CONCLUSIONS OF LAW.

For Final Judgment see D: 65-74

As Conclusions of Law the Court finds that the plaintiffs are entitled to a decree in their favor and against the defendants as follows:

(a) That the said proceedings taken by the City Council of the City of Los Angeles to vacate Barranca Street in the City of Los Angeles, between North Avenue 18 and North Avenue 19, including the enactment of Ordinance of Intention No. 48.631, New Series, and the Final Ordinance declaring the said Street vacated being Ordinance No. 48,189, New Series, be declared null and void and set aside as of no effect, because of the gross abuse by the City Council of the City of L.A., and members thereof, of the discretion confided in them by law in that neither public interest, necessity or convenience require the vacation of said street and the City Council did not consider public interest, necessity or convenience, but only the private interest of the defendant Frank Graves Sash, Door & Mill Company in the proceedings to vacate said street.

(B) That Barranca Street in the City of Los Angeles, extending from North Avenue 18 to North Avenue 19 be decreed to be an open, public street or highway and subject to the public easement for all purposes of a public street. The said Street is described as follows:

Barranca Street between the SWly line of Avenue 19 and the NWly line of Avenue 18, in the City of L.A., Co. of L.A., State of Calif. and more particularly described as follows:

Beginning at the point of intersection of the SWly line of Ave. 19 with the NWly line of Barranca St; thence SEly;

in a direct line, to the point of intersection of said SWly line of Avenue 19 with the SEly line of Barranca St; thence SWly in a direct line, to the point of intersection of said SEly line of Barranca St. with the NEly line of Avenue 18; thence NWly, in a direct line, to the point of intersection of said NEly line of Ave. 18 with the NWly line of Barranca St; thence NEly, in a direct line, to the point of beginning.

(c) That a mandatory injunction be issued out of this court directing the defendants to this action and each of them and their agents, attorneys and employes to remove from said street all obstructions to public user and travel placed therein by them or any of them, including any building or sheds or other structures erected or placed therein by the said defendant Frank Graves Sash, Door & Mill Company, and that said defendants and each of them and their agents, attorneys and employes be enjoined by a permanent prohibitory injunction issued out of this court from closing, obstructing or preventing the public user of said street for public travel or in any other way which a public street may be used.

(d) That the plaintiffs recover their costs by them herein sustained.

Let Judgment be entered accordingly.

Done in open Court this 7th day of July, 1925; Carlos S. Hardy, Judge.

July 24th, 1925, on this day the parties by their respective counsel were present before the court at which time the court considered the "objections and amendments to the findings of fact" as above approved and signed, and after hearing argument of counsel and full consideration of said objections and findings, the court overrules said objections and denies said amendments and re-approves the above and foregoing "Findings of Fact and Conclusions of Law as the Findings of Fact and Conclusions of Law in this cause.
