

DIAGRAM

Showing the assessment district and the land to be taken for the widening of Stoneman Avenue in the City of Alhambra, California, from the southerly line of Pasqualito Avenue to the northerly line of McLean Street, also showing the lands assessed and the relative location of each district, block, lot, portion of lot or parcel of land and their dimensions.

Each district, block, lot, portion of lot or parcel of land taken or assessed is designated and described by the number marked thereon in orange ink.

Hereon: the mark ' means feet; figures in black ink next to property lines show each the length of said lines in feet; other figures in black ink show the numbers of the lots; solid black lines show original lot lines; broken black lines show subdivisions of original lots; yellow lines show the land to be taken for the widening of said street; yellow tinting shows boundaries of the assessment district. The diagram is drawn to a scale of 100 feet to 1 inch.

Recorded July 26, 1907.
