

CONSTRUCTION NOTIFICATION

Avenue M and 62nd Street West Tank Improvement Project

Los Angeles County Public Works will begin work to construct a new water tank at 6098 W Avenue M. The work includes installing a new 3.2 million gallon tank, drainage improvements, perimeter concrete block wall, electrical upgrades, and roadway improvements.

This project will upgrade infrastructure and enhance water system resiliency for customers of Los Angeles County Waterworks District No. 40.

Construction is expected to begin the week of September 7, 2026 and be completed by September 2027. Construction hours will be from 7a.m. to 3:30 p.m., Monday through Friday. The public may experience temporary traffic impacts. Traffic control measures will be implemented to ensure the safety of the public.

Customers will be notified of any scheduled water service interruption at least 24 hours in advance.

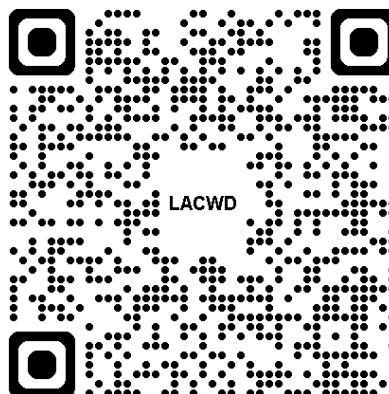

Please see map for project limits.
