# EARTH DAY TIPS

Bring Your Own (BYO) reusables everywhere you go!

Avoid using any single-use items.

Recycle aluminum cans, plastic, glass bottles and cardboard.

Donate used clothing and purchase second hand clothing.

Switch to paperless billing and opt out of mail you don't need.

Prepare the right amount of food to avoid food waste.

Start your own fruit and vegetable garden.

Place newer produce behind older produce to avoid spoilage.

Plan meals with food that you have available before buying more.

Switch to rechargeable batteries.

Compost your food scraps to nurture your garden!
