IN RE- DEDICATION of NORTH 25 feet SAN PASQUAL St, from HILL AVENUE to WEST line. M R. 53 - 36. Sh-42

A-191

COPY

CITY OF PASADENA.

March 15, 1917.

Mr. J. E. Rockhold,
County Surveyor,
Los Angeles, Cal.,

Dear Sir:- I fail to find any opinion given by the City Attorney of Pasadena regarding this matter. However, prior to the paving of this street, under the Vrooman Act, deeds for the various properties adjoining this street were carefully examined in Los Angeles, to determine whether or not the City had any right to this 25 foot strip.

I am enclosing a copy of two deeds (D 993-304 and D2737-114, See below) for that portion of San Pasqual Street as indicated in your letter, in which you will notice at the bottom of each deed there is an exception therefrom of the southerly 25 feet for street purposes, which I think will clear up this matter.

+++++
None of the property owners on this street protested on the improvements, consequently I feel that the street as widened to sixty feet is as secure as though an outright deed had been made to the City.

+++++

Very truly yours,

(Signed)

R. V. Orbison,

City Engineer of Pasadena.
