The DACIP is charged with working collaboratively using a consensus based approach to implement a Funding Area-wide Disadvantaged Community Involvement Program that meets the following objectives in accordance with the DWR IRWM Grant Program:

- 1) Work collaboratively to involve DACs, community-based organizations, and stakeholders in IRWM planning efforts to ensure balanced access and opportunity for participation in the IRWM planning process
- 2) Increase the understanding, and where necessary, identify the water management needs of DACs on a Funding Area basis
- 3) Develop strategies and long-term solutions that appropriately address the identified DAC water management needs
