bidder has carefully examined these specifications and requirements, both in general and in detail, any drawings attached, and any additional communications sent and makes their Bid in accordance therewith. If Bidder's Bid is accepted, the Bidder will enter into a written Contract with the District for the performance of the proposed work and will accept payment based on the prices shown in Form PW-2, Schedule of Prices, as full compensation for work performed. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices, and this IFB are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

Lennox and Malibu GDD
(2018-GDD017)

Bidder's Bid will become a matter of public record when (1) Contract negotiations are complete; (2) Department receives a letter from the recommended Bidder's authorized officer that the negotiated Contract is the firm offer of the recommended Bidder; and (3) Department releases a copy of the recommended Bidder's Bid in response to a Notice of Intent to Request a Proposed Contractor Selection Review under Board Policy No. 5.055. Notwithstanding the above, absent extraordinary circumstances, all Bids will become a matter of public record when the Department's Bidder recommendation appears on the Board agenda. Exceptions to disclosure are those parts or portions of all Bids that are justifiably defined as business or trade secrets, and plainly marked by the Bidder as "Trade Secret," "Confidential," or "Proprietary."

2. The County and/or District shall not, in any way, be liable or responsible for the disclosure of any such record or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law. A blanket statement of confidentiality or the marking of each page of the Bid as confidential shall not be deemed sufficient notice of exception. The Bidders must specifically label only those provisions of their respective Bid which are "Trade Secret," "Confidential," or "Proprietary" in nature. Only those provisions labeled as "Trade Secret," "Confidential," or "Proprietary" in nature at the time of Bid submission will be accepted. The Bidders will not be granted opportunity to make any change or label any portion of their respective Bid as "Trade Secret," "Confidential," or "Proprietary" after the submission deadline of the Bids.
3. In the event County and/or District is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a Bid marked "Trade Secret," "Confidential," or "Proprietary," Bidder agrees to defend and indemnify County and District from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

I. Notice to Bidders Regarding the County Lobbyist Ordinance

The Board has enacted an ordinance regulating the activities of persons who lobby County officials. This ordinance, referred to as the "Lobbyist Ordinance," defines a County Lobbyist and imposes certain registration requirements upon individuals meeting the definition. The complete text of the ordinance can be found in Los Angeles County Code, Chapter 2.160. In effect, each person, corporation, or other entity that seeks a County permit, license, franchise, or Contract must certify compliance with the ordinance. As part of this solicitation process, it will be the responsibility of each Bidder to review the ordinance independently as the text of the ordinance is not contained in this IFB. Each person, corporation, or other entity submitting a response to this solicitation, must certify that each County Lobbyist, as defined by Los Angeles County Code, Section 2.160.010, retained by the Bidder is in full compliance with Chapter 2.160 of the Los Angeles County

Code and each County Lobbyist is **not** on the Executive Office's List of Terminated Registered Lobbyist. The Bidder's signature on the Bid submission is its certification that it is in full compliance with Los Angeles County Code, Chapter 2.160. See Attachment 3 regarding County Lobbyist.

J. Opening of Bids

Bids will not be publicly opened.

K. Bidder Debarment

1. The Bidder is hereby notified that, in accordance with Chapter 2.202 of the Los Angeles County Code, the County may debar the Bidder from bidding or proposing on, or being awarded, and/or performing work on other County or District Contracts for a specified period of time, which generally will not exceed 5 years but may exceed 5 years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Bidder's existing Contracts with County, if the Board finds, in its discretion, that the Bidder has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Bidder's quality, fitness, or capacity to perform a Contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same; (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the lowest Bidder may be subject to debarment, Public Works will notify the Bidder in writing of the evidence, which is the basis for the proposed debarment, and will advise the Bidder of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Bidder and/or the Bidder's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Bidder should be debarred, and, if so, the appropriate length of time of the debarment. The Bidder and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

5. If a Bidder has been debarred for a period longer than 5 years, that Bidder may, after the debarment has been in effect for at least 5 years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Bidder has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Bidder has been debarred for a period longer than 5 years; (2) the debarment has been in effect for at least 5 years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.
7. The Contractor Hearing Board's proposed decision will contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board will have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
8. These terms shall also apply to proposed Subcontractors of Bidder on County and District Contracts.
9. Attachment 2 is the link to a Listing of Contractors Debarred in Los Angeles County.

L. Bid Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Bidder's intentions. If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Bidder's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Bidder's intentions.

M. Bidder's Safety Record

A review of the Bidder's safety record will be made before the award. Bidders are required to submit this information, with their Bid, on Form PW-4, Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Bidder's safety record may be cause for rejection of the Bid on the basis of nonresponsibility and/or nonresponsiveness.

N. Qualifications of Bidder

No award will be made to any Bidder who cannot give satisfactory assurance as to its ability to carry out the intended Contract, based both on financial strength and experience as a Contractor on work of the nature contemplated in the proposed Contract. Bidders are encouraged to submit records of work of similar nature, size, or extent to that proposed under these specifications and requirements. A reasonable inquiry to determine the responsibility of a Bidder will be conducted. The unreasonable failure of a Bidder to promptly supply information in connection with such inquiry including, but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Bidder. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Bid on the basis of nonresponsibility and/or nonresponsiveness.

O. Qualifications of Subcontractors

Bidders shall list all Subcontractors, if any, to be used on the List of Subcontractors (Form PW-8). The use of Subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of California for the type of work, which they are to perform. Alternate Subcontractors shall not be listed for the same work.

P. Safely Surrendered Baby Law

The Bidder shall notify and provide to its employees, and shall require each Subcontractor, if any, to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Attachment 6, of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

Q. Term of Bids

All Bids shall be firm offers and may not be withdrawn for a period of 270 days following the deadline for submission of Bids.

R. Truth and Accuracy of Representations

False, misleading, incomplete, or deceptively unresponsive statements in connection with a Bid will be sufficient cause for the rejection of the Bid. The

Lennox and Malibu GDD
(2018-GDD017)

evaluation and determination in this area will be at the Director's sole judgment and the Director's judgment will be final.

S. Wages, Materials, and Other Costs

It is the responsibility of the Bidder to calculate the Bid price to take into consideration a possible escalation of wages, materials, and other costs during the Contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the Contractor for the work performed during the Contract period.

T. Consultant Independent

Bidders that assisted the County in developing or preparing a solicitation document, pursuant to a consultant Contract, are precluded from subsequently being involved in the bidding process on that solicitation document.

U. Acceptance of Terms and Conditions

Each Bidder understands and agrees that submission of Bids in response to this IFB constitutes acknowledgment and acceptance of, and willingness to comply with, all terms and conditions of this IFB, including all addenda to the IFB.

SECTION 4

EVALUATION OF BIDS, AWARD, AND EXECUTION OF CONTRACT

A. Award of Contract

Subject to the right of the Board to make the ultimate decisions concerning the award of Contracts, the District intends to award a Contract to the lowest, responsive, and responsible Bidder based on the evaluation criteria in Part I, Section 4.C, Evaluation of Bids, Section 4.D, Pass/Fail Review, and Section 4.E, Lowest Bid Determination, whose Bid provides the most beneficial program and price, with all other factors considered. The District retains the right to select a Bidder other than the lowest Bidder, if District determines, in its sole discretion, another Bidder is the most overall qualified, cost-effective, responsive, responsible, and in the best interest of the District. The recommended awardee shall sign and return the Agreement within 14 calendar days of its mailing to the recommended awardee for signature by Public Works. The recommended awardee shall submit copies of its proof of insurance coverage and original performance bond within 14 days after Board approval of the proposed Contract or at least 14 days prior to the proposed Contract's start date, whichever occurs last. Work under the proposed Contract cannot begin before proof of valid insurance coverage is submitted to Public Works.

B. Final Contract Award by Board

Notwithstanding a recommendation by Public Works, the Board retains the right to exercise its judgment concerning the selection of a Bid, the terms of any resultant Contract/agreement, and to determine which Bid best serves the interests of the District. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a Contract, or to award a Contract to a Bidder other than the lowest Bidder.

C. Evaluation of Bids

1. All responses to this IFB become the property of the County and District. Upon receipt of the Bid as specified and evaluation of those Bids in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a Contract to one or more of those submitting Bids. The proposed Contract may be submitted to the Board for consideration and possible approval.
2. The District and/or County may require whatever evidence it deems necessary to determine the Bidder's overall and specific abilities to meet the requirements of proposed Contract over the entire Contract term. This determination will be based on, but not limited to, the Bidder's experience, personnel, financial stability and resources, work plan, cost to perform requested services, and staffing plan.

3. The District and/or County reserves the sole right to judge the Bidder's written and oral representations and to review, evaluate, and select the successful Bidder(s).
4. The District and/or County may make on-site inspections of Bidder's current jobs and/or facilities.
5. The District and/or County, in its sole discretion, may elect to waive any error or informalities in the form of a Bid or any other disparity, if, as a whole, the Bid substantially complies with the IFB's requirements.
6. The District and/or County may utilize the services of appropriate experts to assist in the evaluation process.
7. The District and/or County will evaluate and award each area separately.

D. Pass/Fail Review

Bids will be reviewed on a Pass/Fail basis concerning the items listed below. Bids not meeting all of these requirements may be rejected as nonresponsive:

1. Bidder is signed in as attending the Bidders' Conference.
2. Bid was time stamped by the Cashier prior to the deadline for submission of the Bid. Any Bid without a Public Works time stamp verifying that the deadline for submission has been met will be rejected.
3. Bidder and Subcontractors, if any, has demonstrated that it complies with all minimum requirements as outlined in Part I, Section 1.B, Minimum Mandatory Requirements, and has submitted a completed and signed Form PW-18, Bidder's Compliance with the Minimum Requirements of the IFB.
4. Bidder submitted information regarding Experience and Work Plan as outlined in Part I, Section 2.A
5. Bidder and Subcontractors, if any, have completed and signed all appropriate forms.

E. Lowest Bid Determination

The bids should accurately reflect the Bidder's cost of providing the required products and services and any profit expected during the Contract term. Prior to determining the lowest, responsive and responsible Bidder from among those submitting Bids not rejected, the Bids must be adjusted in accordance with the LSBE, DVBE, or SE Preference Programs, as applicable.

