REQUEST FOR PROPOSALS

SECTION 1

INTRODUCTION

A. Proposers' Conference

Each Proposer or an authorized representative must attend a Proposers' Conference to be held at the place, date, and time announced in the Notice of Request for Proposals. **ALL INTERESTED PROPOSERS OR THEIR AUTHORIZED REPRESENTATIVE MUST ATTEND THIS CONFERENCE.** Proposals received from Proposers not signed in as attending this Conference will be rejected as nonresponsive. Proposers are encouraged to be prepared to ask questions concerning the Request for Proposals (RFP) contract requirements, specifications, terms, and conditions. For example, questions may address concerns, if any, that the application of minimum requirements, evaluation criteria, and/or business requirements would unfairly disadvantage proposers or, due to unclear instructions, may result in Public Works not receiving the best possible responses from proposers. Upon conclusion of the Proposers' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum(s) to all who attended the Conference.

B. Contract Analyst

All contact regarding this RFP or any matter relating thereto must be in writing and may be mailed, e-mailed, or sent via facsimile to:

County of Los Angeles Department of Public Works
Administrative Services Division – 9th Floor
Attention Ms. Lorena Calderon
P.O. Box 1460
Alhambra, California 91802-1460

E-mail: lcalderon@dpw.lacounty.gov
Telephone: (626) 458-4169
Facsimile: (626) 458-4194

If it is discovered that a Proposer contacted and received material information from any County personnel, other than the contract analyst named in the Notice of Request for Proposals and above, regarding this solicitation, the County, in its sole determination, may disqualify their proposal from further consideration.

C. Proposal Requirements and Contract Specifications

1. Persons who wish to contract with the County may respond to this RFP by submitting a proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.
2. Requirements for proposals are explained in Part I of this RFP.
3. The Contract Specifications are fully described in Part II, Sample Agreement; Exhibit A, Scope of Work; and Exhibit B, Service Contract General Requirements. Proposers are also requested to review Attachment 1, Policy on Doing Business with Small Business; Attachment 2, Debarred Vendors Report; and Attachment 3, County of Los Angeles Lobbyist Ordinance.
4. Dates and times of the Proposers' Conference and for the submission of proposals are set forth in the Notice of Request for Proposals.

D. Interpretation of Request for Proposals

The definitions and other rules of interpretation set forth in Part II, Sample Agreement and Exhibit B, Section 1, Interpretation of Contract, also apply to interpretation of this RFP.

E. Vendor Registration

Proposers must register on-line with the County's web-based vendor registration system to facilitate the contract award process. Registration is accessible through the "Doing Business with Us" link on the County's Internet Home Page at www.lacounty.info.

F. Greater Avenue for Independence/General Relief Opportunity for Work Program

As a threshold requirement for consideration for contract award, Proposer shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunity for Work (GROW) programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening. Additionally, Proposer shall attest to a willingness to provide employed GAIN/GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award. Proposers shall certify compliance on Form PW-10, GAIN/GROW Employment Commitment.

G. Child Support Compliance Program

Proposers shall fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees, comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment, and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract or initiation of debarment proceedings against the noncompliant contractor (County Code Chapter 2.202).

H. Jury Service Program

1. The resultant Contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in the Sample Agreement (Part II, Exhibit B, Service Contract General Requirements, Section 7, Contractor Employee Jury Service Program). The Jury Service Program applies to both Contractors and their Subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires Contractors and their Subcontractors to have and adhere to a written policy that provides that its employees shall receive from the Contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a Contractor, and "full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the Proposer has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury Service Program applies to all of a Contractor's full-time California employees, even those not working specifically on the County project. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program.
3. There are two ways in which a Contractor might not be subject to the Jury Service Program. The first is if the Contractor does not fall within the Jury Service Program's definition of "Contractor." The Jury Service Program defines "Contractor" to mean a person, partnership, corporation, or other entity which has a Contract with the County or a Subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County Contracts or

Subcontracts. The second is if the Contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to Contractors that have: 1) ten or fewer employees; and 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this Contract, is less than \$500,000; and 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to Contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The Contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.

4. If a Contractor does not fall within the Jury Service Program's definition of "Contractor" or if it meets any of the exceptions to the Jury Service Program, then the Contractor must so indicate in the Contractor Employee Jury Service Program Application for Exception and Certification Form (Form PW-3) and include with its submission all necessary documentation to support the claim, such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the Contractor's application, the County will determine, in its sole discretion, whether the Contractor falls within the definition of "Contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

I. Proposer's Charitable Contributions Compliance

California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates receiving and raising charitable contributions. Among other requirements, those subject to the Charitable Purposes Act must register. The 2004 Nonprofit Integrity Act (SB 1262, Chapter 919) increases Charitable Purposes Act requirements. New rules cover California public benefit corporations, unincorporated associations, trustee entities, and may include similar foreign corporations doing business or holding property in California. Key Nonprofit Integrity Act requirements affect executive compensation, fund-raising practices, and documentation. Charities with over \$2 million of revenues (excluding funds that must be accounted for to a governmental entity) have new audit requirements.

All prospective contractors must determine if they receive or raise charitable contributions which subject them to the Charitable Purposes Act and complete the certification form attached as Form PW-12. A completed Form PW-12 is a required part of any agreement with the County.

In Form PW-12, prospective contractors certify either that:

1. They have determined that they do not now receive or raise charitable contributions regulated under the California Charitable Purposes Act

(including the Nonprofit Integrity Act) but will comply if they become subject to coverage of those laws during the term of a County contract; or

2. They are currently complying with their obligations under the Charitable Purposes Act, attaching a copy of their most recent filing with the Registry of Charitable Trusts.

Prospective County contractors that do not complete Form PW-12 as part of the solicitation process may, in the County's sole discretion, be disqualified for contract award. A County contractor that fails to comply with its obligations under the Charitable Purposes Act is subject to either contract termination or debarment proceedings or both (County Code Chapter 2.202).

