Dear Waste Hauler:

INVITATION TO INFORMATIONAL WORKSHOPS FOR ALL COMMERCIAL SOLID WASTE COLLECTION WASTE HAULERS OPERATING IN THE UNINCORPORATED AREAS OF LOS ANGELES COUNTY

On April 10, 2012, the County of Los Angeles Board of Supervisors approved a model seven-year non-exclusive commercial solid waste franchise agreement which establishes minimum performance and customer service standards for those unincorporated area customers that use bins/dumpsters and/or roll-off boxes beginning July 1, 2012. Between now and July 1, 2012, Public Works is working diligently with waste haulers to complete their individual franchise agreement. Only those waste haulers with a franchise agreement can continue operating in the county unincorporated areas after July 1, 2012.

To ensure a successful transition to the new non-exclusive commercial franchise, Public Works will conduct a workshop for waste haulers. Please see below for details.
