Project Title: Department of Animal Care and Control
Headquarters Fencing Project

Project Location - Specific: Department of Animal Care and Control Headquarters
5898 Cherry Avenue
Long Beach, CA 90805

Project Location - County: County of Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project:

The proposed project will consist of removing and reconstructing approximately 23,400 square feet of existing asphalt pavement in the parking lot area that is in poor condition; replacing the security light standards in the parking lot; installing approximately 580 linear feet of 8-foot-high wrought iron fence with vehicle and pedestrian access gates to enclose the perimeter of the Headquarters facility; and constructing a concrete walkway that will serve as a dedicated accessible route of travel from the parking lot to the front entrance of the Headquarters building for compliance with the Americans with Disabilities Act. The proposed project will provide improved access, safety, and security for visitors and staff at the Headquarters facility.

Reasons why the project is exempt:

The project consists of repairs and alterations to the existing Headquarters facility and is within certain classes of projects that have been determined not to have a significant effect on the environment. The project meets the criteria set forth in Sections 15301 (a), (d), (f), and (l); 15302; 15303 (e); 15304 (a); and 15311 (a) and (b) of the State CEQA Guidelines and Classes 1 (c), (d), (h), (i), (j), and (m); 2 (e); 3 (b); 4 (a); and 11 (a) and (f) of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. The project provides for repair and minor alterations of existing facilities with negligible or no expansion of an existing use; replacement or reconstruction of existing facilities; construction of new appurtenant structures; and minor alteration to land within existing developed areas.

Additionally, the proposed project will comply with all applicable regulations, is not located in a sensitive environment, and there are no cumulative impacts, unusual circumstances, damage to scenic highways, listing on hazardous waste sites compiled pursuant to Government Code Section 65962.5, or indications that the project may cause a substantial adverse change in the significance of a historical resource that would make the exemptions inapplicable based on the record of the proposed project.