- LSBE, DVBE, or SE Preference Programs: To the extent permitted by State and Federal law, should one or more of the bidders qualify for the County's Preference Programs stated in Part I of Form

Lennox and Malibu GDD
(2018-GDD017)

PW-9.1, Request for County's Preference Programs Consideration and CBE Firm/Organization Information Form, the Bid amounts will be adjusted prior to determination of lowest Bid as follows: 15 percent of the lowest Bid will be calculated, which shall not to exceed \$150,000, and that amount will be deducted from the Bids submitted by all LSBE, DVBE, or SE Bidders who requested and were granted the LSBE, DVBE, or SE Preference Programs. The LSBE, DVBE, or SE Preference Programs will not reduce or change the Bidder's payment, which is based on the Bidder's bid amount.

Subject to such adjustment(s), the District will award the proposed contract to the lowest, responsive, and responsible Bidder from among those submitting Bids not rejected. The lowest, responsive, and responsible Bidder will be based on a determination by Public Works that the Bidder meets the minimum requirements, has completed and submitted all the required/requested information and documents, and has the lowest-cost Bid. The lowest-cost Bid will be determined based on the total proposed annual amount listed on Form PW-2, Schedule of Prices.

F. Negotiation

The County and/or District reserves the right to negotiate the terms, conditions, and price of the Bid(s), in the sole discretion of the District, to achieve the most beneficial program and price for the District. The County and/or District, in its sole discretion, may limit the negotiation, if any, to one or more lowest, responsive and responsible Bidders. If a satisfactory Contract cannot be negotiated, the District may, at its sole discretion, begin Contract negotiations with the next lowest Bidder who submitted a Bid, as determined by the County and/or District.

SECTION 5

PROTEST POLICY

A. Protest Policy Review Process

1. Under Board Policy No. 5.055 (Services Contract Solicitation Protest), any prospective Bidder may request a review of the requirements under a solicitation for a Board-approved services Contract, as described in paragraph C, Solicitation Requirements Review, below. Any Bidder may request a review of a disqualification or of a proposed Contract award under such a solicitation, as described respectively in Sections below. Additionally, any Bidder may obtain copies of Bids and Public Works evaluation documents as provided in Part I, Section 3, paragraph H. Under any such review, it is the responsibility of the Bidder challenging the decision of Public Works to demonstrate that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a solicitation or a proposed Contract award as the case may be.
2. Throughout the review process, the County and/or District have no obligation to delay or otherwise postpone an award of Contract based on a Bidder protest. In all cases, the District reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

B. Grounds for Review

Unless State or Federal statutes or regulations otherwise provide, the grounds for review of a solicitation for Board-approved services Contract provided for under Board Policy No. 5.055 (Services Contract Solicitation Protest) are limited to the following:

- Review of the Solicitation Requirements
- Review of a Disqualified Bid/Proposal
- Review of the Proposed Contractor Selection

C. Solicitation Requirements Review

Any person or entity may seek a Solicitation Requirements Review by submitting a written request for review to Public Works conducting the solicitation as described in this paragraph. A Request for a Solicitation Requirements Review may be denied, in Public Works' sole discretion, if the request does not satisfy all the following criteria:

1. The request for a Solicitation Requirements Review is made within ten business days of the issuance of the solicitation document.

2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a Bid.
3. The request for a Solicitation Requirements Review itemizes in appropriate detail, each matter contested and factual reasons for the requested review.
4. The request for a Solicitation Requirements Review asserts either that:
 - a. Application of the minimum requirements, evaluation criteria, and/or business requirements unfairly disadvantages the person or entity; or,
 - b. Due to unclear instructions, the process may result in the County and/or District not receiving the best possible responses from prospective Bidders.
5. The Solicitation Requirements Review will be completed and Public Works' determination will be provided to the requesting person or entity, in writing, within a reasonable time prior to the bid/Proposal due date.

D. Place to Submit Requests for Review

All Requests for Review shall be submitted to the Contract Analyst.

E. Disqualification Review

1. A bid/Proposal may be disqualified from consideration because Public Works determined it was nonresponsive at any time during the review/evaluation process. If Public Works determines that a bid/Proposal is disqualified due to nonresponsiveness, Public Works shall notify the Bidder in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Bidder may submit a written request for a Disqualification Review within the time frame specified in the written determination.
3. A request for a Disqualification Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting a Disqualification Review is a Bidder.
 - b. The request for a Disqualification Review is submitted timely (i.e., by the date and time specified in the written determination).
 - c. The request for a Disqualification Review asserts that the determination of disqualification due to bid/Proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

4. The Disqualification Review shall be completed and the determination shall be provided to the requesting Bidder, in writing, prior to the conclusion of the evaluation process.

F. Debriefing Process

For solicitations where Proposals are evaluated and scored, the following provisions shall apply:

1. Upon completion of the evaluation, Public Works will notify the remaining Bidders in writing that Public Works is entering negotiations with another Bidder. Upon receipt of the letter, any nonselected Bidder may submit a written request for a Debriefing within the time frame specified in the letter. A request for a Debriefing may, in Public Works' sole discretion, be denied if the request is not received within the specified time frame.
2. The purpose of the Debriefing is to compare the requesting Bidder's response to the solicitation document with the evaluation document. The requesting Bidder shall be debriefed only on its response. Because Contract negotiations are not yet complete, responses from other Bidders shall not be discussed, although Public Works may inform the requesting Bidder of its relative ranking.
3. During or following the debriefing, Public Works will instruct the requesting Bidder of the manner and time frame in which the requesting Bidder must notify Public Works of its intent to request a Proposed Contractor Selection Review, below, if the requesting Bidder is not satisfied with the results of the Debriefing.

G. Proposed Contractor Selection Review

Any Bidder that has timely submitted a notice of its intent to request a Proposed Contractor Selection Review as described in paragraph F, above, may submit a written request for a Proposed Contractor Selection Review in the manner and time frame as specified by Public Works. For low-bid solicitations, where applicable, upon selection of the lowest-cost, responsive, and responsible bidder, Public Works will notify the remaining bidders in writing that Public Works is entering negotiations with another bidder. Public Works will instruct the remaining bidders of the manner and time frame in which each remaining bidder must notify Public Works of its intent to request a Proposed Contractor Selection Review, should such remaining bidder desire to have such a review performed.

A request for a Proposed Contractor Selection Review may, in Public Works' sole discretion, be denied if the request does not satisfy all of the following criteria:

1. The person or entity requesting a Proposed Contractor Selection Review is a Bidder.

2. The request for a Proposed Contractor Selection Review is submitted timely (i.e., by the date and time specified by Public Works).
3. The person or entity requesting a Proposed Contractor Selection Review asserts in appropriate detail with factual reasons one or more of the following grounds for review:
 - a. Public Works materially failed to follow procedures specified in its solicitation document. This includes:
 - i. Failure to correctly apply the standards for reviewing the Bid format requirements.
 - ii. Failure to correctly apply the standards, and/or follow the prescribed methods, for evaluating the Bids as specified in the solicitation document
 - iii. Use of evaluation criteria that were different from the evaluation criteria disclosed in the solicitation document.
 - b. Public Works made identifiable mathematical or other errors in evaluating bids/Proposals, resulting in the Bidder receiving an incorrect score, and not being selected as the recommended Contractor.
 - c. For applicable solicitations where responses are evaluated and scored, a member of the Evaluation Committee demonstrated bias in the conduct of the evaluation.
 - d. Another basis for review as provided by State or Federal law.
4. The request for a Proposed Contractor Selection Review sets forth sufficient detail to demonstrate that, but for Public Works' alleged failure, the Bidder would have been the lowest-cost, responsive, and responsible bid or the highest-scored Proposal, as the case may be.

Upon completing the Proposed Contractor Selection Review, Public Works representative shall issue a written decision to the Bidder within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. The written decision shall additionally instruct the Bidder of the manner and time frame for requesting a review by a County Independent Review, paragraph H, below.

H. County Independent Review Process

1. Any Bidder that is not satisfied with the results of the Proposed Contractor Selection Review may submit a written request for a County Independent Review in the manner and time frame specified by Public Works in Public

Works' written decision regarding the Proposed Contractor Selection Review.

2. A request for a County Independent Review may, in the County's sole discretion, be denied if the request does not satisfy all of the following criteria:
 - a. The person or entity requesting review by a County Independent Review is a Bidder.
 - b. The request for a review by a County Independent Review is submitted timely (i.e., by the date and time specified by Public Works).
 - c. The person or entity requesting review by a County Independent Review has limited the request to items raised in the Proposed Contractor Selection Review and new items that (a) arise from Public Works' written decision and (b) are one of the appropriate grounds for requesting a Proposed Contractor Selection Review as listed in paragraph G above.
3. Upon completion of the County Independent Review's, Internal Services Department will forward its report to Public Works, which will provide a copy to the Bidder.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name:		
Company Address:		
City:	State:	Zip Code:
Telephone Number:		
(Type of Goods or Services):		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost, and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost, and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about 4 percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion-dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate, and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

County of Los Angeles *Lobbyist Ordinance*

IT'S THE LAW

It may affect you!

Chapter 2.160 of the Los Angeles County Code requires Lobbyists, Lobbying Firms and Lobbyist Employers to register with the Executive Office of the Board of Supervisors. This ordinance imposes extensive reporting requirements on individuals, businesses and other organizations. It places restrictions on the activities of anyone seeking to influence an official action of the County of Los Angeles including actions of the Board of Supervisors or the granting or denial of County contracts, licenses, permits, grants and franchises.

YOU MAY BE CONSIDERED A COUNTY LOBBYIST

If you are compensated to communicate directly (or through agents) with any County official for the purpose of influencing official action, then you may be required to register with the Executive Office of the Board of Supervisors. The requirement to register is the same whether you are an employee of, or on contract with, a firm or organization with business before the County. Additionally, an individual or business entity may be considered a County Lobbying Firm if it receives compensation to influence the County on behalf of any **other** persons or businesses. An individual, business entity or organization that employs or contracts with another individual or firm to represent or make contacts with a County agency on their behalf to influence County action may be considered a County Lobbyist Employer who must also register. If in doubt, it is best to register.

Furthermore, each person or entity who is not otherwise required to register as a County Lobbyist, Lobbying Firm or Lobbyist Employer, but who directly or indirectly expends \$5,000 or more during a calendar quarter to influence official action need not register BUT must report the expenditure to the Executive Office of the Board of Supervisors on a form available from the Executive Office.

