PREPARED IN THE OFFICES OF
JONES & GILBERT

By *James S. Gilbert*
 Reg. C.E. No. 01797
 FOR LEGEND
 See Plan No. S-a-66

NOTE:
 Grades to which this improvement is to be constructed are shown on Plans and Profiles.
 Cross points for top of curb, center line of streets or center line of alley are shown by circles on Profiles. At all points between designated points the grade shall be established so as to conform to a straight line drawn between said designated points.
 Elevation are in feet above U.S.C.S. Datum or Mean Sea Level.
 This drawing and the data hereon are hereby made a part of the specifications.
 Work shall be constructed according to specifications on file in the office of the County Engineer and shall be inspected only in the presence of the County Engineer.
 Before work can be started the contractor must obtain a permit to excavate in County streets from the L.A. County Road Dept. 211 So. Main St. and must comply with the County Engineer, 828 County Engineering Building sufficient to cover the cost of construction inspection and Record Plans.
 Approval of this plan by the County of Los Angeles does not constitute a representation as to the accuracy of the location of or the existence or non-existence of any underground utility, pipe, or structure within the limits of this project.
