STATE OF CALIFORNIA
State Highway Layout No. 259

In Advisory Board of the Department of Engineering, Sacramento, California
September 26, 1916

WHEREAS, this board, in behalf of the Department of Engineering of the State of California, adjudges and determines that public necessity and convenience require that the State of California take over and lay out as a State highway a portion of the County road in the County of Los Angeles locally known as the Foothill Boulevard, commencing at the easterly boundary of Glendora and extending thence southeasterly to B Street at the northwest corner of the city of Lordsburg as shown on a map thereof signed by W. W. Patch, Division Engineer, dated March 14, 1916, and

WHEREAS, this board deems such taking over and laying out of said new or existing way as a State highway to be in accordance with the provisions of the State Highways Act of the State of California approved March 20, 1909, Statutes 1909, Page 647, it is therefore

VOTED, and it is hereby certified, that pursuant to the authority vested in the Department of Engineering of the State of California by the said "State Highway Act," this board, in said behalf, does hereby take over and lay out the new or existing ways hereinbefore described and declares the same to be and adopts it as a State highway subject to the provisions of the said "State Highway Act."