REGISTERING IS IMPORTANT

Failure to comply with the ordinance may subject offending Lobbyists, Lobbying Firms, and Lobbyist Employers to **serious penalties including fines up to \$2,000 and denial of contracts, licenses, permits, grants or franchises.** Moreover, some violators may be refused permission to address the Board of Supervisors or any County commission.

HERE'S HOW TO COMPLY WITH THE LAW

Within 10 days of qualifying as a County Lobbyist, Lobbying Firm, or Lobbyist Employer as described in the ordinance, you must register with the Executive Office of the Board of Supervisors.

Registering with the County is easy. Notice 1015

(Rev. December 2017)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2017 are less than \$53,930 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following.

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify

the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2018.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at www.irs.gov/FormsPubs. Or you can go to www.irs.gov/OrderForms to order it.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2017 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2017 and owes no tax but is eligible for a credit of \$800, he or she must file a 2017 tax return to get the \$800 refund.

Safely Surrendered *Baby Law*

*Babies can be safely surrendered

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCIA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

THIS CONTRACT is made and entered on _____, 2018, by and between COUNTY of Los Angeles Board of Supervisors, acting in their capacity as the governing body of the Lennox and Malibu Garbage Disposal District of COUNTY of Los Angeles (COUNTY), and _____, a Corporation or Limited Liability Company registered in the State of _____ (CONTRACTOR).

RECITALS:

Purpose. To limit the wear and tear on COUNTY streets, reduce pollution from Collection Vehicle exhaust, increase customer service accountability, ensure compliance with Federal, State, and local laws, including Assembly Bill (AB) 939, by improving program implementation performance and reporting accuracy, and facilitate more efficient CONTRACT administration and enforcement by COUNTY staff.

Solid Waste Haul Permits. County of Los Angeles Department of Public Health issued permits to haulers for the hauling of solid waste with requirements to protect public health and safety, including frequency of Collection and Collection Vehicle maintenance. CONTRACTOR shall continue to obtain that permit and comply with all its provisions; and

Mandatory Solid Waste Diversion. The State of California has found and declared that the amount of solid waste generated in California coupled with diminishing landfill space and potential adverse environmental impacts from land filling have created an urgent need for State of California and local agencies to enact and implement an aggressive, new integrated waste management program. Through enactment of AB 939, the State of California has directed agencies, such as COUNTY to Divert 50 percent of all solid waste through source reduction, recycling, and composting activities. The California Department of Resources Recycling and Recovery (CalRecycle) had granted COUNTY a time line to achieve compliance with the AB 939 Diversion requirements to which COUNTY had met. Continued compliance is based in part on executing and implementing this CONTRACT to secure cooperation with CONTRACTOR'S AB 939 waste Diversion programs, record keeping, and reporting; and

County Waste Management Plan. COUNTY Board of Supervisors adopted the Roadmap to a Sustainable Waste Management Future in 2015. It is a comprehensive plan for a waste free future and is a proactive approach to developing innovative policies for managing waste that further reduces COUNTY's reliance on landfills. It established the following intermediate and long-term disposal reduction targets: 80 percent Diversion from landfills by 2025, 90 percent Diversion from landfills by 2035, and at least 95 percent Diversion from landfills by 2045; and

Task 1: Waste Discarded in Containers. COUNTY'S Director has determined to provide for Municipal Solid Waste (MSW) Management Services in portions of COUNTY under the terms of this CONTRACT for reasons including the following:

- To assist residents and certain businesses located in the Service Area that discard solid waste in carts to receive quality MSW Management Services, and
- To provide COUNTY with programs, records, and reports that will help COUNTY comply with AB 939 and other laws.

COUNTY issued a 5-year notice under California Public Resources Code (PRC) Section 49520 of COUNTY'S intent to authorize, among other options, the exclusive franchising of MSW Management Services in portions of COUNTY; and

Task 2: Abandoned Waste Collection. COUNTY'S Director has also determined to contract for collection of Abandoned Waste in this CONTRACT to efficiently remove it and prevent the illegal dumping from becoming a community eyesore, decreasing neighborhood property values, posing a safety hazard, providing a breeding ground for disease carrying rodents, insects, and other vermin, and in general, lowering the quality of life for residents.

The use of the term COUNTY is understood to mean Lennox and Malibu Garbage Disposal District of COUNTY of Los Angeles. COUNTY of Los Angeles Board of Supervisors acts in their capacity as the governing body of the Garbage Disposal District; and

Compliance with Law. CONTRACTOR shall perform Contract Services in accordance with all the laws governing the safe collection, transport, recycling, and disposal of Residential and Commercial Solid Waste, including but not limited to AB 939 and AB 1826, Recovered Conservation and Recovery Act (RCRA), and Comprehensive Environmental Response Compensation and Liability Act (CERCLA).

CONTRACTOR / "Arranger". Under this Contract, COUNTY may exercise control over the disposal or other disposition of the Solid Waste handled by the CONTRACTOR. It may designate or determine the use of any given Solid Waste Facility. Although minimum scope of Contract Services, Service Specifications, and Service Standards are set forth in this CONTRACT, COUNTY has not, and by this CONTRACT does not, supervise Contract Services or assume title to Solid Waste; and

Competitive Procurement. COUNTY issued a Request for Proposals (RFP) or Invitation for Bids (IFB) to provide Contract Services under this CONTRACT. Private waste hauling companies submitted proposals or bids, including their proposed schedule of rates and charges. For GDD services, COUNTY selected a CONTRACTOR based on price proposals only.

Compensation. The following describes the compensation allowed under this CONTRACT:

CONTRACTOR may request a fee equal to the Waste Collection from All Hot Zone Location with four cubic yards or less rate. All Hot Zones refers to the original locations indicated in CONTRACT and not any that are added after the Execution Date.

The four cubic yards volume refers to the total amount of waste at a single incident, not the total collected in all Hot Zones. For example, five piles of two cubic yards is billed at this rate and is not considered ten cubic yards. Waste separated by more than ten feet shall be considered a separate incident. CONTRACTOR is not required to provide evidence of Collection unless Director requests. CONTRACTOR is required to record the location of each incident and submit with the monthly invoice.

(4) **Additional Hot Zone Waste Collection**

After the Execution Date, if Hot Zones are created or expanded greater than the length indicated in Item 16.A.2 of Exhibit 16, CONTRACTOR may request a fee equal to the Additional Hot Zone Waste Collection with four cubic yards or less rate for the additional distance only.

The four cubic yards volume refers to the total amount of waste at a single incident, not the total collected in all Hot Zones. Waste separated by more than ten feet may be considered a separate incident. CONTRACTOR is not required to provide evidence of Collection unless Director requests. CONTRACTOR is required to record the location of each incident and submit with the monthly invoice.

(5) **Waste Collection with More Than Four Cubic Yards**

Waste separated by more than ten feet shall be considered a separate incident. CONTRACTOR shall take and submit photos of the waste to request a higher fee for that location. These special circumstances must be Itemized separately on the invoice.

c. Public Receptacles

4. Payment Exceeding Maximum Contract Sum

In no event shall the aggregate total amount of compensation paid to the CONTRACTOR exceed Maximum Contract Sum.

5. Request Work

The CONTRACTOR understands and agrees that only Director is authorized to request or order work under this CONTRACT. The CONTRACTOR acknowledges that the designated authorized representative is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation more than this CONTRACT's Maximum Contract Sum.

6. Performing Work to Exceed Maximum Contract Sum

The CONTRACTOR shall not perform or accept work requests from the designated authorized representative or any other person that will cause

the Maximum Contract Sum to be exceeded. CONTRACTOR shall monitor the balance of the Maximum Contract Sum. When the total of the CONTRACTOR's paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the authorized representative in writing.

If CONTRACTOR receives any such payment, it shall immediately inform Director and repay all that payment to COUNTY. Payment by COUNTY for County Services rendered after expiration, suspension, or termination of this CONTRACT shall not constitute a waiver of COUNTY's right to recover such payment from CONTRACTOR. This provision shall survive the expiration, suspension, or termination of this CONTRACT.

10. Most Favored Public Entity

If the CONTRACTOR's prices decline, or if CONTRACTOR, at any time during the term of this CONTRACT, provides services substantially the same as County Services to anyone else, including the State of California or any County, municipality, or district of the State at prices below those set forth in this CONTRACT, then CONTRACTOR shall immediately reduce the County Service Fees to match those lower prices.

11. Change in Service Area

It is understood that the monthly compensation to be paid to the CONTRACTOR may be increased in proportion to the enlargement of the boundaries of the Service Area or to expansion of the area to be served, and the monthly compensation may be decreased if the area to be served decreases such as diminution of the size of the Service Area. This also included a change in the number of public receptacles and a change in the number or length of Hot Zones.

12. Dissolution of Service Area

It is understood that in the event of the dissolution of the Service Area, this CONTRACT and all obligations of either of the parties thereto shall be at an end, whether such dissolution results from proceedings under the provisions of the act pursuant to which the Service Area was created, by operation of law, or resulting from municipal annexation or incorporation, except for record retention requirements.

- c. *One 96-gallon Green Waste Cart; and*
- d. *One additional 96-gallon Recyclables Cart, upon Customer or Occupant request;*

For parcels with Refuse Units more than two 1 cubic yard, CONTRACTOR shall round up Dumpster capacity volumes to next cubic yard whole number at no additional cost to COUNTY or Customer. For example, a store assigned 3 Refuse Units is entitled to 1.5 cubic yards of capacity each week and shall be offered a 2.0 cubic yard Dumpster.

If Customer requests an extra Container or larger capacity Container for Refuse, and/or request extra container for Recyclables or Green Waste beyond the carts as described above, the Customer shall pay CONTRACTOR the surcharge, as provided in Attachment 7-2, Task 1 Service Fees of Exhibit 7.

c. *Multiple Exchanges of Container(s)*

the If a Customer asks CONTRACTOR to exchange Container(s) more than once each Calendar Year as described in item b above,

d. Cleanliness of Containers

While CONTRACTOR is not obligated to provide new Containers to Occupants, they must provide clean Containers. 4. Repair and Replacement

a. Identification/Reporting

CONTRACTOR shall repair or replace damaged Carts that it observes damage when providing service and upon request from Director, Customer, or Occupant.

b. Fee

CONTRACTOR will repair or replace Containers without cost, except in the circumstances below. CONTRACTOR may charge the Containers actual cost of repair or replacement

CONTRACTOR shall return empty Containers upright and to their Set-Out Sites. CONTRACTOR shall not impede pedestrian or vehicular traffic. The Set-Out Site should be located at the curb or as otherwise provided in County Code Section 20.72.100, except during heavy rains when CONTRACTOR shall return Containers approximately 2 feet from the curb to keep the gutter unobstructed and prevent the Containers from being washed away.

