The County of Los Angeles, Pltff,)
 vs)
 Pablo Reyes and Bersaba de Buddles,)
 Dfdts.) Judgment.

C.F. 259

This action came on regularly for trial on the 25th day of November, 1891.

The jury in the above entitled action find as follows:

1. That the use to which the land proposed to be taken is to be applied, is a use authorized by law, to wit: A highway.
2. That the taking of said land is necessary to such use.
3. The value of the land of Pablo Reyes sought to be condemned and all improvements thereon is the sum of \$70.00
4. The damage which will accrue to the land of Pablo Reyes not taken, by reason of its severance from the portion taken, and the construction of the proposed road is the sum of \$50.00.
5. The land of Pablo Reyes not sought to be taken will be benefited by the construction of the road proposed, in the sum of \$50.00.
6. The value of the land of Bersaba de Buddles sought to be condemned, and all improvements thereon is the sum of \$12.00.

7 and 8 + + + and it appearing to the court that all the allegations of plaintiff's complaint herein are true, and that all the allegations of defendants' answers herein are not true, Therefore, by virtue of the law and the premises; IT IS ORDERED, ADJUDGED AND DECREED, that it is necessary to take for the construction of a private road -- certain property belonging to . . . Pablo Reyes described as follows, to wit: A strip of land twenty feet wide extending from a point on the west line of Section 13, T 1 N, R 18 W., S. B. M. . . . described as follows: Being ten feet on either side of a line commencing at a point on the west line of Section 13, T 1 N, R 18 W., S. B. M., 25.61 chains south from the Rancho Simi; thence S 61° 50' W, 6 chains; thence S 34° 05' W, 3.20 chains; thence S 00° 30' W, 2.10 chains; thence S 35° 45' W, 3.15 chains; thence S 14° 25' W, 4.60 chains; thence S 5° 00' W, 8.25 chains; thence S 1° 30' E, 3.57 chains; thence S 16° 10' W, 6 chains; thence S 40° 30' W, 5.62 chains; thence S 69° 45' W, 5.60 chains; thence S 88° 00' W, 8 chains; thence S 72° 55' W, 10.42 chains; thence S 13° 45' W, 7.65 chains; thence S 61° 05' W, 3.34 chains; thence S 12° 10' W, 14 chains; thence S 24° 45' W, 10 chains; thence S 25° 50' W, 13 chains; thence S 32° 23' W, 7.50 chains.

And that it is necessary to take from the defendant Bersaba de Buddles . . . the following described property, to wit:

A strip of land 20 feet in width being 10 feet on either side of a line commencing at the last mentioned point of said Reyes extending thence S 27° 45' W, 13.00 chains; thence S 8° 30' E, 3 chains; thence S 32° 15' E, 10.92 chains; thence S 34° E, 2.93 chains to a public road known as Los Angeles and Ventura Road.

That the purpose for which the said land is to be condemned is for the establishment of a private road for the convenience of Oscar Chesebrough . . . as provided in Section 2692 of the Political Code of the State of California.

That the value of the property so condemned belonging to Pablo Reyes . . . is \$70.00 . . . and to Bersaba de Buddles is \$12.00 . . .

The term "private road" as used herein is understood to apply only to so-called private roads which have been opened under the provisions of Section No 2692 of the Political Code County Surveyor July 28th 1919

IT IS FURTHER ORDERED, ADJUDGED AND DECREED, that the said lands so as aforesaid necessary to be taken from the said defendants Reyes . . . and Bersaba de Buddles be and the same is hereby condemned for the purpose of establishing said private road, and that the plaintiff pay into court for the said Pablo Reyes the sum of \$70.00 and for said Bersaba de Buddles the sum of \$12.00 out of the road fund of Las Virgenes Road District.

AND IT IS FURTHER ORDERED, ADJUDGED AND DECREED, that the petitioner for said private road, Oscar Chesebrough, his heirs or assigns, construct and perpetually maintain across all the property lines of these defendants and between all fences crossing said private road, gates sufficient to prevent the trespass of stock upon the lands of defendants.

Dated this 8th day of December, 1891.

Lucien Shaw, Judge.

Judgment affirmed by Supreme Court February 8, 1893.

EXTRACT FROM INSTRUCTIONS TO JURY in the above case.

"Roads leading from the residences or farms of individuals to a County Road, called in the statute private roads, are of public concern and under the control of the County, and are open to every one who may have occasion to use them; and are therefore public roads, notwithstanding that they are designated in the Statute as private roads."

(Sherman vs Buick 32 Cal 241 and Monterey Co. vs Cushing 83 Cal 507)

A fuller account of the decisions from which the above extract is taken, and which are applicable to this road AND ALL OTHER PRIVATE ROADS IN THE COUNTY, is given below.

California Reports 32 page 241. April, 1867.

Samuel J. Sherman
vs

D. S. K. Buick and John Carrick.

POINTS DECIDED.

