

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Public Financing Authority of the West Carson Enhanced Infrastructure Financing District (EIFD) will hold a live virtual public hearing at 1:00 p.m. on Thursday June 29, 2023, to consider the following item:

PUBLIC HEARING TO RECEIVE THE ANNUAL REPORT OF THE WEST CARSON ENHANCED INFRASTRUCTURE FINANCING DISTRICT FOR FISCAL YEAR 2022-23

Los Angeles County established an EIFD in the West Carson area that encompasses 1,587 acres of land, including the West Carson Transit Oriented Development Specific Plan area and adjacent property. A portion of the incremental property taxes that Los Angeles County receives from taxable properties located within the proposed West Carson EIFD will be allocated towards approximately \$121 million of infrastructure projects listed in the Infrastructure Financing Plan (IFP). This is not a new tax; and the West Carson EIFD will not result in an increase in property taxes or fees.

EIFD Law requires the Public Financing Authority to issue an Annual Report. The Public Financing Authority will consider the Annual Report at its meeting on June 29, 2023.

The meeting will take place in room B-50-A of the Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, CA 90012. The live virtual public hearing may be accessed by joining online with the Access Code: 2597 314 0653 and Password: eifd062923 for the link below:
