

VIRTUAL COMMUNITY MEETING

Altadena/Kinneloa Mesa Waste Management Services

Join us

Altadena and Kinneloa Mesa residents and business owners are invited to join in an online community forum on their new trash, recycling and organic waste collection services.

Los Angeles County Public Works staff will be available to discuss concerns and provide resources and information—including an update on the status of bear-resistant carts—to assist customers in their transition to new waste management contractors.

**Thursday,
October 13, at 6 p.m.**

Log in at:
