Landfill Voucher 2021-22 Program

1. Landfill vouchers are produced, distributed and tracked by the Los Angeles County Board of Supervisors Fifth District. Vouchers are printed on paper that displays a watermark saying "void" if duplicated, in order to hinder counterfeiting.
2. Landfill vouchers are usable only at Waste Management's Lancaster Landfill and Recycling Center, 600 East Ave. F, Lancaster, or its Antelope Valley Recycling & Disposal Facility, 1200 West City Ranch Road, Palmdale.
3. Landfill vouchers will be made available to residents or owners of property in Los Angeles County unincorporated areas in the ZIP Codes 91390 (Green Valley/Agua Dulce/Canyon Country), 92397 (Big Pines), 93510 (Acton), 93532 (Lake Hughes/Elizabeth Lake/Three Points), 93534 (central Lancaster), 93535 (east Lancaster/Roosevelt/Lake Los Angeles), 93536 (Antelope Acres/Neenach/Quartz Hill/Fairmont/west Lancaster), 93543 (Sun Village/Littlerock/Juniper Hills), 93544 (Llano), 93550 (central Palmdale), 93551 (Leona Valley/Ana Verde Hills/west Palmdale), 93552 (east Palmdale/Littlerock), 93553 (Pearblossom/Juniper Hills), 93563 (Valyermo), 93591 (Lake Los Angeles/Sun Village) and 93599 (Black Butte).
4. Each landfill voucher will pay for up to one (1) ton of disposal. (A typical standard, full-size pickup truck is rated to carry one-half ton or three-quarters of a ton.) Hazardous materials are not allowed.
5. Additional disposal charges for loads exceeding one (1) ton can be paid for with a credit card. The Antelope Valley Illegal Dumping Task Force will be invoiced by Waste Management for the disposal charges incurred, not to exceed the one (1) ton limit per voucher.
6. Invoice rates will mirror the effective posted gate rates at the time of use for each facility and will be based on the material dumped. For the voucher program, Waste Management will waive the usual environmental fee of \$12 per load.

7. The Board of Supervisors Fifth District has discretion to determine if additional vouchers can be provided if proof of need is determined and neighborhood safety or cleanliness can be abated by providing additional vouchers. The Antelope Valley Illegal Dumping Task Force may cancel the program at any time if the funds budgeted for the Voucher Program are exhausted.
8. If a person other than the voucher recipient will haul the waste to the landfill, the voucher recipient must notify Waste Management at least 24 hours in advance and provide the hauler's identity and contact information. Voucher recipients can call the Lancaster landfill scale house at 661-726-3461 or the Palmdale landfill scale house at (661) 223-3431. The hauler must provide valid identification at the landfill before the voucher will be accepted by the landfill.
9. Voucher holders must turn in vouchers at the landfill scale house before dumping.
10. Vouchers will expire June 30, 2022.
11. The program began Oct. 2, 2019 and was renewed in June 2020 and June 2021. A progress report will be presented to the Antelope Valley Illegal Dumping Task Force at its June 2022 meeting for a decision as to whether to extend the program.
