T 5 N R 8 W, SBB&K; thence S along the Range line between R 7 & 8 W  
 to a point in E line of Sec. 12 T 4 N R 8 W SBB&K, distant S 1/4 940'  
 measured along said E line, from the NE corner of said section 12;  
 thence S 1/4 in a direct line to a summit of San Antonio Peak; thence  
 SW 1/4 in a direct line to the NW corner of Rancho Cucamonga, thence  
 SW 1/4 along the NW 1/4 boundary line of Rancho Cucamonga to the most  
 W 1/4 corner of Rancho Cucamonga; thence SW 1/4 in a direct line to the  
 NE corner of Rancho San Jose; thence SW 1/4 & W 1/4 along the E 1/4 &  
 S 1/4 boundary lines of Rancho San Jose to a Range line between R 8 & 9  
 W SBB&K, thence S along the Range line between R 8 & 9 W to the SE  
 corner of Sec. 12 T 2 S, R 9 W SBB&K said corner being an angle point  
 in the boundary line of Rancho Santa Ana del Chino; thence W 1/4, SW 1/4  
 S 1/4, E 1/4, and S 1/4 along the boundary line of the Rancho Santa Ana  
 del Chino to the SW corner of the Rancho Santa Ana del Chino, said  
 corner being the center of S 35, T 2 S R 9 W SBB&K; thence SE 1/4  
 in a straight line to a point in the S line of S 36 T 2 S R 9 W  
 SBB&K distant 52.84' E 1/4 thereon from the SW corner of said Sec 36  
 said point being common to the boundaries of the Counties of  
 San Bernardino, Orange and Los Angeles; thence W 1/4 along the  
 Northern line of Orange Co as defined in Sec 39 38 to the SW 1/4  
 boundary line of the State of California; thence NW 1/4 along the  
 SW 1/4 boundary line of the State of California to a point of beginning  
 also the lands of Santa Catalina & San Clemente.

Beginning at the northwest corner of section one, township twenty-five south, range forty east, Mount Diablo base and meridian; thence east along the township line between townships twenty-four and twenty-five south of the Mount Diablo base line, to the San Bernardino meridian line; thence along said San Bernardino meridian line to the quarter section corner on the west line of section thirty, township twenty north, range one east, San Bernardino base and meridian; thence east following the one-half section line to the eastern boundary of the state of California; thence southeasterly and southerly along said state line of to its intersection with the east and west center line of township one south, range twenty-four east, San Bernardino base and meridian, or the prolongation thereof; thence west-erly along the northern boundary of Riverside County as defined in section three thousand nine hundred forty-one to the corner common to Orange, Riverside and San Bernardino Counties; thence northwesterly along the boundary line established by joint survey in December, 1876, and January, 1877,

Pol. C. 3944 Stat. 1923: 360

BOUNDARY OF SAN BERNARDINO COUNTY (1923)

the place of beginning.

forty east, Mount Diablo base and meridian, said point being northwest corner of section one, township twenty-five south, range

base and meridian; thence north along section lines to the six, township twenty-eight south, range forty east, Mount Diablo said standard parallel to the southwest corner of section thirty-standard parallel south of Mount Diablo base line; thence along meridian; thence north along township line to the seventh

two south, range forty-one east, Mount Diablo base and standard parallel to the southwest corner of township thirty-

of Mount Diablo base line; thence east along said eighth following section lines to the eighth standard parallel south seven west, San Bernardino base and meridian; thence north

tions thirty-two and thirty-three, township nine north, range of San Bernardino base line to the section line between section east on township line between townships eight and nine north range eight, west, San Bernardino base and meridian; thence situated at the northeast corner of township eight north,

common to Los Angeles, Kern and San Bernardino Counties, Los Angeles County as defined in said section to the corner twenty-seven; thence northerly along the eastern boundary of Counties as defined in section three thousand nine hundred

to the corner common to San Bernardino, Los Angeles and Orange as the line between Los Angeles and San Bernardino Counties

Beginning at the northwest corner of San Diego County at a point in the Pacific Ocean opposite San Mateo point; thence northerly along the northwestern boundary of San Diego County, as defined in section three thousand nine hundred forty-five, to the southwest corner of Riverside County; thence northerly along the western boundary of said county, as defined in section three thousand nine hundred forty-one, to the corner common to Riverside, San Bernardino and Orange Counties; thence northwesterly along the southwest boundary of San Bernardino County to the point of intersection of said boundary with the southerly line of township two south, range nine west; thence westerly along the township line between townships two and three south, San Bernardino base and meridian, to the corner common to townships two and three south, ranges ten and eleven west, San Bernardino base and meridian; thence southerly along the range line between ranges ten and eleven west, San Bernardino base and meridian, to the southeast corner of section thirteen, township three south, range eleven west, in the Rancho Los Coyotes; thence in a general

