AFFIDAVIT

STATE OF CALIFORNIA
COUNTY OF LOS ANGELES, ss.

H. FRED PETERSON, being duly sworn, deposes and says:

That he is the Registered Civil Engineer who was engaged in the survey of Tract No. 14364 as recorded in Book 312, at Pages 1 and 2, of Maps, in the Office of the County Recorder of Los Angeles County, California,

That in the making of the survey for said tract, he did not find, at the Southeast corner of Oakwood Street and Bellford Avenue, a 2" iron pipe which he had found in 1939, and he prepared the map of said tract to show that a 2 1/2" iron pipe with a brass cap was set as a replacement of the 2" iron pipe,

That later when he made an excavation to set the 2 1/2" iron pipe, he found the original 2" iron pipe at a greater depth than anticipated because of improvements and grade change,

That inasmuch as the original monument is in good condition and in the correct position, he did not set the 21/2" iron pipe with a brass cap.
