

Prop 1 (Water Bond) Forum

Did you know?

As part of Proposition 1, the Department of Water Resources is required to spend no less than 10% of Prop.1 Chapter 7 funds to ensure that Disadvantaged and Economically Distressed Communities are involved in the Integrated Regional Water Management Plan. \$51 Million have been allocated statewide of which \$9.8 Million has been set aside for the Los Angeles Region.

Therefore!!

Pacoima Beautiful invites you to attend a forum seeking to engage community members and interested stakeholders in the San Fernando area about the Disadvantaged Communities Involvement Program.

Participants will be informed and have an opportunity to provide input to ensure disadvantaged communities are beneficiary of the funding allocated through this process and have a deeper understanding on how they can influence and participate in this undertaking.

WHEN

October 27, 2016

LOCATION

Pacoima City Hall
13520 Van Nuys Blvd
Pacoima, 91331
