

Generation Earth Presents: 2025 Summer Institute

FREE TWO-DAY WORKSHOP Professional Development

Join Generation Earth to explore ways to engage and inspire students through environmental service learning.

Summer Institute includes:

- Sustainable waste and water management topics
- Resources for environmental service-learning projects
- Field trip to the Santa Clarita Valley Rio Vista Water Treatment Plant
- Resource fair with participating organizations
- Morning refreshments and lunch

All attendees will receive an eco-friendly gift and the chance to win a rain barrel and compost bin!