CONSTITUTIONALITY OF LAW FOR OPENING ROADS: The legislature has the constitutional power, under the right of eminent domain, to pass laws for opening roads, called in the statute "private roads," from the main roads leading through the country to the residences or farms of individuals, and over lands not belonging to the persons to whose residences or farms the roads thus opened lead.

ROADS CALLED "PRIVATE ROADS" ARE FOR PUBLIC USE: Roads leading from the residences or farms of individuals to the main road which runs through the country, called in the statute "private roads" are of public concern, and under the control of the Government, and are open to every one who may have occasion to use them, and are therefore public roads.

LAND TAKEN FOR ROADS IS NOT APPLIED TO PRIVATE USE: A law providing for opening a road from the farm or residence of A, across the land of B, to a main road leading through the country, upon just compensation being made, does not have the effect of taking the private property of B and applying it to the private use of A.

D-27

ALL ROADS ARE PUBLIC: The phrase "private road" is unknown to the common law. All "roads" are public.

ANSWER IN ACTION FOR TRESPASS IN OPENING ROAD: In an action for damages for an alleged trespass upon the plaintiff's land, if the defendant justifies the alleged trespass under the act in relation to laying out and establishing roads, he must in his answer show strict compliance with all provisions of the statute.

LAYING OUT ROADS: Whether a given road will subserve the public need or convenience, is a question for the Government alone to determine. The courts have nothing to do with it.

Appeal from the District Court, Third Judicial District.
Santa Clara County.

Opinion by the Court. Sanderson, J. (32 Cal 253)

+ + + + In the plan devised by them they have for the purpose of classification divided roads into "public and private" and provided how they may be laid out and established and how maintained. The former are to be laid out and maintained at the expense of the county or road district at large, and are therefore called "public." The latter at the expense of such persons as are more especially and directly interested in them, and therefore called "private." But the latter are as much public as the former, for any one can travel them who has occasion - and no more can be said of the former. Whether a way be public or private does not depend upon the number of people who use it, but upon the fact that everyone may lawfully use it who has occasion.

California Reports 83 page 507. March 31, 1890.

Monterey County
vs
Harriet Cushing

PRIVATE ROADS: The private roads spoken of by the statute are really a kind of public road, and land can be condemned therefor.
(Sherman vs Buick, Cal 32-241 approved)
EMINENT DOMAIN-PARTY PLAINTIFF- COUNTY.- Proceedings to condemn land for the purposes of a "private road" may be brought in the name of the County.

Extract from opinion by the Court (Sanderson, J) in rendering the above decision.

"It is said the road was a private road, under section 2692 of the Political Code, providing for "private or by-roads" and that land cannot be condemned for such a purpose. This point is disposed of by the case of Sherman vs Buick 32 Cal 241, in which it was held that the term "private road" was used merely to designate a particular kind of public road, and that notwithstanding the somewhat inaccurate language the use was public . . . The decision has stood for over twenty years, and as the statute has been in force during that time, it is probable that many such roads have been opened under it.

See also Cal 141-339, Hartley vs Vermillion, for similar decision.

Report of Viewers read as follows:-

To the Hon. Board of Supervisors of
Los Angeles County Cal.

We the undersigned viewers appointed to view and survey the road prayed for in the petition of R.A. Byron and others, filed May 5, 1886, which road is entitled Old Telegraph Road, do hereby report:

That----- on the 28th. day of June 1886, we met and proceeded to view and lay out the said proposed road, the field notes & plat of the survey of which are hereunto annexed marked "Exhibit A" & made a part of this report, which field notes & plat correctly show the course, termini and length of said proposed road, and the name of the owner of each tract of land over which the same passes ----- That we gave written notice of the proposed route to each owner of land over which the same passes-----

That the following named land owners have consented in writing to give the right of way for said proposed road over their lands to-wit:

J.S. Baker, Mrs. S.E. Potts, J.W. Baker, T.G. Russell, as appears from said written consent hereto attached marked "Exhibit C"-----

That upon said view we became satisfied that said road would be a great public convenience that the same is laid out over the most practicable route, and we hereby recommend the establishment of the same in accordance with the field notes herewith presented.

We would further report that that part of the Old Telegraph Road in Sec. 5, T. 38, R. 11 W. be abandoned & also that part of the Santa Gertrudes Road No. 2 in said section 5 be abandoned.

We would further report that after due and diligent search we have been unable to find the owner of the S.E. $\frac{1}{4}$ of Sec. 5, T. 38, R. 11 W. but he would no doubt consent to the change as that part of the old Telegraph Road lying in section 5 is not now travelled and he allows the public to travel the road as petitioned for.

L. Friel, D.D. Johnston, L.R. Strong, Viewers.

Whereupon---moved that the prayer of the Petition be granted and Report of Viewers be adopted and the Road as described therein be and hereby is declared a public highway and that the roads prayed to be abandoned, be & they are hereby so abandoned. Motion Carried.
