

## UPCOMING VIRTUAL WEBINAR

### Avenue J-12 and 50th Street West Site Improvements, Well No. 4-91

Los Angeles County Public Works is dedicated to supporting community wellness and ensuring a reliable supply of high-quality water for Los Angeles County Waterworks District customers. As part of this commitment, a new groundwater well project is planned in your neighborhood, with construction scheduled to begin in September 2025.

This project, located between Avenue J-12 and 50th Street West in the City of Lancaster, includes building a new groundwater well, a retention basin, and security fencing. These improvements will enhance sustainability, increase water system reliability, and help protect the health and safety of the local community.

We value your input and invite you to learn more during a **virtual community meeting** on:

**Date:** December 11, 2024

**Time:** 6:00 PM to 7:00 PM

You can attend the meeting using your mobile device or computer by clicking the link below.
