 PREPARED IN THE OFFICE OF
KARL F. TUTTLE
 DEC. 1947

BY: *Karl F. Tuttle*
 COUNTY ENGINEER
 R.E. 2000

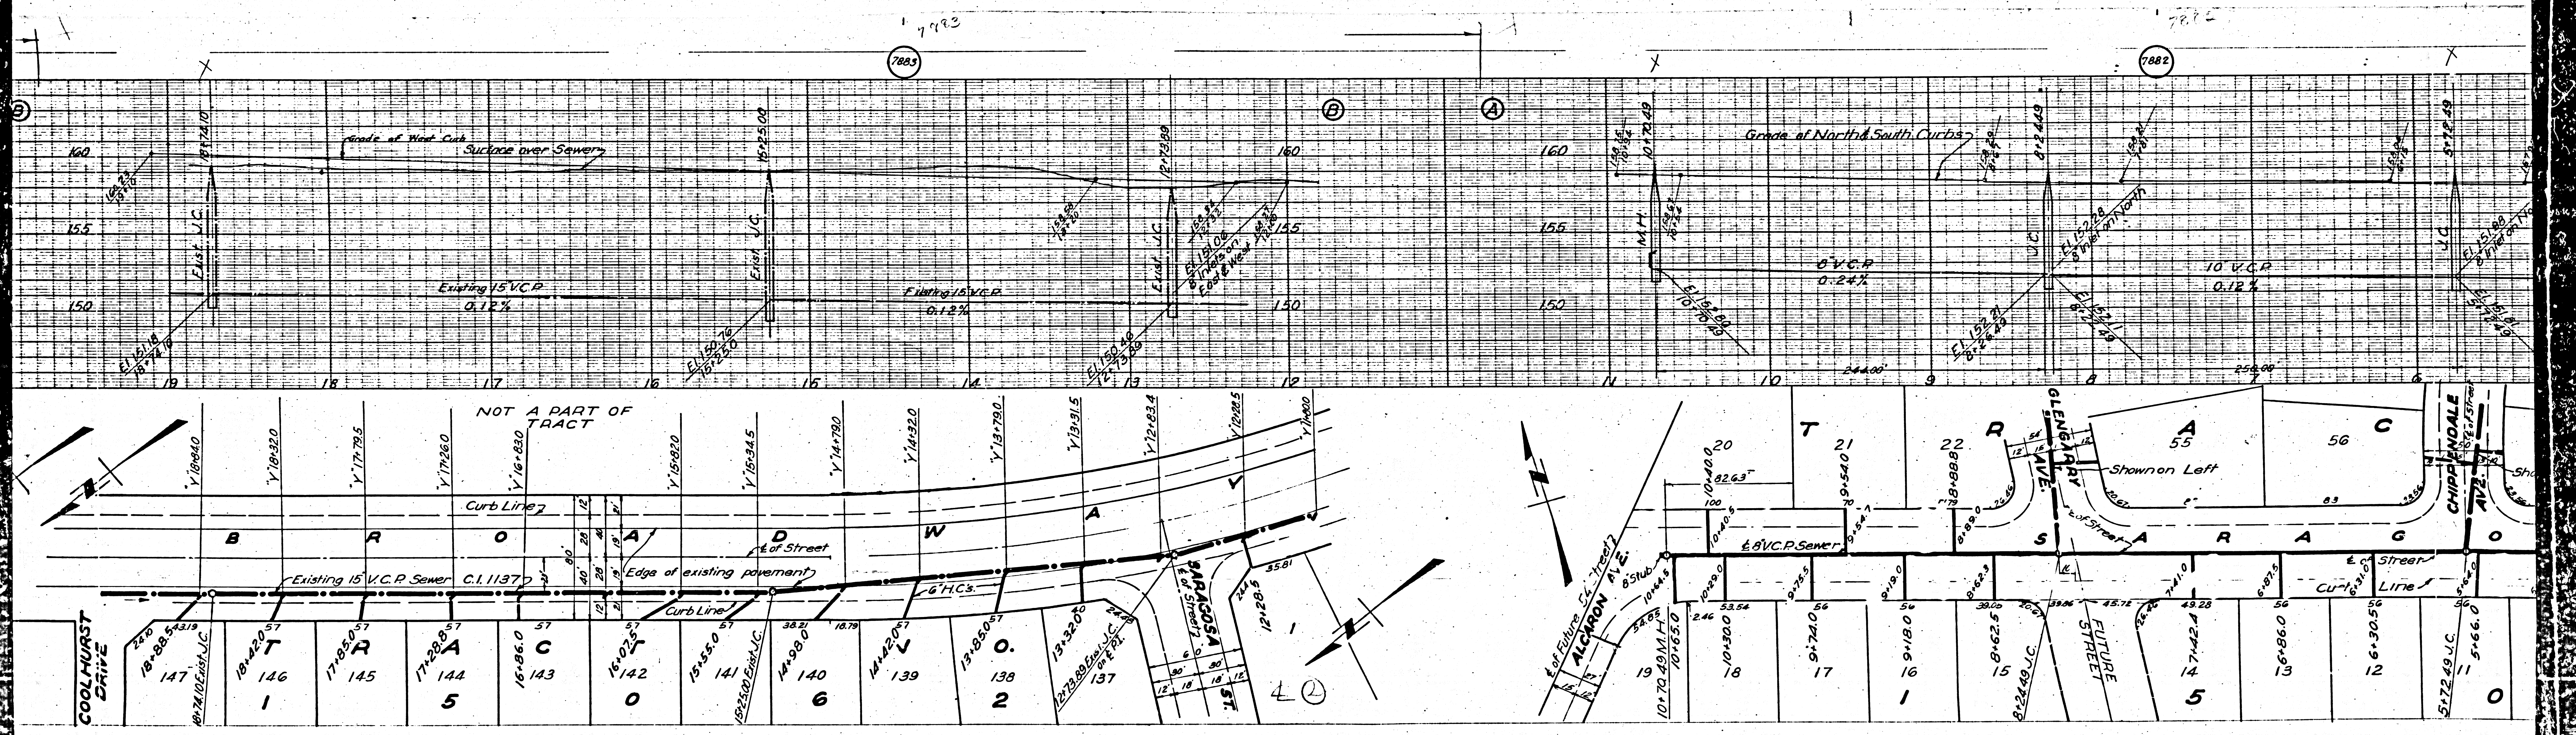

NOTE:
 Grades to which this improvement is to be constructed are shown on Plans and Profiles. Grade is shown to top of curb, centerline of street or centerline of alley are shown by circles on Profiles. At all points between designated points the grade shall be established so as to conform to a straight line drawn between said designated points.
 Elevations are in feet above U.S.G.S. datum or mean sea level.
 This drawing and the data hereon are hereby made a part of the specifications.
 Work shall be constructed according to specifications on file in the office of the County Engineer and shall be prosecuted only in the presence of the County Engineer.
 Before work can be started, the contractor must obtain a permit to excavate in County Streets from the L.A. County Road Dept., 104 Hall of Records and make a deposit with the County Engineer, 700 Fisher League Bldg., sufficient to cover the cost of construction inspection and Record Plans.
 If work is to be done in a State Highway a permit must be obtained from the State of California, Division of Highways, 808 State Bldg. after making the deposit with the County Engineer.
