Dear Madam Chair:

**LOS ANGELES COUNTY SOLID WASTE MANAGEMENT COMMITTEE/  
INTEGRATED WASTE MANAGEMENT TASK FORCE INVITATION**

On behalf of the Los Angeles County Solid Waste Management Committee/Integrated Waste Management Task Force, I would like to congratulate you on your election as the Chair of the California Integrated Waste Management Board. Solid waste management in California is at a crossroads and the challenges that we face also present new opportunities to improve the way we do things. The Task Force looks forward to continuing to work with you and the Waste Board as we endeavor to address the many complicated solid waste management issues affecting the State as well as jurisdictions in the County of Los Angeles.

We again extend an invitation to attend one of our monthly Task Force meetings and meet the members. The Task Force coordinates the development of all major solid waste planning documents prepared by the County and the 88 cities in the County of Los Angeles. It ensures a coordinated, cost-effective solid waste management system and addresses issues impacting the system on a Countywide or regional basis.

The Task Force meetings are generally scheduled for the third Thursday of each month at the County of Los Angeles Department of Public Works' Headquarters, 900 South Fremont Avenue, Alhambra, California 91803, at 1 p.m. Agendas and minutes of the meetings are available on the Task Force website at [www.lacountyiswmtf.org](http://www.lacountyiswmtf.org).