6. Inventory

CONTRACTOR shall maintain an adequate inventory of Containers and lids of each type and capacity to provide Customers and Occupants replacements within two Service Days of request. When determining adequacy, CONTRACTOR shall consider the nature of Set-Out Sites. For example, Carts placed on unlevel Set-Out Sites, such as in mountainous areas without curb and gutter, may be damaged more frequently than those placed in level Set-Out Sites. Therefore, CONTRACTOR must maintain a larger inventory of Carts for those areas.

CONTRACTOR shall notify Director if inventory is inadequate, including an explanation of why inventory dropped below the two-Service Day standard. For example, CONTRACTOR might submit its timely order for Containers but receive them later than manufacturer originally represented due to manufacturer's backlog or other delay.

7. Graffiti

For the purposes of this CONTRACT, Carts with a capacity between 95 and 100 gallons are equivalent to 0.5 cubic yards. CONTRACTOR shall provide the number of alternative Containers having the same aggregate capacity as CONTRACTOR would have provided to that Occupant. For example:

- Three 32-gallon Carts instead of one 96-gallon Cart.
- One 64-gallon Cart and one 32-gallon Cart instead of one 96-gallon Cart.
- One 3-cubic yard Dumpster in lieu of six 96-gallon Carts.

Lid colors shall distinguish the type of materials that go in each Cart such as black or brown for the Refuse Cart, blue for the Recyclables Cart, and green for the Green Waste Cart. If a Food Waste or Manure Cart is to be used, Director shall approve the proposed color.

As an alternative with approval from Director, the Refuse Cart body may be black, the Recyclables Cart body may be blue, and the Green Waste Cart body may be green, or other Director approved color.

b. Dumpsters

The following conditions apply when Dumpster service is provided.

(1) **Lids**

A lid shall prevent intrusion of rainwater, rodents, birds, and flies; shall prevent the contents from being carried or deposited by the elements onto the ground; and shall reduce the emission of odors.

(2) **Labeling of Body**

Dumpster bodies shall be labeled similar to the template in item B2 of Exhibit 16 and shall clearly display CONTRACTOR's phone number, website, and contents for which the Container is designated, a warning that the Disposal of Unpermitted Waste in the Container is prohibited, and acceptable/not acceptable contents. Examples of Recyclables is an important part of educating Customers and Occupants.

10. Customer or Occupant Declines a Portion of Collection Service

A Customer or Occupant may decline Refuse, Recycling, or Green Waste Collection services and therefore they may not need all three types of Containers, or may not need all the alternative Containers as provided for in Section D(1) of this Exhibit. Fees shall not be reduced for Customers declining a portion of the basic Collection services.

11. Container and/or Cart Lids Purchase Option

In the event of Breach or termination, COUNTY may purchase some or all Containers and/or Cart lids on the effective date of the contract termination Notice at a price equal to the then book value of Containers and/or Cart lids amortized straight-line over the initial seven-year Term of the CONTRACT. This includes Containers and/or Cart lids stored in CONTRACTOR's

14. Recyclables Cart with Gravity Lock

Upon Customer request, CONTRACTOR shall sell Customer, with no financial gain to CONTRACTOR, Recyclables Carts with gravity locks to prevent scavenging, to Customer at the price listed on Attachment 7-2, Task 1 Service Fees of Exhibit 7. After selling the Carts and transferring ownership to Customer, CONTRACTOR is no longer responsible for repair or replacement of the Carts. CONTRACTOR shall disclose to Customer and receive written acknowledgement from Customer, CONTRACTOR is no longer responsible for the sold Carts. If CONTRACTOR cannot give Director evidence of Customer's acknowledgment, CONTRACTOR shall continue to be responsible for repair or replacement of the Carts.

If CONTRACTOR is unable to Collect from Cart due to failure of the lock, CONTRACT shall require Customer to repair it, offer to repair it for a reasonable charge, or replace Cart with standard non-locking Cart at no charge.

CONTRACTOR is not obligated to deliver Recyclables Carts with gravity locks within seven days of request under Subsection 3, but CONTRACTOR must deliver those Carts within 21 days of request.

Vehicles shall be so constructed such that Solid Waste or liquids will not blow, fall, sift, or leak out of the truck into the street. CONTRACTOR shall equip Vehicles with a shovel, broom, and petroleum absorbent agents. CONTRACTOR shall comply with any additional requirement with respect to the Vehicle as set forth in Exhibit 3A3.

2. Automation

- b. *Holiday trees*
- c. *Solid Waste discarded at Set-Out Sites that are Difficult to Service*

3. Fuel/Power

Within the first six months after Execution, all Vehicles used for automated Collection must use Liquid Natural Gas or Compressed Natural Gas fuel, or other alternatives to diesel fuel, as approved by Director unless Contractor Documentation provides otherwise with respect to Collection at Premises that are difficult to serve as permitted in item O of this Exhibit.

4. Extra Vehicles

CONTRACTOR shall maintain enough back-up Vehicles to replace similar types of Vehicles in the event of breakdowns, complaints, and emergencies. Director may specify a minimum number of backup Vehicles.

5. Maintenance

CONTRACTOR shall maintain Vehicles reasonably clean, and in good mechanical condition, and well painted, all to the satisfaction of Director. CONTRACTOR shall maintain Records of inspections and maintenance of all mechanical equipment that CONTRACTOR uses to provide Contract Services, including Vehicles. CONTRACTOR will use Vehicles that are safe to operate, in accordance with the requirements promulgated by COUNTY Department of Public Health, California Highway Patrol, South Coast Air Quality Management District, manufacturer, and all other applicable Federal, State, County, and local laws and regulations. CONTRACTOR shall design, print, and install signs on each frame promoting Recycling, Diversion and safe handling of Unpermitted Waste or other topics as requested by Director, with text, graphics, and design approved by Director, up to six times throughout the CONTRACT term. CONTRACTOR shall ensure that the appropriate Director-approved signs are affixed to the Vehicle always. 8. Company Name

CONTRACTOR's name or other name, as approved by Director, and logo shall appear on all Vehicles.

9. Vehicle Monitoring

In all Vehicles used for Task 1 Services CONTRACTOR shall install devices to monitor Vehicles' operations, including Global Positioning Systems (GPS) that record Vehicle's route and at a minimum, a camera on the Vehicle's dashboard, unless Director consents otherwise.

CONTRACTOR's failure to provide Reports requested by Director within time specified by Director may be considered an admission of fault for the purposes of assessing Liquidated Damages. For example, if CONTRACTOR does not give Director a requested Report, within a period specified by Director, to verify that a Vehicle Collected all Containers on an identified block, Director may assume that CONTRACTOR did not Collect those Containers and assess Liquidated Damages.

a. Video Equipment

CONTRACTOR's automated Collection Vehicles shall be equipped with functioning, forward facing, or angled slightly to the right, video recording equipment to validate service complaints such as missed Collections and other items that may be of interest to Director.

Video equipment must be recording once a Vehicle leaves the yard during days of operation. Video must be geotagged for location, time/date stamped, and at a resolution adequate to clearly identify the location being serviced and typically not less than 1280 x 720 at 30 frames per second with a viewing angle approximately 129° diagonal, 103° horizontal, 77° vertical. CONTRACTOR shall retain all videos in an electronic format for a minimum of 14 calendar days, or other duration as requested by Director. CONTRACTOR shall provide copies of videos and/or screen captures of a specific day, time, or for a specific location, within 48 hours of receiving Director request.

b. Global Positioning System (GPS)

GPS data will be maintained by CONTRACTOR either directly or through a third-Party service. The GPS shall be able to track a Vehicle's route with lines or dots superimposed on a map.

The GPS shall gather the following data: date, time, speed, direction, location (address) and shall be able to generate Reports. CONTRACTOR shall retain all data for a minimum of 14 calendar days or other duration approved by Director. CONTRACTOR shall provide copies of Reports within two business days of receiving Director request. Request may be for a specific time or a geographic location (between 10 a.m. and 11 a.m., or 1200 block of Main St.).

The minimum locate schedule (ping frequency of occurrence that GPS data is received from the Vehicle) shall be at least every one minute for fully automated Collection and at least every ten seconds for other Collection Vehicles, when within the Service Area.

10. Special Vehicles

See Exhibit 3A3 for possible special Vehicle requirements in this Service Area. This is likely only for areas with significant mountainous terrain.

F. Solid Waste Transportation, Processing, Diversion, and Disposal

CONTRACTOR-Designated Solid Waste Facility. CONTRACTOR shall transport Solid Waste only to the Solid Waste Facility or Facilities that

CONTRACTOR has designated in Contractor Documentation in Exhibit 3D for Processing, Diversion, or Disposal. CONTRACTOR may designate a Solid Waste Facility or Facilities that utilizes Conversion Technology or provides feedstock to Conversion Technology facilities. Prior to any change in designated facilities, CONTRACTOR must provide Notification to Director for consent of change. Director will review information such as fees, distance, Recycling rates, ability to Recycle Recyclables. Director may conditionally approve taking Solid Waste to a facility that charges more by not allowing the increased cost to be passed down to the Customer.

Director reserves the right to direct Solid Waste to a specific site or facility upon CONTRACT with CONTRACTOR. COUNTY will compensate CONTRACTOR for any direct costs, if any, such as increased tipping fees and transportation costs which CONTRACTOR incurs following delivery of materials to a COUNTY-designated Solid Waste Facility instead of to a CONTRACTOR-selected Solid Waste Facility.

Some Service Areas may require CONTRACTOR to use specific sites or facilities without additional compensation, as designated in Exhibit 3A3 if applicable to this CONTRACT.

