Self-Management Plan Checklist for Self-Haulers/On-Site Management

☐ Read Mandatory Organic Waste Disposal Reduction Ordinance.

☐ Read Ordinance Guidelines.

☐ Create a Self-Management Plan that complies with the Ordinance and Guidelines.

- Determine how organic waste will be managed (ex. composted or self-hauled to community composting site.)
- If self-hauling, determine what composting site will be used and ensure they can accept the waste you generate. Review Facilities List.
- Determine how organic waste will be stored on site including number of containers.
- Determine how to maintain records of organic waste generated and self-hauled.

☐ File a Self-Management application (available here).

☐ Submit application to CommercialFranchise@dpw.lacounty.gov.

☐ Wait for approval and confirmation from Public Works. You may need to provide more information, if requested.

If you have questions about the self-management plan and its requirements, please email us at CommercialFranchise@dpw.lacounty.gov.
