

“Coming together is a beginning.
Keeping together is progress. Working
together is success.” - Henry Ford

We want to hear from you!

The Antelope Valley Region is collaborating to develop an Integrated Regional Water Management (IRWM) Plan that focuses on water resource management while creating a platform for future funding.

Come share your ideas and help us to plan for the future!

Get Involved:

- Visit our website at <http://www.avwaterplan.org> to find more information about the Antelope Valley IRWM process and future stakeholder meetings, to get on the mailing list, and to submit potential projects.

Antelope Valley Integrated Regional Water Management Plan

8th Stakeholder Meeting

January 31, 2006, 9 a.m. – 11:30 a.m.

Larry Chimbole Cultural Center
(38350 Sierra Highway, Palmdale CA 93550)

Meeting Code of Conduct

In order to foster open dialogue and meaningful discussion during meetings of the Antelope Valley Integrated Regional Water Management Planning Group, I promise to:

- Be **willing** – I choose to participate fully.
- Be **kind** – I choose to treat others with dignity and respect.
- Be **open** – I choose to consider new ideas and perspectives.
- Be **truthful** – I choose to share accurate facts about my situation.

Meeting Objectives:

- Discuss water management issues, needs, challenges, and priorities for the Antelope Valley
- Develop plan objectives and planning targets
- Compile project data and information through call for projects

Meeting Agenda:
