

# Permitted Waste Disposal Facilities In The Region

## For Properties Ineligible for or Not Participating in the Government-Run Phase II Debris Removal Program

This list identifies waste disposal facilities in the region that, to the County’s knowledge, are permitted to accept debris from wildfire-affected properties. **Property owners and contractors should contact the facilities in advance to confirm:**

- Operating hours and any schedule changes
- Required documentation for debris acceptance
- Waste restrictions or special handling requirements

This information applies to properties within the 2025 Wildfire burn areas that:

- ✓ are ineligible for the government-run debris removal program (since they do not have destroyed structures greater than 120 square feet), or
- ✓ opted-out of the government-run debris removal program, and obtained a Fire Debris Removal Permit from Public Works.