J. Notification to County of Pending Acquisitions/Mergers by Proposing/Bidding Company

The Proposer shall notify the County of any pending acquisitions/mergers of their company. This information shall be provided by the Proposer on Form PW-1, Verification of Proposal. Failure of the Proposer to provide this information may eliminate its proposal/bid from any further consideration.

K. Transitional Job Opportunities Preference Program

In evaluating proposals, the County will give preference to businesses that are certified by the County as Transitional Job Opportunity vendors, consistent with Chapter 2.205 of the Los Angeles County Code. A Certified Transitional Job Opportunity vendor is, and has been such for three years, an entity: that is a nonprofit organization recognized as tax exempt pursuant to section 501 (c) (3) of the Internal Revenue Services Code; set forth, under penalty of perjury, such information as requested by the County on either electronic or hard copy forms, along with their application form and three most recent annual tax returns to Public Works with their proposal response to contracting solicitation for which they are competing; has been in services to program participants; and provided a profile of their program a description of their program components designed to assist program participants, number of past program participants, and any other information requested by Public Works. Transitional Job Opportunities vendors must request the preference in their solicitation responses (Form PW-13) and may not receive the preference until their certification has been affirmed by Public Works. County must verify the Transitional Job Opportunity vendor certification prior to applying the preference. Sanctions and financial penalties may apply to a vendor that knowingly and with intent to defraud seeks to obtain or maintain certification as a Transitional Job Opportunities vendor.

L. Local Small Business Enterprise Preference Program

1. In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. Proposers who wish to be considered for this preference should do so by using the Request for Local SBE Preference Program Consideration and CBE Firm/Organization Information Form (Form PW-9). A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by the Office of Affirmative Action Compliance (OAAC) as meeting the requirements with OAAC set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. The County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE. Additional information can be found at <http://oaac.co.la.ca.us/contract/sbemain.html> or by calling (213) 974-0972.
2. Information about the State's small business enterprise certification regulations is contained in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Website at <http://www.pd.dgs.ca.gov/smbus/default>.

SECTION 2

Delayed and missed deadlines for submission of proposals not delivered in strict compliance with this RFP shall be the sole responsibility of the Proposer, not of the County, Public Works, or any Special District.

SECTION 3

GENERAL CONDITIONS OF REQUEST FOR PROPOSALS

A. Knowledge of Work to be Done

By submitting a Proposal, Proposers shall be held to have carefully read this RFP, all attachments, and exhibits; satisfied themselves before the delivery of their Proposal as to their ability to meet all of the requirements and difficulties attending the execution of the proposed work; and agreed that if awarded a contract, no claim will be made against the County based on this RFP, including, without limitation, claims based on any ambiguity or misunderstanding. Furthermore, the Proposer has carefully examined the location(s) of the proposed work, and is familiar with all of the physical and climatic conditions, and makes this Proposal solely upon the Proposer's own knowledge. The Proposer has carefully examined these Specifications, both in general and in detail, any drawings attached, and any additional communications sent and makes this Proposal in accordance therewith. If Proposer's Proposal is accepted, the Proposer will enter into a written contract with the County for the performance of the proposed work and will accept in full payment for work actually done at the prices shown in Form PW-2, Schedule of Prices. It is understood and agreed that the quantities set forth in Form PW-2, Schedule of Prices and this RFP are only estimates, and the unit prices will apply to the actual quantities, whatever they may be.

B. Withdrawal of Proposals

Proposers may withdraw their Proposal anytime before the date and hour set for submission set forth in the Notice for Request for Proposals upon presentation of a written request to the Director signed by an authorized representative of the Proposer or by the person filing the Proposal.

C. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer will render their Proposal irregular and may cause its rejection as nonresponsive.

D. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 180 days following the deadline for submission of Proposals.

E. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals that, in the judgment of the Board/Director, are not in the best interests of the County/Public Works/Special Districts. In the event of any such rejection, the County will not be liable for any costs incurred in connection with the preparation and submittal of a Proposal.

Proposals signed by an agent other than the president and secretary of a corporation or a member of a general copartnership must be submitted with a power of attorney or corporate resolution, certified by the secretary or assistant secretary, authorizing such signature; otherwise, the Proposal may be rejected as unauthorized and nonresponsive.

No Proposal will be considered unless the Proposer submits a Proposal for all requested items. If the solicitation document requests multiple quotations, no Proposal will be considered unless the Proposer submits a price on all items within each category; however, the solicitation document may not require the Proposer to submit a price on all of the categories.

F. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out the intended contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to, information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility and/or nonresponsiveness with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be cause for rejection of the Proposal on the basis of nonresponsiveness and/or nonresponsibility.

G. Proposer's Safety Record

A review of the Proposer's safety record will be made before the award. Proposers are required to submit this information, with their Proposal, on the Contractor's Industrial Safety Record form provided. Nonsubmission or an adverse finding as to the Proposer's safety record may be cause for rejection of the Proposal on the basis of nonresponsiveness and/or nonresponsibility.

H. Wages, Materials, and Other Costs

It is the responsibility of the Proposer to calculate the Proposal price to take into consideration a possible escalation of wages, materials, and other costs during the contract period. The Board, County, Public Works, District(s), or Director make no representations regarding future costs or the rate of wages that may become necessary to pay employees of the contractor for the work performed during the contract period.

I. Qualifications of Subcontractors

Proposers shall list all subcontractors to be used on the List of Subcontractors (Form PW-8). The use of subcontractors shall be subject to Public Works' approval. Subcontractors shall be properly licensed under the laws of the State of California for the type of work which they are to perform. Alternate subcontractors shall not be listed for the same work.

J. Opening of Proposals

Proposals will not be publicly opened.

K. Disqualification of Proposers

More than one Proposal from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that any Proposer has an interest in more than one Proposal for the work contemplated may cause the rejection of all Proposals in which such Proposer has interest. If there is reason for believing that collusion exists among the Proposers, such collusion by the participants may be cause for the rejection of their proposals or future proposals on the basis of nonresponsiveness and/or nonresponsibility.

L. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered, the unit price and the corrected total amount will be considered as representing the Proposer's intentions. If the total amount is entered for the item, but not the unit price, the unit price will be that which is derived by dividing the total amount proposed for the item by the number of units in the item as representing the Proposer's intentions. If the items are incorrectly calculated, the corrected total will be considered as representing the Proposer's intentions.

M. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of the contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, plainly marked as "trade secret," and deemed excluded from disclosure under the California Public Records Act. Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

N. County Lobbyists

Each County lobbyist, as defined in the Los Angeles County Code Section 2.160.010, retained by Proposer submitting a response to this RFP shall be in full compliance with Chapter 2.160 of the Los Angeles County Code. The Proposer's signature on the Proposal is its certification that it is in full compliance with Chapter 2.160. Failure on the part of any County lobbyist retained by Proposer to fully comply with the County Lobbyist Ordinance may be cause for rejection of the Proposal on the basis of nonresponsiveness and/or nonresponsibility. (Attachment 3)

O. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of the proposed contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee, or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

A proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such a solicitation may result in the Proposer's submission being rejected on the basis of nonresponsiveness and/or nonresponsibility. Among other items, such improper consideration may take the form of cash; discounts; services; and the provision of travel, entertainment, or tangible gifts.

P. Determination of Proposer Responsibility

1. A responsible Proposer is a Proposer who has demonstrated the attribute of trustworthiness as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed contract. It is the County's policy to conduct business only with responsible contractors.
2. Proposers are hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may determine whether the Proposer is responsible based on a review of the Proposer's performance on any contracts, including, but not limited to, County contracts. Particular attention will be given to violations of labor laws related to employee compensation and benefits and evidence of false claims made by the Proposer against public entities. Labor law violations which are the fault of

subcontractors and of which the Proposer had no knowledge shall not be the basis of a determination that the Proposer is not responsible.

3. The County may declare a Proposer to be nonresponsible for purposes of the proposed contract if the Board of Supervisors, in its discretion, finds that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; or (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same; or (3) committed an act or omission which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence, which is the basis for Public Works' recommendation.
5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.
6. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

Q. Proposer Debarment

1. The Proposer is hereby notified that, in accordance with Chapter 2.202 of the County Code, the County may debar the Proposer from bidding or proposing on, or being awarded, and/or performing work on other County contracts for a specified period of time, which generally will not exceed five years but may exceed five years or be permanent if warranted by the circumstance, and the County may terminate any or all of the Proposer's existing contracts with County, if the Board finds, in its discretion, that the Proposer has done any of the following: (1) violated a term of a contract with the County or a nonprofit corporation created by the County; (2) committed an act or omission which negatively reflects on the Proposer's quality, fitness, or capacity to perform a contract with the County or any other public entity, or a nonprofit corporation created by the County or engaged in a pattern or practice which negatively reflects on same;

- (3) committed an act or offense which indicates a lack of business integrity or business honesty; or (4) made or submitted a false claim against the County or any other public entity.
2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence, which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
 3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a tentative proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. The Proposer and Public Works shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board.
 4. After consideration of any objections, or if no objections are received, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
 5. If a Proposer has been debarred for a period longer than five years, that Proposer may, after the debarment has been in effect for at least five years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Proposer has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
 6. The Contractor Hearing Board will consider requests for review of a debarment determination only where (1) the Proposer has been debarred for a period longer than five years; (2) the debarment has been in effect for at least five years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be

conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedure as for a debarment hearing.

The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. The Contractor Hearing Board shall present its proposed decision and recommendation to the Board. The Board shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.

7. These terms shall also apply to proposed subcontractors of Proposer on County contracts.

R. Safely Surrendered Baby Law

The Proposer shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby. The fact sheet is set forth in Part II, Exhibit D of this solicitation document and is also available on the Internet at www.babysafela.org for printing purposes.

SECTION 4

EVALUATION OF PROPOSALS; AWARD AND EXECUTION OF CONTRACT

A. Final Contract Award by Board

Notwithstanding a recommendation by Public Works, the Board retains the right to exercise its judgment concerning the selection of a proposal, the terms of any resultant agreement, and to determine which proposal best serves the interests of the County. The Board is the ultimate decision-making body and makes the final determinations necessary to arrive at a decision to award, or not award, a contract.

B. Evaluation of Proposals

1. All responses to this RFP become the property of the County. Upon evaluation of Proposals in accordance with the evaluation criteria set forth below, Public Works may recommend the award of a Contract to one or more of those submitting Proposals. The proposed Contract may be submitted to the Director or Board for consideration and possible approval.
2. The County may require whatever evidence it deems necessary relative to the Proposer's financial stability.
3. The County reserves the sole right to judge the Proposer's written and oral representations.
4. The County may make on-site inspections of Proposer's current jobs.
5. The County, in its sole discretions, may elect to waive any informality in a proposal if the sum and substance of the proposal is present.
6. The County may utilize the services of appropriate experts to assist in the evaluation process.

C. Initial Review

Proposals will first be reviewed on a Pass/Fail basis. Proposals not meeting all of these requirements may be rejected as nonresponsive:

1. Proposer shows an ability to meet insurance requirements, outlined in Exhibit B, Section 5, Indemnification and Insurance.
2. Proposer and any subcontractors have met the GAIN/GROW requirements (Form PW-10).
3. Proposer and any subcontractors have completed and submitted the Charitable Contributions Certification (Form PW-12).

4. Proposer and any subcontractors have submitted the Jury Service Program Application for Exception and Certification Form (Form PW-3) stating that they accept and will comply with the program requirements or establishing their entitlement to an exception to the program.
5. Proposer and any subcontractors have completed and signed all appropriate forms, and Proposer has completed and signed Form PW-2, Schedule of Prices.
6. Proposer has submitted appropriate Specialty Contractors Class C license and EPA Universal Certification in Refrigerant Transition and Recovery from the State of California State required to perform the service. A subcontractor's license and certification will not be accepted to perform HVAC services.

