WHEREAS, the Board delegated authority to the Director of Public Works to renew the Contract for each additional renewal option; to approve and execute amendments to incorporate necessary changes within the FRANCHISEE services and specifications; and

NOW, THEREFORE, in consideration of these facts, the COUNTY and the FRANCHISEE agree that the Contract shall be amended as follows:

FIRST: Exhibit 10 Rates, as amended under Amendment No. 3, is removed in its entirety and replaced with the following:

EXHIBIT 10 – Contract Services (Adjustment of Service Fees)

A. Timing, Conditions, Changes

1. Annual CPI Adjustments

Beginning at least 6 months after the Commencement Date, Director will adjust the Service Rates each July 1 based on the percentage change in the average annual published Consumer Price Index (CPI), for Trash and Garbage Collection (CUUR0000SEHG02), U.S. City average, all urban consumers, not seasonally adjusted, as published by the United States Department of Labor, Bureau of Labor Statistics, BLS Data Viewer, available at: <https://beta.bls.gov/dataViewer/view/timeseries/CUUR0000SEHG02>.

The annual change is a comparison of the average monthly rate for the two previous Calendar Years. To avoid a rate increase for Customers shortly after a new contract is executed, a minimum of 6 months must elapse between Commencement Date and July 1 of the current year.

Table of past adjustments:

Series Title	Garbage and trash collection in U.S. city average, all urban consumers, not seasonally adjusted
Series ID	CUUR0000SEHG02
Seasonality	Not Seasonally Adjusted
Survey Name	CPI for All Urban Consumers (CPI-U)
Measure Data Type	Garbage and trash collection
Area	U.S. city average
Item	Garbage and trash collection

Rate Adjustment (effective date)	January to December Average Observation Value	Percent Change
7/1/2014	416.183	n/a
7/1/2015	425.796	2.31
7/1/2016	432.030	1.46
7/1/2017	439.427	1.71
7/1/2018	449.089	2.20
7/1/2019	466.861	3.96
7/1/2020	481.902	3.22
7/1/2021	498.705	3.49
7/1/2022	522.329	4.74
7/1/2023	549.334	5.17

2. Adjustments at Any Time

If FRANCHISEE requests Director by Notice or Director Notifies FRANCHISEE at any time, following agreement with FRANCHISEE, the Director may adjust the Service Fees in either of the following events, subject to the Maximum Rate Adjustment table in subsection C, and limitations in E:

a. Changes in Law

Change in FRANCHISEE's Direct Costs of providing Contract Services due to Changes in Law. Any adjustment in the Service Fee due to a Change in Law by the State is not included in the Maximum Rate Adjustment in subsection C.

b. Changes in Scope of Service

FRANCHISEE's Direct Costs of providing Contract Services due to changes in Contract Services or Standards. For example, if Director requests a new service such as Collection of Bulky Items from Occupant's front doors instead of the Set-Out Site, the rate increase would be implemented when the service begins and not limited to July 1.

c. Extraordinary Circumstances

Change in FRANCHISEE 's Direct Costs of providing Contract Services due to unforeseeable events.

3. Adjustments Prior to Commencement

If after 12 months from the Effective Date the Contract Services have not begun, Director shall calculate an annual rate adjustment to the Service Fees according to item A1 of Exhibit 10 for each July 1, excluding the July 1 that may occur before the 12 months have passed.

For example, if the Board of Supervisors awards the CONTRACT February 1, 2023 and Contract Services begin 15 months later on July 1, 2024, there will be an adjustment to the rates effective July 1, 2024, but there will be no adjustment on July 1, 2023.

B. Rounding

All calculations are rounded to the nearest 1/100th decimal place (for example, 10.9656 percent to 10.97 percent, or 10.9637 percent to 10.96). The decimal 5 is rounded up (for example, 10.965 percent to 10.97 percent). Adjustments in Service Fees are rounded to the nearest penny (for example, \$25.34).

C. Maximum Rate Adjustment

Adjustments to the Service Fees cannot exceed the percentages in the table below, except for changes due to acts of the State in item A2a of this exhibit.

Contract Period *	Maximum Adjustment**
Years 0 to 0.5	0 percent
Year 0.5 to 7	35 percent
Year 8/Extension(s), if any	40 percent
Year 9/Extension(s), if any	45 percent
Year 10/Extension(s), if any	50 percent
Year 11/Extension(s), if any	55 percent

* Rate adjustments due to Changes in Laws or Contract Services under subsection A2a above may be implemented at any time during the Term. The percentages are based on the Customer Service Fee at the start of CONTRACT.

** Any change in Service Fees for direct costs due to Changes in Law promulgated by the State in item A2a of this exhibit are not included in the percentage calculations of the maximum Service Fee Adjustment.

For example, during the first 7 years of the CONTRACT, the Service Fee could increase 35 percent plus an additional amount due to an increase of \$4 per ton on the State-mandated Disposal fee.

D. Customer 30-Day Notice

FRANCHISEE shall provide all Customers a minimum of 30 days written Notice of the implementation of changes in any Customer Service Fees.

E. Adjustment Limitations

No adjustment will be effective until Notice thereof has been provided by Director to the Board of Supervisors.

Any increase to the Service Fee resulting from Changes in Law shall not exceed 10 percent of the current Service Fee per Contract Year but increases in excess of 10 percent will be carried over to the next Contract Year or years.

Service Fees will not be adjusted under the following circumstances:

- There are uncured Breaches, or
- Within 6 months of the Commencement Date, or
- During any of the six possible one-month extensions.

If FRANCHISEE and Director fail to reach an agreement to adjust the Service Fees, COUNTY will have the options described in item D2b of Exhibit 5.