G. Recyclables

Orally advising any Person, other than CONTRACTOR, observed removing recyclable materials which have been segregated from Solid Waste materials and placed at a designated Collection location for the purposes of Collection and Recycling that such conduct is a misdemeanor, per COUNTY Ordinance, and carries civil penalties.

Instituting civil actions against a Person alleged to have violated California Public Resources Code Section 41950 for treble damages, as measured by the value of the material removed, or a civil penalty of not more than \$2,000, whichever is greater, for each unauthorized removal, in accordance with California Public Resources Code Section 41953(a);

Instituting civil actions against a Person alleged to have violated California Public Resources Code Section 41950 for a second, or subsequent time in

- a. *Mix the contents Collected from Recyclables, Green Waste, and Refuse Containers; or*
- b. *Dispose of Recyclables or Green Waste Collected, except for:*
 - (1) Incidental amounts of Recyclables or Green Waste that an Occupant commingles with discarded Refuse;
 - (2) Green Waste used as alternate daily cover that is considered Diversion; or
 - (3) Contaminated Recyclables or Green Waste that cannot be Diverted using Reasonable Business Efforts if CONTRACTOR has previously exercised Reasonable Business Efforts to provide Occupant education with respect to reducing that contamination.

3. Residuals

a. *Minimize Quantity of Residuals*

CONTRACTOR shall not produce a significant quantity of Solid Waste residuals remaining after Processing Recyclables as determined by Director, including considering operating and recovery efficiencies and maximum levels of residuals that CalReycle may establish to qualify the Processing as Diversion.

b. *Maximize Diversion of Residuals*

CONTRACTOR shall use Reasonable Business Efforts to Divert residual Solid Waste remaining after Processing Recyclables.

4. Diversion of Recyclables

CONTRACTOR shall Divert all Recyclables whether Diversion is a net cost or profit.

5. Recyclable Materials

See Exhibit 3A3 for possible modifications to the days or times.

b. *Solar Compacting Public Receptacles*

CONTRACTOR shall Collect discards from the solar compacting public curbside receptacles as-needed, Monday through Saturday, based on the need indicated on the Internet based monitoring software. The schedule shall not be more frequent than twice per day or longer than seven days for receptacles with Refuse.

4. Other

a. *Adjustments to Quantity and Location*

In the event the quantities, and locations of the public curbside receptacles or the type of Solid Waste discarded in those receptacles change during the Term of this CONTRACT, Director will notify CONTRACTOR of such change in writing. Collections from any additional public curbside receptacle or reduction in public curbside receptacles will be adjusted at the Annual Total identified on Attachment 7-3 Task 2 Service Fees but the rate for individual receptacles will not be adjusted. The number of receptacles over the Term may be increased by up to 125 percent of the current number, which includes doubling the number of receptacles at the time this CONTRACT is executed, to add Recycling plus 25 percent more for new locations.

CONTRACTOR will Collect Refuse in additional receptacles within two weeks of Director's request, subject to possible adjustment of the Service Fee for change orders under Section 3B.

If the Service Area does not have any designated public curbside receptacles as of the Execution Date, the number listed in item A6 of Exhibit 16 will be 0 or n/a.

b. *Solar Refuse/Recyclables compactors*

Director reserves the right to replace the current public curbside receptacles with solar Refuse/Recyclables compactors. In the event the current receptacles are replaced, the cost for servicing and maintaining cleanliness of each compactor shall remain the same as the current cost for servicing each public curbside receptacle.

c. *Verification*

If the public receptacles have a service log sheet inside, CONTRACTOR must sign, date, and record the time of Collection service or indicate the receptacle was empty upon inspection and record when the receptacle was cleaned.

d. *Receptacle Locks*

CONTRACTOR shall keep all receptacles locked to prevent access by the public. Director shall furnish keys.

e. *Damaged Receptacles*

CONTRACTOR shall report damage to the receptacles with 48 hours of observing such damage. Damage includes but is not limited to missing components or malfunctioning parts. CONTRACTOR shall not attempt to repair any receptacles, except for plastic liners. Liners are CONTRACTOR's responsibility to repair or replace regardless of the cause of damage.

f. *Recyclables*

As of the Execution Date designated public curbside receptacles in the Service Area primarily contain Refuse. CONTRACTOR will Collect and Divert Recyclables discarded in existing or additional Recyclable receptacles within two weeks of Director's request, subject to possible adjustment of the Service Fee for change orders under Section 3B.

C. *Abandoned Cart, Dumpster, or Roll-Off Removal*

At the request of Director, CONTRACTOR shall, at no charge to COUNTY:

- Remove any container, including cans, Carts, Dumpsters and roll-off bins that COUNTY deems abandoned, within two Service Days, whether they are CONTRACTOR's Containers or third Parties'.
- Arrange for the Disposal or Diversion of Solid Waste within the container.

- Reuse, Recycle, or resell container.
- Notify Director to confirm removal.

D. Vehicles

1. General

CONTRACTOR shall be responsible for providing all Vehicles of appropriate sizes, capacities, and functions required for the Collection of Solid Waste and for ancillary services that are sufficient in number and capacity to efficiently perform the work required by this CONTRACT. CONTRACTOR shall also be required to provide non-compacting Vehicles for the Collection of E-waste and white goods, which may contain chlorofluorocarbons. Vehicles shall be so constructed such that Solid Waste or liquids will not blow, fall, sift, or leak out of the truck into the street and shall be equipped with an adequate shovel, broom, and petroleum absorbent agents.

2. Fuel/Power

Vehicles used for Collection must use LNG (liquid natural gas) or CNG (compressed natural gas) fuel, or other alternatives to diesel fuel, as approved by Director unless Contractor Documentation provides otherwise with respect to Collection at Premises that are difficult to service as permitted in item O.

3. Extra Vehicles

CONTRACTOR shall have available sufficient back-up Vehicles for each type of Collection Vehicle used to respond to breakdowns, complaints, and emergencies. Director may specify a minimum level of backup equipment required.

4. Maintenance

CONTRACTOR Vehicles used in the Service Area shall, always, be kept reasonably clean, in good mechanical condition, and well painted, all to the satisfaction of Director. CONTRACTOR shall maintain Records of inspections and maintenance of all mechanical equipment used in providing the required services in the Service Area to ensure that all Collection Vehicles are safe to operate within the Service Area at all times in accordance with the requirements promulgated by COUNTY Department of Public Health, California Highway Patrol, South Coast Air Quality Management District, manufacturer, and all other applicable Federal, State, County, and local laws and regulations. All inspection and maintenance Records shall be open to inspection by Director and provided upon request. CONTRACTOR shall replace a Vehicle that Director determines to be of

unsatisfactory operating condition such as one that is experiencing excessive breakdowns resulting in service delays, leaking fluids, or other significant issues.

5. Vehicle List

Only those Vehicles submitted to and approved by Director shall be used in the Service Area. CONTRACTOR shall submit a complete list of Vehicles using Form V, accessible through Director's Solid Waste Information Management System (SWIMS) and update it as Vehicles change. Extra Vehicles intended as a backup shall be included.

6. Company Name

CONTRACTOR's name or other name, as approved by Director, and logo shall appear on all Vehicles.

7. Vehicle Monitoring

CONTRACTOR shall utilize appropriate technologies (software and hardware) to meet Director's requirements for field operations location reporting. All Vehicles used for Collection for Task 2 Services (abandoned waste, public receptacles, etc.) shall be equipped with data recording capabilities to capture video and route data from global positioning system (GPS) devices. There are inexpensive consumer dashboard cameras on the market that will record video and GPS location to meet this requirement. The use of any Vehicles to Collect Solid Waste without monitoring equipment requires Director's consent.

Failing to provide requested Reports for any reason will be considered an admission of guilt for the purposes of investigating CONTRACT service commitments. For example, if Director requests a Report to verify Collection occurred on a certain block, Director will have no way of knowing if CONTRACTOR intentionally deleted data to not incriminate themselves and therefore, the block will be considered not serviced if documentation is not provided and the action will be subject to Liquidated Damages both the failed Collection and for failure to submit the requested Report.

a. Video Equipment

CONTRACTOR's automated Collection Vehicles shall be equipped with functioning, forward facing, or angled slightly to the right, video recording equipment to validate service complaints such as missed collections, alley cleaning, and other items that may be of interest to Director.

Video equipment must be recording once a Vehicle leaves the yard during days of operation. Video must be geotagged for location, time/date stamped, and at a resolution adequate to clearly identify the location being serviced and typically not less than 1280 x 720 at 30 frames per second with a viewing angle approximately 129° diagonal, 103° horizontal, 77° vertical. CONTRACTOR shall retain all videos in an electronic format for a minimum of 14 calendar days, or other duration as requested by Director. CONTRACTOR shall provide copies of videos and/or screen captures of a specific day, time, or for a specific location, within 48 hours of receiving Director request.

b. *Global Positioning System (GPS)*

This data will be maintained by CONTRACTOR either directly or through a third-Party service. The GPS shall track a Vehicle's route with lines or dots superimposed on a map.

The GPS shall gather the following data: date, time, speed, direction, location (address) and shall generate Reports. CONTRACTOR shall retain all data for a minimum of 12 calendar months or other duration approved by Director. CONTRACTOR shall provide copies of Reports within two business days of receiving Director request. Request may be for a specific time or a geographic location (between 10:00 a.m. and 11:00 a.m., or 1200 block of Main St.).

The minimum locate schedule (ping frequency of occurrence that GPS data is received from the Vehicle) shall be every one minute for fully automated Collection and every ten seconds for other Collection Vehicles, when within the Service Area.

E. *Homeless Encampments*

CONTRACTOR acknowledges:

- Homeless Encampments are temporary and homeless individuals are transient, and
- Homeless Encampments are not Customers and therefore Solid Waste generated and discarded in the Right-of-Way is considered Abandoned Waste, and
- Public health and safety requires that Solid Waste generated in Homeless Encampments must be removed not only when individuals abandon a Homeless Encampment, but also when they occupy it.

CONTRACTOR shall not enter a Homeless Encampment or remove anything from a Homeless Encampment except upon Director request. CONTRACTOR shall not remove any Unpermitted Waste, including biological or hazardous waste.