Proposers who do not possess the required licenses at the proposal deadline date will be immediately disqualified as nonresponsive.

7. Proposer is signed in as attending the Proposers' Conference.
8. Proposal was time stamped by the Cashier prior to the deadline for submission of the Proposal.

D. Evaluation Criteria

Proposals passing the first step will be evaluated based on the following criteria:

1. Proposed Price (65 points)

The proposed price should accurately reflect the Proposer's cost of providing the required services and any profit expected during the contract term. The lowest Total Proposed Annual Price quoted in the Schedule of Prices (Form PW-2) will receive the full weight of this evaluated item (65 points). Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposer's Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion (65 points). The Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a contract.

- Should one or more of the proposers qualify for the Transitional Job Opportunities Preference (Form PW-13), the price component points will be determined as follows: Five percent of the lowest price proposed will be calculated, and that amount will be deducted from the prices submitted by all proposers who requested and were granted the Transitional Job Opportunities Preference. The Transitional Job Opportunities Preference will not reduce or change a proposer's payment, which will be based on the proposer's bid amount.

- Should one or more of the proposers qualify for the Local SBE Preference (Form PW-9), the price component points will be determined as follows: Five percent of the lowest price proposed will be calculated, which shall not exceed \$50,000, and that amount will be deducted from the prices submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference. The Local SBE Preference will not reduce or change a proposer's payment, which will be based on the proposer's bid amount.

2. References (10 points)

Public Works will check at least three of the Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided to County departments. Proposer's references for all contracts with the County during the previous three years must be listed. Public Works reserves the right to utilize any reference of Proposer, County, or other, listed or not listed. In addition to the references provided, a review will include the County's Contract Database, if applicable, reflecting past performance history on County contracts, and an evaluation of any terminated contract(s). Significant unacceptable weakness in references may result in a low or zero score. Additionally, a Proposer's unacceptable performance on another County contract(s), as documented by either the County's Quality Assurance Plan's annual contractor evaluation or by an unfavorable reference, may result in a low or zero score for this evaluation category. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal as nonresponsive.

References may be contacted by telephone, facsimile, mail, express delivery, or e-mail. It is the Proposer's responsibility to ensure that accurate and timely contact information is included in the proposal. Public Works will ordinarily not make repeated attempts to contact references and will ordinarily not contact the proposer to correct bad phone numbers, etc. It is the Proposer's responsibility to ensure that its references respond promptly to Public Works' requests for information.

3. Experience (10 points)

The evaluators may award a maximum of 10 points for the quality and quantity of experience of the Proposer, its key personnel, and subcontractors in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's description of its capabilities, resumes of key personnel (Part I, Section 2.A.4), and any other relevant information. The evaluators may consider the safety record of the Proposer and any subcontractors to ensure that they have provided services in a safe manner. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this

evaluation category is unacceptable and may result in rejection of the Proposal as nonresponsive.

4. Work Plan (15 points)

Scoring of the Proposer's detailed Work Plan will be based on the extent to which it demonstrates that the Proposer is likely to fulfill the tasks and requirements as set forth in Exhibit A, Scope of Work; demonstrates creativity and innovation that exceed the minimum requirements of the Scope of Work; responds to contingencies and emergencies; renders timely and responsive service to Public Works; and exceeds a workmanlike level of quality in the service and work product produced. The evaluation committee may make this determination from all relevant information presented or obtained, which may include, but is not limited to, Proposer's written Work Plan, staffing plan, schedules, procedures, techniques, and methods that will be employed in meeting the objectives outlined in Exhibit A, Scope of Work. These may include personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification badges, safety, communications, and quality control.

5. Optional Interview

The County may, at its option, invite one or more Proposers to make a presentation and/or participate in an interview before a final selection is made. Evaluation criteria for presentations and interviews are the same as those for written Proposals. A separate score will not be given for a presentation or interview, but the Proposer's performance may be considered as part of the overall evaluation. The evaluators may, in their sole discretion, limit the offer to give a presentation or interview, if any, to the two or more Proposers who receive the highest scores in a preliminary scoring of Proposals in accordance with the evaluation criteria set forth in this Part I, Section 4.D, Evaluation Criteria.

6. Additional Criteria

These criteria are not exclusive. The County reserves the right to apply additional evaluation criteria.

E. Negotiation

The County reserves the right to negotiate the terms, conditions, and price of the Proposal(s), in the sole discretion of the County, to achieve the most beneficial program and price for the County. The County, in its sole discretion, may limit the negotiation, if any, to one or more responsive and responsible Proposers in accordance with the evaluation criteria set forth in this Part I, Section 4.D, Evaluation Criteria. The negotiation with the Proposers will not result in a change in the rating of the Proposers.

F. Award of Contract

The County reserves the right to award up to 2 contracts to proposers whose proposals are rated the highest based on the evaluation criteria outlined in Part I, Section 4.D, Evaluation Criteria. The awardee shall sign and return the agreement within 14 calendar days of its mailing to the awardee for signature by Public Works. The awardee shall submit copies of its proof of insurance coverage (and original performance bond, if required) within 14 days after Board approval of the proposed contract or at least 14 days prior to the proposed contract's start date, whichever occurs last. Work under the proposed contract cannot begin before proof of valid insurance coverage is submitted to Public Works.

SECTION 5

PROTEST POLICY

A. Protest Process

1. Any actual or prospective Proposer may file a protest in connection with the solicitation or award of a Board-approved service contract. The Proposer challenging the decision of Public Works bears the burden of proof in its claim that Public Works committed a sufficiently material error in the solicitation process to justify invalidation of a proposed award.
2. Throughout the review process, the County has no obligation to delay or otherwise postpone an award of contract based on a Proposer protest. In all cases, the County reserves the right to make an award when it is determined to be in the best interest of the County of Los Angeles to do so.

