

### Marina Del Rey Waterline Replacement Project

Los Angeles County Public Works will repair waterlines in Marina Del Rey along Via Marina from Marquesas Way to Bora Bora Way, and along Fiji Way from Admiralty Way to the end of the street. The project will improve reliability, water quality, and ensure the health and safety of Marina Del Rey Water System customers.

Construction is expected to begin January 8, 2024 and be completed by June 2024. Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday. Residents may experience minimal traffic impacts. Affected customers will be notified prior to temporary water service disruption.
