EXCEPTING THEREFROM those portions of Lots 4 and 12 condemned for extending Fifth Street by Final Decree of Condemnation, entered in Case No. B-94594, Superior Court, a Certified Copy thereof being recorded in Book 5179, page 357, of Official Records of said County.

Containing 65,555 square feet.

It is hereby found and determined by this Commission that a part of the above described parcel of land is required for State highway purposes and that the remainder will be left in such shape or condition as to be of little value to its owner and to give rise to claims or litigation concerning severance or other damage if the whole parcel be not taken, for which reason this Commission has determined that the public interest and necessity require the acquisition of the whole of said parcel.

AND IT IS FURTHER ORDERED that a copy of this order and judgment be filed in the office of the County Recorder of the County of Los Angeles, State of California, and thereupon the real property as hereinabove described, together with any and all improvements thereon pertaining to the realty and the title thereto shall vest in plaintiff in fee.

Dated: April 12, 1950.