B. Grounds for Review

Unless State or Federal statutes or regulations otherwise provide, the grounds for review of any departmental determination or action should be limited to the following:

- Review of Solicitation Requirements;
- Review of a Disqualified Proposal; and
- Review of Public Works' Proposed Contractor Selection.

C. Solicitation Requirements Review

A person or entity may seek a Solicitation Requirements Review by submitting Form PW-11, Transmittal Form to Request an RFP Solicitation Requirements Review, along with supporting documentation. A Solicitation Requirements Review shall only be granted under the following circumstances:

1. The request for a Solicitation Requirements Review is received by Public Works not more than 10 business days after issuance of the RFP.
2. The request for a Solicitation Requirements Review includes documentation, which demonstrates the underlying ability of the person or entity to submit a proposal.
3. The request for a Solicitation Requirements Review itemizes, in appropriate detail, each matter contested and factual reasons for the requested review.

4. The request for a Solicitation Requirements Review asserts either that:
 - Application of the minimum requirements, evaluation criteria, and/or business requirements unfairly disadvantage the Proposer; or
 - Due to unclear instructions, the process may result in the County not receiving the best possible responses from the Proposers.
5. The Solicitation Requirements Review shall be completed and Public Works' determination shall be provided to the Proposer, in writing, within a reasonable time prior to the proposal due date.

D. Place to Submit Requests for Review

All Requests for Review should be submitted to:

County of Los Angeles Department of Public Works
Administrative Services Division – 9th Floor
Attention Ms. Lorena Calderon
900 South Fremont Avenue
Alhambra, CA 91803
Facsimile: (626) 458-4194

E. Disqualification Review

1. A proposal may be disqualified from consideration because Public Works determined it was a nonresponsive proposal at any time during the evaluation process. If Public Works determines that a proposal is disqualified due to nonresponsiveness, Public Works will notify the Proposer in writing.
2. Upon receipt of the written determination of nonresponsiveness, the Proposer may submit a written request for a Disqualification Review by the date specified. Requests for a Disqualification Review not timely submitted will be denied.
3. A Disqualification Review shall only be granted under the following circumstances:
 - a. The firm/person requesting a Disqualification Review is a Proposer;
 - b. The request for a Disqualification Review is submitted timely; and
 - c. The request for a Disqualification Review asserts that the determination of disqualification due to proposal nonresponsiveness was erroneous (e.g., factual errors, etc.) and provides factual support on each ground asserted as well as copies of all documents and other material that support the assertions.

4. The Disqualification Review shall be completed and the determination shall be provided to the Proposer, in writing, prior to the conclusion of the evaluation process.

F. Proposed Contractor Selection Review

1. Debriefing Process

- a. Upon completion of the evaluation, and prior to entering negotiations with the selected Proposer, Public Works will notify the remaining Proposers in writing that Public Works is entering negotiations with another Proposer. Upon receipt of the letter, the Proposer may request a debriefing within the time specified in the letter. A debriefing will not be provided unless the request is made within the timeframe specified.
- b. The purpose of the debriefing is to compare the Proposer's response to the solicitation document with the evaluation document. The Proposer shall be debriefed only on its response. Because the contract process has not been completed, responses from other Proposers shall not be discussed.
- c. If the Proposer is not satisfied with the results of the debriefing, it may, within five business days of the debriefing, request a review on the grounds and in the manner set forth below for review of Public Works' recommendation for contract award.

2. Proposed Contractor Selection Review

- a. The Proposer may submit a written request for a Proposed Contractor Selection Review if it asserts that its Proposal should have been determined to be the highest-scored Proposal but was not because of one of the following reasons:
 - i. Public Works materially failed to follow procedures specified in the RFP. This includes:
 - (1) Failure to correctly apply the standards for reviewing the Proposal format requirements.
 - (2) Failure to correctly apply the standards and/or follow the prescribed methods for evaluating the Proposals specified in the RFP.
 - (3) Use of evaluation criteria that were different from the evaluation criteria disclosed in the RFP.

- ii. Public Works made identifiable mathematical or other errors in evaluating Proposals, resulting in the Proposer receiving an incorrect score and not being selected as the recommended Contractor.
 - iii. A member of the evaluation committee demonstrated bias in the conduct of the evaluation.
 - iv. Another basis for review as provided by State or Federal law.
- b. Upon completing the Proposed Contractor Selection Review, Public Works will issue a written decision to the Proposer within a reasonable time following receipt of the request for a Proposed Contractor Selection Review, and always before the date the Contract award recommendation is to be heard by the Board. If the Proposer is not satisfied with the results of the Proposed Contractor Selection Review, it may request a review on the grounds and in the manner set forth below for a County Review Panel.

G. County Review Panel Process

- 1. If the Proposer is not in agreement with the results of Public Works' Proposed Contractor Selection Review, the Proposer may submit a written request for a review by a County Review Panel.
- 2. Upon completion of the Panel's Review, the Panel will forward its report to Public Works, which will provide a copy to the Proposer.

**COUNTY OF LOS ANGELES CONTRACTOR EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM**

This contract is subject to the County of Los Angeles Contractor Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All contractors and subcontractors must complete this form to either (1) request an exception from the Program requirements or (2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name:		
Company Address:		
City:	State:	Zip Code:
Telephone Number:		
(Type of Goods or Services):		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (you must attach documentation to support your claim). If the Jury Service Program applies to your business, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, sign and date this form.

Part I: Jury Service Program Is Not Applicable to My Business

☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.

☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

☐ My business is subject to a Collective Bargaining Agreement that expressly provides that it supersedes all provisions of the Program. **ATTACH THE AGREEMENT.**

Part II: Certification of Compliance

☐ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about four percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.
- By simplifying the bid/proposal process.
- By maintaining selection criteria which are fair to all.
- By streamlining the payment process.

