Agenda Item	Topic/ Issue	Discussion
1	Welcome, Introductions and Purpose	Rich Nagel of West Basin Municipal Water District introduced himself as the LA IRWMP South Bay Steering Committee Chair and welcomed the group and thanked all for joining. Rich reviewed the agenda and purpose of the workshop.
2	Project Proponent Presentations	The following project proponents gave presentations on their projects: <ul style="list-style-type: none"> ▪ Jonathan Weiss, Light Rail for Cheviot: <i>Exposition Green Corridor</i> ▪ Greg Hockners, Los Angeles County DPW: <i>Oxford Retention Basin</i> ▪ Greg Evan, Los Angeles County DPW: <i>Sepulveda Feeder Interconnection</i> ▪ Kathleen McGowan, City of Manhattan Beach: <i>Green Belt Low-Flow Infiltration, Manhattan Strand Low flow Infiltration Trench project concepts</i> ▪ Neal Shapiro, City of Santa Monica: <i>16th Street Watershed Runoff Use Demo, Freeway Runoff Infiltration Demo, Memorial Park Runoff Treatment, Small Pocket Park Runoff Treatment & Use Demo projects</i> ▪ Sean Bergquist, Santa Monica Bay Restoration Foundation: <i>Grand Canal Restoration and Water Quality Improvement Project</i>

The Mission of the Greater Los Angeles IRWMP is to address the water resources needs of the Region in an integrated and collaborative manner.

		<ul style="list-style-type: none"> ▪ John Dettle, City of Torrance: <i>Amie, Henrietta, and Entradero Stormwater Basin Enhancements</i> ▪ Jason Weeks, Water Replenishment District: <i>I-105 Freeway to Dominguez Gap Barrier Pipeline</i> ▪ Leighanne Reeser, West Basin Municipal Water District: <i>Harbor / South Bay Recycled Water, Injection of Recycled Water to the West Coast and Dominguez Gap Barriers, Irrigation Equipment / Water Budget Program</i>
3	Project Feedback and Integration Discussion	An open session was conducted to allow individuals to further discuss projects, possible integration between projects and receive feedback from attendees.
4	IRWMP Funding Opportunities	Tom West gave an overview of IRWMP and related funding opportunities. A handout listing several more funding opportunities was available at the workshop.
5	LA IRWMP Next Steps	Leighanne Reeser of West Basin Municipal Water District closed the meeting by presenting an overall schedule for this phase of the Greater LA IRWMP including the IRWMP Plan update, anticipated Prop 84 IRWMP Planning and Implementation Grant programs, and the DAC outreach that will be conducted this summer.