Pol. C. 1938 Stat. 1923: 354

BOUNDARY OF ORANGE COUNTY  
(1923)

southwesterly direction along section lines, quarter section lines and quarter quarter section lines in the Rancho Los Coyotes, as follows: westerly along section line to the quarter corner on the south line of said section thirteen; thence southerly along quarter section line to the center of section twenty-four, township three south, range eleven west; thence westerly along quarter section line to the quarter corner on the west line of said section twenty-four; thence southerly along section line to the southwest corner of said section twenty-four; thence westerly along section line to the quarter corner on the north line of section twenty-six, township three south, range eleven west; thence southerly along quarter section line to the center of said section twenty-six; thence westerly along section line to the southwest corner of said section twenty-six; thence southerly along section line to the northeast corner of section thirty-three, township three south, range eleven west; thence southerly along section line to the quarter corner on the east line of said section thirty-three; thence westerly along quarter section line to the center of said section thirty-three; thence southerly along quarter section line to the northeast corner of the southeast quarter of the southeast one-quarter of the southeast one-quarter of said section thirty-three; thence westerly along quarter section

quarter section line to the center of the southwest one-  
quarter of said section thirty-three; thence southerly along  
quarter quarter section line to the south line of said sec-  
tion thirty-three; thence westerly along the township line  
between townships three and four south, to the northeast  
corner of section five, township four, south, range eleven  
west; thence southerly along section line to the north-  
east corner of the southeast one-quarter of said section five;  
thence westerly along quarter section line to the northwest  
corner of the northeast one-quarter of the southeast one-  
quarter of said section five; thence southerly along quarter  
quarter section line to the center of the southeast one-  
quarter of said section five; thence westerly along quarter  
quarter section line to the westerly line of the southeast  
one-quarter of said section five; thence southerly along  
quarter section line to the quarter corner on the south line  
of said section five; thence westerly along section line to  
the northeast corner of the northwest one-quarter of the north-  
west one-quarter of section eight, township four south, range  
eleven west; thence southerly along quarter quarter section  
line to the northeast corner of the southwest one-quarter of  
the southwest one-quarter of said section eight; thence south-  
westerly in a straight line to the northeast corner of section  
eighteen, township four south, range eleven west; thence south

zero degrees, eleven minutes, fifty seconds east, along section  
 line to the boundary line between Rancho Los Coyotes and Rancho  
 Los Alamitos; thence south fifty-nine degrees, seven minutes,  
 forty seconds west, a distance of three thousand three hundred  
 ninety-one and forty-eight hundredths feet; thence south  
 thirty-nine degrees, forty-eight minutes, twenty seconds west,  
 a distance of five thousand six hundred fifty and ninety-seven  
 hundredths feet; thence south eleven degrees, thirty-six  
 minutes, fifty-five seconds west, a distance of two thousand  
 two hundred forty-one and forty-one hundredths feet; thence  
 south twenty-seven degrees, fifty-five minutes, fifty-five  
 seconds west, a distance of eight thousand three hundred  
 seventy-five and forty hundredths feet; thence south thirty-  
 one degrees, twenty-two minutes, fifty seconds east, a dis-  
 tance of one thousand two hundred ninety-six and twenty-one  
 hundredths feet; thence south twenty-seven degrees, twelve  
 minutes, zero seconds east, a distance of two thousand one  
 hundred six and ten hundredths feet; thence south sixteen  
 degrees, forty-six minutes, forty-five seconds east, a dis-  
 tance of one thousand four hundred forty-four and eighty-two  
 hundredths feet; thence south two degrees, forty-eight minutes,  
 thirty-five seconds east, a distance of two thousand two  
 hundred seven and ninety-four hundredths feet; thence south  
 fifty-seven degrees, ten minutes, forty seconds west, a dis-