WE THEREFORE SHALL:

1. Constantly seek to streamline and simplify our processes for selecting our vendors and for conducting business with them.
2. Maintain a strong outreach program, fully coordinated among our departments and districts, as well as other participating governments to: (a) inform and assist the local business community in competing to provide goods and services; and, (b) provide for ongoing dialogue with and involvement by the business community in implementing this policy.
3. Continually review and revise how we package and advertise solicitations, evaluate and select prospective vendors, address subcontracting, and conduct business with our vendors, in order to: (a) expand opportunity for small business to compete for our business; and, (b) to further opportunities for all businesses to compete regardless of size.
4. Ensure that staff who manage and carry out the business of purchasing goods and services are well-trained, capable, and highly motivated to carry out the letter and spirit of this policy.

County of Los Angeles *Lobbyist Ordinance*

IT'S THE LAW

It may affect you!

Chapter 2.160 of the Los Angeles County Code requires Lobbyists, Lobbying Firms and Lobbyist Employers to register with the Executive Office of the Board of Supervisors. This ordinance imposes extensive reporting requirements on individuals, businesses and other organizations. It places restrictions on the activities of anyone seeking to influence an official action of the County of Los Angeles including actions of the Board of Supervisors or the granting or denial of County contracts, licenses, permits, grants and franchises.

YOU MAY BE CONSIDERED A COUNTY LOBBYIST

If you are compensated to communicate directly (or through agents) with any County official for the purpose of influencing official action, then you may be required to register with the Executive Office of the Board of Supervisors. The requirement to register is the same whether you are an employee of, or on contract with, a firm or organization with business before the County. Additionally, an individual or business entity may be considered a County Lobbying Firm if it receives compensation to influence the County on behalf of any **other** persons or businesses. An individual, business entity or organization that employs or contracts with another individual or firm to represent or make contacts with a County agency on their behalf to influence County action may be considered a County Lobbyist Employer who must also register. If in doubt, it is best to register.

Furthermore, each person or entity who is not otherwise required to register as a County Lobbyist, Lobbying Firm or Lobbyist Employer, but who directly or indirectly expends \$5,000 or more during a calendar quarter to influence official action need not register BUT must report the expenditure to the Executive Office of the Board of Supervisors on a form available from the Executive Office.

REGISTERING IS IMPORTANT

Failure to comply with the ordinance may subject offending Lobbyists, Lobbying Firms, and Lobbyist Employers to **serious penalties including fines up to \$2,000 and denial of contracts, licenses, permits, grants or franchises.** Moreover, some violators may be refused permission to address the Board of Supervisors or any County commission.

HERE'S HOW TO COMPLY WITH THE LAW

Within 10 days of qualifying as a County Lobbyist, Lobbying Firm, or Lobbyist Employer as described in the ordinance, you must register with the Executive Office of the Board of Supervisors.

Registering with the County is easy. To receive a copy of the ordinance and registration forms, or to receive additional information or answers to specific questions, please contact the Executive Office of the Board of Supervisors at the following address or you may call one of the following telephone numbers:

SAMPLE AGREEMENT FOR
HEATING, VENTILATION, AND AIR CONDITIONING (HVAC) SERVICES AT
NORTH COUNTY AREA FACILITIES (2007-AN068)

THIS AGREEMENT, made and entered into this ____ day of _____, 2007, by and between the COUNTY OF LOS ANGELES, a subdivision of the State of California, a body corporate and politic (hereinafter referred to as COUNTY) and [NAME OF CONTRACTOR], a [Form of Entity], (hereinafter referred to as CONTRACTOR).

WITNESSETH

FIRST: The CONTRACTOR, for the consideration hereinafter set forth and the acceptance by the Board of Supervisors of said COUNTY of the CONTRACTOR'S Proposal filed with the COUNTY on _____, 2007, hereby agrees to provide services as described in the attached specifications for Heating, Ventilation, and Air Conditioning (HVAC) Services at North County Area Facilities (2007-AN068), including, but not limited to, Exhibit A, Scope of Work.

SECOND: This AGREEMENT, together with Exhibit A, Scope of Work; Exhibit B, Service Contract General Requirements; Exhibit C, Internal Revenue Service Notice 1015; Exhibit D, Safely Surrendered Baby Law Posters; the CONTRACTOR'S Proposal, all attached hereto; the Request for Proposals; and Addenda to the Request for Proposals, all of which are incorporated herein by reference, are agreed by the COUNTY and the CONTRACTOR to constitute the Contract.

THIRD: The COUNTY agrees, in consideration of satisfactory performance of the foregoing services in strict accordance with the Contract specifications to the satisfaction of the Director of Public Works, to pay the CONTRACTOR pursuant to the Schedule of Prices set forth in the Proposal and attached hereto as Form PW-2. In no event will the COUNTY pay any and all contractors providing service under this Program an aggregate annual amount to exceed \$_____ (Maximum Contract Sum), or such greater amount as the Board may approve.

FOURTH: As part of the evaluation process relative to this Contract solicitation, the COUNTY determined that Public Works will request services on an as-needed basis. Consideration will be given sequentially to the two successful Contractors, by placing them on a list according to rank determined by the selection process as described in Part I, Section 4, Evaluation of Proposals; Award and Execution of Contract of the Request for Proposals, with the highest-rated Contractor placed first and the next highest-rated Contractor placed second. As the need for work arises, the Contract Manager will assign the work starting with the highest-rated Contractor. If that Contractor is unavailable to perform the work within Public Works' established time frame, the next highest-rated Contractor listed will be offered the work. Since this work is as-needed in nature, there is no guarantee of work. Notwithstanding the foregoing, the parties understand and agree that this Contract is nonexclusive, the COUNTY may enter into other contracts for the

performance of the same or similar services, and the CONTRACTOR is not entitled to or guaranteed the assignment of any work hereunder.

FIFTH: This Contract's initial term shall be for a period of one year commencing on _____, or Board approval, whichever occurs first. At the discretion of the COUNTY, this Contract may be extended in increments of one year, not to exceed a total contract period of three years. The COUNTY, acting through the Director, may give a written notice of intent to extend this Contract at least 30 days prior to the end of each term.

