

Sustainable is Attainable!

Holiday Tips

Place newer produce behind older produce to avoid spoilage.

Plan meals with food that you have available before buying more.

Send electronic holiday cards or print addresses directly on envelopes.

Reuse glass jars for storing leftover sauce, soup or used cooking oil.

Use alternative material to wrap gifts such as packaging paper, newspaper, reuse fabric or give gifts in a reusable bag-remember, regifting gift bags is totally fine!

Make holiday decorations from art scraps.

**Recycle your Christmas tree.
Contact your waste hauler to learn more.**

**Compost your food scraps to nurture your garden!
