

TIPS FOR A SUSTAINABLE 2021

Bring Your Own (BYO) reusables everywhere you go!

Decline disposable utensils when purchasing takeout.

Recycle aluminum cans, plastic, glass bottles and cardboard.

Use a washable towel to dry dishware.

Buy only necessary products and buy in bulk to reduce packaging.

Prepare the right amount of food to avoid food waste. Visit [FoodDropLA.com](https://www.fooddrop.com) to learn more.

Use reusable face coverings (masks) to reduce waste.

Place newer produce behind older produce to avoid spoilage.

Plan meals with food that you have available before buying more.

Reuse glass jars for storing leftover sauce, soup or used cooking oil.

Compost your food scraps to nurture your garden!