SIXTH: The CONTRACTOR shall bill monthly, in arrears, for the work performed during the preceding month. Work performed shall be billed at the [hourly rates and/or unit prices] quoted in Form PW-2, Schedule of Prices.

SEVENTH: Public Works will make payment to the CONTRACTOR within 30 days of receipt and approval of a properly completed invoice. Each invoice shall be in triplicate (original and two copies) and shall itemize the work completed. The invoices shall be submitted to:

County of Los Angeles Department of Public Works
Attention Fiscal Division, Accounts Payable
P.O. Box 7508
Alhambra, CA 91802-7508

EIGHTH: In no event shall the aggregate total amount of compensation paid to any and all contractors under this Program exceed the amount of compensation authorized by the Board. Such aggregate total amount is the Maximum Contract Sum.

NINTH: The CONTRACTOR understands and agrees that only the designated Public Works Contract Manager is authorized to request or order work under this Contract. The CONTRACTOR acknowledges that the designated Contract Manager is not authorized to request or order any work that would result in the CONTRACTOR earning an aggregate compensation in excess of this Contract's Maximum Contract Sum.

TENTH: The CONTRACTOR shall not perform or accept work requests from the Contract Manager or any other person that will cause the Maximum Contract Sum of this Contract to be exceeded. The CONTRACTOR shall monitor the balance of this Contract's Maximum Contract Sum. When the total of the CONTRACTOR'S paid invoices, invoices pending payment, invoices yet to be submitted, and ordered services reaches 75 percent of the Maximum Contract Sum, the CONTRACTOR shall immediately notify the Contract Manager in writing. The CONTRACTOR shall send written notification to the Contract Manager when this Contract is within six months from expiration of the term as provided for hereinabove.

//
//
//
//

ELEVENTH: The Director may adjust the rate of compensation set forth in Form PW-2 (Schedule of Prices) annually based on the increase or decrease in the U.S. Department of Labor, Bureau of Labor Statistics', All Urban Consumers Price Index for the Los Angeles-Riverside-Orange County Area (CPI) for the 12-month period preceding the contract anniversary date, which shall be the effective date for any such cost-of-living adjustment. The percentage change in the rate of compensation shall equal 12 times the average monthly change in the CPI over the first nine months of the contract term preceding the effective date. However, any percentage increase shall not exceed the general salary movement granted to COUNTY employees as determined by the COUNTY'S Chief Executive Office as of July 1 for the prior 12-month period. Furthermore, should fiscal circumstances ultimately prevent the Board from approving any increase in COUNTY employee salaries, no cost-of-living adjustment will be granted.

TWELFTH: In the event that terms and conditions, which may be listed in the CONTRACTOR'S Proposal, conflict with the COUNTY'S specifications, requirements, and terms and conditions as reflected in this AGREEMENT, including, but not limited to, Exhibits A through D, inclusive, the COUNTY'S provisions shall control and be binding.

THIRTEENTH: The CONTRACTOR agrees in strict accordance with the Contract specifications and conditions to meet the COUNTY'S requirements.

FOURTEENTH: This Contract constitutes the entire agreement between the COUNTY and the CONTRACTOR with respect to the subject matter of this Contract and supersedes all prior and contemporaneous agreements and understandings.

[illegible]

IN WITNESS WHEREOF, the COUNTY has, by order of its Board of Supervisors, caused these presents to be subscribed by the Director of Public Works, and the CONTRACTOR has subscribed its name by and through its duly authorized officers, as of the day, month, and year first written above.

3. Priority 3

Priority 3 is for the Contractor's charge to provide Public Works with a written estimate and work schedule.

The County reserves the right to determine if any work is or will be needed under this Contract, at the County's sole and absolute discretion. The Contractor will not be entitled to any claim for loss of profits or otherwise should the County fail to determine a need for services under this Contract.

D. Hours and Days of Service

Hours of services shall be primarily performed within the 7 a.m. to 4 p.m. time period, Monday through Friday, each week, except legal holidays, at which time the service shall be done before or after such holiday. Work hours may be altered, when necessary, with the approval of the Director.

H. Special Safety Requirements

All Contractor operators shall be expected to observe all applicable State of California Occupational Safety and Health Administration (Cal/OSHA) and Public Works' safety requirements while at Public Works' jobsites.

3. Perform any necessary cleaning of Public Works facilities to restore them to a condition acceptable to Public Works' representative.
4. Provide all labor, equipment, materials, tools, and supervision required to perform these as-needed HVAC services. All material, parts, and equipment shall be new, high grade, and free from defects. Such products shall conform to all Federal, State, and local regulations as they relate to HVAC services.

5. Submit a list of materials and Material Safety Data Sheets (MSDS) when requested by Public Works.
6. Repair any damage to Public Works facilities resulting directly from the Contractor's negligence.

8. Provide security for all equipment and material used at the job site during both working and nonworking hours.
9. Obtain all necessary City, County, State, and Federal permits and/or licenses for Contractor's activities.

11. Utilize protective clothing and equipment as required by Cal/OSHA and/or other regulatory agencies.

J. Responsibilities of Public Works

1. The County will determine the need for, and provide, jobsite inspection.
2. Public Works will request work on an as-needed and occasionally emergency basis. The health and safety of County employees and the public at the facility will be Public Works' primary objective when requesting work. Public Works Facilities Management Office representative will notify the Contractor of requested work via telephone or facsimile.
3. Public Works will reimburse the Contractor for the cost of parts, materials and equipment upon receipt of an invoice with attached applicable receipts for a particular job.

K. Project Safety Official

The Contractor shall designate in writing a Project Safety Official who shall be thoroughly familiar with the Contractor's Injury and Illness Prevention Program and Code of Safe Practices. The Contractor's Project Safety Official shall be available at all times to abate any potential safety hazards and shall have the authority and responsibility to shut down an operation, if necessary. Failure by the Contractor to provide the required Project Safety Official shall be grounds for the County to direct the cessation of all work activities and operations at no cost to the County until such time as the Contractor is in compliance.