tance of eight thousand two hundred thirty-eight and seventy-  
 eight hundredths feet; thence south thirty-three degrees,  
 zero minutes, zero seconds west, a distance of six hundred  
 twenty-two and forty-three hundredths feet to a point on the  
 northerly line of block fifty-nine, Almiton Bay tract,  
 as shown on map recorded in map book 5, page 137, on file in  
 the office of the recorder of the county of Los Angeles, dis-  
 tant thereon south fifty-seven degrees, fifty minutes, forty-  
 five seconds east, a distance of four hundred twenty-eight  
 and ninety-one hundredths feet from the most northerly corner  
 of said block fifty-nine; thence continuing south thirty-  
 three degrees, zero minutes, zero seconds west, a distance  
 of three miles, more or less to the southwesterly boundary  
 line of the State of California (the boundary line between Los  
 Angeles and Orange Counties heretofore described and hereby  
 established being shown on county surveyor's map No. 8175 on  
 file in the office of the surveyor of the county of Los  
 Angeles; and likewise on map No. 300 on file in the office  
 of the surveyor of Orange County); thence southeasterly by  
 state line to point of beginning.

Beginning at northwest corner, being common corner of San Luis Obispo, Kings, and Kern, as established in section three thousand nine hundred sixty-two; thence east, on the sixth standard south of Mount Diablo base, to the north-west corner of section one, township twenty-five south, range forty east, Mount Diablo meridian, said point being the northeast corner of Kern County and the northwest corner of San Bernardino County; thence south on the westerly line of San Bernardino as established in section three thousand nine hundred forty-four to the southeast corner of section thirty-two, township nine north, range seven west, San Bernardino base and meridian, forming the southeast corner of Kern County; thence west along the range line between ranges eight and nine north of San Bernardino base to the northeast corner of section five, township eight north, range nineteen west, San Bernardino base and meridian, said point being at the corner common to Ventura, Los Angeles and Kern Counties, as established

Stat. 1923: 336

Pol. C. 3923

BOUNDARY OF KERN COUNTY  
(1923)

tablished in section three thousand nine hundred sixty-  
 four; thence westerly and northwesterly along the northern  
 boundary of Ventura as defined in said section to the  
 corner common to Santa Barbara, Ventura and Kern; thence  
 along the northern boundary of Santa Barbara to the corner  
 common to San Luis Obispo, Santa Barbara and Kern; thence  
 northerly along the eastern boundary of San Luis Obispo to  
 the place of beginning.

3964 Commencing on the coast of the Pacific Ocean, at the mouth of the Rincon Creek; thence following up the center of said creek to its source; thence due north to the corner common to Kern, Santa Barbara and Ventura located on the township line between township nine and ten north, range twenty-four west, San Bernardino base and meridian, and turning thence east with said line between townships nine and ten north, to the northeast corner of township nine north, range twenty-four west, San Bernardino meridian; thence south with the range line to the quarter section corner in the west line of section seven, township nine north, range twenty-three west, San Bernardino meridian; thence east with the center line of sections seven, eight, nine, ten, eleven and twelve of said township nine, range twenty-three west, to the line between ranges twenty-two and twenty-three west of said township; thence south with range line to the southwest corner of section eighteen, township nine, range twenty-two west; thence east to the corner of sections sixteen, seventeen, twenty and twenty-one of same township; thence south to the southwest corner of section thirty-three, of same township; thence east on line between townships eight and nine north, to the southeast corner of section thirty-six, township nine north, range twenty west, in the west line of range nineteen west; thence north to the northwest corner of section six of township eight north, range nineteen west; thence east along the north line of said section six and section five of said township to the northeast corner of said section five of said township eight north, range nineteen west, San Bernardino meridian, forming the corner common to Los Angeles, Kern and Ventura; thence southerly along the

western line of Los Angeles County to the Pacific Ocean and three miles therein; thence in a northwesterly direction to a point due south of and three miles distant from the center of the mouth of Rincon Creek; thence north to the point of beginning and including the islands of Anacapa and San Nicolas.

The seat of justice shall be Los Angeles.

aline and San Clement.

which was the point of beginning, including the islands of Santa Cat-

the farm called Triunfo, and thence to the shore at said boundary point three miles from land and opposite to the Southern boundary of

sea; thence in a northwesterly direction parallel with the coast to a

said Creek San Mateo to the coast and three English miles into the along said boundary to the source of the Creek San Mateo; thence down

ern boundary of San Diego County; thence in a due southerly direction the Coast Range; thence along the summit of said range, to the west-

called Piro; thence in a line running due northeast to the summit of

northeastern boundary of said farm of San Francisco to the farm

of the farm called San Francisco; thence along the northern and

the ridge of hills called Santa Susana to the northwestern boundary

of the farm called Triunfo, and running thence along the summit of

Beginning on the coast of the Pacific at the southern boundary
