

FIELD NOTES IN T. 4 N., R. 13 W., COPIED
FROM NORWAY'S ORIGINAL FIELD BOOK
WHICH IS IN POSSESSION OF HOWARD
McGURDY

North between Sections 10 & 11, ascend along east side of gulch.

- 32.00 chains cross deep ravine
40.00 " the old corner - cotton wood post in mound of rock on side hill facing North
40.25 chains cross gulch course southeast
48.00 chains cross (?) bears N.E. and S.W.
80.00 chains corner falls on unsuitable place, I set a 4 x 4 redwood post in large mound of rock on top of high sharp rocky spur bearing S.E. and N.W. 87 links south to true corner.

North between Sections 2 and 3

- 14.00 chains to summit of spur S.W. and N.E. leave a small flag in mound of rock;
thence ascend along west slope of high ridge.
40.00 chains set redwood post in rock mound on W. slope (witness post one chain south).
60.00 chains summit of high ridge; thence along E. slope of summit descending.
80.81 chains intersect 10 lengths E. of an oak tree 8 inches in diameter at the head of a sharp gulch for a corner to Sections 2 and 3.

I find no trace of the old corner

East on south line of Section 10

x x x x x x x x x x x x x x x

- 79.39 chains set a sycamore post in mound of rock at one of the posts in fence on N. side of Railroad witness post to corner of Sections 10, 11, 14 and 15, old corner having disappeared.

NOTE: There is nothing in Norway's field book to show

that he ever ran the south line of Section 2 or the south line of Section 3. He ran straight through from the S.W. corner of Section 10 to the W. quarter corner of Section 3, and from the S.E. corner of Section 10 to the N.W. corner of Section 2.)