M. Uniform Mechanical Code

The Contractor shall comply with the specifications in the Uniform Mechanical Code (UMC), which shall be considered part of these Specifications. In the event that these Contract specifications and conditions conflict with the UMC's, the UMC specifications shall control and be binding.

N. Prevailing Wage

The Director of the Department of Industrial Relations of the State of California has ascertained the prevailing rate of per diem wages in dollars, based on a working day of eight hours, for each craft or type of worker or mechanic needed to execute any construction or maintenance contract which may be awarded by Public Works. The current prevailing wage rates as adopted by the Director of the Department of Industrial Relations are incorporated herein by reference and may be accessed at <http://www.dir.ca.gov/>.

The Contractor is required to pay the prevailing wage rate referred to above and is responsible for selecting the classification of workers, which will be required to perform this service in accordance with the Contractor's method of performing the work. Pursuant to Section 1775, of the Labor Code (State of California), Contractor shall forfeit \$50 for each calendar day, or portion thereof, for each worker paid less than the stipulated prevailing wage rates for any public work done under this Contract or by any subcontractor.

O. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
 - a. All of the time limits and acts required to be done by both parties are of the essence of the Contract;
 - b. The parties are both experienced in the performance of the Contract work;

- c. The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of the County is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price;
 - d. The parties are not under any compulsion to contract;
 - e. The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract;
 - f. It would be difficult for the County to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work; and
 - g. The liquidated sums specified represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
3. The Contractor shall pay Public Works, or Public Works may withhold and deduct from monies due the Contractor, liquidated damages in the sum of \$500 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract.

2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time provided; however, that the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.

B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director and Contractor. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.
2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give

3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any entity other than Contractor, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the termination of this Contract. In the event of such termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

C. Authorization Warranty

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

D. Budget Reduction

In the event that the Board adopts, in any fiscal year, a County budget which provides for reduction in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County contracts, County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions) and the services to be provided by Contractor under this Contract shall also be reduced correspondingly. County's notice to Contractor regarding said reduction in payment obligation shall be provided within 30 days of the Board's approval of such actions. Except as set forth in the preceding sentences, Contractor shall continue to provide all of the services set forth in this Contract.

G. Compliance with Civil Rights Laws

Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000 (e) (1) through 2000 (e) (17), to the end that no person shall, on the grounds of race, creed, color, sex, religion, ancestry, age, condition of physical disability, marital status, political affiliation, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract. I. Conflict of Interest

1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract subjecting Contractor to either contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).

J. Consideration of Hiring County Employees Targeted for Layoffs or Former County Employee on Reemployment List

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall give first consideration for such employment openings to qualified permanent

K. Consideration of Hiring GAIN/GROW Participants

1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN/GROW participants by category to Contractor.
2. In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, County employees shall be given first priority.

L. Contractor's Acknowledgment of County's Commitment to Child Support Enforcement

Contractor understands that it is County's policy to encourage all County contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

M. Contractor's Charitable Activities Compliance

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination for default or debarment proceedings or both. (Los Angeles County Code Chapter 2.202)

N. Contractor's Warranty of Adherence to County's Child Support Compliance Program

1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
2. As required by County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

O. County's Quality Assurance Plan

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract for default or impose other penalties as specified in this Contract.

P. Damage to County Facilities, Buildings, or Grounds

1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor or employees or agents of Contractor.
2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined by County, for such repairs shall be repaid by Contractor by cash payment

upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

Q. Employment Eligibility Verification

1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
2. Contractor shall indemnify, defend, and hold harmless, County, its Board, agents, officers, and employees from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

R. Facsimile Representations

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless County and its Board, agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by Contractor's employees for which County may be found jointly or solely liable.

T. Governing Laws, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

U. Nondiscrimination and Affirmative Action

1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
4. Contractor certifies and agrees that it will deal with its subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.
8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

V. Nonexclusivity

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

W. No Payment for Services Provided Following Expiration/Termination of Contract

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/termination of this Contract.

X. Notice of Delays

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

Y. Notice of Disputes

The notices and envelopes containing the same to County shall be addressed to:

Chief, Administrative Services Division
County of Los Angeles Department of Public Works
P.O. Box 1460
Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual contractor or by a copartner, if contractor is a partnership; or by the president, vice president, secretary, or general manager, if contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said contractor shall in any case be sufficient notice.

BB. Publicity

1. Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit

Contractor from publicizing its role under this Contract within the following conditions:

- a. Contractor shall develop all publicity material in a professional manner.
- b. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.
- c. Contractor may, without prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Contract with County, provided that the requirements of this paragraph shall apply.

CC. Public Records Act

1. Any documents submitted by Contractor; all information obtained in connection with County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to this Exhibit's Record Retention and Inspection/Audit Settlement, of this Contract; as well as those documents which were required to be submitted in response to the RFP used in the solicitation process for this Contract, become the exclusive property of County. All such documents become a matter of public record and shall be regarded as public records, except those documents that are marked "trade secret," "confidential," or "proprietary" and are deemed excluded from disclosure under Government Code 6250 et seq. (Public Records Act). County shall not in any way be liable or responsible for the disclosure of any such records including, with limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
2. In the event County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret," "confidential," or "proprietary," Contractor agrees to defend and indemnify County from all costs and expenses, including reasonable attorney's fees, in connection with any requested action or liability arising under the Public Records Act.

DD. Record Retention and Inspection/Audit Settlement

Notice 1015

(Rev. December 2006)

Have You Told Your Employees About the Earned Income Credit (EIC)?

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note. You are encouraged to notify each employee whose wages for 2006 are less than \$38,348 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2007.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice from the IRS website at www.irs.gov or by calling 1-800-829-3676.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2006 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2006 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2006 and owes no tax but is eligible for a credit of \$824, he or she must file a 2006 tax return to get the \$824 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2007 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15 (Circular E), Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