1. Abandoned Homeless Encampments

Within two business days of Director request, CONTRACTOR shall Collect, transport, and Divert or Dispose of, all Solid Waste discarded in a Homeless Encampment that has been abandoned and identified by Director. CONTRACTOR shall Collect Solid Waste, including litter and Abandoned Waste whether it is discarded in containers or on the ground. CONTRACTOR will provide that Contract Service in accordance with COUNTY policy. For example, COUNTY policy may require CONTRACTOR to place Abandoned Waste and other discards in containers and deliver them to a storage facility pending a retrieval by the individual owner. As part of these Contract Services, CONTRACTOR shall provide all equipment such as Container (including such as Carts, Dumpsters and roll-off bins) and Vehicles (including as Refuse Collection and flatbed trucks), and labor.

2. Occupied Homeless Encampments

Upon Director request, CONTRACTOR shall keep the Public Right-of-Way near Homeless Encampments occupied by individuals free of Abandoned Waste.

a. *Container Distribution*

CONTRACTOR shall place Containers (including Carts and Dumpsters), bags, cardboard boxes, and/or Sharps Containers in a safe and accessible location, in CONTRACTOR's judgment. Local homeless support groups may be able to assist in distribution but that service is not guaranteed. Bags shall be:

- Opaque in color to distinguish it from readily available bags
- Preprinted with multiple, large font "TRASH" and "BASURA" plus the mirror image (if the bag is turned inside-out)
- Preprint Disposal bilingual procedures on the bag or a separate piece of paper included with the bag
- Approximately 35-gallon capacity with drawstrings or a tie
- At least 3 millimeters in thickness to deter puncture by needles

b. *Quantity*

The number of Containers is not specified. However, to maximize efficient Collections, CONTRACTOR is to inform Director if Containers in an area are frequently less than one-half full or if the number of Containers distributed is significantly higher than the number Collected.

Following consultation with the Director and upon Director consent, CONTRACTOR may change its method of Collection. For example, if cardboard boxes are frequently destroyed or removed from the Set-Out Site, CONTRACTOR may request providing Dumpsters without wheels or bags. As another example, if bags are frequently blown away or used by homeless individuals for storage, CONTRACTOR may request providing Dumpsters.

c. *Collection, Transport, and Diversions/Disposal*

Each week CONTRACTOR shall Collect Solid Waste discarded in Containers (including Carts and Dumpsters), bags and cardboard boxes, following consultation with and approval of Director.

The Set-Out Site is difficult to determine in advance and will need to be determined on case-by-case using CONTRACTOR's judgment. For bags, it may be necessary to Collect from outside each individual shelter or from a central pile. Property owners may not want a pile near them and a pile may attract other Abandoned Waste.

Prior to Collecting a Container, CONTRACTOR shall use Best Efforts to ascertain that no one is sheltered inside the Container.

CONTRACTOR shall transport and Divert or Dispose of, all Solid Waste that it Collects

EXHIBIT 3A3 – Additional Services

If this Exhibit is inconsistent or conflicts with other provisions of this CONTRACT, this Exhibit governs as provided under Part 10 B7.

A. **Mulch and Compost Giveaway Program (Item H7 of Exhibit 3A1)**

CONTRACTOR shall offer at least 40 cubic yards of Mulch and 40 cubic yards of Compost at each event, or any volume requested by Director not to exceed 80 cubic yards of Mulch and 80 cubic yards of Compost per event.

B. **Bulky Item and Excess Solid Waste Collection (Item H3 of Exhibit 3A1)**

CONTRACTOR shall Collect Bulky Items and excess waste discarded at the Set-Out Site on next regularly scheduled Collection day upon at least 24-hours' Notice by the Customer or Occupant or other date agreed to between that Customer or Occupant and CONTRACTOR. CONTRACTOR shall not Collect without Notice but rather shall perform the following:

- Tag items with a Non-Collection Notice describing Notice requirements, and
- Contact Occupant, as provided in item C9 of Section 4.

CONTRACTOR shall Collect up to three times per Contract Year all the services prescribed below. For example, Occupant may place two mattresses and five bags of excess Green Waste out for Collection and it will count as one of the three times.

1. **Bulky Items**

In addition to the Annual Curbside Cleanup Event described in item H2 of this Exhibit 3A1, CONTRACTOR shall Collect from each dwelling unit receiving service, a maximum of ten items per pickup.

2. **Excess Refuse**

CONTRACTOR shall Collect Refuse in bags, up to five bags per pickup.

3. **Excess Green Waste**

CONTRACTOR shall Collect Green Waste in bags or bound bundles less than four feet in length, up to ten bags/bundles per pickup.

Additional On-Call Pickup with Additional cost. In addition to Collection described in item H3 of Exhibit 3A1, at the request of a Customer (not Occupant) more than three times annually for Residential, upon 24-hours' Notice, at charges for additional calls listed on the Attachment 7-3, Task 2 Service Fees of Exhibit 7 and charge for items listed in Contractor Documentation in Exhibit 3D.

C. Annual Curbside Cleanup Events Services (Item H2 of Exhibit 3A1)

For Lennox only:

CONTRACTOR shall conduct the Annual Curbside Cleanup Event each April, unless otherwise instructed Director or requested by CONTRACTOR and approved by Director.

For Malibu only:

CONTRACTOR shall conduct the Annual Curbside Cleanup Event each May, unless otherwise instructed Director or requested by CONTRACTOR and approved by Director.

Because Collecting unlimited amounts of Bulky Items, excess Refuse and excess Green Waste with large Collection Vehicles may be unsafe on the narrow, mountain roads in this Service Area, CONTRACTOR shall submit an alternative plan that may include either or both the following methods:

1. Roll-Off Bins

CONTRACTOR shall place bins at locations that will be temporarily available to Occupants for disposal of Bulky Items or Excess Solid Waste. CONTRACTOR shall site locations that are conveniently located and safe to its Occupants and submit a list of these locations for Director's approval.

2. Increased Bulky Item and Excess Solid Waste Collection (Item H3 of Exhibit 3A1 and above in Section B of this Exhibit 3A3.2)

D. Manure Service (Item D13 of Exhibit 3A1) [Malibu only]

1. Scope of Services and Specifications

Upon Customer request, CONTRACTOR shall arrange to provide separate, automated Collection, transportation, and Diversion of Manure, on the Service Day or days agreed with Customer, at least weekly, from either the Set-Out Site or by scout service.

CONTRACTOR shall provide upon Customer request any of the following Containers for the Customer Service Fees provided on the Attachment 7-2, Task 1 Service Fees of Exhibit 7:

- One or more 64-gallon Carts (or other capacity Cart approved by Director) exclusively for Manure and Green Waste, or
- One or more two-cubic yard Dumpsters exclusively for Manure and Green Waste

CONTRACTOR shall offer Manure Dumpster scout services when the larger Collection Vehicle cannot Collect the Container at the Set-Out Site, for an additional charge.

If CONTRACTOR observes Manure discarded in an Occupant's Refuse or Green Waste Cart, CONTRACTOR shall provide Notice explaining that Customer is responsible for any Cart damage due to discarded Manure. CONTRACTOR may charge Customer the cost to repair or replace such a Cart damaged by Manure.

While on Residential streets, CONTRACTOR shall minimize the noise for horses in the Public Right-of-Way. The Collection vehicle shall park and not operate the Collection arm or compact the load while within 100 feet of a horse that is walking in the Public Right-of-Way.

To minimize traffic, emissions, and truck trips, CONTRACTOR shall use the same vehicle to service Manure Carts and Dumpsters, unless otherwise approved by Director. The front/rear loading trucks must be capable of servicing both Carts and Dumpsters. CONTRACTOR shall not use a side loader Vehicle for Carts and a front or rear loader for Dumpsters unless there are sufficient accounts to fill each vehicle. For instance, if three Vehicles were required to service an area, two front loaders and one side loader could be used.

2. CONTRACTOR—Designated Facility

CONTRACTOR shall transport Manure from Manure Container only to the facility or facilities that CONTRACTOR has designated in Contractor Documentation in Exhibit 3D for Solid Waste Facilities.

E. Minimum Service (Up to Ten feet) (Item I3 of Exhibit 3A1) [Malibu only]

CONTRACTOR may require Customers on Pacific Coast Highway without off-road access to Containers to subscribe to the shorter version of roll-out service described in Item I3 of Exhibit 3A1. The purpose of this service is to keep Containers out of the bikeway and minimize the amount of time slow-moving Vehicles in in the flow of traffic. Any properties that have adequate space onsite for the Collection Vehicle to pull out of the flow of traffic shall not require this service.

This service is similar to services in Item I1 of Exhibit 3A1 but for areas with Set-Out Site limitations and a distance up to approximately ten feet as measured between the Set-Out Site and the location the Occupant places Carts, for the surcharge not to exceed five percent of the monthly basic rate. See location in the maps in item A7 of Exhibit 16 or a list of locations in item C4 of Exhibit 16.

This service is to help prevent Carts from being a hazard in the street. This is for locations where there is not adequate space for Collection. CONTRACTOR is to move Cart to the street temporarily for Collection and return Carts to where Occupant had placed them. CONTRACTOR shall not leave the Carts in the street for Collection for more than 30 minutes.

This distance will be measured as either for the following situations:

- Occupant's temporary location in Public Right-of-Way to the Set-Out Site, such as the grass parkway.
- Occupant's permanent storage location on private property, such as behind a fence at the front property line.

Examples of situations with Set-Out Site limitations include but are not limited to:

- Many parked cars and Occupant temporarily places Carts in the grass parkway behind cars.
- Many parked cars and Occupant temporarily places Carts on the sidewalk behind cars, provided there is adequate space on the sidewalk to not interfere with pedestrians.
- Striped bike paths where Occupant would ordinarily place Carts in the bike path.
- Hillside communities where Carts may impede the flow of vehicular traffic.

F. Solid Waste Transportation, Processing, Diversion, and Disposal (Item F of Exhibit 3A1) *[Malibu only]*

Director reserves the right to direct Solid Waste to a specific site or facility upon CONTRACT with CONTRACTOR. This Service Area requires CONTRACTOR to use a specific site or facility without additional compensation. CONTRACTOR must take all Refuse to the Calabasas Canyon Landfill. Refuse taken to any other facility requires Director consent.

No officer or employee of CONTRACTOR who may financially benefit from the performance of the work hereunder shall in any way participate in COUNTY's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence COUNTY's approval or ongoing evaluation of such work.

