California Health and Safety Code, Section 114432
Any food facility may donate food to a food bank or to any other nonprofit charitable organization for distribution to persons free of charge.

California Health and Safety Code, Section 114433
No food facility that donates food as permitted by Section 114432 shall be subject to civil or criminal liability or penalty for violation of any laws, regulations, or ordinances regulating the labeling or packaging of the donated product or, with respect to any laws, regulations, or ordinances, for a violation occurring after the time of donation.

California Civil Code, Section 1714.25(A)
Except for injury resulting from negligence or a willful act in the preparation or handling of donated food, no food facility that donates any food that is fit for human consumption at the time it was donated to a nonprofit charitable organization or a food bank shall be liable for any damage or injury resulting from the consumption of the donated food.

United States Code, Bill Emerson Good Samaritan Food Donation Act, Title 42, Chapter 13A, Section 1791 (C)(1)
A person or gleaner shall not be subject to civil or criminal liability arising from the nature, age, packaging or condition of apparently wholesome food or an apparently fit grocery product that the person or gleaner donates in good faith to a nonprofit organization for ultimate distribution to needy individuals.

WHY DONATE?
HELP FIGHT HUNGER
Each year, County unincorporated areas toss 128,000 tons of food into the trash. Public Works partnered with local charities in Los Angeles County to offer businesses a food donation option through Food DROP.

OUR MISSION
We provide resources for businesses operating in County unincorporated areas to safely donate their excess edible food to fight hunger in Los Angeles County and divert food waste from the landfills.

OUR VISION
To have all businesses operating in County unincorporated areas safely donate excess edible food to feed people in need in Los Angeles County.

TAX DEDUCTIBLE
All businesses who donate to a 501(c)(3) that uses the food for the care of the ill, the needy, or infants qualifies for an enhanced tax deduction. Contact a tax professional for additional guidance.

1. CHECK YOUR INVENTORY
Identify what food can be donated and get manager buy-in.

2. ARRANGE FOR A MEETING
If you are in an unincorporated area, Public Works will help you develop a food donation plan. To schedule a meeting, call (888) CLEAN-LA.

3. REACH OUT
Identify non-profit(s) that work with your plan and set-up a donation schedule.

4. ENGAGE YOUR STAFF
Educate your team about the program, what foods are suitable to donate and how to handle and store food for successful donation.

5. START DONATING!
Communicate regularly with the non-profit(s) and make adjustment as needed to ensure a successful donation partnership.

Be a Business that CARES:

ASSEMBLY BILL 1826
Under AB 1826, businesses that generate specified amounts of organic waste are required to arrange for organic waste recycling services or food donation.

SENATE BILL 1383
SB 1383 requires a 50% reduction in organic waste disposal by 2020, and a 75% reduction by 2025. In addition, SB 1383 requires that not less than 20% of edible food that is disposed be recovered for human consumption by 2025.
