

Field Notes of the final survey of the Rancho Los Belles,
situated in the County of Los Angeles, State of California.

Continued to Maria Ygnacia

Bardugo executed by George Hansen

U.S. Deputy Surveyor, in pursuance

of instructions issued by L. Upson

U.S. Surveyor-General for California

of date April 14 1866.

Manuel Dominguez, in the capacity

of Justice of the Peace and of

the first instance, gave on the

twenty-ninth of March 1843,

jurisdictional possession of this

Rancho to Dona Maria Ygnacia

Bardugo.

Antonia F. Coronel and Manuel

Coronel, declare, that they were

both present, when the said

jurisdictional possession was given.

On my request the aforesaid three

persons go with me to the

Rancho "Los Belles", and show

the land marks and points described

in the document of jurisdictional

possession namely;

The point of beginning at the

bank of the River Los Angeles

(punto norte) marked in the

accompanying map as station 1

where I set a Green willow

post 8 ins. diam.

Marked L.P. 1. at the waters edge