H. Compliance with COUNTY's Jury Service Program

1. Jury Service Program

This CONTRACT is subject to the provisions of COUNTY's ordinance entitled CONTRACTOR Employee Jury Service (Jury Service Program) as codified in Sections 2.203.010 through 2.203.090 of County Code.

2. Written Employee Jury Service Policy

- a. Unless CONTRACTOR has demonstrated to COUNTY's satisfaction either that CONTRACTOR is not a "CONTRACTOR" as defined under the Jury Service Program (Section 2.203.020 of County Code) or that CONTRACTOR qualifies for an exception to the Jury Service Program (Section 2.203.070 of County Code), CONTRACTOR shall have and adhere to a written policy that provides that its Employees shall receive from CONTRACTOR, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that Employee deposit any fees received for such jury service with CONTRACTOR or that CONTRACTOR deduct from the Employee's regular pay the fees received for jury service.
- b. For purposes of this Section, "CONTRACTOR" means a Person, partnership, corporation, or other entity which has a contract with COUNTY or a subcontract with a COUNTY contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more COUNTY contracts or subcontracts. "Employee" means any California resident who is a full-time employee of CONTRACTOR. "Full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by COUNTY, or 2) CONTRACTOR has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If CONTRACTOR uses any Subcontractor to perform services for COUNTY under this CONTRACT, the Subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract CONTRACT and a copy of the Jury Service Program shall be attached to the CONTRACT.
- c. If CONTRACTOR is not required to comply with the Jury Service Program when this CONTRACT commences, CONTRACTOR shall

have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and CONTRACTOR shall immediately notify COUNTY if CONTRACTOR at any time either comes within the Jury Service Program's definition of "CONTRACTOR" or if CONTRACTOR no longer qualifies for an exception to the Jury Service Program. In either event, CONTRACTOR shall immediately implement a written policy consistent with the Jury Service Program. COUNTY may also require, at any time during this CONTRACT and at its sole discretion, that CONTRACTOR demonstrate to COUNTY's satisfaction that CONTRACTOR either continues to remain outside of the Jury Service Program's definition of "CONTRACTOR" and/or that CONTRACTOR continues to qualify for an exception to the Jury Service Program.

- d. CONTRACTOR's violation of this Section of this CONTRACT may constitute a material breach of this CONTRACT. In the event of such material breach, COUNTY may, in its sole discretion, suspend or terminate this CONTRACT and/or bar CONTRACTOR from the award of future COUNTY contracts for a period consistent with the seriousness of the breach.

I. CONTRACTOR's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. A. Service Fee Schedule

CONTRACTOR shall charge Service Fees (Customer Service Fees and County Service Fees) in amounts less than or equal to the Service Fees set forth in the Service Fee Schedule in Attachments 7-2 and 7-3 of this Exhibit.

1. Time, Conditions, Changes

a. Annual Adjustments

(1) Automatic (Indices):

Beginning at least 6 months after the Commencement Date, Director will automatically adjust the Consumer Price Index (CPI), Department of Energy (DOE) Compressed Natural Gas (CNG), or Energy Information Agency (EIA) Liquefied Natural Gas (LNG) components of the Service Fee each July 1 in accordance with subsections A1 a(3), B, C and D.

(2) Requested (Disposal and Diversion):

Beginning at least 12 months after the Commencement Date, Director will adjust the Disposal and Diversion components of the Service Fee each July 1 in accordance with subsection A1a (3) and E in the following events:

- CONTRACTOR requests adjustment of those components by Notice to Director together with documentation satisfactory to Director by March 1 of each year, and
- COUNTY initiates an adjustment of those components by Notice to CONTRACTOR together with documentation satisfactory to Director by March 1 of each year.

(3) Changes:

Director will adjust the Service Fee for the following changes, if any:

- **Indices (After 6 Months):** Annual changes, if any, in the following indices, as applicable, defined in Attachment 5-10A:

- CPI: Consumer Price Index (CPI),
- **DOE CNG:** of Energy (DOE) Compressed Natural Gas (CNG), or
- **EIA LNG:** Energy Information Agency (EIA) Liquefied Natural Gas (LNG)

in accordance with the Service Fee adjustment protocol in subsections B, C, and D; or

- **Disposal Tipping Fees (after 12 Months):** Annual change, if any, in CONTRACTOR's Direct Costs of Refuse Disposal, such as changes in publicly-posted tipping fees, on January 1 at the Solid Waste Facility it has designated in Contractor Documentation, Exhibit 3D, and any other supporting documentation, submitted to Director by March 1; or
- **Disposal or Diversion of Green Waste (after 12 Months):** Annual changes in CONTRACTOR's costs of Disposal or Diversion of Green Waste, such as public tipping fees, on January 1 from the Solid Waste Facility it has designated in Contractor Documentation in Exhibit 3D, and any other supporting documentation, submitted to Director by March 1.

(1) Changes in Law

Change in CONTRACTOR's Direct Costs of providing Contract Services due to Changes in Law. Any adjustment in the Service Fee due to a Change in Law by the State is not included in the Maximum Rate Adjustment in subsection 4.

(2) Changes in Scope of Service

Up to ten percent of CONTRACTOR's Direct Costs of providing Contract Services due to changes in Contract Services or Standards.

If CONTRACTOR and Director disagree on the adjustment of Service Fees due to Changes in Law, or changes in Contract Services or Standards, COUNTY will have the option to terminate this CONTRACT in accordance with Part 6D of Exhibit 5.

c. No Adjustment

Service Fees will not be adjusted:

- Within six or twelve months of the Commencement Date with respect to item A1a(1) and items A1a (2-3) respectively.
- During any of the six possible one-month extensions under item A3 of Section 2.
- If there are any uncured Breaches.
- For Changes other than changes explicitly listed in preceding subsections a and c, including for actual changes in the price of fuel.

d. Sample Calculation

A sample calculation is attached in Attachment 7-1 of this Exhibit.

2. Rounding

All calculations are rounded to the nearest 1/100th decimal place (for example, 10.9656 percent to 10.97 percent, or 10.9637 percent to 10.96). The decimal 5 is rounded up (for example, 10.965 percent to 10.97 percent). Adjustments in Service Fees are rounded to the nearest penny (for example, \$25.34).

3. Weighted Adjustment

a. Serviced Fee Components

The monthly Service Fees for Contract Services will be divided into the following cost components and adjusted by these percentages:

Labor (and other general costs of Contract Services)	65%
Fuel	5%
Refuse Disposal	20%
Green Waste	10%
Organics Disposal and Diversion:	0%
• Green Waste	
• Food Waste	
Food Waste Diversion-only	0%
Recyclables Diversion	0%

A sample calculation is attached in Attachment 7-1 of this Exhibit.

b. *Modifications in Weight of Disposal/Diversion Components*

COUNTY acknowledges that CONTRACTOR's costs of providing Disposal and Diversion may change significantly. Before each July 1, Director will review Service Fees under its contracts that are substantially like this CONTRACT, including contracts for Residential Collection service with Carts. In its sole discretion, COUNTY may adjust (or refrain from adjusting) the following components' related percentage:

- **Refuse Disposal** percent, and
- **Green Waste Diversion** percent.

For example, if Green Waste Diversion costs rise, the Director might make the following adjustments:

- Increase Green Waste Diversion percentage from 10 percent to 12 percent for both the Santa Monica Mountains and Avocado Heights even though those costs were different in the two Service Areas; and
- Correspondingly decrease the Disposal percent from 20 percent to 18 percent.

Director will not make an adjustment solely to this CONTRACT but not in other, similar contracts.

Director will not modify the weighted 65 percent labor or 5 percent fuel components of the Service Fee.

A sample modification is attached to this Exhibit as Attachment A3(4).

4. Maximum Rate Adjustment

Cumulative adjustments to the Service Fees cannot exceed the percentages in the following table, except for changes due to acts of the State:

Contract Period (on July 1) *	Maximum Cumulative Adjustment**
Years 0 to 1 (Commencement Date to the first July 1)	0 percent
Years 2 to 7 (The first July 1 to the scheduled Termination Date under Section 2)	35 percent
Years 8 to 9 / Extension No. 1, if any	45 percent

(July 1 of any first 2-year extension to June 30 on the extended Termination Date)	
Years 10 to 11 / Extension #2, if any (July 1 of any 2-year extension to June 30 further extended Termination Date)	55 percent
Any time (Changes in direct costs due to Change In Law by the State)	Actual Direct Costs
Six 1-month extensions, if any	No Change

- * Rate adjustments due to Changes in Laws or Contract Services under subsection A1 above may be implemented at any time during the Term.
- ** Any change in Service Fees for direct costs due to Changes in Law promulgated by the State are not included in the percentage calculations of the Maximum Cumulative Service Fee Adjustment. They are added to the percentage calculations.

For example, during the first seven years of the CONTRACT, the Service Fee could increase 35 percent plus an allocable amount due to an increase of \$4 per Ton on the State-mandated Disposal fee.

5. Customer 30-Day Notice

CONTRACTOR shall provide all Customers a minimum of 30-days written Notice of the implementation of changes in any Customer Service Fees.

6. Adjustment Limitations

No adjustment will be effective until Notice thereof has been provided to the Board of Supervisors. Service Fees will be adjusted only if there are no uncured Breaches.

While COUNTY will automatically adjust the CPI and fuel components, adjustments to the Disposal and Diversion components requires the submittal of documentation by March 1 of each year. Failure to submit data will result in no adjustment to either the Disposal or Diversion components, or both.

Service Fees will not otherwise be adjusted, including for actual changes in the price of fuel or increases in Disposal tipping fees other than as described in the preceding items of this item B1 of this Exhibit.

If CONTRACTOR and Director fail to reach CONTRACT to adjust the Service Fees because of Changes in Law or changes in Contract Services or Standards described below, COUNTY will have the option to terminate this CONTRACT in accordance with Part 6D of Exhibit 5.

7. Services Eligible for Adjustment

a. *Customer Service Fee (CPI, Fuel, and Disposal/Diversion)*

Use methodology in items C, D, E, and F of Exhibit 7.

b. *Bear-Resistant Cart Fee (CPI)*

Use methodology in item C of Exhibit 7.

c. *Locking Recyclables Cart Fee (CPI)*

Use methodology in item C of Exhibit 7.

d. *Recyclables*

There is no adjustment for Recyclables at this time. However, Director may include a Director determined adjustment at any time in the future, at Director's sole discretion. A reason for an adjustment may include a significant change in the value of a commodity such as mixed paper.

e. *County Service Fee (Task 2)*

Use methodology in items C, D, E, and F of Exhibit 7.

