

## Assessor's Contact Information

The Los Angeles County Assessor assigns the Use Code for all properties in the County. If a property owner disagrees with the assigned Use Code for their property, the property owner would have to contact the Assessor's office to request the Use Code be reviewed and possibly updated for the current use of the property. The property owner would have to reach out to the appropriate office listed below for their Garbage Disposal District. Property owners may also submit a request on the Assessor's website at [Assessor.lacounty.gov](http://Assessor.lacounty.gov) by completing the contact form under "Contact Us" and select "other" as the option. The Assessor's office receives the request electronically and will respond to the property owner.
