The ten parcels of land above described being shown colored red on plat CEK 1415 hereto attached and made a part hereof.

All retaining walls and curbs constructed by the party of the second part under this easement shall be constructed in accordance with plans and drawings first submitted to party of the first part for approval and shall be so constructed as to fully support all existing embankments and other structures on the right of way herein mentioned of the party of the first part.

Party of the first part reserves the right at any time it sees fit, to change its existing embankments on said right of way, and in the event it does so change them in such a manner as to require larger or different retaining walls or curbs to support such changed embankments, the party of the first part reserves the right to substitute in lieu of the retaining walls, and curbs of such dimensions and strength as will properly support the changed or altered embankments, road bed and tracks of the party of the first part. The party of the first part reserves the right at any time to substitute for the retaining walls and curbs constructed by the party of the second part, any walls or other structures necessary to take care of and support its future railroad operations, embankments, road bed, tracks or other structures.

The retaining walls and curbs constructed by the party of the second part shall be maintained by the party of the second part at its own cost and expense. In the event the party of the first part exercises its reserved rights to substitute curbs and retaining walls, or curbs or retaining walls for those constructed by the party of the second part, the cost of maintenance of such curbs and/or retaining walls, shall be borne by the parties hereto as follows:

The party of the second part shall bear the cost of the maintenance of so much of the substituted curbs and/or retaining walls, as the original curbs and/or retaining walls bear to the substituted curbs and/or retaining walls. The balance of the cost of maintenance shall be borne by the party of the first part.

C O P Y --

COUNTY OF LOS ANGELES
OFFICE OF COUNTY COUNSEL

June 2, 1927.

Mr. John E. Rockhold,
County Surveyor,
B u i l d i n g.

Dear Sir:

I desire to call your attention to the fact that the
Governor yesterday signed Assembly Bill No. 310, which validates
the boundaries between Counties of the state, which boundaries have
been in common use for the purpose of assessment and collection of
taxes for twenty-five years.

In my opinion, this Bill will finally establish the
validity of the commonly recognized boundary between Orange and
Los Angeles Counties as the same was fixed by the respective county
surveyors in 1892. It will remove for all time the doubts which
we have heretofore entertained concerning special assessment
districts for public improvements in which districts property lying
ely. of Coyote Creek is to be assessed by Los Angeles County.

Statutes & Amendments 1927 Very truly yours,