B. This item is no longer used

C. Service Fee Adjustment for Annual Increase or Decrease in CPI

Beginning on or after six months have elapsed from the Commencement Date to July 1 of the current year, the CPI component of the Service Fee will be adjusted by 75 percent of the percent change, if any, between the following:

- The monthly average CPI during the 12-month period commencing March 1 of the previous year to the last day of February of the current year, and
- The monthly average CPI during the 12-month period commencing March 1 of the next previous year to the last day of February of the previous year.

For example, a contract that started April 1, 2018, will not be eligible for a rate adjustment for CPI on July 1, 2018. On July 1, 2019, the rate adjustment would compare March 1, 2018 through February 28, 2019, to March 1, 2017, through February 28, 2018.

However, under COUNTY regulations, any percentage change shall not exceed the general salary movement granted to COUNTY employees as determined by COUNTY's Chief Administrative Office as of July 1 for the prior Fiscal Year. Furthermore, should fiscal circumstances ultimately prevent the Board from

approving any change in COUNTY employee salaries; no cost-of-living adjustment will be granted.

D. Service Fee Adjustment for Annual Increase or Decrease in Fuel

A minimum of 6 months must elapse between Commencement Date and July 1 of the current year. The DOE CNG component of the Service Fee adjustment will apply only to the percentage of Vehicles in a fleet that use compressed natural gas. The adjustment of the DOE LNG component will apply only to the percentage of Vehicles in a fleet that use CNG or LNG. The adjustment of the DOE Diesel component will apply only to the percentage of Vehicles in a fleet that uses diesel.

1. Adjustment Due to Change in DOE CNG

The CNG Fuel Component of the Service Fees will be adjusted by the percent change, if any, between the following:

- The DOE CNG quarterly averages commencing in January of the prior year and ending in December of the prior year (averages for the fourth quarter are not available early enough to be used), and
- The DOE CNG quarterly averages commencing January of the previous year through December of the prior previous year.

2. Adjustment Due to Change in Energy Information Administration (EIA) LNG

The EIA LNG Fuel Component of the Service Fees will be adjusted by the percent change, if any, between the following:

- The EIA LNG monthly average during the 12-month period commencing March 1 of the previous year to the end of February of the current year, and
- The EIA LNG monthly average during the 12-month period commencing March 1 of the prior previous year to the end of February of the previous year.

3. Adjustment Due to Change in DOE Diesel

Beginning on July 1 in the second Calendar Year after commencement of Collection and thereafter on each succeeding July 1, the Diesel Fuel Component will be adjusted by the percent change, if any, between the following:

- The DOE Diesel during the 12-month period commencing April 1 of the previous year to March 31 of the current year, and
- The DOE Diesel during the 12-month period commencing April 1 of the next previous year to March 31 of the previous year.

For example, a contract that started April 1, 2018, will not be eligible for a rate adjustment for CNG on July 1, 2018. On July 1, 2019, the rate adjustment would compare:

- January 2018 through December 2018, and
- January 2017 through December 2017.

The rate adjustment for LNG would also not be eligible on July 1, 2018. On July 1, 2019, the rate adjustment would compare:

- March 1, 2018 through February 28, 2019, and
- March 1, 2017 through February 28, 2018.

E. Service Fee Adjustment for Changes in Refuse Disposal and Green Waste Diversion Facility Fees

The Disposal and Diversion Components of Net Service Fees will be adjusted for any change in Refuse Disposal and Green Waste Diversion tipping fees charged CONTRACTOR by the Solid Waste Facility designated by CONTRACTOR in Contractor Documentation in Exhibit 3D. A minimum of 12 months must elapse between Commencement Date and July 1 of the current year. Changing Director may conditionally approve changing the Solid Waste Facilities to a more expensive facility by not allowing the increased cost to be passed down to the Customer.

1. Facilities Open to Public

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjustment by the percent change, if any, between the following:

- The Refuse Disposal and Green Waste Diversion posted tipping fees on January 1 of the current year, and
- The Refuse Disposal and Green Waste Diversion posted tipping fees on January 1 of the previous year.

2. Facilities Not Open to Public

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjustment by the percent change, if any, between the following:

- The cost for Refuse Disposal and Green Waste Diversion on January 1 of the current year, and
- The cost for Refuse Disposal and Green Waste Diversion on January 1 of the previous year.

CONTRACTOR must substantiate to the satisfaction of Director changes in tipping fees CONTRACTOR is paying at the Solid Waste Facility by

submitting before March 1, monthly invoices from the Solid Waste Facility, showing the total Tons and rate paid for Disposal/Diversion.

- If CONTRACTOR owns the Solid Waste Facility, it must show the posted gate rate paid by the public that has no financial agreement with CONTRACTOR, by contract or letter-of-agreement, unless there is no posted gate rate.
- If CONTRACTOR owns the Solid Waste Facility but has no posted gate rate, CONTRACTOR must substantiate changes in tipping fees by submitting other documentation acceptable to Director.

If CONTRACTOR does not substantiate to the satisfaction of Director that CONTRACTOR is experiencing that change in tipping fees, the Disposal/Diversion Component will not be adjusted.

For example, CONTRACTOR may own the Solid Waste Facility it designated for Disposal and consequently internalize Disposal costs at the Solid Waste Facility. The costs however must be adequately explained.

3. Transfer (Trans) Loading Plus Disposal/Diversion Elsewhere

The Refuse Disposal and Green Waste Diversion components of the Service Fees will be adjusted by the percent change, if any, between the following:

- The cost for Refuse and Green Waste Transferring, transporting, and Disposal/Diversion on January 1 of the current year, and
- The cost for Refuse and Green Waste Transferring, transporting, and Disposal/Diversion on January 1 of the previous year.

CONTRACTOR must substantiate to the satisfaction of Director fees CONTRACTOR is paying by submitting before March 1, invoices from the Solid Waste Facility, showing the total Tons and rate paid for Transfer loading, expenses for transporting to another facility, Disposal/Diversion at another facility, and any other documentation to support expenses. If CONTRACTOR does not substantiate to the satisfaction of Director that CONTRACTOR is experiencing that change in tipping fees, the Disposal/Diversion Component will not be adjusted.

For example, CONTRACTOR may be paying the Solid Waste Facility \$10 per Ton to a Materials Recovery Facility but will have additional expenses to transport the Refuse to another facility, plus the expense for Disposal at the second facility.

F. Future Service Fee Adjustment Components

As of the Commencement Date, certain expenses in item P of Exhibit 31A are zero because CONTRACTOR does not incur them. The weighted adjustments in

subsection B3 above may be changed if CONTRACTOR incurs those expenses after the Commencement Date. For example, as of the Commencement Date CONTRACTOR has no expenses for Food Waste Collection as shown by zero in item P of Exhibit 3A1. If COUNTY converts the Green Waste Container to an Organics Container for both Green Waste and Food Waste, or adds a separate Food Waste Container, those negotiated expenses discussed would no longer be zero.

G. No Longer Used

H. Temporarily Discontinued Indices

If a price or index is temporarily discontinued on the date of adjustment, the last available price or index for the required period (such as Calendar Year or another 12-month period) will be used.

ATTACHMENT 7-1 – Service Fees Adjustment Example**A. Annual increase or decrease in CPI Example (C of Exhibit 7)****Table 1–Adjustment Due to Change in CPI**

Calculate percent change in CPI (12-month average, not month-to-month)	03/01/15-02/29/16	221.64
	03/01/16-02/28/17	228.59
	Percent change	3.14% (not more than COUNTY salary increase)

B. Annual increase or decrease in Fuel Example (D of Exhibit 7)**Table 2A–Adjustment Due to Change in DOE CNG**

Calculate percent change in DOE CNG (average of quarters in year – which may vary, not quarter-to-quarter)	January, April, July, and October 2015	$(2.26+1.99+2.02+2.21)/4 = 8.48/4 = 2.12$
	January, April, July, and October 2016	$(2.29+2.33+2.44+2.35)/4 = 9.41/4 = 2.35$
	Percent Change	$(2.35-2.12)/2.12 = 0.23/2.12 = 0.1085=10.85\%$
Adjustment to CNG Fuel Component (% Fleet)	40% of fleet uses DOE CNG (Fleet=4 CNG Vehicles, 6 LNG Vehicles)	$0.40 \times 10.85\% = 4.34\%$

Table 2B - Adjustment Due to Change in EIA LNG

Calculate percent change in EIA LNG (12-month average, not month-to-month)	03/01/15-02/29/16	121.63
	03/01/16-02/28/17	153.01

How was the new waste hauler selected?

The County utilizes a competitive process in selecting a waste hauler. Invitations are sent to all permitted waste haulers to submit proposals. The proposals are then evaluated based on specified criteria such as proposed rate, work plan, experience, financial strength, and other factors. Beginning on (DATE OF FIRST DAY OF SERVICE), the rates will be \$XX.XX per month for basic service and \$XX.XX per month with senior discount (for qualifying seniors). These rates will be fixed for at least the first year of service.

What if I have questions?

La Ley Estipula:

To conserve diminishing landfill space and natural resources, California adopted Assembly Bill 341, which sets a Statewide recycling goal of 75% and mandates recycling in the commercial sector. Effective July 1, 2012, businesses that produce at least 4 cubic-yards of trash a week must participate in recycling through one of the following:

- Subscribe to service that collects recyclables separately
- Send materials to a mixed waste processing facility that diverts recyclables
- Self-haul your own recyclables

Para ahorrar espacio en las vertederos y conservar recursos naturales, California ha aprobado la propuesta de la asamblea 341, la cual establece una meta a lo largo del estado de reciclaje del 75% para el sector comercial. A partir del primero, de julio del 2012, todas las unidades, multi familiares (de más de cinco unidades) deben contar con un programa de reciclaje a través de una de estas opciones:

- Contratar un servicio que recoge reciclables por separado
- Enviar los reciclables a una empresa que acepte basura mezclada y separe los reciclables, o
- Transportar sus propios reciclables
