		Thence,
S. 51-1/2° E.	190.09	To place of beginning.

Rancho La Habra

Chains

REMARKS

The map or deseno accompanying the expediente would admit of its being located in such a manner as to have the N. E. corner in the valley of the La Puente but the juridical possession was given and the record of the same would have that corner on the south of the summit of the range of hills and the claimant of the La Puente finally agreed.
