**Protect Our Communities**

NEVER throw HHW/E-Waste into your household garbage, toilets or sinks; never dump on the ground or pour down the storm drains—it is illegal—and HHW can seep into the groundwater, waterways and oceans, causing contamination of our drinking water, beach closures and health hazards to swimmers.

**Additional Disposal Options For...**

**Used Motor Oil/Used Oil Filters** - Recycle used motor oil/filters at local certified centers (Autozone, Kragens/O'Reillys) or utilize one of County’s permanent used oil centers in Altadena, Baldwin Park, Canyon Country, Malibu, Marina Del Rey, Los Angeles, Palmdale, Santa Fe Springs or Sun Valley.

**Generated Sharps Waste and Used Medications** - Utilize designated Sheriff’s stations for sharps waste disposal, and/or check with your medical provider or city for more disposal options.

**Household Batteries** - Utilize designated LA County public libraries for household battery disposal, and/or check with local retailers for more disposal options.
